Novena to the BLESSED VIRGIN

(Never known to fail). O Most Beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the sea, help me and show me here in, you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin, pray for us who have recourse to thee (3 times.) Holy Mary, I place this cause in your hands (3 times). Say this prayer for three consecutive days. You must publish it and it will be granted to you. Grateful Thanks.

BAF

I wasn't looking for a discount funeral. I was looking for an affordable one.

Most "discount funerals" mean less money, less service, less attention to detail, less of everything. An affordable funeral is a complete funeral based first on the needs of the family, then priced to fit within their budget.

The IBEW is growing and you are invited!!

Response to our recent advertisements has been terrific! We have welcomed some new contractors into our family and are continually interviewing new membership prospects.

Our new contractors are not only looking for **Qualified Electricians** but also more **Solar Electricians and Tele-Communication Technicians** to staff upcoming projects.

One of the greatest benefits of the Electrical Union is the ability for our members to retire with dignity. Retirement of our well seasoned members provides fantastic opportunities for **Electricians of Foreman and General Foreman qualifications**. If you are an un-represented "lead" electrician, then we should be talking about your future.

We are also always looking for **Quality Open Shop Electrical Contractors** looking to grow with us. It does not matter if you have just 1 electrician or 1000, we have opportunities for everyone!

The IBEW has been successfully training crews for our contractors since Edison and Tesla were young men. For 125 years our signatory contractors have come to the IBEW to hire the highest quality electricians in the industry. We continue today, working in a mutually beneficial partnership with our contractors to offer the best value in the industry to our valued customers.

Michael Keaton

HOLLYWOOD

by Tony Rizzo

HOLLYWOOD — The way we watch movies may change if directors **J.J. Abrahms, Ron Howard** and **Peter Jackson** have their way. Theater owners rake in almost half of the box-office take, while producers take a lion's share of the DVD and Blu-ray sales. Now these directors and other industry big wigs are aligning themselves with the company Screening Room. They propose to offer films the same day they open in theaters, at \$50 for 48 hours. However, in order to view the films you must rent an encrypted set-top box for \$150. To entice theater owners to their plan, they will give them \$20 of the \$50 rental. Will the theater owners go for that, and will movie fans pay \$200 to turn their living room into a screening room?

You can see **Michael Keaton** in "The Founder" come Aug. 5 as he brings **Ray Kroc**, the man responsible for putting MacDonald's hamburgers into your mouths since 1954, to life. **Laura Dern** plays his first wife, **Ethel Fleming**. The \$7 million film has **Jeremy Renner**, Oscar-nominated for "The Hurt Locker" (2008), as one of its producers.

the sci-fi/action thriller "Geostorm," co-starring **Abbie Cornish, Jim Sturgess, Ed Harris** and **Andy Garcia**, as he tries to save the world from a storm of epic proportions caused by climate-controlling satellites. It will be followed later next year by "The Headhunters Calling," with **Willem Dafoe** and **Alfred Molina**.

"Downton Abbey" fans may enjoy producer **Julian Fellowes'** latest, a three-part film "Doctor Thorne," with **Tom Hollander** ("The Night Manager"), **Ian McShane** ("Ray Donovan") and **Allison Brie** ("Madmen"), which has been acquired by The Weinstein Company for U.S. distribution.

Bradley Cooper took time off to produce the criminal comedy-drama "War Dogs," written and co-produced by **Todd Phillips**, who wrote "The Hangover" trilogy. Bradley will be heard and not seen, first in the title role in "A Dog's Purpose," with **Dennis Quaid** and **Peggy Lipton** (yes, "The Mod Squad" star), coming Jan. 27, and "Guardians of the Galaxy: Vol. 2," in May 2017. **Chris Pratt, Zoe Saldana, Dave Bautista** and **Glenn Close** all return in the sequel, with **Kurt Russell** being added as Peter Quill's father.

Gerard Butler had two big films open a week apart, only to see the first, "Gods of Egypt," sink from its \$140 million cost to \$108 million at theaters, while "London Has Fallen" earned \$101 million against its \$60 million cost, which in Hollywood is considered a failure. Both films have a chance to recoup losses when they quickly hit the DVD/Blu-ray racks. Butler will try again in January with

Don't know about you, but if I was a good-looking star I'd rather be SEEN and not heard, a la **Matthew McConaughey** in his ads for Lincoln!
