SAILING THE SEASIDE RESORT OF OCEAN CITY!

with Oceanfront Rooms & Gorgeous Views

May 16-19 * TWO Cruising Adventures!

If you love Seaside Resort Towns and the sensations that only sparkling waters & the gentle breezes of sailing can provide, you will want to join us for this VERY UNIQUE tour we have planned for you! ~ The sun and

surf of Ocean City, Maryland, has been attracting visitors since Algonquian tribes first came to the beaches to fish and sun themselves. Due to OC's isolation as a barrier island, the town remained a sleepy fishing village until the late 1800's when heroes took up residence and the ancestor of today's Coast Guard was established here. In 1900, the wooden Boardwalk was added - (Fun Fact: Originally the boards were all taken up in the winter and stored 'til spring - Wow!). With the building of the Chesapeake Bay Bridge in the 60's, in a few short years OC became the favorite resort for visitors from all over the eastern seaboard. Today, Ocean City stretches along 10 miles of beautiful beach from the Inlet to the Delaware state line, and the Boardwalk offers nearly 3 miles of food, games and shopping. The weather this time of year is perfect, plus the crowds have not yet arrived and the water is warming up nicely - a wonderful time to visit the ocean! ~

Look what all this scenic, carefree adventure holds: 3 nights at the Beautiful Hilton Suites Oceanfront Hotel with walk-on access to the beach and breakfast each morning (unpack once!) * An educational Eco-Cruise around beautiful Sinepuxent Bay * Guided tour of Assateague Island's famous "Wild Ponies" - great photo ops! * Dickens Dinner Theater & Show (our folks LOVE this!) * Browsing in quaint St. Michael's and Berlin * Delightful cruise on the 'Patriot' to view the beauty of the Eastern Shore and Miles River - See majestic homes, locations of movies, and hear historic narration by the Captain! * Chesapeake Maritime Museum * Dinners at The Bonfire Buffet and scenic Harborwatch (and Dickens) * A picturesque, relaxing trip that's especially fun with friends - call for some extra flyers to pass around!! * \$1,048 p/p, double occ * \$938 p/p, triple or quad occ * \$1,398 single

Country Inns and Covered Bridges

Charming & Camera-Ready!**

For those who want a shorter scenic Fall Getaway, we feature two of the most sought-after icons this time of year in this specially-chosen adventure. ‘Covered Bridges’ remind us of a simpler time when technology was not king, and much of our joy came from our time in nature - Some admire the engineering, while others find them beautiful against the backdrop of farmland or a coursing river. Historically, ‘Country Inns’ provided not only food and lodging, but acted as community gathering places. The word “Inn” immediately creates a picture of warmth, comfort, and a friendly welcome. Put them both together, and you have a combination that ranks at the top of “America’s Bucket List” for travelers across the country. Biltmore's Breathtaking Christmas

November 28 – December 1 * *The Most Gorgeous Time To See It!*

Since Christmas Eve 1895, George Vanderbilt's Biltmore mansion has been a classic for unsurpassed Christmas cheer and celebration. It still is... and we can't wait for you to see it! Plus many other excellent elements are included in this top-shelf tour. If you've never been to Biltmore, you couldn't find a better trip to see it on – we've planned the best! ~ Located in Asheville, NC, 'Christmas at the Biltmore' features America's largest home meticulously adorned with dozens of decorated fir trees, thousands of lavish holiday decorations, and endless miles of brightly lit evergreen garlands. To match the massive size of the mansion, a 35-ft. Fraser fir is erected every year by hand. In total, there are over 100 Christmas trees scattered around the 8,000-acre estate - more than half inside the house! ~ But here's one of the reasons our itinerary is ideal – if you only go for the evening candlelight tour, you aren't able to see the expansive, majestic grounds, nor take in the stunning views that caused Mr. Vanderbilt to build here, nor any of the other sights that can only be viewed in the daylight. So we do both! ...a daytime tour AND the Candlelight Tour so that you don't miss a thing = perfect!! On our evening visit, savor a Candlelight Dinner in the Stable House before beginning the tour of magnificent rooms lit by flickering candles and filled with elegant mid-century antiques and tapestries. The gentle glow of the candles, the cozy firelight, and live performances of holiday music make for a truly magical evening. ~ Our visit also includes a time at Antler Hill Village on the Estate, the unique Biltmore Winery, and lunch on the property. If you've ever thought about seeing this majestic mansion, this time of year is by far the most impressive... and magical!! * An-

other highlight will be our time at the massive stone structure known as Grove Park Inn – Wow! Here we'll enjoy a special lunch and then look around at the 2023 National Gingerbread House Competition held right inside Grove Park – we love this place! * An interesting addition to this trip is when we take time away from the opulence of Biltmore to experience another aspect of this area - its mountainous, more rustic heritage. So on one evening, we're journeying a short ways to Black Mountain, a charming little town nestled in the Blue Ridge range of the Appalachians where a delicious BBQ dinner and highly-rated Bluegrass Show awaits us out at the Christmount Retreat Center. It allows us to understand why North Carolina is so proud of their diverse history and culture – Fun! * Also included is a guided tour of Asheville with views of the Mast General Store, Grove Arcade and the Basilica of St. Lawrence, and a lovely dinner at Stone Ridge Tavern * 3B, 2L, 3D ** \$1,298 per/person, double occ * \$1,228 p/p, triple/quad occ * \$1,548 single ~ **Call Soon – this one often sells out!**

HAPPY NEW YEAR

Ring in the New Year with the TLC Gang!

New Year's Eve at the Derby Dinner Playhouse!

December 31, 2023 & January 1, 2024

One of the friendliest places we go in our travels is the Louisville, KY area. The Derby Dinner Playhouse sits just across the river from there in Clarksville, IN and is the theatrical entertainment leader in both states, noted for their professional productions of Broadway musicals and lighthearted comedies. Each dinner theatre production comes alive with the magic of lights, costumes, a live orchestra, and a stage full of professional performers. The Playhouse has received national recognition for their musicals and is a member of the National Alliance for Musical Theatre. They do a fabulous job with their New Year's Eve celebration, and we have reserved seats waiting there for us this year – Hooray! ~ The show list for 2023 has not been released past September at this writing, so we can't tell you what it will be just yet – however, all the details will be updated in our Summer Mid-Year Mailer, or you can call the office to have a flyer sent when we have the final info, including pricing. Just know we will have a thoroughly delightful time together ringing in 2024 in this very special way! Overnight accommodations at the Louisville Hampton Inn are included, as well as the "Lights Under Louisville" Mega Cavern experience (you'll ride the coach right through it – it's awesome!), and more! A TOTAL ECLIPSE OF THE HEART... AND MOON... and SUN!!

April 6-9, 2024

How fun is this??! If you've never seen a total solar eclipse in your lifetime, here's your chance! It is truly a breath-taking sight, and if you don't see the 2024 eclipse, many of you likely never will one because it won't happen again until 2045! Plus, this one will also last longer and cast a wider shadow than the 2017 eclipse, meaning it will be more easily viewed this time! What an exciting, adventure this is going to be – a VERY special tour we're so happy to offer our wonderful TLC Family... let's go together!!

Eclipse Day is April 8th, 2024 – Our Prime Location: Prestonsburg KY.

On this day, a total solar eclipse will cross North America, passing over Mexico, the United States, and Canada. A total solar eclipse happens when the Moon passes between the Sun and Earth, completely blocking the face of the Sun. The sky will darken as if it were dawn or dusk. The eclipse starts at 12:44 with the magnitude of the eclipse at 2:03 pm, and it ends at 3:19 pm. Per the Kentucky Science Center, which is considered one of the most technologically advanced planetariums in the world (yes, the world!), Prestonsburg will have approx. 97.9% totality for the 2024 Eclipse, which is why we're headed there to see it from this great vantage point – Wow!!

~~ But there are many more 'unusual' and 'unique' things to see & do on this Spring gem: For instance, when was the last time you went "Elk viewing"? KY is now considered the "Elk Capital East of the Rockies" and is estimated at over 10,000 elk. We're joined by a naturalist who takes us on a tour to see these majestic animals in their natural habitat * Tour Loretta Lynn's Butcher Holler' Homestead and visit Webb's Grocery Store owned by Loretta's brother – enjoy an old-fashioned 'Moon Pie' and an RC Cola! * Visit the Van Lear Coal Mining Museum, the Country Music Highway Museum, and take your seats at the Mountain Arts Center for dinner and a fabulous show of familiar bluegrass, country and gospel songs, plus homespun comedy – so Fun! * The 8th is "Eclipse Day" and we spend it at the huge Jenny Wiley Amphitheater where live musical entertainment will be continuous along with festivities of all kinds – Artisan Vendors, Food Trucks, Lectures by an Expert Astronomer, Drum Circle Lessons, Suncatcher Making (extra fee), and more! When it's 'eclipse time', we'll view this amazing phenomenon outside the convention center and experience one of the cosmos's most intriguing celestial events! This rural area has a history (some imagined, some true) of moonshine making, and one evening we'll have fun at a 'Moonshine Hideaway Tour' with a BBQ dinner and music by the Band! * There's more, but no room – Call for the full Flyer and then get your reservation in as soon as possible. The space in Prestonburg is selling out in record time, and we don't want to lose our space!! We're offering a \$40 discount per/person on reservations made by March 31, 2023! * 3B, 3L, 3D

** \$1,145 per/person, double occ * \$1,065 p/p, triple occ * \$1,025 p/p, quad * \$1,385 single

The dates may move around a little, but most will return freshly planned & ready to take you the places you couldn't get to THIS year! Plus, there are more brand-new adventures we are very excited to be working on – stay tuned! (Okay, here's one secret I'll let you in on... we're bringing back our Majestic Canadian Rockies tour for '24 – it is genuinely a fabulous tour – wait 'til you see it!!) Some of the 2024 dates will be listed in our Mid-Year Mailer which comes out in the Summer... or feel free to call the office to check on the ones you're interested in.

HOW TLC is ADDRESSING COVID/VARIANTS for 2023

We are so thankful that much of our country has 'opened up' and we are back to being able to travel freely, for those who desire to get out & about again. While rejoicing over such good news, there are still a few things we must remain aware of that are listed below. We believe these things are a very small price to pay to be "On the Road Again!" ~ Thank you for your gracious understanding and kind cooperation as we wisely embark on wonderful memory-making journeys together this year!

A. There are a few parts of the country that are still enforcing a mask mandate in their particular area. Please tuck a mask in your pocket just in case we should arrive somewhere and find out unexpectedly that we are required to wear one for entrance. We continue to pledge to be good neighbors and help these establishments stay open by cooperating with whatever they are required to ask of us, and to do it with a good, kind spirit. If you're not in agreement with this, please refrain from traveling with us at this time.

B. At this writing, all the places we plan to visit are open for business. However, as mentioned above, that can change by the time we arrive. Should there be some place that is not able to take us, we will do our very best to substitute an activity or attraction of an equal quality. We just have to "go with the flow" again this year somewhat - but trust me, every single place we plan to visit WANTS to be open for us and will be doing everything they can to do so.

C. We ask that you take your own temperature before leaving home on the morning of Day One, and if you show any fever at all, please stay home. If you have additional/other symptoms that suggest Covid-19 or a variant, we ask that you please stay home. If you have been around someone with Covid-19/variant, or highly-suspected Covid-19/variant, we ask that you please follow the CDC guidelines according to their timeline, and possibly stay home. Any of these methods are somewhat dependent on the "honor system". We trust that our upstanding TLC customers will "do the right thing" and not put anyone else at risk for contracting Covid or a variant on a TLC tour.

D. Should someone come down with Covid during or after their tour, we assume no responsibility or liability. We cannot control every minute of everyone's

day, nor can we control how people handle themselves when off the coach. We have done our very best to secure accommodations and venues that state the highest sanitation protocols to the best of their ability. If on tour you should come down with Covid-19 or a variant, or strongly suspect it, you would be responsible to quarantine yourself and arrange for transportation home when appropriate. – By traveling with us, you are agreeing that TLC Tours, LLC will not be held responsible for contracting Covid-19 or a variant, nor liable for any expenses involved in any way.

E. If you do need to cancel at the last-minute because of having covid/variant, being exposed to covid/variant, or suspecting a possible case of covid/variant, our normal cancellation policies apply, just as they would to any other last-minute illness that prevents you from going on a tour. See General Information/Refunds in this book. Without insurance, there is no refund except what we might be able to get back from individual vendors on your behalf. We highly suggest taking out either our in-house Refund Protection Policy, or another more comprehensive insurance plan of your own choosing.

~~ Overall, please lovingly respect the concerns of others if they differ from yours. Some may have health issues that cause them to be more cautious than you may feel is necessary for yourself.

- Here's the best plan:

"Do Unto Others as You Would Have Others Do Unto You!" –

ON THE COACH:

1.) Every Campbell coach is completely disinfected before they depart for a trip. You can be assured that the bus that arrives to pick you up has been thoroughly cleaned with an environmentally-friendly solution that is EPA-approved, and not diluted or mixed at our facilities. The solution is rated on the EPA K-List that supersedes the current EPA suggestion for elimination of Corona Virus, and has no harmful properties. It has received the Green Seal certification. The solution is applied with electrostatic sprayers to increase coverage to eliminate all pathogens on hard surfaces.

2.) We have upgraded all air filters and increased the frequency that we change the air filters on the coach to reduce contamination. Our motor coaches refresh the air on the coach every five minutes, and combined with the upgraded filters, will reduce stale used air in the coach.

3.) We have UV lights in our HVAC system to eliminate any airborne pathogens.

4.) Disinfecting wipes available for the Driver & Escort, and hand sanitizer on board for your use.

5.) Should the situation regarding pandemic conditions rise during the year, we are prepared to increase the level of our procedures accordingly.

GENERAL INFORMATION:

Ohio Departure Points: Our departure points are as follows - Akron: Home Depot, 2811 S. Arlington St, Akron – just down from the Walmart – park in the front corner behind Golden Corral; Canton: Target parking lot behind Panda Express, 5584 Dressler Rd. NW – near Belden Village; Alliance: (NEW) the front parking area of Lowe's, 2595 W. State St.; Salem: Burger King on E. State St. (rear parking area); Columbiana: our TLC Office at 44139 St. Rt. 14. Other departure points may be established for groups of 10 or more if the itinerary and direction of travel permits. We reserve the right to change departures. Departures are arranged in the direction of travel, with last departure being the closest to the destination, for the convenience of all passengers.

Pennsylvania Departure Points: * *We may use smaller shuttle buses to make these pickups and will join the tour en route at a logical transfer point.* ~ **For Overnight Trips:** Slippery Rock: Campbell Bus Lines, 258 Grove City Rd; Butler: Ollie's, 602 Moraine Pointe Plaza; Grove City: County Market Plaza, 49 Pine Grove Square; Mercer: Rodeway Inn, 835 Perry Hwy. ~ **For Day Trips:** We have PA pickups if the trip is going EAST into PA. If the trip is going WEST into Ohio, our PA folks board at our Office in Columbiana to join the tour.

Seating: On all overnight tours, we use a daily seat rotation. The first day of a trip, you choose your seat when you board, and rotate from there. We feel this is fair to all. If the coach is not full, a less formal rotation may be used at the Escort's discretion. Persons traveling single or with uneven amounts in their group may need to sit with other like-travelers. We cannot guarantee that small groups will be seated together. We welcome single travelers, but the single rate does not include two seats on the coach. * *We cannot accept doctor's notes regarding requests to sit in the front seat/s. Please consider boarding at the first pickup location if your seat location is of concern. It is also recommended to see your doctor for motion sickness medication, if this should apply.*

Smoking/Drinking: We make regular stops for restrooms and for the convenience of smokers; however, we have a NO SMOKING (or vaping) policy aboard all coaches. If someone violates the non-smoking policies of places we are staying or visiting while on tour, it is the sole responsibility of that person should there be any penalties and/or fines for not adhering to their rules and regulations. Consumption of alcoholic beverages is not permitted at any time on the coach.

Transportation: All of our tours use beautiful modern, deluxe wide-body motorcoaches from Campbell Bus Lines. Campbell has received the highest possible rating with the Dept. of Transportation. The motorcoaches are equipped with air-conditioning, reclining seats, public address system, DVD player, outlets for each passenger, and emergency restrooms. Our intent is for all overnight tours to be professionally escorted. Upon occasion, in order to avoid canceling a trip with a low passenger count, our Driver may serve both positions of Driver and Escort, and all are professionally trained to do so.

Lodging and Meals: Your quality lodging is included

on all overnight tours. We never use second-rate hotels, restaurants, or activities on any tour, to the best of our ability to make that determination. If you need two beds in your room, please state this when making your reservation. Generally, some meals are included on overnight trips (see individual tour inclusions); however, we cannot guarantee any special dietary requirements.

Border Crossings: As of June 2009, a Passport or Passport Card is required for border crossings. Either of these travel documents may be obtained through your local courthouse. The Passport Card is limited, but is sufficient for Canadian border crossings and is good for 10 years – it is also very easy to apply for. Your Driver and/or Escort will be asking to see one of these documents before boarding the coach for trips with this requirement. We cannot be responsible if you are unable to travel due to failure on your part to obtain the proper documentation. Please begin the process early enough to ensure that you will have it in time for your tour's departure. For more information via the Internet: http://travel.state.gov/passport/ppt_card/ppt_card_3926.html

Luggage: One suitcase per person is included in the price of your tour. We ask that you are respectful of the weight. Our Drivers handle up to 54 pieces of luggage multiple times throughout a tour, and if it's too heavy for you to lift comfortably, it is too heavy for them. You are also permitted a carry-on, which is your responsibility. Additional luggage may be transported at the cost of \$10.00 per bag, per day – you must clear this with the Office ahead of time. It is wise to travel light. Luggage tags are provided and required for hotel identification, and are sent with the final letter and phone numbers of your hotels.

Medical Devices: Medical devices must be handled by you, the passenger. They are either to be stored under your seat (not protruding out into the person's space behind or in front of you), or if too large for that accommodation, they must be placed under the coach by you, and taken off at each place it's needed by you. It is not safe for a medical device to ride in an overhead compartment for multiple reasons, nor are our Drivers or hotel personnel allowed to handle it for safety and liability reasons. If it needs to ride under the coach, please have it in a quality container (as small as possible) to assure it rides safely.

Taxes and Gratuities: All taxes and gratuities for included meals and activities are included, unless otherwise mentioned by the Escort. Driver and Escort gratuities are not included in the price of your tour. The suggested rate for a "job well done" is a minimum of \$4.00-\$4.50 per person/per day for the Tour Escort, and a minimum of \$4.00-\$4.50 per person/per day for the Driver. We request that you express this on an individual basis, and let the quality of service received be your guide.

TLC Reward Cards: TLC Cards are non-transferable and non-replaceable. Please take care to keep it in a safe place you will remember. If you decline your TLC Card punch while on tour, you cannot get it later.

Payment: All prices listed are per/person rates. On

one-day tours, full payment must be made with the reservation. For overnight tours, see "How To Make A Reservation". Balance of an overnight tour is due 45 days prior to departure (unless otherwise stated/notified). Confirmation will be sent after we receive your deposit. Please call as soon as possible if you should decide not to go.

Refunds: Up to 45 days prior to departure date, a full refund will be made. * *Tours that include tickets generally have earlier non-refundable dates – ask upon booking.* There are no refunds for cancellations made within 45 days prior to your departure date. However, we will do our best to recover as much as we can, but cannot guarantee anything including prepaid reservations and other costs that are non-refundable to us. There will be a \$25.00 per/person charge for this service. There will be no refund, for any reason, for a "no-show" on the day of the tour. ~ Please Note: Refunds will be made by the same method you paid us; e.g., if you paid by credit card, the refund will be put back on that credit card. No exceptions.

TLC Tours offers a "Refund Protection Plan" for overnight tours that is available at our office at a minimal cost. It needs to be purchased when you book your trip. This insures you a full refund in case of A.) a death in your immediate family (requires a copy of death notice), or B.) personal illness (requires a doctor's written note confirming you were too ill to travel). Exceptions would be made if an immediate family member's serious illness necessitates you staying home, but would still need confirmed by a doctor's note. * *Immediate family, in these situations, includes spouse, parents or children only.* Call our office for full details about TLC's RPP. We encourage you to take advantage of the protection plan, or secure insurance on your own if you prefer "cancel for any reason" coverage. Our Refund Protection Plan is not available for Day Trips, nor are there any refunds for Day Trips, with a few exceptions.

Cancellations: TLC Tours reserves the right to cancel any tour that has not reached a minimum number of reservations. We always avoid changes and cancellations, if at all possible, as we realize the inconvenience to you, our valued customer. We reserve the right to cancel or refuse service to anyone, in our sole discretion. Any person may be dismissed from a tour at any time or place by the Tour Escort or Driver should their conduct be problematic in any way. No refund will be made, nor will any further responsibility be assumed by TLC Tours or anyone in their employment.

Responsibility: TLC Tours, LLC is insured. Campbell Bus Lines is registered and insured with the ICC. TLC Tours acts only as an agent. We are not responsible to any person for any loss of time or money due to a change or delay beyond our control. Nor are we responsible for non-performance by those we have contracted with. We reserve the right to change tour prices, inclusions, and itinerary, if so dictated by circumstances beyond our control. We are not responsible for pricing, typographical, or other errors. Any claims against TLC Tours must be made, in writing within 30 days of the trip.

You're Invited To One of Our Wonderful **TRAVEL MEETINGS** ** Updated Plan for 2023!!

Traditionally, in order for you to meet us personally, each year we take our "Show on the Road" shortly after our Tour Books come out. When the pandemic hit, we changed the format somewhat to create as safe of an environment as possible for everyone, yet provide you the opportunity to meet our great team of Escorts, Drivers and Office Staff, and give the ability to take part in all the other important things we always do at them. Because of your cooperation and great attitudes, it was extremely successful, so we are going to hold our Travel Meetings in a manner much like last year. Here's how it works:

On the dates and at the locations below, along with meeting us, you'll be able to collect fully-detailed flyers of our overnight tours (2 nights or more), find out which trips have special Travel Meeting Incentives (discounts) if you book that day or by the following Monday, and receive a little bag of delicious home-style cookies to take home! We will have a Reservation Table for those who wish to sign up early for your trips so you're sure to have a spot on the ones you're interested in (check or credit card). ~ Also on the way out, you'll receive a very special coupon for a FREE PUNCH on your TLC Rewards Card!

One thing that will be significantly different again this time is that we won't be putting literally hundreds and hundreds of people into

one auditorium at the same time to show our much-loved Destination Pictures on the big screen with live narration. However, never fear – we're repeating our "Plan B" which was extremely well-received!... So using the skilled services of a great "techie guy", you will receive a special 2023 Tour Video that is basically the same information as we normally give at our meetings, only instead of presenting it live, we've put it on a DVD that you will take home with you to watch at your leisure. One thing people really liked about this was that they could play it multiple times and go back and look at other trips they may not have noticed fully the first time. So it's a win-win... we keep everyone 'safe', but still give you the great TLC Travel Show experience – just in a little different form!

In order to keep everyone from coming at once (i.e., to keep the 'crowds' to a reasonable size), we do need you to call our office and sign up for one of the time slots listed on the right. We are allowing 30 minutes for each slot, and ask that you stick to the one you've signed up for so that all flows well thru-out each of the locations. ~~ Thank you so much for your help with this – we are all making adjustments for a little while longer as necessary, and are extremely appreciative of your great attitudes to make our Travel Meetings work!
