### NYC NEEDS EMERGENCY SNOW LABORERS

New York City may have a very active snow season. The City of New York is hiring snow laborers who will shovel out bus stops, step streets and other locations throughout the city. Snow laborers will be paid \$17/hour and \$25.50/hour after the first 40 hours worked in a week. If you or someone is interested, you must visit [nyc.gov/dot](http://nyc.gov/dot) to schedule an appointment at the Bronx Yard which is located at Mosholu Avenue off Broadway just across from the Northwest Playground.

### HEAP APPLICATION

The New York State Home Energy Assistance Program Benefit (HEAP) application is open! As you know, HEAP assists low-income people with their heating costs. Eligibility and benefits are based on income, household size, primary heating source and whether a household member is under six years of age or over 60. You may be eligible even if you own your home or pay for heat as part of your rent. To be sure, there are income guidelines. For example, a household size of four may not exceed a gross monthly income of \$4,598. A household size of one may not exceed a monthly gross income of \$2,729. If you think you are eligible, please schedule a time for you to pick-up an application or we can mail it to you. Additionally, Con Edison's Energy Affordability Program exists for low-income households and all you must do is call (800) 752-6633. You can do the same if you are a customer of National Grid Energy by dialing (718) 643-4050. These are programs in addition to HEAP which is offered by the State of New York.

### LOCAL MAILBOXES

Unfortunately, it has come to our office's attention that our neighborhood mailboxes are often tampered with or damaged. If you are able, please consider bringing your outgoing mail directly to the post office especially if you are mailing checks and/or money orders. Encourage loved ones and friends to do the same as it is the holiday season, and many are relying on our mail system.

## ANSWERS TO YOUR PREPLANNING QUESTIONS

Families in our community have turned to Woodlawn Cemetery with their cremation and burial needs for over 150 years – and continue to count on us today.

We've been receiving many calls asking about our services – including viewing available property online and scheduling "virtual meetings" – and we have answers. Our family service associates are here for you, ready to address your questions in both English and Spanish. We're also available to help you put your cemetery preferences in writing. This free service alleviates stress and provides peace of mind for you and your family.

Making these important decisions now is one of the most thoughtful gifts you can give to the people you love most.

## FREE LIVING WILL KIT

When families ask us how they can prepare during these unprecedented times, our first response is to talk about our free Living Will Kit. This contains all the information you need to help you understand and complete a Living Will, along with details about other health care advance directives.

Our family service associates are available to answer your questions by phone or virtually.
