ARIES (March 21 to April 19) Restless Rams and Ewes might want to let others finish a current project while they start something new. But if you do, you could risk losing out on a future opportunity.

TAURUS (April 20 to May 20) The Bovine's creative forces start revving up as you plan for the upcoming holidays. Some practical aspects also emerge, especially where money is involved.

GEMINI (May 21 to June 20) Moments of doubt disrupt your otherwise clear sense of purpose. Don't ignore them. They could be telling you not to rush into anything until you know more about it.

CANCER (June 21 to July 22) A planned trip might have to be delayed. Plan to use this new free time to update your skills and your resume so you'll be ready when a new job opportunity opens.

LEO (July 23 to August 22) A flood of holiday party bids from business contacts allows you to mix work and pleasure. Your knowledge, plus your Leonine charm, wins you a new slew of admirers.

VIRGO (August 23 to September 22) An unexpected act by a colleague complicates an agreement, causing delays in implementing it. Check out the motive for this move: It's not what you might suspect.

LIBRA (September 23 to October 22) You might want to cut ties with an ingrate who seems to have forgotten your past generosity. But there might be a reason for this behavior that you should be in the know about. Ask.

SCORPIO (October 23 to November 21) Be careful not to set things in stone. Much could happen over the next several days that will make you rethink some decisions, and maybe change them.

SAGITTARIUS (November 22 to December 21) Your plans to help provide holiday cheer for the less fortunate inspire others to follow your generous example. Expect welcome news by week's end.

CAPRICORN (December 22 to January 19) You're in your glory as you start planning for the holiday season ahead. But leave time to deal with a problem that needs a quick and fair resolution.

#### Withheld Pay

After being laid off from five different jobs in four months, my Uncle Joe was hired by a warehouse. One day he lost control of a forklift and drove it off the loading dock.

Surveying the damage, the owner shook his head and said he'd have to withhold 10 percent of Uncle Joe's wages to pay for the repairs.

"How much will it cost?" asked my uncle.

"About \$4,500," said the owner.

"What a relief!" exclaimed Uncle Joe. "I've final ly got job security!"

Winter is approaching, and we ask for your help before the temperatures dip too low. If you know of an animal that is not being taken care of properly, please call us at 799-0843.

Cold temperatures and wind chill can threaten a pet's life; the following measures can help ensure your pet will have a comfortable winter:

Low temperatures are especially hard on short-haired, young, and older animals.

All cats should be kept inside.

Salt and chemicals used to melt snow can burn a pet's foot pads and even the mouth when the pet licks the paws. After an outdoor walk, wipe your pet's feet with a damp towel.

Warm vehicle engines attract cats. Bang on your vehicle hood to scare away any cats before starting the engine. Antifreeze is deadly poison, but the sweet taste attracts many animals. Make sure that animals do not have access to the antifreeze.

When it is snowing, pets can lose the scent of home. Keep pets under close supervision, and make sure your pet wears an identification tag.

Winter air can dry out animals' skin and make them itchy. Add a small amount of vegetable oil (with your veterinarian's approval) to the pet's diet.

Most animal welfare organizations urge all dogs to be kept inside, but many are not. For outside dogs, a solid doghouse must be provided. The opening needs to be covered, either

996 South Boston Rd., Danville, VA 24540 Phone: (434) 799-0843

with a commercial door or a heavy, fabric flap. The house needs to be raised off the ground at least 2 inches. Cover the floor with cedar shavings to control parasites and to help retain the skin oil. The doghouse should be large enough to allow the dog to enter, turn around, and either sit or lie down comfortably. However, the house needs to be small enough to hold the pet's body heat in.

Owners of outside dogs must provide more food in the winter, because keeping warm depletes energy. Water bowls should be checked frequently to make sure the water has not frozen.

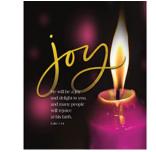

If you know of an animal that does not have adequate protection from the weather, we urge you to call us before conditions are too bad.

Winter can be a fun time of year, but it can also be a harsh time Mail this column for the animals. to someone you believe needs the information, and give us a call if you know of an animal who needs help.

County Bridge Renamed after Fallen Sheriff Deputy

Pittsylvania County leaders, community members, and law enforcement representatives gathered for a ceremony to officially rename and commemorate the "Deputy Sheriff J. Holland Thomas, Sr. Memorial Bridge," which crosses U.S. Highway 29 along Chalk Level Road. Thomas, a longtime Deputy with the Pittsylvania County Sheriff's Office, died in 1956 as a result of gunshot wounds sustained in the line of duty years earlier.

"Deputy Thomas endured great pain and ultimately lost his life as a result of his courage in the line of duty," said Board of Supervisors Chairman Vic Ingram. "As County leaders, we are pleased to rename this bridge along Chalk Level Road in Thomas' honor. The signs on this bridge will remind everyone who crosses it of the sacrifices Thomas made to protect and serve this community."

Pictured (L-R) is Rhonda Zola, Citizenship Committee member Kenny Lewis and Danville Kiwanis Club President Melinda Dalton.

HOLLYWOOD — Oscar winners Julie Andrews and Anne Hathaway have gotten Disney to greenlight a third "Princess Diaries" film. The 2001 original and its 2004 sequel were directed by the late, great Garry Marshall. Andrews played the queen of Genovia, who needed to transform her American niece, Mia (a 19-year-old, awkward Hathaway), into a viable heir to her throne.

"The Princess Diaries 2" was concerned with the Queen's abdication and finding Mia a husband, which is where **Chris Pine** came in. For the "threequel," the story's been kept under wraps; though, it'll probably pick up where the second film left off. Just how Andrews, now 87, and Hathaway, now 40, will be involved hasn't been revealed.

Andrews' last two projects were off-camera voice roles in "Bridgerton" (2020-present) and "Minions: The Rise of Gru" (2022). Hathaway stars in the recent film "Armageddon Time," with Anthony Hopkins; the upcoming films "She Came to Me," "Eileen" and "Mother's Instinct;" and the AppleTV+ eight-episode miniseries "WeCrashed," with Jared Leto. Chris Pine may be too busy with "Dungeons & Dragons: Honor Among Thieves" and "Poolman," opposite Annette Bening, to be in the threequel.

\*\*\*

Also on deck is a "a reimagining," rather than remake, of the classic 1989 film "Road House," which starred the late **Patrick Swayze**, **Sam Elliott** and the late **Ben Gazzara** (at a \$15 million cost and \$61.6 million gross). This time around, **Jake Gyllenhaal** has Swayze's role of an ex-UFC fighter working at a roadhouse in the Florida Keys, abetted by **Billy Magnussen** and **Travis Van Winkle**. As much as I like and respect Gyllenhaal's acting, the times I spent with Swayze showed me he was one of a kind, and he'll be a very hard act to follow.

\*\*\*

Peter Dinklage missed the mark with

Depositp

Julie Andrews

"Cyrano" (only a \$6.39 million gross of its \$30 million cost), but he's one of the busiest actors around. "The Toxic Avenger" will be released soon; then "Brothers" with Josh Brolin, Glenn Close and Brendan Fraser; and "She Came to Me" follows, starring Anne Hathaway, Nicole Kidman, Steve Carell and Marisa Tomei. Dinklage recently starred in "American Dreamer," playing an economics professor at Harvard who attends open house showings of luxurious homes. That leads him to buy Shirley MacLaine's home for an unbelievable \$240,000. The catch is, she has to continue living there. Despite the fact that she's 88 and he's 53, romance ensues.

Lindsay Lohan and Jamie Lee Curtis are both committed for a sequel to "Freaky Friday." Curtis successfully brought back the "Halloween" franchise, and Lohan stars in Janeen and Michael Damian's new Netflix film "Falling for Christmas." Sequel-shmequel, can't anyone give us an original?

# IDA gives final approval to White Mill project

The Industrial Development Authority of Danville today gave final approval to the documents necessary to move forward with the restoration and rehabilitation of the former White Mill building at 424 Memorial Drive.

The approval came during a series of votes at a special called meeting.

"It is going to mean a lot to see the White Mill back in use," City Manager Ken Larking said prior to the votes. "This is going to be a beautiful building. It will be part of a campus that will include a riverfront park. There is going to be a lot of activity on the river front."

Corrie Bobe, director of the Office of Economic Development for the City of Danville, talked about the historical significance of the building.

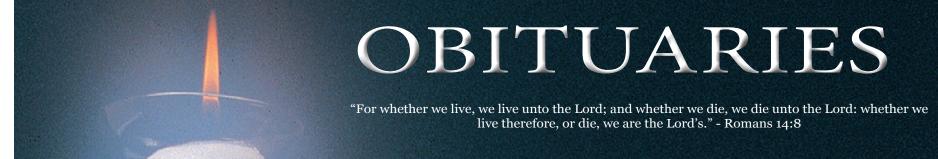

"This is an important moment in the history of the city of Danville to have a building that has been around for more than 100 years and played an important role in our community for a long time to be brought back to life," Bobe said. "I am sure those who were involved in the construction of this building could not have imagined that this building would still be used. I cannot be prouder at this moment."

Neal Morris, chairman of the Industrial Development Authority, called the series of votes that took place "a good day" for the city and its citizens.

"Once work gets underway, everybody is going to be excited about this project," Morris said. "This is a good day. It was a total team effort."

The iconic White Mill building will be redeveloped into a multi-use project that initially will feature 147,000 square feet of commercial space and 150 apartments. Another 56 apartments are planned in a future phase.

Ruth is predeceased by her parents John and Reva Morris, her son Dwayne Wells, and her daughter Nancy Shelton.

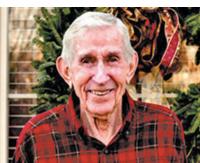

Survivors include her granddaughter Amber Vreeland (Matthew) of West End NC, her great grandson Avery (Thomas) Garrett, her sisters Mae Greene Danville, Helen Motley (David) of Danville, Edith Gowin (Emmet) of New Town PA, and many nieces and nephews.

Ruth was an active member at Shinning Light Baptist Church where she served in the choir and many other areas, in her later years she was a member of Riverview where she also faithfully served in the choir.

Ruth loved to sing and praise God. She was an excellent cook and loved to clean. Ruth spent endless hours with her sisters the "Morris Girls", enjoying Sunday lunch, ice cream on the front porch, yard sales, shopping, and card games. The Morris sisters were known for their "get it done" attitude. The world grew a little brighter for Ruth when Nancy gave birth to Ruth's only grandchild, Amber. Ruth never missed a play, choral or band concert, parade, or graduation. Avery (Thomas) the apple of her eye was born. Ruth spent every moment she could with Avery, attending all his school events, sports events, and family outings.

#### **Eugene Wesley Barker**

November 11, 1929 ~ December 1, 2022 (age 93)

Eugene Wesley Barker, Sr., 93, passed peacefully to his eternal home on Thursday, December 1, 2022, surrounded

and comforted by his children.

Born at home in Axton, VA on November 11, 1929, the oldest of nine children to the late John Wesley Barker and the late Nora Wilson Barker, he was reared on a sharecropper farm in Axton, VA and later in Chatham, VA, but spent most of his life in Danville, VA. His siblings are Gaynell Perdue, Rita Williams, Faye Glass, Thomas Barker, Gary Barker, Sammy Barker, the late John "Jackie" Barker and the late Betty Maddox.

A veteran of the U.S. Army and Air Force, Mr. Barker began his service in 1947. He was stationed in England under the command of General Roscoe C. Wilson and had the pleasure of joining his general - upon personal invitation - on a flight back home to Virginia for one of his final leaves of absence. In 1953, while still serving in England, he witnessed the coronation of the late Queen Elizabeth II and had the privilege of joining his fellow servicemen - including his close life-time friend Neil Carey of Maryland - at the gala at Royal Albert Hall.

He returned home and married his life's love, the late Elizabeth Ann Jones Barker, in 1955, to whom he was married for 46 years until her death in 2001. Together, they had five children: Jerry Jones {Linda}, the late Douglas "Ray" Jones, Patricia Fitts (Ben), Beverly Shelton (Jay) and Eugene "Pete" Barker, Jr.

Mr. Barker began working in the engine rooms of offshore tankers for ExxonMobil when they were still known as the Humble Oil and Refining Company, later Esso. Throughout the course of his career, he had the privilege of traveling all across the world, retiring in 1984 to more humble travels at nearby mountain campgrounds and the Florida coastline, accompanied by his dear wife.

on November 12, 1932, in Danville, Virginia to the late Robert Franklin

Furr and Della Angeline Hardy Furr.

Doris worked at Dan River Mills before her retirement.

The Danville Area Humane Society is happy to invite the public – and their pets – to a **Pet Photo with Santa** event at the city animal shelter. The event is scheduled for **Saturday, December 10th, from 11 a.m. – 2 p.m.** The \$8 fee includes a 4x6 color picture in a holiday card frame. Children who have their picture taken with Santa will receive a small holiday gift.

During that time, Dr. Mary Betterton will microchip animals for Danville and Pittsylvania County residents for \$10; that price includes the registration. The limit is two per household.

Paulette Dean, executive director, said, "We have had this fun event for 22 years. Many dogs have come for years to have their picture taken with Santa and it is so heartwarming to see how their humans have loved them and have taken care of them through the years."

Although most of the animals that come are dogs, cats, birds, pigs, goats, ferrets, and a hedgehog have also participated in the event.

Police Office Jim Godfrey has been our Santa for ten years. Dean said, "Even when Officer Godfrey left the Danville Police Department for two years to return to Pennsylvania, he made the long drive back to be Santa. The next year, only a snowstorm kept him away. We were so happy when we heard that he was coming back to DPD. Officer Godfrey has transported animals to our adoption partners, and in his responsibilities as a police officer, has rescued many animals. He is a true hero for the animals."

April Hogan, shelter manager, said, "We hope that this is a very busy event. It is always so fun to see all of the animals, but this year, we urge people to have their pets microchipped. All animals that come to the shelter are scanned for one, and we are always happy when we are able to return an animal home because he had a chip."

Allow it to sit for several minutes under a tightly fitted lid. The burned smell is absorbed by the bread, and the rice is fit to eat. -- M.U. in Michigan
