## Construction to begin on new Moselle VFD fire station

By Linda Cranford, Jones County Fire Service PIO

A Groundbreaking Ceremony was held Thursday, October 8, for a new fire station for the Moselle Volunteer Fire Department. The new fire station is being built on the site of the old Moselle Elementary School located on Highway 11 at Beeson Road.

The present fire station, located across the railroad tracks on Sellers Road, is in such a dilapidated state that 8x8 braces have been placed on the outside of the building to keep it from falling down. The building has been condemned for human occupancy due to black mold throughout the building. A major portion of the building is believed to be over 100 years

old, and the additions are believed to be at least 60 years old.

"The old building is in terrible shape," exclaimed Jones County Board of Supervisor's President Andy Dial. "We've had issues with it for several years." He added that the new site is going to be a better location for the fire department, and will give the department the space needed to house the station's fire apparatus and equipment. In addition, Dial said this will help the community to maintain a Class-8 fire rating. "We are thankful that we do have volunteers willing to serve their community."

"We've not been able to hold a meeting

in the building for over a year and a half," exclaimed acting Moselle Fire Chief and District 5 Fire Chief Gordon Pitts. "The members of the department are very excited about getting a new building, and one in a better location that will help us better serve the Moselle community. We need the community to get involved, and get behind the station. And, we need more volunteers willing to serve the community."

Construction of the 4,900 square foot metal building should begin immediately, and is expected to be completed by the first or second week in January. The contract for the construction of the \$150,000 building was awarded to Complete Construction Contractors of Hattiesburg. Funding for the new building will come from the Moselle VFD's existing account, and a loan granted to the department from the Jones County Fire Council.

The new Moselle VFD fire station will be built on the same floor plan as the newly constructed Union VFD fire station pictured above. Photo/Jones County Fire Service

## October is Housing America Month

By Linda Cranford

Laurel Mayor Johnny Magee was joined by residents, staff, and members of the Board of Commissioners of the Laurel Housing Authority Friday, October 9, as he signed a proclamation recognizing October as Housing America Month. In signing the proclamation, the City of Laurel endorses the Housing America Campaign, its goals, objectives and purposes, and recommits itself to meeting the affordable housing and community development needs of the community.

"I am thankful to how the Mayor, and the City of Laurel, continues to work with us to make things better for our citizens," exclaimed Laurel Housing Authority Executive Director Ailrick Young.

According to the proclamation, Housing America Month is part of a year-long, national campaign to inform the public and decision makers of the critical need to address the nation's housing and community development concerns. For more than 70 years, it has been the policy of the nation, under the US Housing Act, to promote the general welfare of the nation by employing its funds and credit to assist the several states and their political subdivisions to remedy the unsafe and unsanitary housing conditions and the acute shortage of decent, safe, and sanitary dwellings for families of lower income.

According to members of the Board of Commissioners, the Laurel Housing Authority is the oldest housing development authority in the state of Mississippi. It fully manages five separate developments (four developments in the City of Laurel, and one development in Jones County) from leasing to building and property maintenance.

The proclamation states that according to the State of the Nation's Housing report, nearly 41 million households now pay more than half of their income for housing. According to current estimates, on any given night, there are nearly 650,000 homeless nationwide, and up to 3.5 million persons experience homelessness at some point throughout the year. The National Low-Income Housing Coalition's 2015 Out of Reach report stated that in no state can a full-time minimum wage earner afford either a one or two-bedroom rental unit at Fair Market Rate.

Young said that providing safe and affordable housing is important in many ways. "One of the statistics that I think is very important," said Young, "is that when kids live in a place that they feel is safe for them, they tend to do a lot better in school."

**STELLA** arrived at the ARL with a passel of kittens. Because she is quite a small cat herself, we weren't entirely sure that the kittens were all actually hers! We didn't worry, however, because Miss Stella was and is the most fantastic, kind, giving, and nurturing cat you'll ever meet. She wants to mother all the kittens in the shelter whenever there are no laps available for sitting while discussing the day's events. Her eyes are the brightest blue, and her coloring is just gorgeous! Miss Stella will make the right family a very affectionate and beautiful inside cat. Stella is up to date on vaccinations and will be spayed soon. She will be ready to go home with her perfect family by Oct. 16. Come meet this doll; we guarantee you'll fall in love!

# Picks of the Pine Belt

By Micah Cotten

## Provine (4-4) vs West Jones (2-5)

The Mustangs of West Jones go on the road to Provine and are looking to score their first district win after starting 0-3 to open up conference play. Provine started the season out against four 6A teams and won 2 of them. This game will be a back and fourth battle until the very end and West Jones will finally get that district victory to keep their playoff hopes alive.

West Jones 26, Provine 24

## Laurel (4-3) vs Brookhaven (1-6)

The Golden Tornadoes have woken up after their bye week, since district play started they are averaging 48 points per game while giving up only five points per game. This one will be a little closer than that as Laurel is playing like a team on a mission to win the 5A state championship.

Laurel 52, Brookhaven 17

## South Jones (6-2) vs Wingfield (1-6)

South Jones is looking forward to coming back home after being on the road five of the last six weeks. The Braves are undefeated (3-0) at home and will be able to extend their home winning streak, and move to 7-2 on the season, making it the most wins that South has had in 17 years.

South Jones 31, Wingfield 14

## Quitman (1-7) vs Northeast Jones (5-2)

The NEJ Tigers will be hungry for a win after falling last week in their homecoming game as they travel to Quitman. The Panthers of Quitman are coming off their first victory of the season in which they shut

down Newton County in a defensive battle, but they won't be able to shut Northeast down as the Tigers win easily.

NEJ 34, Quitman 7

## Collins (7-1) vs West Marion (8-0)

Collins will be hosting the undefeated Trojans of West Marion. This will be a shootout with both teams averaging over 40 points per game. Collins has had a tougher road up to this point and on paper this should be a close game. But it isn't going look good for the Trojans as the Tigers will blowout an undefeated team in back to back weeks.

Collins 47, West Marion 24

## Wayne County (5-2) vs Natchez (3-3)

The Wayne County War Eagles will play host to the Natchez Bulldogs Friday night. Natchez is winless on the road this year, while Wayne County's only home loss came to Archbishop Rummel. This one will not be close as the War Eagles have way too many weapons for Natchez to handle and they win with a dominate defense.

Wayne County 37, Natchez 0

## Other predictions of the Pinebelt:

# Wayne County holds off West Jones

War Eagle quarterback, Reggie Stewart (7), looks for running room, with Mustangs Daniel Watson and LaMarcus Keyes trying to slow him down. Wayne County defeated West Jones 28-7 Friday night. Photos/Ryan Griffin

Mustang running back, John Oliver (28), finds some running room while Wayne County's linebacker Cole Walters (14) tries to slow him down.

Jacory Jones (5), West Jones wide receiver, makes the catch and runs for a few more yards, but Wayne County defender, Tyler Hopkins (30), readies to make the tackle.

# Jewelry making workshop at the Y

By Linda Cranford

October activities at the YWCO began with a Jewelry Making Workshop on Tuesday, October 6, conducted by Suzanne Anderson Boyd with Anderson Square in Laurel.

Several ladies participated in the workshop where they created a necklace with a ceramic decoupage UV resin pendant, embellished with beads and glitter, and fastened to a chain with hand forged clasps.

After the workshop, the participants were invited to enjoy a home-cooked lunch at the YWCO's weekly Tuesday Luncheon.

The Jewelry Making Workshop participants show-off their completed pendant necklaces. L-R Suzanne Anderson Boyd – instructor, Gladys Pilgrim, Mary Allred, Liz Sanderson, Debra Jones, Carolyn Anderson, Mary Kay Rogers, Ellen Sanderson, Frances Coffin, and Wess Smith-Anderson Square. Photos/Linda Cranford

Suzanne Boyd demonstrates how to decoupage the ceramic blank pendant.

Using the design from printed napkins, Suzanne Boyd shows Ellen and Liz Sanderson, who are members of the Mad Hatters Club which crochets chemo hats for cancer patients, how to cut out a design from the napkin to the shape of the ceramic blank pendant.

Using a small anvil and hammer, Mary Kay Rogers hand forges a clasp for her pendant necklace.

# ESS employees honored for years of service

*Submitted*

Ellisville State School recently honored 154 employees for their years of service. Employees with five year increments of service each received certificates and gifts of appreciation followed by a reception in their honor. Twelve employees had 25 or more consecutive years of service to Ellisville State School. The Employee Appreciation Program is made possible through employee fundraising efforts throughout the year.

Ellisville State School recently honored employees for years of service. Honorees (seated L to R) are Betty A. Lang (30 years); Genone Clayton (35 years), and Bobbie Fairley (40 years).
