Speaking Life...
 Do you ever catch yourself speaking negative over today's youth. For example, how many of you have said, "Kids today just don't get it". Before we judge kids maybe we need to think back about how hard it was to be one. Back to the days of what you wear, how you look and how much money you have being your judgment. Fitting in is tough as an adult, but particularly hard as a youth. So next time instead of speaking negative over them, let's make a move to start speaking life.
 My Chic Boutique has gently used name brand clothes and household items for spring. Come see me at...

For Those Who Would Rather Eat the Herd Than Follow it.

Our exclusive ceramic grills celebrate American ingenuity, quality craftsmanship, and the independent spirit of those who share our passion for great food. If you consider a delicious meal shared with family and friends as time well spent, then you understand. Grill sizzling steaks, bake wood-fired pizza, roast wild game, or smoke a beef brisket-all on the same grill. Leave the herd of so-so metal grills behind and move up to Primo.

 Bloomfield United Methodist Church • 403 E. North St., Bloomfield, IA 52537
 Registration for 2016/2017 School Year is open!
 Register during school hours Tues.-Fri. 8-11
 Classes are Tuesday/Thursday & Wednesday/Friday 8-11am.
Director/Head Teacher: Tracy Emmons
 Over 25 years of experience working with younger children.
 Office: 641-664-1606
 It is our belief that each child is created in the image of our Lord with uniqueness and special qualities all their own. We believe that God's light shines within each child and it is our responsibility as Christians, parents and teachers, to "train up a child in the way they should go" (Proverbs 22:6). Young children learn through play, and we will provide many hands on activities to enhance and develop their cognitive, physical and social/emotional skills.

EBT WELCOMED!

National Auctioneer's Month

Going Once, Going Twice...

SOLD!

If you're planning an auction, call one of these auction professionals!

Many auction attendees find the experience addictive. They report that there's nothing quite like the thrill of finding something they want and then bidding against others who want the same thing. While you don't have to be a seasoned auction attendee to be able to experience the thrill of auctions, auctioneers across America are glad to welcome new bidders to their auctions. And though almost everyone has heard the old story about the person who attended an auction, scratched his nose and come home with an item he hadn't intended to buy, pay no heed to that myth.
