Travel Thoughts By Kim

Let's go on an adventure together.... to Cooperstown!

The main attraction in Cooperstown is the National Baseball Hall of Fame. Absolutely amazing - a MUST SEE!

The National Baseball Hall of Fame had been on my bucket list for years. In September of 2013, I finally decided to take an overnight trip to see it. The plan was to get an early start, drive down via Route 20 with some quick photo stops along the way, arrive in Cooperstown around noon to explore and see the Hall Of Fame, do a bit more exploring the next morning, and head back home that afternoon. Well...I love being retired and having the flexibility to change plans on the fly! My estimated 5-6 hour drive (with photo stops) turned into 10 hours because of all the amazing things I took the time to stop and see along the way. I had a reservation at a lovely Bed and Breakfast in downtown Cooperstown that was happy to accommodate me for a second night so I could do everything I wanted to do and not be rushed. So, my overnigher turned into a two night, three day adventure that I'll never forget.

Taking the scenic route is the best way to go. The thruway would have gotten me there quicker, but I would have missed so much long the way. Some of my stops along the way included: breakfast in Canandaigua, the Montezuma Winery, a couple hours exploring Seneca Falls and the history of Women's Rights, Skaneateles, Cazenovia Lake, and Chittenango Falls.

Just about 10 hours and lots of memories later, I arrived in Cooperstown in time to check into my Bed & Breakfast and walk downtown for some dinner. I loved Cooperstown. It is an awesome small town on Otsego Lake with all the small town charm and appeal. Of course, it takes full advantage of the Baseball Hall of Fame with lots of baseball themed shops,

restaurants, and attractions, but there is so much to love for everyone - regardless of their interest in baseball.

After I explored a little and had some dinner, I went to the Baseball Hall of Fame. It was getting late, so I wasn't sure how much I could see, but I discovered that the purchase of a ticket that late in the day also included access the next day. I spent about an hour and a half that first evening and barely made it through the first floor. The next morning, I returned and spent another three hours going through the second and third floor and revisiting parts of the first floor. It was really amazing! The hall of plaques of those inducted into the Hall of Fame was quite an experience. There were several people wandering through looking at the plaques, but no one spoke more than a whisper - it was a respectful and emotional room. I thoroughly enjoyed all the time I spent there. If you're going to visit the HoF, you should definitely allow at least 3-4 hours to see it all - more to really do it justice.

In the Hall of Fame room, you'll find plaques of all the greats inducted into the Baseball Hall of Fame over the years. This is the very first set of inductees in 1936: Babe Ruth, Ty Cobb, Honus Wagner, Christy Matthewson, and Walter Johnson.

Other places I enjoyed visiting while in Cooperstown included Doubleday Field - the

birthplace of baseball, Heroes of Baseball Wax Museum, Otsego Lake - I was happy to see a lighthouse, and just spending time wandering around downtown. It was September, so the leaves were turning and the town is so quaint, it just made for such a lovely time. I also visited the Fenimore Art Museum and the Farmer's Museum - both very interesting - plan for at least a couple hours or more for each.

So, if you're looking for a 2-3 or so day get away, consider Cooperstown - take the scenic route - you won't regret it! Check out these blog posts that provide much more info and photos about my Cooperstown adventure: Taking the Scenic Route: <https://thoughtsbykim.com/2013/09/27/taking-the-scenic-route/> National Baseball Hall of Fame: <https://thoughtsbykim.com/2013/09/28/national-baseball-hall-of-fame-and-museum/> Cooperstown Adventure: <https://thoughtsbykim.com/2013/09/29/cooperstown-adventure/>

Happy Adventuring,
Kim Pritt

One of the exhibits is "The Baseball Experience" - a short film that takes you right into the heart of baseball, tugs at your heart strings, and ends with the entire audience singing "Take Me Out to the Ball Game"...don't miss it!

NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS (NOIRROF)

March 19, 2023 | New York State Homes & Community Renewal (HCR)
38-40 State Street | Albany, New York 12207 | (518) 474-6677

On or after March 28, 2023, New York State Homes & Community Renewal (HCR) will submit a request to the U. S. Department of Housing and Urban Development (HUD) for the release of \$300,000 of HOME funds under Title II of the Cranston-Gonzalez National Affordable Housing Act (NAHA) of 1990, in accordance with section 288 (42 U.S.C. 12838), to authorize Rural Housing Opportunities Corporation to undertake a program known as RHOC Regional 00 2023, for purposes of providing funds for the cost of rehabilitation of single-family homes on scattered sites in Genesee, Monroe Orleans, Ontario, Wayne, and Wyoming Counties, with an estimated total project cost of \$300,000. The 2022 HOME LPA Program will use HOME funds from 2022 awards to fund a variety of activities through partnerships with counties, municipalities and non-profit community-based housing organizations, which are referred to as Local Program Administrators (LPA). Each LPA works within a specific geographic area - usually a county or municipality. The Program provides funds to acquire, rehabilitate or construct housing or to provide assistance to low- and moderate-income home-buyers and renters. Funds must be distributed in accordance with needs and priorities identified in the State's Consolidated Plan. The proposed activities that are the subject of this Notice are Categorically Excluded from National Environmental Policy Act requirements under HUD regulations at 24 CFR Part 58(a)(3)(i). The specific LPA Programs that are the subject of this Notice do not constitute every LPA Program that is proposed for inclusion within the 2022 New York State HOME LPA Program. A full listing of the 2022 HOME LPA Programs is available at <http://www.hcr.ny.gov/Funding/Awards/>. This is the first tier of review in a 2-tiered process. The specific addresses of homes are not known at this time because the participating property owner identification process is ongoing. Therefore, under 24 CFR Part 58.15 (Tiering) and 24 CFR Part 58.32 (Project Aggregation), HCR will use a tiered approach and Tier 2 site specific reviews will be completed for those laws and authorities not addressed in the Tier 1 broad review for each address under this program when addresses become known. No physical work will begin on properties until all levels of environmental review are complete and found to be in compliance. Tier 1 review addresses specific environmental factors for which compliance has been documented, regardless of specific site locations. It prevents repeating the same compliance factors on a Tier 2 site-specific basis, once all participating homeowners are known. An Environmental Review Record (ERR) that documents the environmental determinations for this Program is available and may be obtained by emailing John.leahy@hcr.ny.gov. Tier 2 Site Specific Review: The site specific reviews will cover all the laws and authorities not resolved in the broad Tier 1 review as discussed in the ERR that is available for public inspection. Mitigation Measures/Conditions/Permits (if any): Template Tier 2 forms are included in the ERR that is available for public inspection. The Templates include the mitigation measures, conditions and/or permits that will be complied with, if applicable, at each project site that is chosen.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR(s) to John Leahy, Environmental Analysis Unit, NYS Homes & Community Renewal, 38-40 State Street, Albany, New York, 12207 via email at leahy@hcr.ny.gov. Please note to which LPA your comment pertains in your correspondence. All comments received by March 27, 2023, will be considered by HCR prior to authorizing submission of a request for release of funds.

ENVIRONMENTAL CERTIFICATION

HCR certifies to HUD that Mr. John Leahy in his capacity as Certifying Officer consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows the applicable LPA to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will consider objections to its release of funds and HCR's certification received by April 12, 2023 or for a period of fifteen days following its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of HCR; (b) HCR has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the project have committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to the following HUD office and sent via email.

Abigail Ford, Director
HUD-Community Planning and Development
26 Federal Plaza - Room 3513
New York, New York 10278-0068
Abigail.G.Ford@hud.gov

Potential objectors should contact HUD to verify the actual last day of the objection period.

IN MEMORIAM

Obituaries

Lewis B. Bowen age 93, passed away at his home on March 10, 2023. He was born Dec. 4, 1929, in Buffalo, NY, a son of the late Burton and Marguerite (Stevly) Bowen and had lived in this area all of his life. Lewis served in the US Army during the Korean War. He served on the front line as a machine gunner and then served in the motorpool; driving transports and repairing ambulances. He was a member of St. Mary's Church for

over 60 years and was a charter member of the Holley VFW Post #202 and Hickory Ridge. In the past Lewis was a Town of Clarendon Zoning Officer, board member of the Hillside Cemetery and was a fire police and member of the Clarendon Fire Department. He and his wife Arlene loved to travel all over the country, especially to Hawaii and Alaska. They spent 20 years wintering in Florida together. In his retirement, he loved to do puzzles, work on his train set, bird watching, and sharing his stories with family and friends. Lewis will be remembered by many as the town historian. In addition to his parents, he was predeceased by his wife Arlene; brother Howard; sister Ginny Interlicchia and several brothers and sisters-in-law. He is survived by his children Charlotte (Gary) Trumble, James (Joy) Bowen, Sherry Williams; grandchildren Shannon (Chuck), Jennifer, Heather, Wendy (Robert), David (Kristin), Amanda, Joseph (Melinda); 19 great-grandchildren; 1 great-great grandchild; siblings Norman (Vickie) Bowen, Sam Interlicchia, Harold (Jackie) Bowen, Jane (Wayne) Robinson, Janet Dennis, Debbie Roe; brothers and sisters-in-law Arden (Tina) Campbell, Marie Elphic, John (Kathy) Campbell, William (Kathy) Campbell as well as many nieces, nephews and cousins. The family will receive friends at the Christopher Mitchell Funeral Homes, 16650 State Rte. 31 Holley on Tuesday March 28th 4:00pm-7:00pm. His Mass of Christian Burial will be Wednesday at 9:30am at St. Mary's Church Holley. Burial with Military Honors will be at Hillside Cemetery. To share a special memory of Lewis, please visit www.mitchellfamilyfuneralhomes.com.

Ertis J. "Bud" Bradley, age 78, of Edinburg, TX, entered eternal rest Saturday, March 11, 2023, at Doctors Hospital at Renaissance in Edinburg, after a year-long battle with brain cancer. He was born to Ertis Jack and Norine (Zimmerman) Bradley of Clarence Center, NY and was formerly of Buffalo, NY and Waterport, NY. Bud was a veteran of the US Air Force and completed two tours in Vietnam. He also served as a

New York State Trooper and was the owner of Commercial Interior Supply Corporation in Buffalo and Rochester, NY. Bud was a former long-time member of Oak Orchard Yacht Club in Waterport, NY and a member of McAllen Elks Lodge #1402 in McAllen, TX. A lifelong sportsman, he loved to golf, bike, ski, sail, row, play tennis, hunt and fish. Bud was a force to be reckoned with. He was a big man with a big personality, a ready smile, and an enthusiasm for life. After many years of cruising in the beautiful waters of Lake Ontario and the St. Lawrence River, Bud and the true love of his life, Meredith, retired to Edinburg, TX. They enjoyed 14 years of "land cruising" in their motorhome, and traveled to almost every state in the union. Bud was blessed with many great friendships with people across the USA and Canada. He will be dearly missed. Bud is survived by his devoted wife, Meredith Long Bradley of Edinburg, TX; a brother, Michael (Linda) of Holland, NY, and sister, Lynn (Steve) Carlo of Williamsville, NY. He was a devoted uncle to Justin (Morgana) Bradley of Sloan, NY, Jenna (Wesley) LaBar of Alden, NY, and Amanda (Andy) Swindall of Topeka, KS. A Celebration of Life will take place in the summer at Waterport, NY on the Oak Orchard River. Memorial contributions may be made in his name to The Salvation Army at give.salvationarmyusa.org. Funeral arrangements are under the direction of Memorial Funeral Home in Edinburg, TX.

Johan G. "Hans" Kobmann, age 89 died March 14, 2023, in Elderwood of Brockport following a long illness. Hans was born March 25, 1933, to Paul and Kunigunda (Pohlmann) Kobmann. In 1952, he traveled across the Atlantic from Muggendorf, Germany to fulfill his dream of a life in the United States. Hans settled in Middleport where he met and married his wife Helga, whom he was married to for 44 years. As a self-taught, non-English speaking immigrant, Hans worked exceptionally hard learning and mastering the trade of carpentry. There wasn't anything he couldn't build. The talents of his skilled hands are still evident today in public schools from LeRoy to Spencerport, to Roberts Wesleyan University Performing Arts Center and

Letchworth Pool. The structures that gave him the most satisfaction were the two family homes he built with his own hands on Freeman Road. His natural gift for agriculture and gardening were a source of pride for him as he showered others with the fruits (and vegetables) of his labor. Hans and Helga instilled the values of integrity, strong work ethic, independence, and high standards in his three daughters. Hans's happiness came from the accomplishments of his children, sharing the lives of his grandchildren, laughing, and cuddling with his great-grandchildren, and the realization of the legacy he leaves behind. Hans's quick wit, guidance, know-how, euchre skills and Buffalo Bills commentary will be terribly missed by his loved ones. Mr. Kobmann was predeceased by his wife Helga as well as several siblings. He is survived by his children: Heidi Kobmann of Florida, Lorie Green of Spencerport, Melinda (John) Keirsbilck of Greece, his siblings: Elfriede Hoepner and Arthur Kobmann of Germany, his grandchildren: Lindsey, Jacob, Ashley, Doug Jr., Daniel, Joshua, Jason, six great-grandchildren as well as several nieces and nephews in Germany. The family will receive friends at the Bates, Wallace & Heath Funeral Home, 38 State Street-Middleport, TUESDAY (3/21) from 1-3 where his Funeral Service will be held at 3pm following visitation. Private interment in Hartland Central Cemetery will be held at the convenience of the family. In lieu of flowers, memorials may be made to: Trinity Lutheran Church, 1212 West Ave., Medina, NY, 14103. Hans's family wishes to convey their gratitude

for the kindness, support and friendship received by friends and staff at The Village at Unity, where he resided for the past two years. To share a special memory of Hans, please visit: www.mitchellfamilyfuneralhomes.com

David G. Reed, 77, of Albion, NY, passed unexpectedly on March 9th, 2023. After having 2 daughters, Marion and Verona, Jesse and Mildred Reed finished their trio with a bouncing baby boy. David came into this world on April 5, 1945. He grew up in small town Medina graduating in 1963. After graduating he join the U. S. Air Force serving during the Vietnam War. He proudly served on the B-52 Stratofortress. Later in life he would contribute to books on the B-52's either by interviews or photographs he had taken. On a June 29th 1974 he married the love of his life Sandi Lyn Humphrey. In 1975 they welcomed a son Jesse, with daughter Jaime Rae making her appearance in 1977. David was employed at FMC in Middleport as a Chemical and

Environmental analyst for over 40 years. In 2010 he retired and started to indulge in his favorite pastime: trains. He belonged to the EL&DL WRR Historical society, the EL Dining car Society and the Orleans County Historical Society. If not tinkering with his trains David could be found in his yard planting with his granddaughters. He loved to be spending time with his family, especially his grandchildren's activities. In May he loved to go to Las Vegas to visit his son and family. What David wasn't was a cook. So many days he was a common face at the Village House in Albion. Here he would meet a fellow soccer enthusiast- Alex and a great friendship was born. Recently David told his daughter "I have a great life; I love my life". But truthfully, he gave us a great life and we were blessed to share in his light. David was predeceased by both his parents. His sisters Marion (Schompert) and Verona (Pritchard). As well as his wife of 27 years Sandi. He is survived by his son Jesse (Brittney) and Jaime Rae (Ray) Reed. His grandchildren Sage, Raymond, Brenden, Sandi, Sadie and Caroline. As well as his great granddaughters Evelyn and Novallie. There are no calling hours. A private service will be held at the convenience of the family with full military honors. In lieu of flowers, donations may be made in David's name to the Orleans County Joint Veterans Council, 13996 Route 31 West, Albion, NY, 14411. Arrangements were made through the Bogan & Tuttle Funeral Home, 226 Pearl St. Medina, NY 14103. Please light a candle or share a memory of David at: www.bogantuttlefunerals.com

William K. Rowles, age 90, died March 10, 2023 in United Memorial Medical Center following a long illness. He was born Sept., 10, 1932 in Dubois, PA to Eugene and Nona (Patrick) Rowles and had lived in this area most of his life. William was a United States Army Veteran having served from 1954-1956. He enjoyed fishing, hunting, traveling and loved to play cards. He particularly enjoyed yardwork, especially

mowing the lawn, grooming to perfection. Mr. Rowles was predeceased by a son: James, his brother: Eugene Rowles, and sisters: Eunice Petty, Doris Ezell and Kay Snyder. He is survived by his wife of 65 years Shirley, his children: David Fischer of Kent, William (Marianne) Rowles of SC, Donna (Steven) Kovacs of Parish, Lynette (David Gay) Gregori of Elba, his brothers: Robert Rowles of Victor, Fay Rowles of FL, his sisters: Barbara Rodas of Hamlin, Sara Gunderson of CA, 10 grandchildren, many great grandchildren as well as several nieces and nephews. The family will receive friends to share memories and stories during a Celebration of Life on Thurs., March 23rd from 11-5 pm at the Albion Elks Lodge, 428 West State St., Albion, NY, 14411. Military Honors will be presented beginning at 2:30pm at the Lodge. Private interment will be held at the convenience of the family. In lieu of flowers, memorials may be made to: The American Cancer Society, 1120 S. Goodman St., Rochester, NY, 14620 or the American Heart Association, 444 Liberty Ave., Suite 1300, Pittsburgh, PA, 15222. William's arrangements have been entrusted to the Christopher Mitchell Funeral Home of Albion. To share a special memory of William, please visit: www.mitchellfamilyfuneralhomes.com

Frederick F. Seeman Jr. (Bud) age 91 passed away after a short illness on March 13, 2023. He was born on Sep. 10, 1931 in Rochester, the son of the late Frederick and Alice (Stewart) Seeman Sr. Sister, Shirley

Ertle and Brother William Seeman. Frederick is survived by his wife Carole. They spent over 50 years living in Clarendon. Frederick served in the U.S. Marine Corp Reserves from 1948-1951. He was drafted into the U.S. Army in 1952. Private first class Seeman was sent to Korea with the 19th Group, 8th Army Combat Engineers. Frederick is survived by his children Brenda (Dale) Shade, Paul (Jeannine) Seeman, Frederick (Melissa) Seeman, James (Jennifer) Seeman and Matt (Kelly) Seeman, many grandchildren, great grandchildren, nieces, nephews and Sister in laws. The family received friends at the Christopher Mitchell Funeral Home, 16650 State Route 31, Holley on Friday March 17, 2023 from 12:00-2:00pm. Interment took place at a later date at Hillside Cemetery with military honors. Donations to Clarendon Fire Company P.O. Box 136, Clarendon NY 14429.

Ernest R. Stephens, Sr. age 74 passed away March 10, 2023 at his home surrounded by his loving family. He was born June 24, 1948 in Cameron NY, a son of the late Carrie Gladys Hallett. Ernie worked tirelessly in construction at Northrup Contracting, Webb Construction and retiring from Villager Construction. He enjoyed working, hunting, fishing and giving so much to everyone who came into his life. He always wanted to help others have a better life. But most importantly, Ernie lead by example on how to be a loving husband, doting father and grandfather and a role model. The most famous question asked: "Does he ever quit"? Answer: "Not a quitter". He is survived by his wife of 54 years, Rose Marie Lonnen whom he married on August 31, 1969; sons Ernest (C. Rose), Shaun (Rebecca), Terry (Laura), Larri (Jennifer); daughter Sherri; grandchildren Chadlee (Heather), Kanyon, Xavyon, Avianne, Dior, Daniel, Edward (Miranda), Russell (Alexis) Ashlee, Kaleb, Kaylee, Carrie, Cassidy; great-grandchildren Lucia, Emilia and countless others who knew him as pa,

pappy, papa; sisters Wanda Travis, Maylonda Elliott, Deanna Papp, Alice, Leona, Mary Ann (John); brothers Wayne (Dawn), Clayton, best friend Ken (Linda), George (Cindy) as well as several nieces and nephews. In addition to his mother, he was predeceased by his brothers Forrest, Dale, Edward, Alexander Papp, Albert Elliott, William, Harry, Delbert, Al, Russ, George, Gregg. There are no prior calling hours. A Celebration of Life Service will be held at the convenience of the family at Camp KRG. Arrangements were entrusted to the Christopher Mitchell Funeral Homes, Albion. To share a special memory of Ernie, visit www.mitchellfamilyfuneralhomes.com.

Eleanora R. Tagg, age 92, died March 9, 2023 in the home of her daughter surrounded by her family. She was born May 14, 1930 in Medina to John and Josephine (Wisnock) Mielcarski and was a life-long resident of this area. Eleanora was an avid BINGO player, enjoyed country music, polka music, going for car rides; especially to view Christmas lights and was a very family-oriented person who also loved her cats

dearly. Mrs. Tagg was predeceased by her husband Charles, a son Edward, a daughter Barbara Jean LaForme and several brothers and sisters. She is survived by her children: Eleanor ("Bizz") Friend of Gasport, Charles "Mike" Tagg of Lockport, Patricia (late Gary) Mahar of Lockport, Donald Tagg of Lockport, Theresa (Frederick Pratt) Tagg of Perry, Cathy House of Lockport, her sister: Clara Barbara Cain of Lyndonville, as well as many grandchildren, great grandchildren, great-great grandchildren, nieces and nephews. The family received friends at the Sherrie Bream Funeral Home, 4521 Main St.-Gasport, on Wed., March 15th, from 4-7 only. Her celebration of life and interment in Cold Springs Cemetery will be held at a later date. In lieu of flowers, memorials may be made to the Gasport Lions Club, P.O. Box 81, Gasport, NY, 14067. To share a special memory of Eleanora, please visit: www.mitchellfamilyfuneralhomes.com

The Fight for a Black Middle Class

PBS Documentary Film by Journalist Bob Herbert

Tuesday, March 28th • 6:30 pm

Hoag Library, Main St., Albion, NY

*Audience discussion will follow
Refreshments provided*

Documentary film examining: "Have Black Americans had a fair shot at the American dream?" Herbert probes the harsh discrimination that has made it difficult for African-Americans to establish a middle class.

Put on by the Community Coalition for Justice: a working group of committee members from 6 different local churches, The Albion Betterment Committee and the Hoag Library

Clifford Wise Third Graders Bridging the Digital Divide at AT&T Digital Enrichment Field Trip

By: Jason Klein, Medina CSD Technology Integrator

On January 19th and 26th, third-grade students from Clifford Wise Intermediate School in Medina had the opportunity to visit Explore & More - The Ralph C. Wilson, Jr. Children's Museum in Buffalo, NY. The field trip was part of the AT&T Digital Enrichment Field Trip, a program designed to address equality issues in technology education and help local students in the WNY region impacted by the digital divide, the gap between those who have and do not have access to technology, gain digital literacy knowledge and skills.

According to AT&T Issue Briefs, "AT&T is committed to bridging the digital divide through efforts that promote broadband affordability, availability and adoption. We are also investing our resources and knowledge to advance the digital skills needed to thrive in the classrooms and workplaces of today and tomorrow." AT&T's partnership with Explore & More - The Ralph C. Wilson, Jr. Children's Museum made this amazing digital literacy field trip possible. The field trip aims to narrow the digital divide by improving student readiness and helping them build skills and confidence using technology and the internet in safe and educational ways. The program offered age-appropriate technology-focused digital enrichment stations, covering computer programming, robotics, and digital safety.

During their visit, third graders participated in unique hands-on digital literacy enrichment-focused stations, designed to integrate STEM (Science, Technology, Engineering, & Math) education. Wise students are familiar with this type of learning because they have been immersed in it this year with our Full STEAM Ahead Day and STEAM Centers (Virtual Reality expeditions, Dash Robots, Cubelets, and Snap Circuits). "Within the Medina CSD, we believe in including the Arts in STEM education, therefore we refer to it as STEAM, which is Science, Technology, Engineering, Art, and Math," says Medina CSD Technology Integrator Jason Klein. "The inclusion of arts in STEM education encourages students to think creatively, come up with innovative solutions to problems, enhance communication skills, improve visualization skills, and promote interdisciplinary learning."

The four digital literacy enrichment stations allowed students to learn about digital literacy, digital safety, computer programming, and robotics in fun and interactive ways. In addition to these exciting activities, each student received a digital superhero-themed passport to take home, which highlighted the activities and four principles that Digital Enrichment Superheroes live by.

At one station, students became coders, programming robots to knock down cups in the Cooking Gallery. Students learned that when we have a job to do on the internet, we guide the computer to where we want to go. This is like being a programmer to a robot! We can be successful when we use technology properly. As Digital Enrichment Superheroes, we must check our sources to make sure the information is factual.

Another station had students take a closer look at the electrical circuit of a scribble bot that powers a motor. Once students completed the electric circuit, they put VanGogh Bot 2.0 to work to create works of art right before their eyes. The lesson learned at this station is never forget that when you post something on the internet, it is permanent, just like their artwork with VanGogh Bot 2.0! A Digital Enrichment Superhero must think twice before posting things online.

The third station involved students planning, designing, constructing, testing, and adjusting a device to clean up a chemical spill in the Tinkering Tank. The lesson learned at this station is that if we stay organized with computer tools, such as folders and bookmarks, we are going to be more successful on the internet! A good Digital Enrichment Superhero keeps their items organized for quick reference.

Finally, students looked at the insides of how robots work by exploring Snap Circuits. Students used the Snap Circuits to build electrical circuits. Students learned that everything on the internet is connected in some way. Once we put something on the internet, almost everyone can see it. A good Digital Enrichment Superhero checks their references because everything on the internet can be fact checked, if you follow the sources.

"In today's world, digital literacy has become the new way of life," says Klein. "The ubiquity of technology demands our ability to assess it, navigate it, and integrate it; all of which digital literacy encompasses. Many work forces struggle to find skilled workers, especially in ground-breaking fields. It is essential to teach the youth the necessary skills and tools to compete in this innovation economy, especially with the high demand for STEAM and digital jobs in the United States. To address the diversity shortage in the tech industry and bridge the digital divide, programs like the AT&T Digital Enrichment Field Trip are necessary. These programs will equip students with the digital literacy knowledge and skills needed to succeed in the digital age."

From observations and conversations with students at the museum, third-graders had an unforgettable experience, immersing themselves in hands-on exhibits that made meaningful connections to their lives. Through digital literacy and STEAM education, they were able to design and create, discovering the joy of meaningful play that they may not have had the opportunity to experience outside of school. With a strong connection to digital literacy, these students can be well on their way to becoming the next generation of innovators and creators.

In addition to the four stations, students were able to explore other exhibits at the museum, including an automotive shop, carwash, doctor's office, grocery store, farmhouse play kitchen, construction site, and more.

"This museum visit was an enriching experience for students, as they not only had the chance to learn about digital literacy, but also explore various real-life job exhibits, from doctors and scientists to auto mechanics and construction workers," says Klein. "The purposeful play and life-like experiences helped to instill valuable skills for the future and fostered a love for lifelong learning. These opportunities also emphasized the importance of community connections and opened up new possibilities for students to explore their interests and passions."

The experience ended with a fun live virtual Zoom call with Mrs. Annie Savinon, Explore & More - The Ralph C. Wilson, Jr. Children's Museum's STEM Educator. The students shared their favorite experiences about the museum, reviewed what they had learned, and had the opportunity to ask Mrs. Savinon questions about her background, job and educational philosophies. Students learned that prior to working at the museum, Mrs. Savinon was a teacher for 5 years at Salamanca's Middle School, where her passion for teaching all things Science and STEM bloomed.

Mrs. Savinon stated, "Now I am happy to share my passion for STEM and educating students in a new light, at a museum that offers enriching resources and opportunities for elementary level children to learn through play and grow an interest in STEM at an early age! This field trip has been a fun experience for myself, and the students have really taken to the content taught; it has been a lot of fun for all involved! With the amount of technology in the hands of younger students these days, a field trip like this is so important to introduce students at an early age to the importance of safety while on the internet. We are very thankful for our amazing sponsor, AT&T, to make this all happen!"

Klein had this to say about the trip, "Overall, the students had a great time and learned valuable lessons from this one-of-a-kind field trip sponsored by AT&T. The museum's Digital Enrichment Program is an excellent way for students to learn about digital literacy while having fun and exploring new technology. The integration of STEAM education made the activities even more meaningful and relevant, providing a well-rounded and engaging learning experience for all the students involved. The third grade students and teachers from Clifford Wise Intermediate School are grateful for the opportunity and extend their thanks to AT&T and Explore & More - The Ralph C. Wilson, Jr. Children's Museum for helping bridge the digital divide and making it a memorable experience."

Common Symptoms of Engine Control Module Problems

The notion of vehicle maintenance often conjures images of greased-stained hands and car hoods propped up. While professional and amateur mechanics are still no strangers to getting their hands dirty, vehicle maintenance in the 21st century also involves diagnosing issues that might arise with a car's engine control module.

What is an engine control module?

An engine control module, or ECM, serves as the primary computer system for many critical components in modern vehicles. ECMs essentially serve as the brains behind the engines, controlling everything from fuel mixtures to emissions controls. Sensors within the engine send signals to the ECM, and the ECM then uses that information to help the car run smoothly. Issues that arise with the ECM can make driving difficult and, in some cases, impossible.

What are some potential signs of ECM issues?

The automotive service provider Aamco notes that a faulty or failing ECM will exhibit various symptoms. However, it's important to note that these symptoms are not always indicative of issues with the ECM, so when they arise drivers may want to schedule appointments with their mechanics so the true culprit can be identified and the problem can be fixed.

• Check engine light comes on: Many drivers have experienced the dreaded check engine light, which indicates some type of issue with the engine. That issue can be a failing engine component, or it may indicate a failing or bad ECM. A mechanic can determine why the light has come on.

• Engine performance issues: Even though the ECM is a separate entity from the engine itself, a bad or failing ECM can affect engine performance. That's because such ECMs throw off the timing and fuel settings of the engine, leading to a sudden and noticeable reduction in engine performance. Engine power may be affected, and the vehicle may experience a drop in fuel efficiency and issues with acceleration.

• Vehicle will not start: A failed ECM means the vehicle won't start, as there's nothing controlling the engine to tell it do so. Failing ECMs may lead to struggles starting the vehicle, and whenever drivers experience these issues, they should consult their mechanics immediately so the issue does not escalate to the point where the engine won't start at all.

• Erratic engine behavior: A malfunctioning ECM can lead to stalling or misfiring. These issues are often sporadic, which may give drivers the impression that nothing is seriously wrong. However, erratic engine behavior is a strong indicator of problems with the ECM, and these issues should be addressed immediately.

Identifying ECM issues and promptly addressing them can help drivers keep their vehicles on the road. ■

Did You Know?

Improved performance and reliability has increased the life expectancy of many vehicles. As a result, many drivers are keeping their cars and trucks in excess of 10 years. According to an IHS Markit study, the average age of vehicles in the United States is a record 11.6 years, with the average length of ownership at 79.3 months, or nearly seven years. Even after an owner has relinquished his or her new vehicle, that used car or truck can go on to provide many more years of utility for its next owner. Certain models top the charts among the longest kept vehicles, according to iSeeCars, an automotive industry group. These include the Toyota 4Runner, Chevrolet Corvette, Mercedes-Benz SLK, Porsche Boxster, and the Toyota Land Cruiser, which is the longest kept vehicle and also is the automaker's longest-running SUV. This vehicle is held onto for an average 10.6 years after being bought new. To hold on to their vehicles as long as possible, drivers should follow maintenance schedules, keep their cars and trucks clean and make repairs promptly. When it comes time to get a new vehicle, upkeep can go a long way toward improving resale value or getting back more on trade-ins. ■

"WELCOME ANDREA"

Gerace Realty is pleased to announce the addition of **Andrea "Andy" Walton**, Lic. RE Salesperson to our team. She is a graduate of Medina High School and holds a Bachelor of Arts in International Business and Economics from SUNY Brockport. Andrea made her career in the world of plumbing and heating, initially starting as an office manager for Sparks Plumbing and Heating in Lockport. After this she moved to the wholesale realm where she held numerous positions in sales management, business development and commercial estimation. Most recently Andrea held a position with Xylem Industries in Batavia.

Andrea is past Treasurer of the Batavia Business and Professional Women's Club, and also held the position of Vice President for the Medina Community Garden. Currently she is a member of the Medina Lions Club and is also a reader for the visually impaired on the Niagara Frontier Radio Reading Service. Andrea currently resides in Medina, after spending many years in both Middleport and Batavia.

Andrea is a member of the Buffalo Niagara Association of Realtors, National Association of Realtors, and New York State Association of Realtors, serving all of Western New York.

Call **Andrea Walton** at c: 585.815.3685 if you are looking to sell your home or purchase a new home. Email: AWalton@GeraceRealty.com

"Make A Difference Close to Home."

Supportive Care of Orleans is HIRING!

Are you an independent, compassionate person who is enthusiastic about providing quality care to hospice patients in Orleans County?

We are currently looking for
SOCIAL WORKER PART TIME OR FULL TIME

Position:

The Social Worker is a member of the Inter Disciplinary Group (IDG) and renders to patients and families such services as are customary in social work settings in the solution of emotional, social and financial problems which interfere with optimum effectiveness of Hospice services and with the patient and family's quality of life.

Essential Job Functions/Responsibilities:

- Participates in development of the initial and comprehensive care plan for each patient. Facilitates discussion of patient/family issues relating to the psychological component of Hospice.
- Explores the family's financial situation and assist families in applying for any financial assistance they may be eligible for.
- Provides emotional support and other services as determined in the care plan.
- Encourages open communication between family members, facilitates anticipatory grieving and assists the patient and family in their struggle towards acceptance.

Help Wanted

Public Works Maintenance Worker

The Village of Lyndonville is seeking candidates for the position of Public Works Maintenance Worker

Minimum Qualifications: Graduation from high school AND two (2) years experience in public works activities related to Village functions OR any combination of experience and training sufficient to indicate ability to do the work.

Residency Requirement: Must reside in the Village of Lyndonville or within a 10 mile radius from the Village of Lyndonville within Orleans County. Said residency requirement must be satisfied within a six month period from the date of hire.

Special Requirement: Possession of an appropriate NYS drivers license, eligibility for a Grade IIA-SU/GUI Water System Operator certificate and a Grade D Water Distribution System Operator certificate; both issued by the NYS Dept of Health; eligibility for a Grade I Wastewater Treatment Plant Operator certificate issued by NYS Dept of Environmental Conservation. All of said licenses must be obtained within 18 months of hire date.

All applications must be returned to the Village Clerk's Office

Applications may be picked up at:

2 South Main Street, Lyndonville, 7:30am to 4:00pm Monday - Friday

Available online at <http://villageoflyndonville.com>

Teri M. Woodworth - Village of Lyndonville - Clerk-Treasurer

GARAGE SALES & AUCTIONS

Shop Smart For Vintage Signs

Decorating with vintage pieces can add an eclectic flair that sets your home apart from others. Instead of the cookie-cutter designs mass-produced for home centers and department stores, antique decor can be interesting, eye-catching and, depending on where you shop, more affordable.

One growing trend in decorating with antiques is the use of vintage signs as artwork or even to serve as cabinet doors or headboards. Vintage signs lend well to kitchens and bathrooms but can be used throughout a home as well. Few things can compare to the drama, color and unique typography provided by antique signs. And they can be used with cottage decor or even in more contemporary homes.

Those shopping for vintage signs may have noticed that the increase in demand for such signage has led to an increase in price. However, there are still bargains to be had with regard to vintage signs.

Savvy shoppers often begin their quests for vintage signs at estate and garage sales. Many times people stash away old belongings in attics and basements, unaware that vintage items are highly valuable to others. Shoppers can find great deals on vintage signs at estate and garage sales. Bargains also can be found at store closings and liquidations. You may even be

able to purchase the actual sign from the shuttered store.

Online auctions are another place to search for vintage signs. Buyers can bid on signs offered at auction and have many options to choose from. Keep in mind that you may pay more for the convenience of online auctions, and other shoppers can quickly drive up auction prices.

Antique shops are another venue for antique signs and coordinating pieces. Some sellers specialize in vintage signage. Antique stores are popular in many tourist towns and major cities, where more artistic neighborhoods tend to include one or more antique shops. If a particular antique store does not have what you are looking for, they may be able to secure certain pieces you desire from other vendors.

Shoppers looking for antique signs also can purchase reproductions. There are many retailers that produce very good likenesses that may be considerably more affordable than the originals. You also can commission an artist to reproduce signage that fits with your design plans. Some research online or a query of artists in your community may yield prospects who can produce the sign you covet.

Decorating with vintage signs and other artwork becomes much easier when you know where to start your search for materials. Scouring sales, antique stores and even online auctions can generally produce a bevy of options.

My most earnest gratitude goes to all the police teams, Medina, Niagara sheriff. As well as my neighbors that only see one another through passing while walking to or from our houses.

Or just passing by while driving.

I witnessed an entire community come together and stop their own lives, to aid me in search of my son. Who lives with Autism, and Narcolepsy. My son was missing, without the proper winter attire on, for just about three hours!

The thought of my son laying in snow, because of his condition, had my concerns heightened. I was not able to find my son and help him. That is an immense concern any parent can relate with.

The look that each officer and neighbor gave me spoke volumes of strength to me. I just knew we, together would find him.

My son was found by our first responders.

As a mother, I am so grateful beyond words that my son is found and safe.

As a community member I blessed by God Almighty to live in this community with these perfectly wonderful strangers that make up the Police forces and this delightful township, I call home.

Thank you all for being you!
You are what makes this town thrive.

God Speed to you all.

KM

DON'T RELY ON LUCK THIS ST. PATRICK'S DAY – HAVE A PLAN

Orleans County STOP-DWI Coordinator, Sheriff Christopher M. Bourke announced that local law enforcement agencies will actively participate in the STOP-DWI St. Patrick's Day High Visibility Engagement Campaign which runs from March 16-19, 2023.

Gathering with family and friends, enjoying food, beverages and wearing of the green during St. Patrick's Day celebrations could all too often turn tragic on the nation's roads. The fact is this celebration is considered one of the deadliest holidays of the year due to impaired-driving crashes. During this campaign, Law enforcement agencies and local STOP-DWI Programs will collaborate across the state in this coordinated effort to reduce the number of impaired driving-related injuries and deaths.

You can help - Save Lives - Don't Drink and Drive

'Berry' Bountiful Muffins

CHICKEN BBQ

ALBION Knights of Columbus. CHICKEN BBQ, PALM SUNDAY, APRIL 2nd at St. Mary's Athletic Club. Serving 11:30am-2:00pm. Drive Thru Only. PRESALE ONLY. Tickets \$15. Available from Caz Pruski 585.589.7376, Holy Family Parish Office 585.589.4243, Greg Dugan Barber Shop 585.590.2145 (Mon., Wed., Fri., 10:00am-2:00pm).

Blueberries are tiny powerhouses of nutrition and eating more of them can be an easy way to get the antioxidants necessary to fend off many different diseases. While blueberries are nutritional allies, they also happen to taste delicious, whether it's all on their own or mixed into various cereals or baked goods.

This take on muffins pairs blueberries with whole grains and chips for a go-to breakfast or any-time-of-day snack. Enjoy "Blueberry Bran Chocolate Chip Muffins" from "The Brain Boosting Diet" (Whitecap) by Norene Gilletz and Edward Wein, PhD. This make-ahead batter yields a big batch, but leftover batter can be refrigerated up to three weeks, so feel free to bake up as many or as few muffins as you'd like.

Blueberry Bran Chocolate Chip Muffins

Makes 30 muffins

- 3 cups all-bran cereal
- 1/3 cup canola oil
- 1/3 cup plain Greek yogurt
- 1 cup hot tea
- 2 large eggs
- 2 tablespoons lemon juice + enough milk (skim or 1%) to equal 2 cups
- 1/2 cup firmly packed brown sugar
- 1/2 cup molasses or honey
- 2 1/2 cups whole wheat flour
- 2 teaspoons ground cinnamon
- 2 teaspoons baking soda
- 1 teaspoon baking powder
- Zest of 1 orange
- 1 1/2 cups fresh or frozen blueberries
- 1/2 to 3/4 cup chocolate chips (semisweet or sugar-free)

1. In a very large mixing bowl, combine bran with oil and yogurt. Pour hot tea over the mixture and let stand for 5 minutes. Stir well.
2. Add eggs, milk mixture, brown sugar, and molasses. Stir until combined.
3. Add flour, cinnamon, baking soda, and baking powder. Mix until blended.
4. Stir in orange zest, blueberries, and chocolate chips, jut until combined.
5. Either let batter stand for 30 minutes, until thickened, or cover and refrigerate for up to 3 weeks.
6. Preheat oven to 375 F. Spray compartments of a muffin pan (or muffin pans) with nonstick spray.
7. Scoop batter into the muffin pan(s), filling each compartment about two-thirds full.
8. Bake 22 to 25 minutes, or until tops spring back when lightly touched.
