RE/MAX Lakes Realty & RE/MAX Concepts Join Forces

RE/MAX Lakes Realty is proud to share that they have joined forces with RE/MAX Concepts located in Des Moines, IA. The brokerage will remain as you know it, RE/MAX Lakes Realty, while giving the agents and staff access to all of Concepts' industry-leading systems and resources.

RE/MAX Lakes Realty has been serving the Dickinson County area since 1985 and has been under the leadership of Aaron Jones for the last 8 years. During his time as Broker/Owner, RE/MAX Lakes Realty has been the #1 real estate brokerage in production in Dickinson County. Aaron's decision to sell the brokerage came from a combination of personal life changes and his ultimate goal for the brokerage.

"With RE/MAX Concepts offering unparalleled support to our current and future agents, I am 100% confident our office is in even better hands now and we will be positioned to provide even better service to our clients and will continue to attract the very best agents to join RE/MAX Lakes Realty," Jones said.

RE/MAX Concepts is the #1 RE/MAX brokerage in Iowa based on a per-agent production and number of transactions with 22 offices in 3 states and over 400 agents. RE/MAX Lakes Realty is excited to contribute to Concepts' numbers and looks forward to utilizing new systems and resources.

University of Okoboji Winter Games - Burning of the Greens

The 43rd annual University of Okoboji Winter Games Presented by GrapeTree Medical Staffing will take place January 26-29th, 2023.

Among the many traditions of the games include the annual Extravaganza including the Burning of the Greens.

The Burning of the Greens is a culmination of the weekend where a local collection of the year's Christmas trees is set aflame by the nominated cheerleaders for all to celebrate.

The Burning of the Greens and Firework Extravaganza sponsored by Bank Midwest will take place the night of Saturday, January 28, starting at 6:30pm, at the greenspace in Arnolds Park. Special thank you to Diamond Concrete for donating the storage containers!

To contribute, please drop off your natural Christmas trees, wreaths, garland, etc. to one of two donation containers. One container is set up outside the Dickinson County Expo Building in Spirit Lake and another is in the large parking lot across from the Maritime Museum in Arnolds Park.

The countdown is on... one month until we LIGHT THAT FIRE!

More information about the Burning of the Greens can be found at uofwintergames.com.

Witzberger to Speak at ILUUF

Kirk Witzberger will be the speaker at the January 8 Iowa Lakes Unitarian Universalist Fellowship Hybrid service. He will present a review and interactive discussion of Article II of the UU Foundational Beliefs, including our Seven Principles and Six Sources, and summarize the proposed revisions to this Article. For those comfortable meeting in person, the service will be held in the Bay Hill Room at Arrowwood Resort and Conference Center. Arnolds Park Library Holds Annual Foundation Meeting

The Arnolds Park Library Foundation met on Monday, December 5, 2022, for its annual meeting. This year the foundation graciously approved \$3250.00 worth of gifts to the library. They include a coffee bar station for patron use, and primary sponsorship of our summer reading program.

The library would like to thank their foundation members for their support and time. The library foundation is a non-profit 501(c) organization and the members generously donate their time. The foundation members are Sharlene Eckard, Diane Clary, Ron Swartz, Debra Faulkner, Jackie Carpenter, Lavonne Siemers, and Anna Moore.

The committee members along with the library would also like to thank everyone for their wonderful donations given throughout the year. The generosity of so many allows the foundation to provide our local library with updates and improvements that otherwise wouldn't be possible.

We hope everyone has a wonderful holiday season and that you will keep the library foundation in mind when looking to spread the holiday cheer.

Milford Library News

Milford Memorial Library wants to hear from our patrons. We are asking community members to fill out a general information survey as part of our accreditation process. Interested Community members may visit MML for a paper copy or go online at <https://forms.gle/PkhZcLzmgDzeVUIA> to complete. Thank you for your time and consideration in helping us to make informed decisions on how we can better serve our community.

Young Adults, fourth through twelfth graders, are encouraged to accomplish MML's Young Adult Create a Graphic Novel Challenge Box. They will have the task of creating a new graphic novel. With the author's permission, their completed graphic novel will be displayed for other patrons to read. This is a free activity, but does require registration. To register call 712-338-4643 or online at <http://milfordlibrary.weebly.com/young-adult-registration.html>.

Any interested individuals are welcome to join MML's Book Club on Tuesday, January 17, at 1:00pm. The featured book, *When Breath Becomes Air* by Paul Kalanithi, can be found in our library. It is not necessary to attend all of the meetings, and you are welcome to come and go as you please.

Milford Memorial Library is now able to offer the People's Law Library of Iowa. This is an online resource about Iowa's laws on topics like family law, landlord/tenant law, consumer law, and more. This is easy to use and understand information. However, the information on the People's Law Library of Iowa website is not legal advice. This resource is made possible by the State of Iowa, the University of Iowa Law Library, the Iowa Access to Justice Commission, the Iowa Judicial Branch, and the Iowa State Bar Association.

Patrons can find the link to this resource at www.peoplelaw-iowa.org.

To place reserves and pick up at the drive-up window, simply contact MML by phone, 712-338-4643, email milfordlibrary51351@gmail.com, or on our online catalog, www.milford.lib.ia.us.

Farm Succession Professionals to Share Expertise at Annual Conference

by Kitt Tovar Jensen, Center for Agriculture Law and Taxation

Transitioning a farm to the next generation is one of the biggest challenges that farm owners and beginning farmers will face. The decisions made can affect families, finances, and rural communities for decades into the future.

That's why Iowa State University's Farm Transitions Conference, slated for Feb. 9-10 in Ames, will bring together experts and experienced landowners from a wide range of backgrounds with the goal of improving the farm transition process.

Bankers, attorneys, tax professionals, mediators and family farmers will all be part of this year's event, to be held at the Gateway Hotel. Attendees will hear from professionals who deal with all parts of farm transitions – those looking to exit farming, those looking to enter or expand, and those who simply want to review their existing succession plans to ensure they are current.

"The conference is a great way for landowners, beginning farmers and anyone who plays a role in farm transitions to improve their knowledge about farm succession," said Kitt Tovar Jensen, Beginning Farmer Center manager with Iowa State University Extension and Outreach. "The goal is to provide attendees with a better understanding of their current situation and the actions they need to take to improve their situation – with the hope that we can improve the farm transition process wherever they live and farm."

The conference is being held at a time when farmland values are at historic highs, followed by high commodity prices and a period of rising interest rates. The average acre of Iowa farmland increased 17 percent this past year, to \$11,411, according to the annual land value survey conducted by Iowa State.

Chad Hart, professor in economics and extension grain markets specialist at Iowa State, will open the conference with his "Ag Market Outlook," followed by a talk on "Major Financial Decisions for Farm Transitions," presented by Alejandro Plastina, associate professor in economics and extension economist at Iowa State.

Flu Facts and Info on Other Respiratory Illnesses

Our region is seeing a surge of respiratory illnesses with the top three culprits being influenza (flu), RSV and COVID.

- All three viruses have similar symptoms which makes it challenging to know the difference without a test.
- Antibiotics will not work on viruses; however, a few antiviral medications are available for flu and COVID.
- Most of the time symptoms for these respiratory illnesses can be managed at home:

- » Get rest and drink plenty of fluids
- » Treat a fever and discomfort with over-the-counter medications
- » Read over-the-counter labels – most cough and cold medicines are not recommended for children under 6 years old.
- » Stay home from school, work and public areas until fever-free for 24 hours
- » If having difficulty breathing, seek medical care right away

Prevention is always key in staying healthy:

- Avoid close contact with someone who is ill
- Frequent handwashing
- Cover your cough and sneezes
- Avoid touching your eyes, nose & mouth
- Stay home when you're ill

Hoiberg's Huskers Humble Hawkeyes

Iowa State legend (player and coach) and current Nebraska head basketball coach Fred Hoiberg is probably coaching for his job this season. For whatever reason, the magic that he brought back to Hilton Coliseum as the head coach of the Cyclones, where he went 115-63 in five seasons with four trips to the NCAA Tournament, just hasn't carried over to Nebraska, where he has just a 32-70 overall record to go along with an abysmal 10-50 BIG record. After being fired from the NBA Chicago Bulls, Hoiberg returned to where he was born in Lincoln, NE to take over a struggling Husker basketball program and was hired the same year as Scott Frost for football. Husker fans were rightfully excited in 2019 with two young coaches who were very successful at their previous college jobs coming into town to bring back Husker pride. We all know how the Scott Frost hire turned out, as he was fired early this season after a 16-31 mark, including a horrendous 10-26 BIG record. Hoiberg, like Frost, was forced last year to shake up his coaching staff, and pretty much told that if he doesn't show progress this year that he would be dealt the same fate as Frost.

The start of the 2022-23 season has been a roller coaster for Hoiberg's Huskers so far, as they entered their game last Thursday vs Iowa with a mediocre 7-5 record, including an 0-2 BIG start. Iowa entered the game coming off the largest point-spread upset in college basketball history where they were favored by 31.5 points to beat Eastern Illinois in Iowa City but were shocked by the Panthers, 92-83. Iowa did play that game without star Kris Murray and sixth-year senior Connor McCaffery, who were both out with injuries, but would both return for this key, early BIG Conference matchup. While both teams were desperate for a win, it was Hoiberg's Huskers who came out with a chip on their shoulder and raced to a 29-8 lead in the first half. Iowa would trim the lead to nine late in the first half, but a three-pointer by Juwan Gary would give Nebraska a 38-26 halftime lead, and the Huskers would never look back, holding a 20-point lead for most of the second half before cruising to the 66-50 victory. Nebraska was definitely the aggressor the entire game, taking the fight to the Hawkeyes by attacking the paint and also dominating the glass, as they outrebounded Iowa 54-40.

Kris Murray did end up leading Iowa with 17 points, but looked rusty at times after missing the last two weeks with a lower leg injury. Hawkeye fans are hoping that this team can find their groove that they had before Murray's injury and during their dismantling of Iowa State, and that these last two games are just hiccups during the season. The Hawks now find themselves with an overall record of 8-5, including an 0-2 mark in BIG Conference play with a huge road game at 10-2 Penn State on New Year's Day. Iowa can ill-afford to start 0-3 with #16 Indiana coming to town after that, and then a tough road game at Rutgers. Nebraska has shown that they can compete with anyone in the nation, not only with this win over Iowa, but also with an impressive 63-53 victory at #7 Creighton earlier this season. However, the Huskers will need to show much more consistency and play with the sense of urgency that they had on Thursday to have success in the rugged BIG Conference. I've known Fred for a long time, and he's a great guy who I hope can save his job by continuing to show athletic director Trev Alberts that he has the Huskers heading in the right direction. As we enter 2023, one thing is for certain with the Huskers and Hawkeyes, and that is that we don't really know what to expect from either team!

U of O Winter Games Chocolate Classic & Galleria - Applications Being Accepted

One of the most popular events on campus during the University of Okoboji Winter Games weekend is the Chocolate Classic & Galleria! The INGVALL REAL ESTATE TEAM will again sponsor this delicious and decadent annual experience to help cure those winter blues from 1-3 PM at the Dickinson County Expo Building.

Chocolate Classic vendors are asked to have 500 or more sweet sample-sized treats available for the attendees to enjoy at the event or to take home. Chocolate Classic vendors will be compensated 50-cents per \$1 ticket redeemed. The taste-testing crowd will then vote for their favorite sweet treat, and winners will be announced following the event as well during the Burning of the Greens and Fireworks Extravaganza at 6:30 PM.

Vendors are encouraged to decorate their serving areas and use this opportunity to promote their nonprofit, catering, restaurant, or other businesses to the 1,200+ people with a sweet tooth visiting this Winter Games tradition.

Shopping with Galleria vendors is another great part of this afternoon. Vendors pay their \$50 registration fee to have their cash 'n carry items at the event for groups of people looking for a little retail therapy to accompany their sweet treats.

Registration forms for both events are posted on uofowintergames.com. For more information, please contact Kiley Zankowski at the Iowa Great Lakes Area Chamber: kiley@okobojichamber.com or 712-332-2107.

Enjoy a fun-filled, indoor U of O Winter Games tradition and either attend or participate in the Chocolate Classic and Galleria. Winter Games 43 will be the sweetest games to date!

Iowa Lakes Trustees Receive Update On Save Program

The Trustees of Iowa Lakes Community College convened at the Administrative Offices in Estherville late afternoon on December 14 for their annual organizational meeting. The 2021-22 board was adjourned by the Board of Trustees President, Janice K. Lund, and the 2022-23 board was then called to order by the Board Secretary, Cindy Oviatt.

The Trustees elected officers, with Janice K. Lund re-elected as Board President and Pat Kibbie re-elected as Vice President. Cindy Oviatt was appointed to serve as Board Secretary and Jeff Soper as Treasurer. Scot Bauermeister was selected as the attorney to represent the Trustees.

After completing all organizational business, Kyle Norris, Executive Dean of the Emmetsburg Campus, began the meeting with the Iowa Lakes Report by introducing Michelle Kogel, SAVE Program Coordinator. Kogel has been with Iowa Lakes since 2005 and holds a Bachelor of Science degree from Iowa State University and a Master of Science degree from the University of Nebraska at Kearny. Kogel provided the board with an overview of the Student Alternative Vocational Education (SAVE) program offered at Iowa Lakes.

Michelle Kogel (left), SAVE Program Coordinator and Claudia Torres, an Iowa Lakes SAVE student.

“The SAVE program is a secondary transition program for students on a current individualized education plan (IEP) and provides special education services to fulfill unmet transition needs for students with emphasis on developing personal responsibility and work skills,” said Kogel.

Iowa Lakes offers three academic options through the SAVE program, including Career Readiness, Career Roadmap and a program that combines components of the Career Readiness and Career Roadmap.

“Students have enrollment options at Iowa Lakes that best meet their needs while providing them the opportunity to learn specialized skills for a career and gaining valuable life lessons for their future,” said Kogel.

Attending the meeting with Kogel was an Iowa Lakes SAVE student, Claudia Torres, a freshman from Fonda, Iowa, who is seeking an Associate in Arts degree.

Students seeking to enroll in the SAVE program at Iowa Lakes are encouraged to schedule a campus visit. To learn more about the program, visit iowalakes.edu/student-services/special-needs-services/.

Robert Leifeld, Vice President of Administration, shared a presentation with the board regarding transfer majors offered at Iowa Lakes and received approval to submit the Notice of Intent to the Iowa Department of Education toward offering additional transfer majors with an anticipated start date of 2023.

The Trustees discussed recent meetings attended in other business, and the meeting was adjourned.

The next meeting of the Iowa Lakes Community College Board of Trustees will be held on Tuesday, January 17, 2023, at the Administrative Offices, 19 South 7th Street, Estherville, Iowa, at 4:30pm.

Roast Chicken with Whole Roasted Garlic - Serves 4

A 4-pound chicken
Kosher salt
2 lemons, one pierced several times with tines of a fork & one halved
Few sprigs thyme
Few sprigs rosemary
4 large bulbs garlic with ends cut to expose the cloves (keep the hairy root end intact)
Extra-virgin olive oil (EVOO)
Freshly ground black pepper
3 tablespoons butter
1 cup white wine
Warm, crusty bread

Place the chicken in a shallow baking dish. Salt the chicken inside and out and place uncovered in the fridge overnight. Preheat the oven to 450°F. Pat the chicken dry and fill with the pierced whole lemon, thyme and rosemary. Tie the legs up. Drizzle the bulbs of garlic with EVOO; season with salt and pepper. Arrange the garlic in the baking dish around the chicken. Rub the skin of the chicken with butter and season with pepper. Pour the wine into the bottom of the dish. Roast the chicken for 1 hour or until a thermometer inserted into the thickest part of the dark meat reads 165°F. Let the chicken stand for a few minutes. Carve the chicken and top with drippings and the juice from the remaining lemon. Serve the garlic in the skins or squeeze out to eat with the chicken or to slather on the warm chunks of bread.

LETTERS TO THE EDITOR

Letter to the Editor, Free America

In just 12 months:
 We now have "keepers" who decide what and where we can express our free speech.
 We have someone to look after our health! As U S citizens, we are mandated to be vaccinated for a virus that science does not fully understand and yet our government cares about us so much that it has allowed 200 thousand ILLEGALS to file across our borders who are not tested for any disease, make any sense to you?? (It might be a revelation to check who the large investors are of the companies who are manufacturing the vaccines) Follow the money! Speaking of money – 400 MILLION dollars has been allocated to set up a data bases to trace us and keep an eye on our virus status. Money is no issue. It just seems to fall off the trees.
 We now Excuse and or Accept crime. Defund and debunk the police.
 Been to the grocery store or the Fuel pumps lately?
 Our children in their own wisdom can now decide whether they would prefer being male or female. Who needs God anyway? Just abort that baby who is inconvenient, a woman should have the right to her own body. Parents have no right as to what our schools can instruct their children BUT keep paying those taxes.
 Oh, one could go on and on of all the virtues of this great New US.
 It is time to wake up people!! Is this the great country that our forebears had the wisdom to create by discernment and the guidance of God to protect us as individuals: The government would be an instrument used only to protect our freedoms. It has grown to become a monster.
 It doesn't matter which side of politics you are on, what does matter is, do you want the government ruling every phase of your life? Socialism is on the march. Wake up before it is too late.
 Respectfully,
Judy Valen,

Seasons Center Receives \$5,000 Specialized Funding from CCNIA

Seasons Center for Behavioral Health received \$5,000 in specialized funding from Care Connections of Northern Iowa to expand Seasons' internal food bank and the assortment of items offered.

In recent years, Seasons has experienced an increase in the frequency with which individuals need to access food bank services. In addition, Seasons has seen a need to increase the types and quantities of food items available for clients. The funding provided by CCNIA allowed Seasons Center to purchase 2,302 food items for clients in need in Clay, Osceola, and Palo Alto counties. From October through December 2022, food was distributed to 46 households, benefiting 87 individuals.

"We are thankful for the opportunity this specialized funding presented for our agency and the clients we serve," said Sarah Heinrichs-Wurm, Grant Project Administrator for Seasons Center. "It allowed us the opportunity to assist with daily living needs so individuals and families could focus on their overall physical and mental health."

Seasons Center Receives Grant

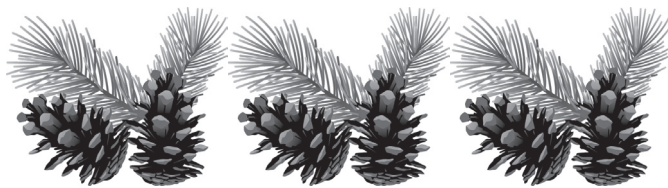

As part of the Substance Abuse and Mental Health Services Administration's National Child Traumatic Stress Initiative, Seasons Center for Behavioral Health will receive \$400,000 a year for the next five years to enhance partnerships in rural northwest Iowa and increase access to specialized, trauma-informed, and evidence-based mental health services for foster, adoptive, and kinship children and their families.

Seasons Family Support Center will focus on children and families from a variety of placement settings, including return to biological family, relative placement, fictive kin placement, foster care, and adoptive children. Programs will include outpatient therapy, family peer support, care coordination, respite care, and training/education. Through employment of staff with lived experience as foster, adoptive, or kinship parents, a strong focus of this program is to walk alongside other families in navigating systems, working through change, and providing necessary training and support.

"Thanks to the SAMHSA grant, Seasons will offer increased access to specialized services for foster, adoptive, and kinship youth and their families," said Dan Ries, President & CEO of Seasons. "With the support of this grant, we can ensure foster, adoptive, and kinship children and their families have access to appropriate supports and treatment and agencies & professionals have the resources and supports needed to provide high quality foster/adoptive services."

"Our goal for the Family Support Center is to ensure families are able to easily access behavioral health services, resources, and supports," said Christina Eggink-Postma, VP of Program Coordination & Compliance at Seasons. "The SAMHSA grant will allow us to improve mental and behavioral health and well-being, increase access to prevention and early intervention services, and enhance access to community services and supports for foster, adoptive, and kinship families."

As a grantee for this project, Seasons joins The National Child Traumatic Stress Network (NCTSN) whose mission statement is to raise the standard of care and improve access to services for traumatized children, their families and communities throughout the United States.

Dairy Days to Feature Profitable Dairy Practices

Extension Specialists to host meetings that cover dairy herd management strategies

Iowa dairy producers have the opportunity to learn about emerging dairy industry issues during the 2023 Dairy Days events hosted by Iowa State University Extension and Outreach. The program will be held at four eastern Iowa locations and one northwest Iowa location in January.

In Northwest Iowa, Dairy Days will be offered Tuesday, Jan. 31 at Dordt University's Ag Stewardship Center near Sioux Center. Topics and presenters are as follows. Note that the named presenters are dairy specialists with ISU Extension and Outreach.

- Raising Your Best Dairy Heifer, Larry Tranel.
- Weaning: The Other Transition, Jennifer Bentley.
- Using Records to Meet Your Heifer Goals, Gail Carpenter.
- Dairy Heifer Market Outlook, Fred Hall.
- Research Spotlight, Iowa State Graduate Students

The day-long event has been developed to help dairy producers learn about current practices and hear the latest research. All topics are designed to help producers make sound herd management decisions.

"With nearly 25 percent of a dairy's production costs associated with raising heifer replacements, optimizing growth and health is important to every dairy operation," said Fred Hall, dairy specialist with ISU Extension and Outreach in northwest Iowa. "We anticipate great discussion and learning during this year's Dairy Days."

Check-in for all events starts at 9:45 a.m. and the program will conclude by 2:30pm. There is no cost to attend the program. However, registration is encouraged to plan for noon meal and proceedings. Local sponsors will be recognized at each event.

Registration is requested by the Friday before each event to reserve a meal. For the Jan. 31 program, register by Friday, Jan. 27 online at <https://go.iastate.edu/2023DAIRYDAYS>.

For more information or assistance registering, contact Hall at 712-737-4230 or fredhall@iastate.edu.
