David A. Payne, 80, of Medina, passed away on Saturday, April 1, 2023 peacefully with his protective, devoted, and loving daughter Gerrilu by his side. Gerrilu was blessed to have one of David's longtime devout friends, Jan Nudd present to comfort the both of them during his passing. David was born in Medina on September 22, 1942, a son to the late Evelyn "Jake" Payne and Evelyn (Abbott) Payne. If his parents were alive to tell you what made David stand out as one of their 4 children, it would have been his mischievous behavior and the knack for playing pranks on family and friends, a trait that carried through to his adulthood. As a child it was apparent that David would gravitate to a career in farming when his father could not restrain him from sneaking out of the house to turn the agitator off in order to steal some cream for his morning cereal. After David graduated from Medina High School, both he and his high school sweetheart, the former Phyllis Donelson, pursued college educations at Purdue University, during which time they were married. David played football for the Purdue Boilermakers where he earned the nickname "Boom Boom"; just one of the many nicknames he would hold during his lifetime. They were both elated when their family grew into a party of three and their daughter Gerrilu was born. David's early career path with FMC took him and his family traveling to Wisconsin and California before realizing that his true passion was for farming. In 1974 his devoted family supported his career change and moved back to Medina, where David would spend the rest of his life doing what he loved most, Farming. The life of a dairy farmer is not an easy one. You sleep and eat when the cows do. With that being said, David did find time every other Friday night to enjoy his .10 cent wings and DJ entertainment at the Applegrove Inn. This is where he earned his second nickname: Disco Dave. When David was not milking the cows or chasing the ones that jumped the fence, he enjoyed flying planes. He obtained his private pilot's license and was a member of the Medina Pilot Association. Although unable to fly anymore David did not give up on his hobby. He spent countless hours with his loyal feline companion, MommaKitty on his keyboard, watching a variety of YouTube videos which centered around airplanes. He did all this while enjoying his lifetime addiction to ice cream. David was always a quiet person, a man of few words with a big personality and a great sense of humor. A prankster to the very end, in less than a minute after he left us, a false fire alarm was triggered in the hospital. It was his quiet yet striking exit from the hospital. The stories are endless and the history he made in Medina was historical. He was a very kind and humble human being that would

sacrifice so others could benefit. His contagious smile, dedication to his family, friends and profession will truly be missed by the Medina Community. Sadly, David was predeceased by his wife, Phyllis Payne on April 23, 1975; and parents, Evelyn “Jake” and Evelyn Payne. He is survived by his daughter, Gerrilu (Eric Hofmeister); brothers, Donald Payne (Jeannie Scroger), Duane (Patricia) Payne and Dan Payne; granddaughters, Ryan Anne (Andy Toale) Campbell and Ashley Renee Castricone; and great-grandchildren, Jaydin and Alexa Demmer and Noah David Toale. Also left to mourn, Dave (Linda) Jones, partner in crime and loyal friend for over 30 years; and his most loyal feline companion, “MommaKitty”. Calling hours will be held on Saturday, April 8 from 1:00-4:00 p.m. at Cooper Funeral Home, 215 W. Center St., Medina. Private interment will take place at the convenience of the family in West Ridgeway Cemetery. Memorial donations may be made to the Knights-Kaderli Foundation, PO Box 684, Medina, NY 14103; Medina Memorial Hospital- 2nd Floor Patient Rehab Center, 200 Ohio St., Medina; or to the Medina FFA, 1 Mustang Drive, Medina. # Refill with Randy

By Randy LeBaron

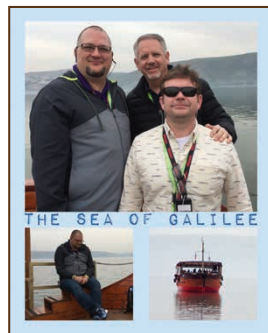

*Happy Easter! Grab your favorite cup. Fill it up. And let's start this week right... TOGETHER!*

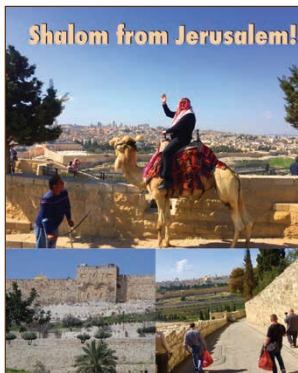

Over this past week I have had the privilege of experiencing Holy Week in many different ways such as: playing Peter in a Passion Play, celebrating Palm Sunday with songs of Hosanna, enjoying an intimate Maundy Thursday Meal at the 1st Baptist Church of Medina, participating in the MAAC Cross-Walk and the PACT Good Friday Service, and speaking at a sunrise service this morning at the Boxwood Cemetery in Medina.

I thoroughly enjoyed experiencing Holy Week in this way but nothings compares to actually reliving each event in an immersive manner which is what I did in February of 2017 when some fellow pastors and I traveled to Israel. My colleagues from Orleans County, Pastor Dan Thurber (Oak Orchard Assembly of God) and Pastor Russ Peters (Alabama Full Gospel Fellowship), literally walked where Jesus walked Scripture came to life for us in a new way. So, in an effort to give you a glimpse of what we experienced, I would invite you to take a walk with me. Feel free to check out video as well at <https://youtu.be/Otl6J308YR8>

Starting in Tel Aviv we spent one very full week traveling to: Caesarea, Magdala, Capernaum, Bethsaida, Tiberias, the Golan Heights, Galilee, Nazareth, Jerusalem, the Judean Wilderness, Masada, and The Dead Sea. In doing so we were able to visit various sites where Jesus had ministered.

The Sea of Galilee was often mentioned in Scripture. Jesus not only taught beside it, and took his disciples out on it in a boat, but he even walked on it once all while imploring Peter to do the same. We spent a meditative ride where we contemplated what it must have been like to engage with Jesus while on the water whether it be a disciple calling for help during a storm or a fisherman calling for his partners to come help because where Jesus had said to let down their nets caused them to catch way too many fish. We also spent time on the shore and hillside stopping where Jesus would have fed the five thousand or delivered his famous Sermon on the Mount.

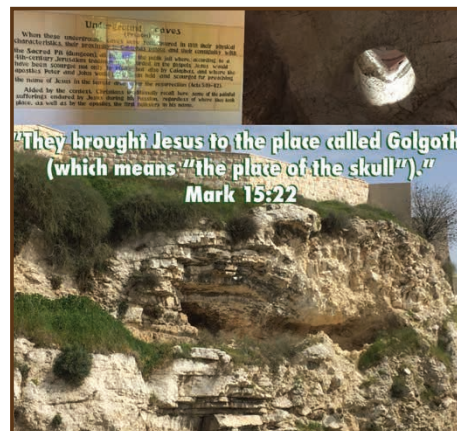

Many of the events that we think of in regard to Holy Week take place once Jesus and the disciples entered Jerusalem. On Palm Sunday Scripture teaches that Jesus rode in on a donkey but, as you can see from the photo, I chose to ride a camel instead. Once in Jerusalem we made our way down the Mount of Olives to the place that probably had the most profound impact on me of the entire trip. You may recall that after celebrating Passover in the Upper Room Jesus went

down to the Garden of Gethsemane to pray just prior to being arrested. Something to note here is that the olive trees in the garden are actually the same ones that have been pruned for 2,000 yrs. We were able to take some branches back with us which I treasure as a keepsake.

Before even entering the garden I started to weep when I considered the anguish Jesus must have felt knowing what agony was to come but still choosing to go through it for our sake, "Father, if you are willing, please take this cup of suffering away from me. Yet I want your will to be done, not mine." Luke 22:42 (NLT)

Eventually we made our way from Golgotha, the site of Jesus' crucifixion, to The Garden Tomb where he was laid to rest. And of course I couldn't go all the way to Israel without seeing for myself, like Mary and the disciples almost 2,000 yrs. ago, that the rock was rolled away and that the tomb was empty. He is risen! He is risen indeed! Hallelujah!!!

I hope you have a Happy Easter and I will see you again in two weeks!

*See you in two weeks!*

## TIPS TO ACE THE INTERVIEW AND LAND THE JOB

1

### KNOW YOUR SKILLS AND STRENGTHS

Be able to talk about your strengths, most proud accomplishments, areas of interest, personal values, areas for development.

2

### RESEARCH, RESEARCH, RESEARCH

Research the company, the position and your interviewer to be able to talk about them in-depth during the interview.

3

### MASTER THE PHONE INTERVIEW

Enunciate clearly, talk slowly and go to a quiet place where you can concentrate and listen well.

4

### PRESENT YOURSELF WELL

First impressions are formed by 7% of what you say, 38% of your eloquence and confidence, 55% how you dress, act and walk through the door.

5

### PREPARE QUESTIONS TO ASK

Interviewing is a two-way street. What is important for you to know about the workplace, role, team? Be sure to ask those important questions.

6

### PREPARE YOUR ANSWERS

Your answers need to prove your skills and knowledge, aptitude for success in the role, and personality "fit" in the company.

7

### USE THE S.T.A.R METHOD

A good answer to behavioral questions includes stating the situation, task, actions, result.

8

### ASK FOR THE JOB

Examples: Do you have any remaining concerns? What are the next steps? How do you see me fitting in with your company?

9

### FOLLOW UP

Be sure to get your thank you note out in less than 24 hours. The sooner the better. If things drag out, check in periodically.

Green Street Power Partners – GSPP 13759 Waterport Carlton Road, LLC Solar Site: Notice of Availability of an Environmental Assessment

**AGENCY:** NY State Office - Rural Development, USDA

**ACTION:** Notice of Availability of an Environmental Assessment

**SUMMARY:** Notice is hereby given that the Rural Development - RBS, as required by the National Environmental Policy Act, is issuing an environmental assessment (EA) in connection with possible impacts related to a project proposed by GSPP 13759 Waterport Carlton Road, LLC, of Stamford Connecticut. The proposal is for construction of a 4.5 megawatt direct current solar facility at 13759 Waterport Carlton Road, Albion, NY 14411. When constructed, the solar equipment would be no more than 15 feet high when oriented at maximum tilt and would be surrounded by an 8-foot tall security fence. After construction, a mixture of native and herbaceous vegetation will be planted in the Project Area to minimize soil erosion. GSPP 13759 Waterport Carlton Road, LLC or one of its partners will submit an application to Rural Development - RBS for funding of the proposal.

**FOR FURTHER INFORMATION:** To obtain copies of the EA, or for further information, contact: John Helgren, Environmental Coordinator; 441 South Salina Street, Suite 357, Syracuse, NY 13202; 314-477-6427; john.helgren@ny.usda.gov. The EA is also available for public review at gspp.com/EA.

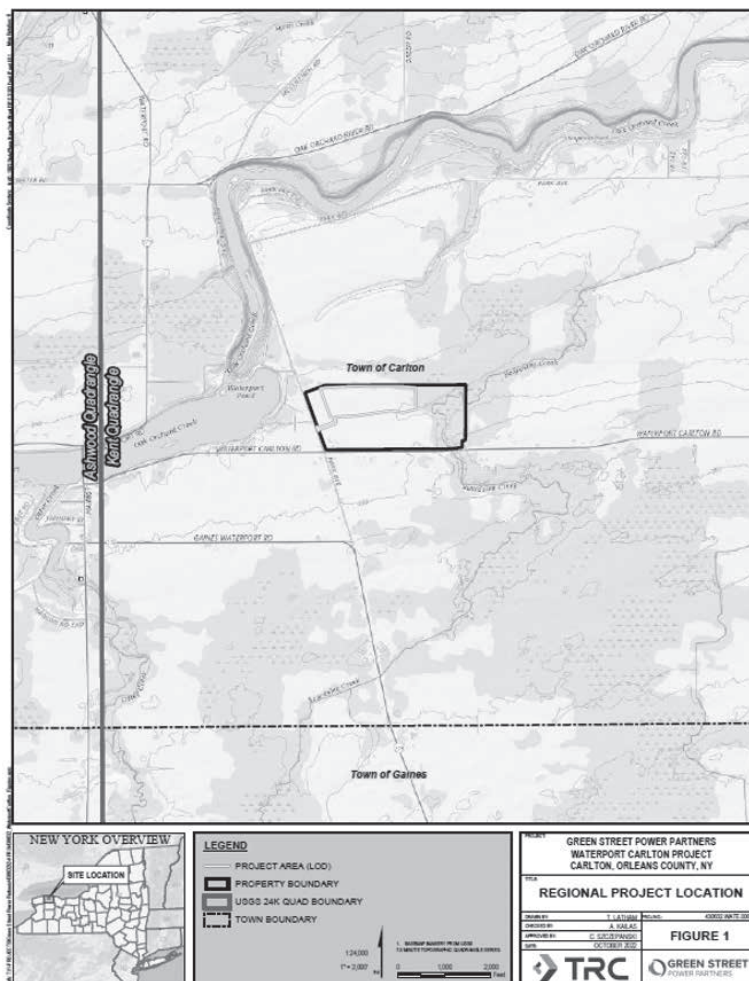

**SUPPLEMENTARY INFORMATION:** TRC Environmental Corporation, an environmental consultant, prepared an environmental assessment for Rural Development - RBS that describes the project, assesses the proposed project's environmental impacts, and summarizes as applicable any mitigation measures used to minimize environmental effects.

Rural Development - RBS has conducted an independent evaluation of the environmental assessment and believes that it accurately assesses the impacts of the proposed project. No significant impacts are expected as a result of the construction of the project.

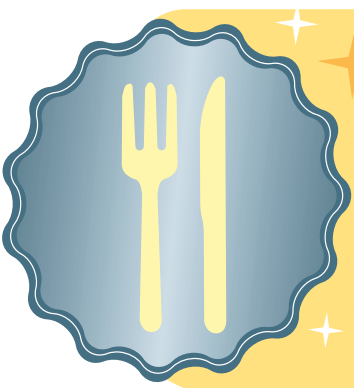

Questions and comments should be sent to Rural Development - RBS at John Helgren, Environmental Coordinator; 441 South Salina Street, Suite 357, Syracuse, NY 13202; 314-477-6427; john.helgren@ny.usda.gov. Rural Development - RBS will accept questions and comments on the environmental assessment for 14 days from the date of publication of this notice.

Any final action by Rural Development - RBS related to the proposed project will be subject to, and contingent upon, compliance with all relevant Federal environmental laws and regulations and completion of environmental review procedures as prescribed by 7 CFR Part 1970, Environmental Policies and Procedures.
