### NYC NEEDS EMERGENCY SNOW LABORERS

New York City may have a very active snow season. The City of New York is hiring snow laborers who will shovel out bus stops, step streets and other locations throughout the city. Snow laborers will be paid \$17/hour and \$25.50/hour after the first 40 hours worked in a week. If you or someone is interested, you must visit [nyc.gov/dot](http://nyc.gov/dot) to schedule an appointment at the Bronx Yard which is located at Mosholu Avenue off Broadway just across from the Northwest Playground.

### HEAP APPLICATION

The New York State Home Energy Assistance Program Benefit (HEAP) application is open! As you know, HEAP assists low-income people with their heating costs. Eligibility and benefits are based on income, household size, primary heating source and whether a household member is under six years of age or over 60. You may be eligible even if you own your home or pay for heat as part of your rent. To be sure, there are income guidelines. For example, a household size of four may not exceed a gross monthly income of \$4,598. A household size of one may not exceed a monthly gross income of \$2,729. If you think you are eligible, please schedule a time for you to pick-up an application or we can mail it to you.

### LOCAL MAILBOXES

Unfortunately, it has come to our office's attention that our neighborhood mailboxes are often tampered with or damaged. If you are able, please consider bringing your outgoing mail directly to the post office especially if you are mailing checks and/or money orders. Encourage loved ones and friends to do the same as it is the holiday season and many are relying on our mail system.
