*Elkhart Lake Chamber of Commerce Tree Lighting Ceremony
was held Saturday, November 26, 2022 in the Village Square*

Why I Volunteer for Glacial Lakes Conservancy

It was a warm, crisp morning early in September as the crew rolled in. Jennifer, Sophia, and the newest member of the Glacial Lakes Conservancy team, Isabel, all arrived at 8 am sharp. Jennifer, as a thank you for my involvement with GLC, had graciously offered to bring

(meeting just once monthly). I hardly felt I was deserving of such a generous outpouring, however, I was certainly no fool to refuse!

I had eagerly anticipated their arrival and had for weeks been intermittently

arrival, I had zeroed in on a short list of priorities with some back up tasks for good measure. I didn't want to squander the opportunity with unpreparedness and, after witnessing this team work, I was very happy to have a few things in my back pocket.

The team decided to divide up and tackle as many tasks as possible; Sophia went to the fire pit to begin breaking down the tree limbs I had recently felled and piled in the yard, Isabel started in on the trees around the property to weed and mulch the stone rings around each, and Jennifer began weeding the front shrub garden which, by that point, had really been overtaken more with weeds than shrubs. Each set to task with a rarefied zeal coupled with a complete fearlessness to get dirty. In no time at all, the farm aesthetics had completely shifted from overgrown and wild to cultivated refinement. The shrubs emerged proudly from weedy hordes; the trees were ringed with pristine mulch; and the brush had been cut down and organized into uniformed piles. The team managed to plow through the priorities in no time at all to get to the fun stuff-clipping goat hooves! In one of the last great hoorahs for Mad Max the billy goat (may he rest in peace), we combined forces to catch him and "shine" his shoes.

Glacial Lakes Conservancy often calls upon the community to further the great work they do protecting and preserving the beautiful lands many of us take for granted. Our unique and complex local ecosystems demand intelligent and responsible conservators for protection from the excesses and short sightedness

that at all times threaten its pastoral beauty and luster. However, it is the willingness of GLC to give back to those who donate their resources that set them apart. Jennifer and her team certainly didn't need to give their time and effort to beautify our property, but they did. There was certainly no need to so generously give their time as they had already received our contributions and we were perfectly happy to donate either way. But it goes deeper to show a unique passion for their mission. GLC truly is dedicated to improving their community and assisting those like minded individuals in any way they can. Perhaps my volunteer experience is a bit inverted from the norm yet I feel this best demonstrates an important fact about GLC- they strive to better the community we live in and they are willing to put in the time and effort to achieve that end. I am proud to be a volunteer to such an organization.

the full time GLC team over to my Bed & Breakfast, Velvet Sheep Farms, to get to work on any lingering tasks so far eluding completion during the summer season. A magnanimous gift of three hours they had committed to my farm and all for having merely donated to the recent auction (a gift card for one night's stay) and volunteering to participate on the community outreach committee

mulling over the options in my head on how best to put the team to work; would it be something in the orchard, a building project, or perhaps help with the animals, among myriad other options? Things on the farm can so quickly outpace effort and now it'd become difficult to narrow down the tasks to fit the three hour window this team so generously allotted. Finally, upon one final stroll just prior to their

Take a look at the January mystery photo. Do you know anything about it? Where is/was the location? What year was this photo taken?

If you know, let us know!

To enter the January contest, send an email to depotdispatch@elkhartlake.com or a letter with as many details as you can to the Elkhart Lake Chamber, P.O. Box 425, Elkhart Lake, WI 53020, or drop off at the Chamber Office, 41 E. Rhine Street.

The person with the best submission will receive a finely matted, quality enlarged print of the original, courtesy of Schamberger Gallery in Elkhart Lake.

Please share your guesses and help us keep the contest up to date.

answer December Mystery Photo

The winning entry was submitted by Gary Wettstein, who can pick up the photo at the Elkhart Lake Chamber office at 41 E Rhine Street, Elkhart Lake.

I believe the mystery picture was the Sessler Barber Shop in Elkhart Lake. I think it was built in 1925, which at that time was a grocery store, the Jerry Sessler (who was my brother-in-law) made the place into a Barber Shop. He ran it from 1971-1974. He and his wife, Delores, and two young sons, Kip and DeWayne loved above the shop until Jerry became ill and passed away at 32

years old. The building is now called "Cleveland State Bank" on Rhine Street, Elkhart Lake. And I remembered the 3 windows upstairs was once one large picture window. The newspaper photo will be mailed to one of Jerry's sons. I'm sure they will enjoy seeing it. Thanks for the memory.

Sincerely, Gary Wettstein

Also, a correct entry was placed by Hannah Landgraf

That is Generations Hair Salon which was owned and operated by

my mother, Kelly Landgraf! She and her stylists would do such a fantastic job of decorating for the holidays. Christmas in particular was filled with lots of lights, garland, ornaments, and jingle bells.

I know I, and so many others, have fond memories in that building when Generations occupied 91 E. Rhine St.

Thank you for the wonderful trip down memory lane!

Sartori Big Cheese Drop Rings in the New Year at the Plymouth Arts Center

The annual Sartori Big Cheese Drop, is nationally lauded as one of the country's quirkiest New Year's Eve traditions. This year marks our 16th annual event as we celebrate Plymouth, WI, the official Cheese Capital of the World. Over the past years, the event has drawn thousands as the community comes together to welcome the New Year. The highlight of the event is marked by a countdown and the lowering of a giant wedge of Sartori's world award-winning BellaVitano® Gold Cheese at 10pm. The event is sponsored by the Sartori Company.

The festivities begin at 8:30pm in the PAC Greatroom with live music by II Cool. There will be a cheese tasting table and a cash bar. This is a family-friendly event! Enjoy complimentary hot cocoa and warm up at the bonfire from 8:30 to 10pm. Gift bags of Sartori Cheese will be distributed to the first 250 families in attendance. After the Big Cheese Drop at 10pm, music will continue to 12:30am. A complimentary champagne toast at midnight will be provided to all guests as we ring in the New Year!

Executive Director Donna Hahn said, "The Plymouth Arts Center initiated this popular New Year's event back in 2007 to pay tribute to Plymouth's cheese heritage and its thriving industry that exists today. We greatly appreciate the Sartori Company's generous sponsorship of this event and our organization. We also thank the Plymouth Fire Department for their continued gracious assistance. We wish you and your family very Healthy and Happy New Year!"

About Sartori: Sartori, a fourth-generation family-owned company, has proudly produced award-winning, artisan cheese for customers worldwide since 1939. Rooted in Plymouth, Wisconsin, Sartori's emphasis on a high-quality and handcrafted approach to cheesemaking is a timeless family tradition.

About the Cheese Capital: The national respect for Plymouth was planted in the fact that the price of cheese in the USA was designated at the Wisconsin Cheese Exchange in downtown Plymouth, beginning in 1918. The Cheese Exchange pricing

and standards were the platform for cheese pricing until 1956. During these decades Plymouth became known as Cheeseville because of the cheese storage facilities, the processing of cheese and shipping of product throughout the country. Today Plymouth is simply the Cheese Capital of the World with over 15% of the cheese consumed in the US going through the city.

About the Plymouth Arts Center: Established in 1993, as a 501c3 non-profit arts organization, the Plymouth Arts Center is Western Sheboygan County's leading arts destination. Its celebrated Gallery 110 North showcases Wisconsin fine artists in changing exhibits. The Gift Shop features original art created by PAC members. The PAC offers an ongoing and vibrant schedule of live musical and theatrical performances, art classes, chartered bus trips, and special events, i.e. Jazz & Blues Crawl, Spring Art Tour, Paint the Towns En Plein Air, and the nationally acclaimed, "Big Cheese Drop!" The PAC also serves a unique backdrop for private parties, meetings and special events. Tour/School groups welcome.

Gallery admission is free.

The Plymouth Arts Center is located at 520 East Mill Street, downtown, (at the intersection of Eastern, Mill & North. For more information or to request more information about New Year's Eve or for a schedule of events, please call (920) 892-8409 or visit the PAC website at: www.plymoutharts.org

New Digital Messaging Sign Information

Elkhart Lake-Glenbeulah Elementary/Middle School

A new elementary/middle school digital sign was acquired to replace the non-digital activity sign that had served the elementary and middle schools for the past 33 years. The non-digital school sign was a donation from the Class of 1989 and dedicated to middle school student at the time Tom Kraemer. Over the course of several years, the non-digital sign required repairs in addition to posing challenges when accessing it and manually updating the messaging. With the wear of the non-digital sign and the safety concerns it posed, the opportunity came to seek how to fund a replacement sign that would be easily accessible, safe, and more efficient in keeping up to date in communicating the school's activities to our school stakeholders and community members.

Last winter, both the PTA and Educational Foundation were pivotal in discussing various funding options to obtain a new, digital sign and where both organizations were willing to contribute funds to help cover the cost. In May last school year, the opportunity presented itself to submit a grant proposal in seeking a charitable donation from the National Exchange

Bank Foundation, Inc-Barbara and Peter Stone Family Foundation to help fund a new, digital sign. The school received notice in September of this school year that the National Exchange Bank Foundation, Inc.-Barbara and Peter Stone Family Foundation would be making a very generous charitable donation to cover the full cost of a new, digital messaging sign.

A committee was formed to examine sign options in addition to seeking permission from the Village of Elkhart Lake. After speaking to school neighbors about a new digital sign and after acquiring the funds, an approved permit, and authorization from the Village Board of Elkhart Lake, a new digital sign was purchased. The sign was installed on November 18th and is now providing more timely information and updates of school-related activities.

Helpful to seeing this project through were PTA member Jennifer Wagner, National Exchange Bank & Trust Systems Administrator Ben Wagner, National Exchange Bank & Trust Assistant Vice President of Operations and Lending Tammy Wagner, and Elkhart Lake-Glenbeulah Education Foundation President Melissa Koehler.

CHAMBER SPOTLIGHT

Making Spirits Bright

Our December Chamber Member Spotlight is Making Spirits Bright. Making Spirits Bright was initiated in 2012 by the Sheboygan County Rotary Clubs to provide a quality, exciting, family event and to collect much needed pantry items. To accomplish that goal, Making Spirits Bright partners annually with the Sheboygan County Food Bank (Food Bank). The pantry donations received at Making Spirits Bright are presented to the Food Bank, thus assisting them with fulfilling their two-fold mission:

- To feed the hungry through supporting and improving the food distribution system in Sheboygan County.
- To guide individuals seeking assistance to appropriate resources to meet their other basic needs.

Donations from Making Spirits Bright are delivered nightly to the warehouse for storage and later distributed to the ten individual food pantries that comprise the Food Bank as well as 29 other partners throughout Sheboygan County. Each pantry then distributes these goods locally to those who truly need them. Over 3,500 households are served by the Food Bank and its partners each year. In addition to the dedicated pantry partners, a variety of

smaller non-profit service organizations also benefit from donations such as Bridgeway & Beyond, Safe Harbor of Sheboygan, and Nourish Farms.

In 2016, the Food Bank consolidated its operations and storage efforts into one facility on N. 21st Street in Sheboygan. The new warehouse space provides much needed storage in a centralized location, facilitating collection and distribution efforts. The addition of a donated commercial freezer has allowed acceptance of perishable items, a great benefit to pantry recipients. Another notable innovation in the past year is the implementation of an ordering and delivery system for local pantries, resulting in valuable time and manpower savings for each organization.

Thanks to a \$25,000 grant from Making Spirits Bright, the Food Bank has been able to purchase needed items, such as paper and hygiene products, baby products, particularly diapers, as well as items for special dietary needs. More focus is directed at providing healthy food choices for their clients. To learn more about Making Spirits Bright please visit www.makingspiritsbright.com

18th Annual Ornament Fundraiser for the Elkhart Lake- Glenbeulah Education Foundation

A Christmas stocking full of goodies is the design for the annual ELG Education Foundation Ornament Fundraiser. These commemorative ornaments are available by making a \$20 donation to ELGEF. This is a perfect way to make a contribution in honor or memory of someone special, or to give a collectable stocking stuffer. After the holidays, The ELG School District's newspaper, the Resorter Reporter, will publish an acknowledgement listing those who

have contributed and in whose honor or memory the donations have been made.

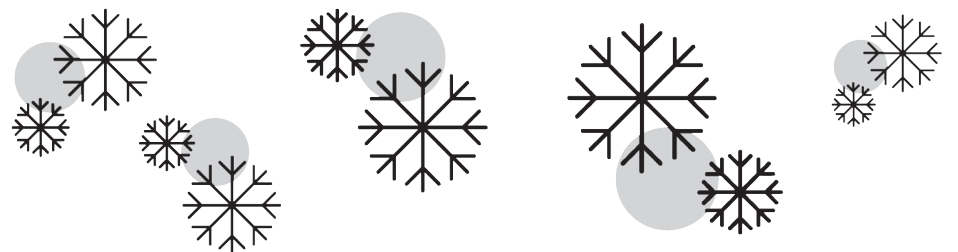

This year's featured ornament, designed by 4th grade student, Ruby Keske is the 18th in a series of ornaments created by students in the ELG district. Ruby is the daughter of Rosenda and Justin Keske. Her art teacher is Amy Hammes.

Ornaments are available at both school offices and the Elkhart Lake branches of Cleveland State Bank and National Exchange Bank & Trust. If you missed the some of the earlier ornaments in the series, you can round out your collection for an extra \$5 donation for each, while supplies last. If you have any questions or would like to order an ornament, please contact Debbie Hammann at 920-876-3307. Add to your collection or start now.

The Elkhart Lake Glenbeulah Education Foundation, a 501(c)(3) tax exempt organization, supports the School District in its mission to provide a caring, innovative learning environment. The ELGEF provides resources and enhances opportunities not included in the school district's operating budget.

Lemons of Love Extends Community-Based Cancer Support Efforts in Sheboygan County Area

Eight years after setting out on a mission to provide community-based support to those impacted by the challenges of cancer out of its headquarters in Mount Prospect, Ill., Lemons of Love is aiming to deliver a pinch of sweetness to individuals faced with sour circumstances in Sheboygan County through the addition of a second location in the heart of bustling downtown Plymouth, Wis.

Lemons of Love shares chemo care and personalized care packages with cancer patients throughout the world, featuring items designed to ease side effects commonly associated with chemotherapy treatments such as organic lemon drops to help with the metallic taste from chemo, ginger tea for nausea and insomnia, organic body lotion for dry skin, lip balm from local brand Olivu Organic Products for chapped lips, drawings from kids meant to bring joy along with other items aiming to provide comfort.

“We deliver chemo care packages to hospitals and oncology centers, along with personalized care packages for individuals through a donation,” Lemons of Love Marketing Director Maren Paige said.

In addition, Lemons of Love provides yoga, meditation and creative arts programming and ongoing family support services at the Lemons of Love Cancer Resource Center, which opened in Mount Prospect, Ill. in 2018, with the Plymouth, Wis. location following suit at 607 Eastern Ave. in

2021.

Since its inception, Lemons of Love has shared more than 26,000 care packages and offered more than 400 free in-person and virtual classes.

“We offer free programs for anyone impacted by cancer and one-on-one family support at our Mount Prospect, Illinois and Plymouth, Wis. locations,” Lemons of Love founder

of it.”

Swanson started the 501c3 non-profit organization in 2014 after she was diagnosed with stage III colon cancer.

“When I began chemotherapy, a friend gave me a small gift filled with items to help me get through my treatment,” Swanson said. “I was really touched by the kindness and thoughtfulness of this gift during

out of its historic Plymouth, Wis. office building.

“I am from Mount Prospect, Illinois and my parents were involved in racing, so we made many trips to Elkhart Lake for races at Road America,” Swanson said. “I now have a house in Elkhart Lake close to the track. Over the past few years, I built a plan to introduce Lemons of Love in Sheboygan County and surrounding areas. We are currently gearing up to launch some new programs in the area in the spring. Our hope is to boost awareness and the overall reach and impact of Lemons of Love in the community around our Plymouth location in 2023.”

The Plymouth, Wis. Lemons of Love location will also serve to carry out the core component of Lemons of Love’s mission – the delivery of chemo care packages to hospitals and cancer care centers in the Sheboygan County area.

“We will be using the space for programs for those impacted by cancer, as well as for care package distribution to local cancer centers, such as the Vince Lombardi Cancer Clinic and hospitals in both the Froedtert and Advocate Aurora Health Systems,” Paige said. “We also have some additional plans for the beautiful outdoor garden space adjacent to the Plymouth Lemons of Love building along the Mullet River. We are looking forward to creating a natural, relaxing, peaceful area as we grow in Plymouth and throughout the Sheboygan County area.”

For more information on sending a Lemons of Love personalized care package, making a donation and serving as a volunteer, contact Jill Swanson at jill@lemonsoflove.org, Maren Paige at maren@lemonsoflove.org, call 920-501-0100, visit <https://lemonsoflove.org> or check out Lemons of Love on Facebook, Twitter, Instagram, YouTube and Pinterest.

Jill Swanson said. “We are drawing on the saying, ‘When life hands you lemons, make lemonade.’ In other words, when something bad is happening in your life, try to find something good and make the best

a difficult time in my life. I knew immediately this was something every cancer patient should receive.”

In 2015, Lemons of Love created a donation-based program allowing individuals to send a care package to a loved one with an annual Veterans care package program added in 2016, along with a kids holiday care package in 2017.

Looking ahead to 2023, Lemons of Love is gearing up to raise its profile in and around Sheboygan County through a variety of community-based programs and initiatives based

TOM PAPA
Saturday, February 4, 2023 at 8 p.m.

With more than 20 years as a stand-up comedian, Tom Papa is one of the top comedic voices in the country, finding success as an actor, host, and author, in film, TV, radio and podcasts as well as on the live stage.

The comedian has had 4 highly rated stand-up specials on Netflix and recently released his 5th Netflix special, What A Day! on December 13th. The special was taped at the iconic Wilbur Theatre in Boston. His other critically acclaimed specials include Human Mule, Freaked Out and Tom Papa Live in New York City, two of which were directed by Rob Zombie.

On June 6, 2023, Tom will release his highly anticipated third book, We're All In This Together.....So Make Some Room. The book compiles comedic essays that aim to unite us through our stupidity. Every mistake has already been made, and this should bring us great comfort as we join together in our fight for survival, or at least in our attempt to get through the day. Whether we like it or not, we're all in this together.

In 2020, Tom released his second book, You're Doing Great! - And Other Reasons To Stay Alive, which was the follow-up to Your Dad Stole My Rake: And Other

MARIACHI HERENCIA DE MEXICO
Friday, March 10, 2023 at 8 p.m.

¡Viva el Mariachi! Latin Grammy-nominated Mariachi Herencia de México presents one night of vibrant mariachi music in HEREDEROS. Simultaneously honoring the past, celebrating the present, and creating the future of regional Mexican music, Mariachi Herencia de México is paving the way for a new generation of mariachi performers. Mariachi Herencia de México honors the legacy of mariachi music with a colorful and unforgettable experience of Mexican music and culture.

The historic tradition of mariachi music has roots in cities like Guadalajara and Mexico City. Today, the future of the evolving genre rests in the hands of a dynamic ensemble from the capital of the American Midwest: Chicago's Mariachi Herencia de México. The Latin GRAMMY-nominated group of young musicians have released four highly acclaimed studio albums with chart-topping debuts on both the Billboard and the iTunes Latin Albums charts, defying a music industry trend and pointing to a revival in recorded mariachi music.

Mariachi Herencia de México recently released the band's fifth studio album titled HEREDEROS, which includes eleven

stunning tracks with arrangements by the band's legendary musical director Rigoberto Alfaro. "It's a masterpiece," says Jonathan Clark, a mariachi expert and historian. "This is mariachi music at its most sophisticated and most modernistic."

In 2017, Mariachi Herencia de México received a Latin GRAMMY nomination in the "Best Ranchero/Mariachi Album" category for the group's debut album titled Nuestra Herencia. The band has toured throughout the U.S., México and Canada performing in some of the most prestigious venues across the continent, including The Kennedy Center, Millennium Park and Guadalajara's Teatro Degollado.

Celebrating 30 Years: Plymouth Arts Center Continues to Shine in Downtown Plymouth

By Donna Hahn, Executive Director

Thirty years ago, founding members and first Board of Directors, Dena Adamson, Lori Beringer, Andrea Fenner, Roger Lahm, Susan McFarlane, Jody Schetter, Nancy Smith, Christine Schumacher, Peter Wright, and the late, Betty Pardee-Arendt, Joan Kohn, and Nancy Thackray, positioned the Plymouth Arts Center as a vital part of community life in Plymouth and as the leading arts destination in Western Sheboygan County. Established in 1993 as a 501c3 charitable non-profit community arts organization, today, the PAC upholds the founders' vision by producing over 150 events each year with annual attendance topping 20,000. Programs offered provide opportunities to be actively involved as a visual or performing artist or to enjoy the shows as an audience member. A wide variety of volunteer opportunities exist for anyone willing to lend a hand.

Located in historic downtown Plymouth, WI, the Cheese Capital of the World, the PAC is home to Gallery 110 North, a fine art gallery showcasing Wisconsin Artists, and a Member's Gift Shop. The PAC is also well-known for its full schedule of concerts and other fun events. To celebrate its milestone anniversary, the PAC is pleased to announce that Keith Abler & Friends will return for a two-night fundraiser on February 24-25, and Patty and Tim Talen with YTC will be back May 19-21 for a theatre production. More exciting news...A premier recital featuring Sherry Joseph and Christopher Guy in "A Night at the Opera" will be presented April 28th. In addition to these new events, it's year 19 for the Cheese Capital Jazz & Blues Crawl for the Arts-Friday, August 11. And..... year 15 for the ever popular, "Mill Street Live," Summer Musical Series. Other annual events include the Joseph Sartori Classical Music Concerts; Celtic Concerts; Northern Moraine Spring Art Tour in June, PAC Singers' Spring and Christmas Concerts; Kids From Wisconsin at Plymouth High School; and Paint the Towns in Fall Color in October. The 30th anniversary theme will culminate in December with the Holiday Membership Art Exhibition/Social and the nationally acclaimed New Year's Eve Party and Sartori Big Cheese Drop finale.

It's so good and it refers to the word "shine" in my title.

In March of 2012, The Plymouth Review published this wonderful tribute to the Plymouth Arts Center in its PERSPECTIVES column.....

One Of Downtown Plymouth's Brightest Lights Is Shining Even Brighter.

One of downtown's finest gems, the Plymouth Arts Center, showed off its new polish and luster to the public last Friday, and the results are dazzling. The former car dealership building has moved even farther away from its utilitarian past life with an extensive \$1.5 expansion and remodeling.

The new building greatly enhances the center's ability to fulfill its mission to showcase the arts in Plymouth and provide a community space available for diverse purposes and events. The open house showed that off well, with the set for the center's latest theater production in the great room where the remodeling effort was being celebrated and refreshments were served. The new kitchen was utilized to provide the refreshments, with the promise of being able to support more efficiently and deliciously the many

community events the center hosts throughout the year. The members art show filled the new and expanded Gallery 110 North exhibit space, a bright and open area that can accommodate bigger and better shows. Dedicated classroom spaces with a more intimate ambiance were ready for eager students to come in and learn new skills or add to existing ones.

audiences, our 250+ volunteers, and our generous sponsors and donors, who help to ensure that the PAC remains vital for years to come. In 2023 we will proudly celebrate all we have accomplished together! On behalf of the PAC Board of Directors, I sincerely thank you for your continued loyalty and support."

Outside, the building's new façade and entryway welcomed visitors even more warmly than it had in the past. All of it combines to make a unique, outstanding facility of which few, if any, cities the size of Plymouth can boast. Such a vibrant celebration and center of the arts is a real feather in Plymouth's cap and a real attraction for those who come to Plymouth, whether to visit or to live. It says so much about this community and the people who live here that not only do we support such an unparalleled facility, but we have stepped up to support its growth and expansion. Whether it's the countless individual members and volunteers who make the many events at the center happen, or the businesses and industries who provide financial support for the center and its activities, we are all part of a facility that makes us all proud and makes Plymouth a better place.

The Plymouth Arts Center is solely supported by membership dues, fundraising events, sponsorships, grants, and private and corporate donations. For those wishing to contribute to a specific fund, the PAC has an established Endowment Fund, Education Fund, and a 30th Anniversary Celebration Fund. The PAC is registered as a charitable organization on Amazon Smile. Donations in any amount are acknowledged and accepted throughout the year.

2023 PAC Board of Directors are: Richard Strong, president; Tom Slater, immediate past president, Adam Mason, Secretary/Treasurer; Barb Barrows, Barb Garton, Bob Hoopman, Linda Laible, Jim Sutton, Ben Wiley, and Donna Hahn, Executive Director.

The PAC is a member of the Plymouth Downtown Arts & Merchants and local chambers, Plymouth, Elkhart Lake, Sheboygan Falls, and the Sheboygan County Chamber of Commerce. The PAC greatroom and classrooms are available to rent for events such as weddings, showers, recitals, private parties, corporate meetings, educational activities, reunions, and more.

Visit the PAC Tuesday-Friday, 10am to 4pm, and Saturday and Sunday, Noon-3pm, or by special arrangement. Closed on Mondays and Holidays. School groups and bus tours may schedule complimentary docent led gallery visits. For complete schedule of events or to order tickets for our upcoming special events: visit our website: www.plymoutharts.org. or call the office (920) 892-8409.

Thank You Elkhart Lake!

By Kathleen Eickhoff,
Elkhart Lake Tourism

As we approach Christmas and the close of the year, I can't help but have incredible gratitude for all who have worked tirelessly in Elkhart Lake's tourism industry.

Elkhart Lake continues to be a highly desirable vacation destination nestled in this naturally beautiful setting on the shores of a crystal-clear lake. The welcoming spirit of our people paired with first-class businesses and amenities has made for a record-breaking year. However, this hasn't been without its challenges.

Though Elkhart Lake emerged from the pandemic in a strong position, we were not able to escape the workforce issues facing our country and disproportionately impacting the hospitality industry. At a time when travel and its related amenities are in all-time high demand, most businesses are struggling to fill positions to meet the demand. We know necessity is the mother of invention, and our businesses have had to adjust hours, services, product offerings, while balancing supply chain issues, increasing costs and staff burn-out. I applaud our businesses for successfully adapting to time and people-saving measures to meet these challenges. But we also know these changes can impact the highest level of service our businesses desire to deliver.

I want to thank every front-line employee who works tirelessly to keep customers calm and happy in this ever-changing landscape. I applaud managers for seeking opportunities to cross train employees and find efficiencies when and wherever possible. I commend our small business owners for their perseverance and leading your teams through the rockiest business landscape we've seen in a decade.

Elkhart Lake is blessed with amazingly hard-working and dedicated people. I am filled with gratitude every day, but especially at this time of year for all who work tirelessly to deliver their very best!

Thank You!

John Michael Kohler Arts Center In Bloom at the End of the World

Angela U. Drakeford: In bloom at the end of the world installation view at the John Michael Kohler Arts Center, 2022

November 12, 2022-April 16, 2023

For her evocation of a sanctuary space, In bloom at the end of the world, Angela U. Drakeford calls forth stillness and rest.

With books, comfortable seating, bird song recordings, and an abundance of plants that fill the gallery, Drakeford prioritizes an atmosphere that allows for processing grief of all kinds—including loss of memories, cultural traditions, and communal support.

In bloom at the end of the world will be on view during colder months, when gray skies and dormant outdoor plants can be seen through the windows of the Glass Gallery, where Drakeford's immersive installation resides. The strong contrast between the outdoor surroundings and the inviting interior acts as a reminder for the warmth and growth to come—both environmentally and personally. The promise of this comfort stimulated by nature and prioritizing wellbeing, however, requires time to witness the processes of rejuvenation.

Drakeford will lead a series of workshops at JMKAC focusing on tending to plants and grief (view artist page below for details). Attendees will be guided in cultivating their own awareness of changes in themselves as well as in plants that surround them every day. Workshops will include exploring processes of wellness, communication, and self-love as they too grow and form roots. Therapeutic groups will also be invited to meet in the gallery to discuss death and strategies to understand loss.

In bloom at the end of the world is part of JMKAC's Ways of Being theme, wherein artists ask, "What if?" Through the interplay of invitation and engagement, Drakeford posits, "What if we took respite?"
