ANKLE SPRAINS

An ankle or foot sprain is a soft tissue injury that occurs when an injury stretches or tears the ligaments that connect bone to bone. Many sprains happen during sports, especially basketball and football. However, you may sprain your ankle just tripping on uneven ground or stepping the wrong way off a curb.

SYMPTOMS

If you have sprained your ankle, you will find it hard to walk on that foot. Your foot will swell and show bruising and you will feel extreme pain and stiffness.

TREATING ANKLE SPRAINS

R.I.C.E. is the best way to begin treatment at home: **Rest** your ankle or foot until you can see a doctor. **Ice** the area as soon as possible to reduce inflammation and reapply every three or four hours.

Apply **compression** by wrapping an elastic bandage around the affected ankle.

Elevate the leg on pillows, above your heart if possible.

If the pain and swelling have not subsided in a day or so or if you have difficulty walking, please come see a podiatrist for assessment of your injury. We will carefully examine your ankle and feet and order imaging tests like an X-ray, ultrasound or MRI to confirm our diagnosis.

Immobilization is important to complete healing of a sprain. After a period, you may be able to resume some activities by wearing a special boot or soft cast with crutches. Oral anti-inflammatory medication like ibuprofen can reduce pain, inflammation and swelling.

PREVENTING ANKLE SPRAINS

To avoid ankle sprains, always wear the proper athletic shoes for your activity. Replace shoes when worn out. Avoid walking or running on uneven surfaces.

TAKE YOUR POWER SPORT RECREATION PRODUCTS TO A NEW DESTINATION!

Lindsay Belanger, owner of **Tilbury Auto Sales & RV** has announced his new ownership of **St. Helen Power Sports** in St. Helen, Michigan. Lindsay loves the St. Helen area and he knows you will too. As a Mecca for power sport, outdoor, and adventuring enthusiasts, St. Helen is like a giant “playground” for those with power sport “toys”. “Come and enjoy all amenities within and around St. Helen where we, at St. Helen Power Sports, can help guide you toward all the best spots and amenities that’ll make your day trip or weekend getaway unforgettable,” says Lindsay.

Take the Ambassador Bridge to I-75 north for roughly 2.5 hours and get off at the well known EXIT 222. This part of beautiful northern Michigan has campgrounds, lodgings, restaurants and more. Whether you have an ATV, UTV, Jeep, dirt bike or snowmobile, in St. Helen you can ride them on Michigan’s best ATV/ORV trail systems . 650,000 hectares of sandy groomed trails await for countless hours of adrenalin-pumping off-road fun! And there’s a lake minutes away for your boating pleasure!

At St. Helen Power Sports, they also have Adventures 222 Side-By-Side rentals including a new line of 9 ATV’s coming in 2023, along with pontoon boat rentals.

Visit Lindsay and his team’s new location where you’ll find friendly, professional and knowledgeable staff just as you would at his Tilbury location. St. Helen Power Sports carries Yamaha, Arctic Cat and Mercury outboards, along with Avalon Pontoon boats, Triton trailers and golf carts. And in 2023 they’ll have pre-owned autos along with new and pre-owned RV’s. Repairs can be executed by trained professionals on your power sport vehicles, along with storage services. Look for a big announcement in 2023 to one of the largest events to take place in northern Michigan.

Email Lindsay at lindsay@tilburyautosales.com for more information on the adventures Northern Michigan has to offer. Lindsay will be happy to help make St. Helen your next new travel destination!
