Salome's Stars

ARIES (March 21 to April 19) An old adversary wants to make amends now that a new year has commenced. The decision is yours, but wouldn't it be nice to share the new year with another friend?

TAURUS (April 20 to May 20) As news of your work gets around, expect to receive a special "gift" from influential contacts who could help you launch your upcoming projects for this year.

GEMINI (May 21 to June 20) Instead of fussing over what you didn't get to do during the holidays, relax and enjoy kudos for a job truly well done. A happy surprise awaits you soon.

CANCER (June 21 to July 22) The best way to shake off lingering holiday blues is to reach out to some loved ones or close friends. A confusing situation starts to make sense in upcoming weeks.

LEO (July 23 to August 22) Special emotional rewards mark this time for Leos and Leonas who are able to open up to new relationships and the possibilities they offer during this upcoming year.

VIRGO (August 23 to September 22) Your efforts to make time together memorable for some people in your life will be rewarded in some unexpected (but very welcome) ways this year.

LIBRA (September 23 to October 22) Be assured that your efforts to make this new year special for everyone won't go unnoticed by those who could make some important changes within your life.

SCORPIO (October 23 to November 21) Lots of folks want you to light up their days with your presence. But try to take some quiet time 'twixt the fun and entertainment to spend time with some very special people.

SAGITTARIUS (November 22 to December 21) While the round of holiday revels had your social life on the fast track these past few weeks, someone special might want to keep pace with you this year as well.

CAPRICORN (December 22 to January 19) Even though you should be enjoying all the fun you deserve during Capricorn season, don't lose sight of the need to make some changes now that the new year has begun.

AQUARIUS (January 20 to February 18) What happens during this time can help clear up some of the confusion jeopardizing a once-stable relationship. Follow your instincts on what to do next.

PISCES (February 19 to March 20) Your days are brightened by new friends eager to become part of your life. But don't forget to spend time with that one special person. (You know who!)

BORN THIS WEEK: You have the ability to encourage people to reach their potential by setting an example with your own efforts.

Piedmont Pets

January 12, 2023

We are thrilled to begin the New Year by letting you know that we have received another spay/neuter grant from the E. Stuart James Grant Charitable Trust.

Our current rebate amounts (\$75 for Danville residents, \$50 for Danville residents) will remain in effect. We constantly monitor the success of the program and make changes as needed.

Since our organization in 1975, we have preached spaying and neutering and have had many different programs to assist with the cost of the surgery. Since 1993 the generosity of The E. Stuart James Grant Charitable Trust has enabled us to help with having 40,000 animals spayed or neutered.

A rebate certificate must be picked up from the shelter at least the day before the animal is taken to the veterinary clinic for the surgery.

- The general guidelines are:
1. The money is to be used for residents of Danville and Pittsylvania County. The pets must live with them.
 2. No money can be used to facilitate the adoption of any animal from any other rescue group or shelter.
 3. No money can be used for any animal being fostered for another group or for an animal that is going to be released to another group.
 4. The money cannot be used for general trap/neuter/release programs. The exception would be if an individual will

996 South Boston Rd.,
Danville, VA 24540
Phone: (434) 799-0843

take legal responsibility of the feral cat's lifetime care, including providing food, water, shelter, and veterinary care and the cats are released on the person's personal property.

We send money to veterinary clinics to help clients most in need of help. In addition, if you have a problem with outside cats that you are taking care of, please call us. We can offer help beyond the rebate amounts.

The real math is this: Every minute in the United States, 50 dogs, 50 cats, and 8 humans are born. That means that a family of four must have 25 pets in order for there to be no homeless dogs and cats.

Spaying and neutering is the right thing to do and provides many physical benefits for dogs and cats.

KOVELS® Antiques & Collecting
By Terry and Kim Kovel

Advertising Toys

Antique toys, especially those that move and make noise, are popular with both young and old, and many are very expensive. Advertising toys bring back special memories and are wanted by those who collect advertising and those who want toys.

This car with "Moxie" on the side is in mint to good condition. It is a rare blue version of an 8-inch-long tin toy car with a man on a horse in a Moxie jacket and cap driving a Moxiemobile. It sold for \$2,600 at a Morford's auction in Cazenovia, New York.

Moxie was a drink introduced in 1885, two years before Coca-Cola. It claimed to be a health drink and was flavored with bitter herbs. The taste was so strange that people said you had to be brave to drink it. So by 1930, the word "moxie" became a slang term for brave or daring, and "He had a lot of moxie" became a common saying. The company was purchased by Coca-Cola in 2018.

Q: I have a book, "The Life of George Washington-Maps and Subscriber's Names," published in 1807 by C.P. Wayne of Philadelphia. The book includes several map "plans" for different states, a list of subscribers, and a signature of the subscriber. The book is in fair condition given its age. Can you tell me the approximate value?

A: This book is part of a biography of George Washington written by John Marshall between 1804 and 1807. It was originally published in five volumes. Marshall, who later became justice of the Supreme Court, was a friend of Washington and served with him in the Revolutionary War. First editions of the books are rare and sell for high prices. Copies of the book of maps have sold for several hundred to more than one thousand dollars. You should contact an antiquarian book dealer or an auction house that sells antique books to see what your book would sell for. Copies have sold from

This toy car was a clever ad for Moxie, a soft drink popular in New England. It sold for \$2,600.

Naomi Ackie as Whitney Houston in "I Wanna Dance with Somebody" (2022)

Q.Who is the actress playing Whitney Houston in the new film about her life? Is she doing the vocals for the film or lip-syncing over Houston's? — *B.E.*

A.Naomi Ackie won the coveted role of legendary singer Whitney Houston in "I Wanna Dance with Somebody," the biopic about the superstar's accomplished, yet tragic life. Ackie's first screen credit was in a 2015 episode of "Doctor Who," but her big break came by playing Jannah in "Star Wars: The Rise of Skywalker."

According to Yahoo UK, Ackie, who is British, says that 97.9% of the vocals in the film are Houston's, but that she herself did sing the first song in the movie when the character was a bit younger and "needed to be refined." Even though she lip-synced, Ackie did a fantastic job recreating iconic moments in Houston's life, such as singing the "Star Spangled Banner" at Super Bowl XXV and starring in the hit film "The Bodyguard" with Kevin Costner. Whether or not Ackie's hard work will pay off with an Oscar nomination on March 12 remains to be seen, as the film itself has received mixed reviews that might hurt her chances, despite her solid performance.

Q.How is Jay Leno doing since he was burned in a fire? Has he fully recovered? — *L.D.*

A.For those who didn't hear, former host of "The Tonight Show" — and lover of cars old and new — Jay Leno suffered second-degree burns while working in his garage recently. According to "People" magazine, on Nov. 12, while working underneath one of his vintage vehicles (he owns 204 cars and 168 motorcycles), "a freak fire erupted, spraying him with flaming gasoline." He's undergone several skin grafts at a burn center, but despite developing some scars, he has fully recovered. Fortunately, Leno's friend Dave Killackey was nearby and pulled him out before any more severe damage occurred, which could have resulted in Leno losing an eye.

As for his career, after leaving late-night shows in 2014, the comedian launched his CNBC TV series "Jay Leno's Garage," where he and his celebrity friends celebrate everything from

classic cars to supercars. The show features a mix of stunts, challenges, reviews and interviews with guest stars.

Q.Whatever happened to "Good Morning America's" Joan Lunden? I haven't seen her on television in years. She was always one of my favorites. — *I.S.*

A.Now 72 years old, Joan Lunden is still a journalist, still happily married and the mother of seven children. She joined "GMA" in 1976 and was promoted to co-host alongside David Hartman in 1980, and later opposite Charlie Gibson. That ended in 1997, but she currently works for the competing "Today Show" as a special correspondent.

In 2014, Lunden faced a health crisis when she was diagnosed with an aggressive form of breast cancer. She underwent 16 rounds of chemotherapy as well as radiation treatment and a lumpectomy. She's a strong advocate for early detection and believes women should have mammograms before the recommended age of 45.

You can keep up with Lunden on her official website: JoanLunden.com.

Credit Solutions
Resolutions...
Now is a time when many of us reflect back on the past and try to implement a plan for a better future. Many of us have a goal to lose weight, exercise more, or stop some habit that may not be good for us. Are you including your finances in your goals for 2023? Give this some thought and decide what kind of financial goals you need to set for yourself. Here are some suggestions you may want to consider:

- Improve your credit score
- Set a goal for a savings account
- Pay off debt
- Savings plan for retirement

After you determine what your goal is the next step is to develop a plan to reach that goal. Setting a short term goal and reaching that goal will encourage you to set a larger goal. Putting your plans in writing will also help you in deciding what you need to do to reach that goal. Changing habits is never easy but one thing is for sure...nothing changes if nothing changes. Let us help you reach your financial goals!

* If your straw broom isn't working as well as it did when new, try giving it a spruce-up. Beat any dust out of the ends, then trim off any bent straws. Trim a section from a leg of stretched out pantyhose or tights and wrap it around the bristles, about two inches up from the bottom. This keeps the bristles nice and tight, and it will collect dirt better.

* When you replace old brushes -- hairbrushes or toothbrushes -- wrap a length of masking tape around the handle. That way you can use them for cleaning purposes, and they will never be mistakenly used for the wrong purpose.

* "When cooking rice, add a little bit of lemon juice to the water. It does not really flavor it, but it will keep it nice and white, plus it seems to be a bit fluffier when I do this." -- R.E. in Mississippi

* "When my child was mostly finished potty training, I put her baby potty in the car with some wet wipes and plastic baggies. Seems like she had emergencies when we were driving, and it wasn't always convenient to find a business with a bathroom in time. But it was easy to pull into a parking lot and let her take care of business." -- E.E. in Maine

* Store extra plastic grocery bags in empty tissue boxes. They are easy to store this way, and you can keep them under the sink or in the car for easy access.

* "Keep your garage floor nice by lining the area where you park with carpet remnants. Road salt and other nasty business that your tires pick up will not corrode the floor. You can shake out the rugs outside." -- C.Y. in New York

Answers

1. "Daddy's Home," in 1961. The song was kept one spot from the top of Billboard's chart by Ricky Nelson's "Travelin' Man."
2. Mitch Ryder & the Detroit Wheels. Their first hit was "Jenny Take a Ride," in 1965.
3. The Isley Brothers, in 1959. It only went to No. 47 on the charts, but eventually went gold from all of the years being played.
4. John Lennon, in 1970.
5. "I Will Survive," by Gloria Gaynor, in 1978. The song was the mostly ignored b-side on the single (they only took 35 minutes to record it) ... until a DJ listened to a demo copy that he'd been given and launched the song out into the world. It took the Grammy Award for Best Disco Recording in 1980.

* After the terrorist attacks that destroyed New York City's Twin Towers, thousands of radio stations across the country received memos from media companies with a list of songs they considered "lyrically questionable" for a grieving nation. The list included The Beatles' "Lucy in the Sky with Diamonds" and (perhaps unsurprisingly) "Jump," by Van Halen.
