## Growth and Promotions continue at LPD

By Linda Cranford

The Laurel Police Department celebrated the promotion of five officers and the swearing in of one new officer Wednesday, January 28. Laurel Police Chief Tyrone Stewart presented each officer to Mayor Johnny Magee who performed the swearing in.

Sergeant Earl Reed, with 21 years of service, was promoted to the rank of Lieutenant and will continue to serve in the Criminal Investigations Division.

"I thank God for making this day come to pass," exclaimed Reed. "I would also like to thank my immediate family, former Mayor Melvin Mack, my adopted mother Lucille McNair, and Reverend Bolton and the members of Sweet Hope Baptist Church for being here today, and supporting me. It's very exciting and rewarding. I've been waiting for this! This is the best city, and the

best police department in the State of Mississippi. I thank Mayor Magee and Chief Stewart for making this day happen. I will continue to do what I've been doing for the last 21 years; putting my best foot forward to make this city great to live in.

Corporal Doug Dickerson, with 10 years of service, was promoted to the rank of Sergeant, and will continue to serve as Evidence/Grants Officer.

"It's a great day for my family, and me," exclaimed Dickerson. "I'm thankful for the opportunity to serve the citizens of Laurel, and the city. I contribute all my success to Christ, because without Christ, I would have not been able to achieve this."

Corporal Mitch Sumrall, with 12 years of service, were promoted to the rank of Sergeant. Grasha will continue to serve as Training Officer, and Decuir and Sumrall on Patrol Shift.

Joining the LPD from Petal is Officer Dawn Garcia, a 2010 graduate of the University of Southern Mississippi SRPSI (Southern Regional Public Safety Institute). Officer Garcia served in Suffolk, Virginia at the Virginia Department of Corrections and holds a master's degree in criminology from the Saint Leo University in Saint Leo, Florida. While serving as a corrections officer at the Virginia Department of Corrections, Garcia said she was promoted to substance abuse counselor.

"I learned to be patient," said Garcia, "especially with those suffering from mental illness, disabilities, and substance abuse."

Garcia said she chose to work with Laurel Police Department because, "It's a good fit for me at this point in my career. The LPD officers are very supportive of each other, and work together as a team. They're there to back you up!"

Garcia is presently working on her doctorate degree in criminal justice and public service leadership. She hopes to one day teach either on the community college level or university level.

"She's a very hard worker, and is serious about her job," commented Queen Woullard, a close friend. "She's already talking about promotions. I think she's going to be here for a while."

After being sworn in, LPD Officer Dawn Garcia's 14-year old daughter, Tyanna Nelson, pinned the officer pins on her mom. Photos/Linda Cranford

Surrounded by family, Sgt. Earl Reed was promoted to the rank of Lieutenant. Reed is pictured here with his aunt, Diane Evans, left, mother, Gloria Reed, and adopted mom, Lucille McNair, right.

**LRMA presents Chihuly Venetians Exhibition**

*Submitted*

Lauren Rogers Museum of Art in historic downtown Laurel, Miss. welcomes Dale Chihuly: Venetians, on display in the Lower Level Galleries January 30-June 5, 2016. This exhibition is made possible through generous funding by National Endowment for the Arts, Foil-Wyatt Architects & Planners, First State Bank, Ms. Ruth Tant, and Art Alliance for Contemporary Glass.

Dale Chihuly's works in glass are full of spectacle, grandeur, and artistry. LRMA purchased a Chihuly Chandelier as part of its 90th anniversary celebration in 2013, and the work is the centerpiece of the Museum's contemporary gallery. A native of Washington, the artist is one of the world's foremost glass sculptors. After working in Venice, Italy in 1968, Chihuly introduced America to the European "team concept" of glass production, where a group of artists work together to create a single object.

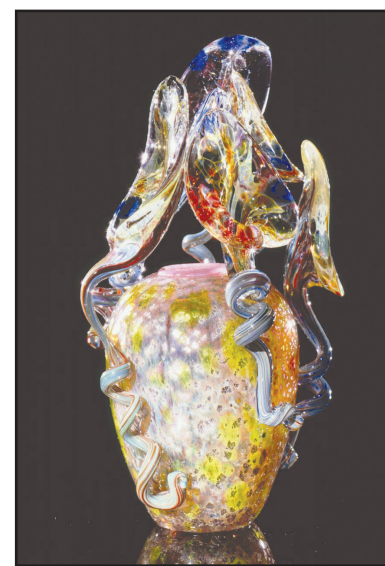

Dale Chihuly, Translucent Blue Putti Venetian with Gilt Leaves and Dragons, 1994, glass

In 1971, he founded the renowned Pilchuck Glass School, located near Seattle.

The exhibition Dale Chihuly: Venetians will introduce visitors to the innovations of the most celebrated glass artist of our time. Presented are works from Chihuly's Venetians series, which was inspired by the Art Deco style glass he saw during a trip back in the Italian city in 1988. After returning to the United States, he began to invent lively and unique versions of the classic pieces. This was done in collaboration with Pino Signoretto and Lino Tagliapietra, two of Italy's finest glass maestros.

The works on display are from the George R. Stroemple Collection, S&S Collaboration. The George R. Stroemple collection is a private collection of contemporary studio glass in Portland, Oregon. The nearly four dozen vessels in the exhibition include: Putti Venetians, ambitious vessels featuring figurative sculptures of Putti and mythological creatures in the designs; Piccolo Venetians, the smaller but no less spirited vessels originally based on traditional Venetian themes; Bottlestoppers, three monumental vessels inspired by perfume bottles and surmounted by sculptures by Pino Signoretto; and a selection of Chihuly drawings, evidence of his creative process as he conceived of the Venetian designs.

LRMA will host a lecture and reception on Friday, February 19 from 5:30- 8:00 p.m. Jutta Annette Page, Ph.D., will present a lecture entitled "Dale Chihuly-Context, Inspiration, Projects." Page is Curator of Glass and Decorative Arts at the Toledo Museum of Art. She was Curator of European Glass at the Corning Museum of Glass from 1993-2003. Page completed the equivalent of an M.A. in visual arts in Germany, studied jewelry design at San Diego State University and went on to receive an M.A.E. in jewelry/metalsmithing at the Rhode Island School of Design. She earned her M.A. and Ph.D. in the history of art and architecture from Brown University. A respected author in her field, she has completed numerous publications and lectured extensively.

# LJA 3rd annual Casino Night

By Linda Cranford

Junior Auxiliary of Laurel invites the public to attend their 3rd annual Casino Night fundraising event Friday, February 12, at Studio 550 in Downtown Laurel, from 7 p.m. until midnight. LJA's annual Humanitarian of the Year Award winner will be announced during the event.

"It's going to be a lot of fun," said Christy Drennan, Silent Auction chair, "We will have a Black Jack table, Roulette table, Poker table, and a Wheel of Fortune. There will be heavy hors d'oeuvres catered by Carrie Hinton, and a cash bar. Music will be provided by Don King. Tickets are \$50 in advance and \$70 at the door and can be purchased at Bella Bella, from any JA member, or by calling 601-422-3614. The price of the tickets includes food and \$100 in 'Fun Money' for gaming."

"There are going to be a lot of prizes to give away, and great items in the Silent Auction including several trips," continued Drennan. "My favorite item in this Silent Auction is a gorgeous set of diamond stud earrings, and I would really enjoy the Charleston Luxury Weekend Getaway." She said other trips to bid on in the Silent Auction include a Lake Tahoe Getaway, Wrigley Field Roof Top Experience, Napa Valley Epicurean Adventure, and a New York trip."

Drennan added, "Any individual or business that would like to donate a prize item or item for the Silent Auction can call me at 601-319-7916, and I will be glad to make arrangements to have it picked up."

Junior Auxiliary of Laurel was founded in 1932, and is the second oldest chapter of the National Junior Auxiliary. For the past 83 years the women have provided volunteer and community services to support the welfare of local children. All of the funds raised by the organization stay in Laurel to help fund the organization's several projects.

One of LJA's projects is Secret Meals. Working with school administrators to identify those in need, the Secret Meals project provides food for those children who may not receive nutrition during the weekend, which has become an increasing need throughout the community.

Another project with an increasing need is the Family Matters project, which provides clothing and school supplies for those needy children identified by school administrators.

A majority of the funds raised goes toward funding these two major projects. However, LJA offers several other projects for children of all ages including scholarships for high school seniors, Girl Talk for eighth grade girls, Lady Tornadoes Chick Chat, Very Special Arts Festival for special needs children, Child Abuse Awareness puppet shows for first grade students, and Character Counts, to name a few. LJA also helps the Salvation Army with their community projects throughout the year.

In addition, one of LJA's signature projects is the Mason Park Playground which they built in September 2002 with the help of 1500 volunteers, and financial contributions from local businesses and families. In partnership with the City of Laurel, LJA oversees the year-'round upkeep and maintenance of the playground.

LJA has over 50 active members, and there are currently 10 provisional class members who are in their first year of service with LJA.

"We're a very busy organization, and we depend solely on financial contributions from shareholders and the community," said Drennan. "Casino Night last year was a great success, and a lot of fun. We look forward to this year's event being even bigger, and raise a lot of money for the children in Laurel and Jones County."

# “The Boz” to be FCA Breakfast of Champions guest speaker

Submitted

The 5th Annual “Good Friday” FCA Breakfast of Champions is set for March 25th at the Payne Center on the campus of the University of Southern Mississippi at 7am. The Pinebelt Chapter of the Fellowship of Christian Athletes will celebrate an incredible year of ministry to students, student-athletes and coaches on campuses throughout South Mississippi. The guest speaker for the event will be 2-time Butkus Award winner and 2015 College Football Hall of Famer, Brian “The Boz” Bosworth.

“The man that most knew as “The Boz” was a cultural icon in college football” says FCA Multi-Area Director Mitchell Williams.

“Brian Bosworth has been called by some as the best linebacker college football had ever seen. A career once full of promise, unfortunately came with life-changing challenges off the field. Brian’s powerful testimony of surrender is what Easter is all about. We are more than thrilled to hear the real story of Brian Bosworth, now a redeemed Christian who loves the Lord.”

In addition, Pinebelt FCA will honor an exemplary student-athlete from FCA middle and high schools in the eleven county Pine Belt area as a “Champion of Character,” and name the 2016 Buddy Gardner/FCA Coach of the Year. Plus, a silent auction will be held to help fund camps and missions through FCA this year. Some items may be made available for bid online. Breakfast will be served beginning at 6:30AM sharp.

For more information on corporate and individual sponsorships, go to [Pinebeltfca.org](http://Pinebeltfca.org) or call Pinebelt FCA Administrative Assistant Jessie Taylor at 601-543-2891.

# Faith has no impossibilities

By Dr. Bill Myers

If you are suffering today, speak God’s Word in faith and see change! Yes, God’s Word will bring forth change! Believe! “Everything is possible for him who believes.” Mark 9: 23.

Faith has no impossibilities! As we draw closer to our Father through spending time with Him through worship, prayer and His Word, our faith becomes strengthened to believe for answers to our prayers. We shouldn’t limit our faith in God as to what He can and will do nor should we limit our own minds of His willingness and abilities to answer our prayers. He loves and desires to bless us. No matter the outcome of situations that face us, we must never give up believing in His promises. One fact that must remain in our mind and heart: God doesn’t lie nor break promises! Yes, He is faithful to His children! As we read His Word, we understand that He has plans for each of us. His plans are unique and not like anyone else’s.

His will is for us to be blessed, living victoriously in the present, not living in the past, or wishing to go back to our former lives. Each day with God is a new day! Yes, God says, “Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the desert (where there seems no hope) and streams in the wasteland,” declares the Lord. Isaiah 43:18-19.

God will make a way where there seems to be no way. Our faith in Jesus can cause mountains (big problems/situations) to be removed and seas to part, making a way for our miracles/answers to prayers. Nothing is impossible for God! “With God all things are possible.” Matthew 19:26. His Word is Truth (Jesus is Truth) and life-changing! Is it a family member that’s not living for God and

The sixth grade GOAL (Greater Opportunities for Accelerated Learning) Classes at Laurel Middle School recently completed a unit of study focusing on science, technology, engineering and math (STEM). The students designed, created and tested model bridges during the unit. The students were each assigned job duties that included accountant, project director, carpenter and transportation director. In addition to the engineering portion of the project, students had to create their business name, establish a mission, maintain a budget, prepare purchase orders and write checks. To conclude the project, students' bridges were tested for strength using weights.

# Sideline View: The Super Bowl is here!

By Dale McKee

Super Bowl 50 is finally here! The Carolina Panthers, with the league's best offense, and the Denver Broncos, with arguably the best defense, will face off Sunday night. What a storyline for this game -- the next great quarterback in Cam Newton against the winningest quarterback in league history in Peyton Manning. I don't think the NFL could have scripted this final game of the season any better. Peyton's season has been an adjustment for him from the beginning. He has dealt with a new coach, a new offense, a foot injury and two months sitting on the bench. He has shown plenty of leadership since coming off the bench against San Diego in the final regular sea-

son game. He has played unselfishly as he has played to the Broncos' strength, which is running the ball and playing outstanding defense. It should be a memorable game, which could be Peyton's finale.

### USM finally got their man

USM athletic director Bill McGillis finally got his man. Former USM assistant football coach Jay Hopson and McGillis sealed the deal Saturday afternoon in Hopson's hometown of Vicksburg. McGillis said Hopson's attributes that made him a good fit for the program include his championship winning experience, his Southern Miss pedigree and his deep Mississippi roots.

This is his third time as a member of the Golden Eagles' staff, and he is the 21st head coach in the school's history. Hopson served as the defensive backs coach from 2001-03

and as the defensive coordinator from 2005 until 2007. He played at Ole Miss; and some of his various coaching stops have been at LSU, Ole Miss, Michigan, Marshall and Memphis.

Hopson spent the last four years as the head coach of Alcorn State and coached the Braves to back-to-back Southwestern Athletic Conference championships. Hopson turned the program around to win at least nine games in subsequent seasons. The Braves hadn't won nine games since their 1974 season.

Dak Prescott of MSU won the MVP Award at the Senior Bowl last Saturday. Prescott was 7-of-10 passing for 61 yards and a TD as he played the second period. The South won the game 27-16 over the North squad. Alabama's Jake Coker, Arkansas's Brandon Allen and Louisiana Tech's Jeff Driskell also each played a quarter as signal caller for the South team.

### College basketball heating up

College basketball is heating up. The SEC and the Big 12 went head-to-head Saturday, but only Florida, Arkansas and Texas A&M came out on top for the SEC. The Big 12 won seven of the ten games played. Ole Miss was outscored 19-2 by Kansas State early in the second half and lost 69-64 to the Wildcats. Oklahoma overcame LSU in Baton Rouge to win while Kansas used an overtime period to claim an exciting win over Kentucky in the two showcase games. Mississippi State did not play in the challenge but did claim a road win over Missouri.

USM basketball fans are missing one of the hardest working teams in the program's history. The fans need to show up and support Doc Sadler and his group. They are playing inspired basketball after dropping their first six games of the year. USM (7-12,4-4) has won three of their last four games including an 86-70 win over UTSA this past Saturday night. The win was special as they honored their greatest basketball player ever in Clarence Weatherspoon. Next home game is February 11 as they host UAB at 7 p.m.

Mississippi State's Lady Bulldogs ended a 36-game losing streak to Tennessee with a 65-63 overtime win last week. The Bulldogs trailed by a dozen points early in the fourth period but stormed back to force overtime. The Lady Bulldogs, ranked tenth in the nation, also faced number one South Carolina last week but lost 57-53. The home game attracted over 10,300 fans, the largest attendance in team history.

# Cam or Peyton? Who will win the Super Bowl?

By Mitchell Williams

So who are you cheering for in the Super Bowl? Don't you love Peyton Manning's story? The former NFL MVP quarterback for the Denver Broncos, who found his way back to the field after being injured. Peyton becomes the oldest quarterback to ever take a team to the Super Bowl. And of course, he has Mississippi roots. His father Archie Manning is a Mississippi legend. No question. So many are cheering for the Broncos because of Peyton Manning.

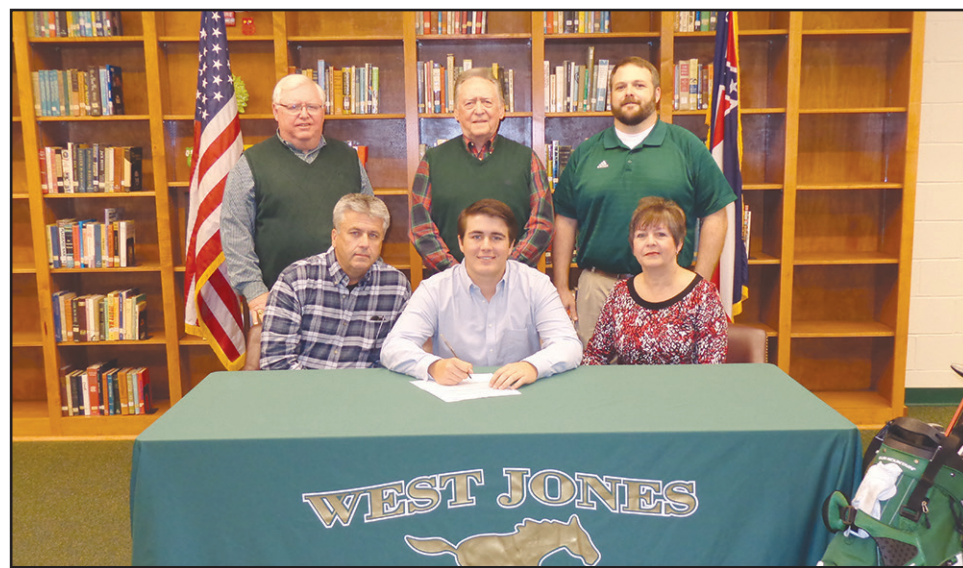

How about the Carolina Panthers? Some can make the case they were clearly the best team in the National Football League this year. Their leader, Cam Newton, is without question the most valuable player in the National Football League this year. To tell you the truth, the National Football League has not seen anything that looks like Cam Newton. Yeah, we've had some incredible quarterbacks that could both run and throw. But nobody, nobody, was 6-5 and 250 pounds and had the athletic ability and charisma like he does. Some folks are cheering for the Carolina Panthers just because of Cam Newton.

To be honest, it's hard to cheer

against anyone of them, Cam Newton or Peyton Manning. I remember interviewing Peyton Manning after Tennessee beat Southern Miss in Knoxville back in 1997. He was so gracious, even as a young man. Everybody knew he had an incredible career ahead of him. I remember meeting Cam Newton while he was in high school at the Steve McNair football camp in Nashville, Tennessee. You could just see the talent that young man was blessed with. The reason that he came: Cam wanted to learn from Steve McNair, for both were similar. They could throw or run. What was so awesome was seeing Steve McNair telling a young Cam Newton the key to being successful in football: "to be prepared and to be himself." I can still see that in my head. We may be seeing Steve McNair's words to Cam Newton play out a little bit these days. Don't you think?

Cheer for Peyton Manning or Cam Newton, and perhaps your favorite will win. I'm thinking that the Denver and Carolina defenses will say a whole lot about what team will win Super Bowl 50. Don't you think?

See you at a game soon.
