EPA Section 608 Certification

EPA regulations (40 CFR Part 82, Subpart F) under Section 608 of the Clean Air Act require that technicians who maintain, service, repair or dispose of equipment that could release ozone depleting refrigerants into the atmosphere must be certified. Starting on January 1, 2018, this requirement will also apply to appliances containing most substitute refrigerants, including HFCs.

Technicians are required to pass an EPA-approved test to earn Section 608 Technician Certification. The tests are specific to the type of equipment the technician seeks to work on. Tests must be administered by an EPA-approved certifying organization. Section 608 Technician Certification credentials do not expire. Includes 3-hour review session, book, and online examination. Restore Sexual Assault Services Observes Sexual Assault Awareness Month

April is Sexual Assault Awareness Month, and RESTORE is joining a nationwide effort to raise awareness about the prevalence of sexual assault and the importance of prevention and allyship. RESTORE, a program of Planned Parenthood of Central and Western New York, is committed to empowering survivors of sexual violence through compassion, validation, and healing. Leading the community in education, advocacy, and social justice, RESTORE provides steadfast and confidential support to all survivors of sexual assault.

Every 68 seconds, a person is sexually assaulted in the United States. That is 1,271 people every day. To call attention to this alarming statistic, RESTORE will create displays of 1,271 small orange flags across the five counties the program serves. The flags will be on display throughout the month of April and will include explanatory signage and RESTORE’s 24-hour hotline number in the following locations:

- Wyoming County: The Government Center in Warsaw
- Orleans County: Pullman Memorial Universalist Church in Albion
- Genesee County: The lawn of the County Courthouse in Batavia
- Livingston County: The lawn of the County Courthouse in Geneseo
- Monroe County: The University Ave Planned Parenthood Health Center in Rochester and the Brighton Planned Parenthood Health Center

Additional displays will travel across the five-county region, hosted weekly by the colleges with whom RESTORE partners for advocacy, education, and support.

Knowing where to turn is of paramount importance for survivors and their loved ones. For more information about RESTORE, follow Planned Parenthood of Central and Western New York on social media at @ppcwny, visit RESTOREsas.org, or email RESTORE@ppcwny.org.
