Village of Mount Morris,

On March 21st, we will have the opportunity to vote for Beth Shea as a new trustee for our village. I can tell you that without a doubt she is the right person for the job. Here are a few important reasons why:

First, I have never seen a person have more commitment and follow through with something she is dedicated to. When she takes on a project, she will go above and beyond to make sure the project or activity is done right and that nothing gets forgotten about. I have personally seen this, firsthand.

Second, Beth is not afraid to stand up for what is right. She will not be afraid to speak her mind and use her voice. This is a quality many of us lack. Some people turn a blind eye, but she will not. She will let the truth be known even when it may challenge those around her.

Lastly, since I have held this position myself, I know she possesses many other qualities that make her perfect for this job. She is a strong woman who will lead with integrity and who will listen to the concerns of the citizens. After all, this is what the job is about: Listen to you, Work for you, and put your needs first!

Please vote BETH SHEA for Village Trustee.

*Thank you,
Sonya Donegan Roberts*
