Thank You

To our community, Farm family, Friends & Loved ones,

Where do I start to tell you about my husband, Tom Swyers? Father of our four beautiful children, their lovely spouses, and our astounding grandchildren. Apparently, you already know! The outpouring of kindness, generosity, sympathy, food, donations, cards, clearing of snow, tables & chair delivery, flowers, tears, words of praise for Tom and so much more from so many of you has been enormous. Your heartfelt love surrounds us all and gives us strength for the days ahead.

Tom had a dream early in life of being a farmer. He started his adventure working for uncles, local farmers and with hard work and generosity from his parents, my Mother and family, and the Grace of God's Blessing. In our 50 years of marriage, Tom never once said "I don't want to go to work". He was driven by a force of energy like no other. He ate, slept, and breathed farming! As the farm has grown so have our employees. He appreciated and, respected every one of them. Gardeau Crest Farm employees who we think of as family, Thank you from the bottom of our hearts!

In the years along the way Tom loved to visit with friends, fellow farmers & family. He touched so many hearts. Incidentally, after a heart attack at 38 when he was told that he had 5 to 10 years to live, we were blessed with 34 extra incredible years. Tom was kind, loving, generous, hardworking, and was a classic example of how hard work and determination yields success.

Tom was a wonderful Father, proud of each of his children, had great friends, was happy and proud to be a farmer, and was my beloved friend and husband. As for my family and myself I want to reach out our thanks for your love, support and kindness during such a sad time of our lives.

Thank you to our community, along with the rescue squad, medical services, and friends who were a part of our hour of need. Extra and heartfelt thanks to Eric Kelly and Tom Bush. You held our hearts through a difficult time in our lives. Thank you to our friends and family. You are all amazing and I wouldn't expect any less from any one of you. I wish I could put more profound words of love into this letter to explain what you all meant to him. He loved each and every one of you.

God Bless everyone who reached out to us, for your generosity, donations, caring for us, and for your prayers & love. Our family will miss Tom more than anyone will ever know, and our journey without him will be difficult; however, Tom will live in our hearts forever.

Thank you for an amazing life, Tom! Rest In Peace, my darling, 'till we meet again. Thank you for loving me.

Blessings to all,
*Yvonne Swyers, Joey & Tonya, Mike & Elizabeth,
Jake & Kim, Daniel & Ashley and 18 beautiful grandchildren*

It is Safe to Call 911

Together, the Livingston County Departments of EMS and Health want to remind citizens that heart attacks, strokes, and other emergencies do not stop for COVID-19. Seeking medical attention at the first sign of a heart attack, stroke, or any other serious medical emergency is critical to effective treatment and restoring good health.

Know the symptoms of a heart attack:

- Chest pain or discomfort
- Neck, shoulder, or jaw discomfort
- Shortness of breath
- Nausea, vomiting, cold sweats, or lightheadedness

Know the symptoms of a stroke:

- Facial droop
- Arm or leg weakness or numbness
- Speech difficulty
- Confusion
- Difficulty walking or loss of balance

While many are undoubtedly scared to call 911 or go to a hospital in these uncertain times, Livingston County EMS and the Department of Health want you to know that area hospitals and ambulance services are not only ready to care for any medical emergency, but have enacted many infection control measures to keep all patients safe.

If you or a loved one may be having a heart attack, stroke, or other medical emergency, call 911 at the first warning sign. Even during a pandemic, do not ignore warning signs. And lastly, don't forget to call your doctor if you have any questions about your health.

FREEDOM. TO BE YOU.

If you think oxygen therapy means slowing down, it's time for a welcome breath of fresh air.

- No heavy oxygen tanks
