Obituaries

Robert Raymond Crafts, of Cortez, Florida, passed away on Jan. 3, 2023 at Tampa General Hospital. He was born in Medina on Feb. 19, 1943, the eldest son of the late Robert L. and Margaret (Powley) Crafts. A graduate of Medina High School class of 1961, he went on to attend Cornell University and followed a number of diverse career paths that included education, landscape management, and building award winning fountains and waterfalls in his adopted home state of Florida. He leaves three brothers F. Ward, Richard, and Chris, as well as daughters Kathy (J.J.) Cole, Carly (Jason) Bove, Amber Crafts, Star Crafts and numerous cousins, grandchildren and great grand children. He will be remembered for his humor and positive outlook on life.

Suzann Faye Galbreath passed into her Father's arms, Saturday Jan. 7, 2023. She was born July 9, 1957, a daughter of Rita and the late Robert Galbreath. Suzann touched the hearts of all that knew her and will be remembered fondly by all. Suzann was predeceased by her father Robert Galbreath who was her favorite person and is now in his loving arms and her brother Eric Galbreath. She is survived by her mother Rita Galbreath; sisters Shawn Galbreath-Reposh and Kay (David) Arnold; her brother Michael Galbreath; uncle Gregory (Joann) Langdon; aunt Sharon (the late Orra) Langdon and several nieces and nephews, all of whom were touched by her joyful and loving nature. No services will be held at this time and will be announced at a later date. Arrangements were entrusted to the Christopher Mitchell Funeral Homes, Inc. To share a special memory of Suzann, please visit www.mitchellfamilyfuneralhomes.com.

Nancy Jane Howard was born in Franklinville, NY on Sept. 11, 1934 to Myrtle Gertrude Whittaker and William Howard. She died at home in Reno, NV on Dec. 22, 2022 surrounded by loved ones. Nancy was a hard worker who spent many years working on the Smith farms in Medina, New York. She moved to Reno, Nevada in 1990 and worked in the hotel industry and later at a flower shop, a job she loved. She also loved her home, family, nature, animals, and especially the ocean. Trips to California to the ocean to visit family was her greatest pastime, especially whale watching and listening to the sound of the waves. Always on her bucket list was to take a cruise which she did with friends she made when working at Harrah's Casino/Hotel in Reno. She was preceded in death by her parents, 3 of her children- Leon Putt, Jr, Laura Kyle (Wayne), Patrick Putt and her granddaughter, Amber Jones. She is survived by her children Deborah Jones, William Putt (Beverly), and Wendy Putt of Medina, New York; Mary Barry (Ronald) of Albion, New York; and Robert Putt (Theresa) of Racine, Wisconsin. Special thanks to her beloved niece, Diana Winchell, who maintained lifelong contact with her and to the Constantino family of Reno, NV who were family to her and loved her dearly. Per her request there will be no services and her ashes will be scattered in the ocean, at Lake Tahoe and in upstate New York. She was very loved and we will miss her terribly.

Robert "Bobby" LaVerne Lawrence went home to be with his Lord on Jan. 4 2023 at the age of 59. He was born May 31, 1963 to the late LaVerne and Mary (Edwards) Lawrence in Albion, NY and lived in the area most of his life. Bobby had a lifelong appreciation for cars, working as a detailer and running a shop with his brother David for a time. He loved NASCAR and Dale Earnhardt Jr and went to the races with his brothers in North Carolina as often as he could. Bobby loved his family and spent many of his days with "the brothers", playing euchre, listening to rock n' roll and drinking Labatt Blue. He was a true Western NYer who believed in the Buffalo Bills and hated Tom Brady. Bobby was the last one up at every bonfire, blasting music from his truck and keeping the party going. You'd wake up in the morning and he'd greet you with a "hey man", still sitting by the fire with his music playing. He had the best sound system and wasn't afraid to let everyone hear it. If he wasn't playing music for you, he was making you laugh. Bobby brought the jokes and even when they weren't funny, his laugh was so infectious you were laughing anyway. No get-together was complete without Bobby present. He will be sadly missed and always hold a place in our hearts. Left to cherish his memory are "the brothers" Michael Lawrence, Paul (Cindy) Lawrence, David (Denise) Lawrence, and Joseph (Jackie) Lawrence, his sisters, Ann (Steven) Chew, Judy Edwards, and Mary (Scott) Patten, his daughters, grandchildren and countless nieces, nephews and friends. There will be no calling hours or funeral service, but if you were lucky enough to know Bobby, drink a Labatt Blue in his honor during the Buffalo Bills game. That would surely make him smile down at you. Bobby's arrangements have been entrusted to Christopher Mitchell Funeral Homes, Albion, NY. To share a special memory of Bobby, please visit www.mitchellfamilyfuneralhomes.com

John L. Lettis, 91, of Plantation FL, passed away peacefully on Jan. 9, 2023 after a short battle with cancer. John (Jack) was born on April 13, 1931, to Charles Lettis and Edith (Smallhorn) Lettis in Albion N.Y. After graduation from high school Jack went on to serve our Country in the U.S. Navy as a Radioman Petty Officer third class (RM3) on the USS

Van Valkenburgh during the Korean war. After being discharged from the Navy Jack went on to work for the Ford plant in Buffalo N.Y. Upon retirement Jack moved to Plantation, FL. where he enjoyed painting and spending time with his friends. Jack is predeceased by his parents Charles and Edith Lettis, brothers, Donald Lettis, Richard Lettis, and Roger Lettis. He is survived by his niece, nephew, several cousins, and many close friends. There will be no calling hours or services held as he requested. Jack will lay to rest in the columbarium at South Florida National Military cemetery, Lake Worth, Florida.

Clyde Homer Maxon of Sebring, Florida, age 89, passed away peacefully on Jan. 6, 2023. He was born on Dec. 12, 1933 to the late Homer and Sara Maxon. He was predeceased by his loving wife, Ida. He is survived by his brother Glenn of Holley, New York and half-sister Jane (Tom) Bowdler of The Villages, Florida. Also, his three children; Thomas (Suzanne) of Old Fort Tennessee, Sally Oliver, of Avon Park Florida, and Scott (Cynthia) of Sebring Florida along with four grandchildren, Jason (Tiffany) and Shaun, Trevor Long and Clyde Chase (Jules) Long and two great-grandchildren, Elijah and Sarah. Clyde graduated from Holley High School in Upstate New York and attended Cornell University in Ithaca. He was raised on a dairy farm and as a young man worked in partnership with his father Homer and brother Glenn for Maxon Farms. In 1981, he moved to Sebring Florida and opened the AutoMax auto parts and repair facility, with his sons, Tom and Scott. Then, from 1992 to 2006, Maxon Wholesale Auto Parts. One of his great joys in life was flight. He was an instrument rated private pilot, a longtime member of the pilot's fraternity Quiet Birdmen, and was an Angel Flight pilot. An Angel Flight pilot volunteers their time and aircraft to provide free transportation to medical treatment for those who cannot reach needed care because of cost, or they are too ill to fly commercially or drive long distances. Perhaps his love of flight came from his father, who was also a private pilot. He loved to fly his family around in his Cessna 182. Family members will remember a man who would deny nothing to those he could help. He would rescue anyone, even when they were doing dumb stuff (no specific details from any of his children, thank-you very much)! His favorite hobby (besides flying) was helping people. Clyde will be remembered for his wonderful story-telling, keen sense of humor and honesty. He was a man whose hand shake was his honor; no legal document was required for him to do the right thing. Our world will forever be blessed by having Clyde Homer Maxon in it. There will be no memorial service.

Rose Marie Plummer, age 87, died Jan. 4, 2023 at the Medina Memorial Hospital Skilled Nursing Facility. She was born August 11, 1935 in Boston Corners, NY to the late Jesse and Helen (Butler) Salisbury Sr. Rose raised her six sons on the family dairy farm in Waterport and in her later years, took care of local elderly people, cleaning, and cooking for them. She enjoyed taking care of her horses, dogs, gardening and "soaking up that sun". In addition to her parents, she was predeceased by her brothers, Jesse Jr., Alex, and Irving. Rose is survived by her sons, Carlton (Roxanne), Jeff (Michelle), Todd (John Koostra), Courtney (Lisa), Russell, Randall (Paige), grandchildren, Dylan, Evan (Melanie), Michael, Chase, Jasmine, Jocelyn, Alex, Peyton, Bailey (Austin) Stacey, Shelby, great-grandchildren, Jayden Plummer, Raelin Sochia, Jetson Stacey, sister, Helen "Sook" Paterson, as well as many nieces, nephews, and cousins. Rose's family received friends at the Christopher Mitchell Funeral Home 21 West Ave. Albion, NY 14411 on Thu., Jan. 12 from 4:00-6:00pm where her memorial service followed at 6:00pm. Interment will take place privately in Evergreen Cemetery in Pine Plains, NY. Memorial contributions in Rose's name may be made to Orleans Community Health Foundation. To share a special memory of Rose, please visit www.mitchellfamilyfuneralhomes.com.

Mrs. Lucy L. Poole, age 90, of Medina, went home to be with her Lord and Savior on Wed., Jan. 4, 2022 at the Orchard Rehab & Nursing Center. Born Nov. 25, 1932 in Shellman, Georgia, a daughter of the late Kaywood and Eula Mae (Pitts) Moses. At the age of 18 she moved North and has resided in the Medina area ever since. Mrs. Poole married the late Milton "Bo" Poole in 1951. A woman of strong faith, Mrs. Poole was a longtime member of the Bethel Baptist Church in Medina and currently the Royal Church of God in Christ in Kendall. In addition to being the loving mother of nine daughters, Mrs. Poole worked for a number of factories in the Medina and Barker areas including Birdseye, H.J. Heinz Co., Fisher-Price Toys and T.J. How to invest in gold and silver

Gold, silver and other precious metals have been used as currency throughout history. Paper money is a relatively recent method of payment, one that requires a certain level of faith among consumers. But that faith in paper currency has waned in recent years, and there are many people who are once again investing in gold and silver.

Gold and silver still have a position of great financial importance in today's market. With the value of a dollar fluctuating, precious metals may make a more stable investment. But investors who plan to investigate gold and silver should consider a few things before making their decision.

- Look into bullion. Gold and silver bullion are made from 99 percent of the total metal. This helps stabilize the cost and is not dependent on some of the fees or price fluctuations resulting from coins issued by various government institutions. Keep in mind that investing in bullion can be expensive and will require a high initial investment outlay. Also, you will have to find a secure method of storing and protecting the metal. Also, bullion can be more difficult to acquire than other forms of gold and silver, so it may require more leg work for investing.

- Purchase coins. One of the easiest and safest ways to invest in gold and silver is to buy coins. These will be minted from pure metals and are often issued through government-backed mints. Although gold coins aren't widely circulated, silver coins contain enough whole silver mixed with other alloys to make them valuable.

- Consider mutual funds. Rather than purchasing gold or silver outright, you can invest in mutual funds that then allocate a bulk of the fund's investment into the purchase of gold or silver. This requires less knowledge of metal markets and also less work. However, it still enables you to invest in gold and silver.

- Sell scrap jewelry. While you may not get the full value of the jewelry, you can take advantage of the rising rates of gold and silver by selling off items you may not use. Selling extra jewelry requires little work on the part of the seller.

Trusses for Albion lift bridge will be moved by big crane next week

By Tom Rivers, Editor Posted 10 January 2023 at 5:00 pm

Photo by Tom Rivers: Workers are on top of the deck of the Main Street lift bridge in Albion this afternoon, slowly removing pieces of the bridge.

ALBION - The Main Street lift bridge has slowly been taken apart the past month with the stringers, beams and other pieces moved by crane to the north side of the Canal on land owned by the Canal Corp.

A bigger crane is expected on site later this week or early next week, with the trusses of the bridge to be moved for rehabilitation work. After next week there won't be a bridge over the canal for the first time in more than a century.

The bridge closed to traffic on Nov. 14 and is getting a major overhaul over 18 months. Crane-Hogan Structural Systems in Spencerport is general contractor for the project on the bridge that was originally constructed in 1914.

- The project includes:**
- Replacing bridge decks and portions of the truss system with high-strength, galvanized steel.
 - Modernizing mechanical and electrical components within the bridge's lifting system.
 - Rehabilitating the bridge towers.
 - Installing new bridge rails.
 - Repainting the bridge, maintaining its current shade of green.

When the work on the bridge is complete, the span will be moved back into place over the Canal, the state Department of Transportation said.

Crane-Hogan also will be doing a similar upgrade of the Main Street lift bridge in Brockport, with that one closing in early April. The company was awarded a contract for \$28.3 million to rebuild the two bridges.

Candle Crafts Tap Creativity

Crafting is enjoyed by children and adults. Even the most ardent arts and crafts enthusiasts might be surprised to learn that their favorite hobby can offer a number of benefits related to their health and well-being.

Research shows that regularly engaging in crafts can have tangible health benefits. The rhythmic and repetitive movements of certain crafts, as well as the need to focus one's attention, can produce a calm that helps anyone, including those who may experience anxiety, according to health and self-care resource Berkeley Wellness. In an online study published in the British Journal of Occupational Therapy that surveyed more than 3,500 knitters, researchers found knitting was "soothing" and "restful" and had meditative or zen-like qualities.

The sense of accomplishment after completing a project is another great reason to engage in arts and crafts, which also may boost cognitive health by protecting certain neurological pathways in the brain.

There are many ways to engage with arts and crafts. Woodcrafting, painting, mosaic work, and metal arts are some popular activities.

One time-honed craft activity that is good for beginners or advanced crafters alike is candlemaking. Today's craft stores sell many different types of waxes and products that can produce beautiful scented candles.

Teacup Candles

Candles can be housed in various vessels, but a clever turn is to use teacups or mugs to mimic the look of popular beverages. There's also the reassurance that such beverage holders can withstand hot wax.

Start by visiting a craft store and choosing a type of wax. Gel waxes are versatile and can boil, pour and set up easily. They'll also be mostly translucent, which is great for replicating the look of various drinks. Follow the instructions on the packages for usage and invest in coordinating wicks, colorants, and appropriate scents.

It's also necessary to choose a style of candle. In a teacup, a tea-colored hue wax paired with a lemon scent can be reminiscent of a hot cup of lemon tea. Use other glasses or mugs to replicate the looks and scents of hot chocolate, mimosas, cappuccino, and much more.

As you become more comfortable, experiment with incorporating molded wax embellishments, such as lemon slices, ice cubes, berries, or even cinnamon sticks. This will help drive home the realism and whimsy.

Treasure these candles for use around the house, or gift them to others on special occasions.
