NYC NEEDS EMERGENCY SNOW LABORERS

New York City may have a very active snow season. The City of New York is hiring snow laborers who will shovel out bus stops, step streets and other locations throughout the city. Snow laborers will be paid \$17/hour and \$25.50/hour after the first 40 hours worked in a week. If you or someone is interested, you must visit nyc.gov/dot to schedule an appointment at the Bronx Yard which is located at Mosholu Avenue off Broadway just across from the Northwest Playground. Hopefully, the winter season continues to be kind to us with no heavy snow as of yet.

LOCAL MAILBOXES

Unfortunately, it has come to our office's attention that our neighborhood mailboxes are often tampered with or damaged. If you are able, please consider bringing your outgoing mail directly to the post office especially if you are mailing checks and/or money orders. Encourage loved ones and friends to do the same as it is the holiday season, and many are relying on our mail system.

BRONX COMMUNITY BOARD #10 MEETINGS

While our meetings mostly are in-person, select committees have its meetings virtually. We always encourage our community residents to sit in on a meeting, bring concerns to our attention and listen to presentations from city agencies and local non-profits. All of our meeting information can be found our website: <https://www.nyc.gov/site/bronxcb10/index.page>. As always, feel free to call us at (718) 892-1161. Please stay tuned on future columns for information on free tax preparation.

Pan-Fried Cube Steaks w/ Simple Pan Sauce

Ingredients

24 ounces cube steak, cut into 4 portions

3 tablespoons unsalted butter, divided

salt and freshly ground black pepper to taste

1/3 cup Worcestershire sauce, divided

1/2 cup water

Directions

Lightly season both sides of each cube steak with salt and pepper. (See Cook's Note).

Melt 1 Tablespoon unsalted butter in a large, non-stick skillet over medium heat. Once butter is foamy, add cube steaks and sprinkle about 2 teaspoons Worcestershire sauce on top of each cube steak. Cook until brown, 3 to 4 minutes.

Turn the steaks, and sprinkle each with an additional 1 to 2 teaspoons Worcestershire sauce. Cook until steaks are firm and reddish-pink and juicy in the center, about 3 minutes more. An instant-read thermometer inserted into the center should read 135 degrees F (57 degrees C). Remove to a platter and tent with foil.

To make the pan sauce, pour about 1/2 cup water into the skillet and stir all the browned bits from the bottom of the pan. Bring to a boil and cook for about 2 minutes.

Remove from heat and stir in remaining butter, until melted.

Evenly divide pan sauce over each cube steak and serve warm.

Cook's Notes:

I used four 6-ounce cube steaks for this recipe. Worcestershire sauce is quite salty. Be sure to allow for that, when adding salt or seasoned salt.
