Laurel High School honors local heroes

Submitted

The Laurel High School Interact and Yearbook clubs recently hosted a First Responder's Breakfast to remember 9/11 and to honor Laurel's unsung heroes. Representatives from the Laurel Police Department, Laurel Fire Department, United States Forest Service, Jones County Emergency Management and Laurel School District School Resource Officers, along with Mayor Johnny Magee enjoyed a catered breakfast and words of encouragement.

"This breakfast is our way of saying thank you for all they do for us," said LHS student and Interact Club member Margarite Gavin. "We really appreciate the things our first responders do to pro-

tect our community."

As part of the event honoring Laurel's finest and in remembrance of the Sept. 11, 2001 terrorist attacks on the United States, the Laurel High School JROTC Tornado Battalion presented the colors and Interact President Akurya Evans gave a speech featuring the history of 9/11 and the importance of honoring those who serve the country. The school's library was decorated in a patriotic theme and featured table décor in red, white and blue colors.

"The event was very uplifting, and we are appreciative that they took the time out to recognize all emergency personnel," said Laurel Police Chief Tyrone Stewart.

SWCD Clerk Receives Award

Submitted by District Clerk Regina Parker

Jasper County Soil and Water Conservation District was recently honored at the 2015 Mississippi Association of Conservation District Area II meeting held at Gallman, MS on July 14, 2015. District Clerk Regina Parker received District Employee of the Year for Area II, which consist of 21 counties. The objective of the District Employee of the Year Award is to recognize the individual who has best-demonstrated capabilities in the areas of leadership, information/education and assistance to the local soil and water conservation district. A District Employee of the Year will be selected by each MACD Area to represent the area for statewide judging. This award will cover a one-year time frame from one MACD Summer Meeting to the next. The Mississippi Association of Conservation Districts, Inc. (MACD), established in 1945, is a non-profit, non-governmental organization composed of the 82 Soil & Water Conservation Districts in Mississippi.

SWCD's Annual Tree Sale

Submitted by Jasper County SWCD
Regina Parker, District Clerk

Jasper County Soil and Water Conservation District is taking tree orders until Friday, January 8, 2016. All trees are pre-paid at time of order. On February 11, 2016, Thursday, orders will be ready for pick up. Orders have to be turned in by deadline to insure quantity and availability for shipment.

Trees include shade, ornamentals, hardwoods, nut, fruit, and flowering shrubs. The trees are bare root seedlings. By ordering bulk wholesale we can pass the savings on to you.

The purpose of the program is to remind people that doing something as simple as planting a tree can help prevent soil erosion and run-off into our streams, save energy, provide homes for wildlife, and make our community more attractive. This is a service provided to the landowners in Jasper County. Proceeds from tree sales help support youth and adult educational programs throughout the year.

You may come by the office to place your order Monday through Friday between 8:30 a.m. and 4:00 p.m. or call the office at 601-764-2025 ext. 101. A list of trees will be provided to you at the office. The Jasper County Soil and Water Conservation District is located in the USDA Service Building at 20 B East 8th Avenue, Bay Springs, MS.

"Planting a tree with your kid and watching it grow is one of the best things you can do with them."

THANK YOU!!!

The Sertoma Club of Laurel would like to thank all of the sponsors of the "2nd Annual Sertoma Golf Classic". We especially thank our Major Sponsors – Kim's Chev-Nissan-Toyota-CDJ-Ram, SCRMC and Community Bank. Next year's Classic will be on Sept. 23rd so mark your calendar.

Here nine years later, we still think of you and Marion Jr., all the time. It's good for us to talk about the fun times when we have our sit down dinners. Most Sundays Ruby keeps that going for us. Our hearts will never lose the pain, but we know the Love we all have helps with that.

We miss you and pray everyday that God keeps blessing us like he does everyday. We now have our 25th great grandchild, a boy named Ezar, Stacy & Scooters second boy.

COOPER has been at the ARL since she was a puppy. She is extremely shy and more than anything, enjoys spending time with her brother Archie. Cooper has very short hair while Archie is very fluffy like a Chow; their look is so different that most people who visit the shelter don't even realize they are related, much less from the same litter. Shelter staff, volunteers, and board members have worked with Cooper to help her become more trusting with people. What Cooper needs most of all, however, is to leave the shelter environment and live somewhere quiet and more controlled. She needs more attention than we are able to provide at the shelter; this girl needs love and constant reassurance that the world around her is ok. Cooper is spayed, up to date on vaccinations, heartworm negative, and ready for a very special loving, patient, and understanding home. Could you possibly open your home up to our Cooper? Come by and meet this beautiful girl.

The Animal Rescue League is open Monday - Friday 11:00 am - 4:00 pm and Saturday 11:00 am - 1 pm. Our address is 2511 Moose Dr. in Laurel, MS. Park Place Garden Club speaker presents "Fairies"

Submitted
 The September meeting of the Park Place Garden Club was held at First-Trinity Presbyterian Church with Deane Singley and Kaye Valentine as co-hostesses. Vice President and Program Chairman Sydney Swartzfager introduced guest speaker Mrs. Vicky Hester of the Forrest Garden Club. Mrs. Hester presented a whimsical program on "Fairy Gardens" which delighted all with her demonstration of the simple, yet intricate, construction of a "Fairy Garden". She advised the group to "look around your home when gathering miniature pieces for a garden. A simple thread spool can be used as a garden table, a jar top can be used as a water pool.... the finds are "as big as your imagination", she said. Mrs. Hester, also, gave advice on the best miniature plants to complete the look of your garden. At the conclusion, Deane Singley thanked Hester for her program and a gift of thanks was presented by Sydney Swartzfager.

The business session of the meeting was called to order by President, Deane Singley. Cynthia Shepard, delivered the devotional with an inspirational reading of "The Serenity Prayer". There were no minutes from the May meeting to be reported. In the absence of Nan Abernathy, treasurer, Deane Singley gave a brief report. Pam Ogelsby, Park Place Garden Club Representative, was asked to give a report on the Council of Garden Clubs September meeting. Mrs. Ogelsby reported that the main topic of discussion was the upcoming fund-raiser, "Holiday Extravaganza" which will be held on Monday, November 9, 2015 in the St. Johns Parish Hall. The featured speaker for the event will be John David Williams, owner of Designs by John David Williams, Hattiesburg and author of "Fearless Entertaining." Tickets are \$25.00 and can be purchased from any Park Place Garden Club Member. For more information about tickets to this event call Judy Mc Glothlin at 601-428-5638. Ogelsby continued to report that the guest speaker for the meeting was Nancy Moore, Past President of the Garden Clubs of Mississippi, Alternate Director of Deep South and GCM Chairman of the Blue Star Memorial Markers. The Blue Star Memorial Markers are placed throughout Mississippi in honor of our veterans. At this time, Laurel has two markers, one at the Veterans Museum and the other at East Jones Elementary School.

markers and replacing them with new durable metal in concrete markers. Mary Anne said "the goal of Park Place Garden Club is to continuously lend our help and support for the beautification of Gardiner Park Arboretum.

Cynthia Sheppard reported on the Dandy Lions Junior Garden Club activities at Laurel Christian School. The committee members, Cynthia Shepard, Chairman, Susan Pounds, Co-Chairman, Deane Singley, Pam Ogelsby, Marylyn Biglane and Jane Hayes, met over the summer and are pleased to announce that the Dandy Lions will have two fourth grade classes participating in the gardening program. Last year the Dandy Lions won seven state awards and hope to do more of the same this year.

President Singley called for a discussion of old business and announced that individual submissions to the "State Convention Logo Contest" are due at the October meeting. The members will judge all submissions and the winner will then be submitted to the State Convention Committee for final judging. New business commenced with the delivery of the beautiful 2015-2016 yearbooks designed by Susan Pounds. The creative cover picture is of Van Gogh's painting, Irises. All members applauded Pounds for a job well done. With all business conducted, President Singley adjourned the meeting.

Park Place is a member of The Council of Garden Clubs of Laurel and Jones County, The National Garden Clubs, Inc. and the Garden Clubs of Mississippi, Inc.

Mary Anne Sumrall reported on the successful project of providing garden posters for the Laurel Library. Adults and children enjoy the informative monthly themes. The October poster theme "Creepy Bats", created by Jayne Cooper and Judy Mc Glothlin, will be on display October 1. Sumrall, also, reported on the Gardiner Park Project which consists of removing damaged tree identification

"It was a unique way of actually bringing the fire department and police department together for a great moment, instead of being together in a time of crises. I can't say thank you enough to the precious students and staff at Laurel High School for starting our morning off great."

In addition to the breakfast, the Interact and Yearbook clubs released balloons and held a moment of silence prior to the Laurel vs. Petal football game to remember the events of 9/11.

"As a teacher, I am very proud of my Interact and Yearbook scholars wanting

to show love and support to the men and women who protect our community," said Interact Sponsor Devon Sellers. "Even though most of the students at LHS were younger than three years old when the terrorist attacks happened, they still wanted to remember the lives lost and honor our local heroes in a very special way. In addition to the students' hard work in planning the breakfast for L-Town's Finest, I am very thankful for the support of local businesses whose donations made the event a success."

Spot-On Sports
with Mitchell Williams

We miss Walter Young Jr.

By Mitchell Williams

Well, it's been a few days since the home-going services for Walter Young Jr. A legend in Purvis, Walter Jr. went home to Glory last week. Being honest, most of us were not ready for this young man to leave so early. Not at all. He was only 35 years old.

Did you know him? If you didn't get a chance to meet him, just ask somebody who did. Blessed with the ability to earn a scholarship to LSU as a defensive tackle, but he could swing a bat so well that the Major League teams came calling before he graduated high school. The truth: I saw Jr. hit a ball one time where they didn't even find the ball. He hit it that far!! That's the truth. Walter Young Jr. was a phenom. No doubt about it. He was big, agile, and maybe had the best hand to eye coordination we've seen. Foregoing a scholarship to LSU to play football, Jr. signed to play pro baseball. The young first baseman played about a de-

cade and spent one part of a season in the Majors with the Baltimore Orioles in 2005.

After his career in baseball was finished, Walter Young Jr. served us as a deputy sheriff in Lamar county. You would see him at games at Purvis, Oak Grove or Sumrall. Anywhere where law enforcement was needed in Lamar County, you would see him. Couldn't miss him . . . he was a big young man with a bright smile. He was a pleasant, God-fearing young man, one that any of us would love to have as a son.

We write this article not just to remember Walter Young Jr. Our true ambition is to have a document for his wife, his children and his close family so that every time that life gets a little difficult and sometimes hard, they might be reminded of how a community loved her husband, their father, and Mr. and Mrs. Young's son. We miss him.

See you at a game soon.

Picks of the Pine Belt

By Micah Cotten

Game of the week:
West Jones (2-3) vs South Jones (5-1)
 The Braves of South Jones will host the Mustangs of West Jones. The Braves are on fire this season, They are undefeated at home this year and are looking to defeat the Mustangs for the first time in over a decade. West Jones is looking to rebound from the 37-0 drumming they received last week from Laurel. The Mustangs will fall just short in this one.
South Jones 27, West Jones 23

Natchez (2-2) vs Laurel (2-3)
 The Tornadoes seemed to have finally found their groove last week in the third quarter against West Jones. It is exactly what Laurel needed after a three game skid. Laurel is (0-2) at home this season but will finally put a W in the win column at home. They will have some trouble, but pull away a little bit in the second half for the win.
Laurel 35, Natchez 25

Northeast Jones (4-1) vs Northeast Lauderdale (3-3)
 The Tigers head up I-59 to take on the Trojans of Northeast Lauderdale to open up district play. Caleb West has been having a big season for the Tigers with his legs and his arm, Chance Sumrall has been having a great year in his own right averaging 10 yards per carry against Taylorsville last week and a pair of TD's to go with it. They will win this one in an offensive showcase.
Northeast Jones 42, Northeast Lauderdale 28

Wayne County (3-2) vs Brookhaven (0-5)
 Wayne County will host an (0-5) Brookhaven team that really are better than their record indicates and that may cause Wayne County to overlook them a little bit. They will be able to edge out this one late though.
Wayne County 37 Brookhaven 24

Petal (3-2) vs Oak Grove (4-1)
 This game will be on 98.1 WMXI at 7 p.m. Friday. The Warriors of Oak Grove will host the Petal Panthers. Oak Grove is playing some really good football right now, and are starting to use a heavy ground attack that they haven't used in a long time. Petal is the hotter team right now and will be able to upset Oak Grove on the road.
Petal 26, Oak Grove 24

Hattiesburg (4-1) vs Long Beach (1-5)
 The Hattiesburg Tigers are about to go on a warpath in the 5A Division and will not lose another regular season game. They will take this one in a blowout.
Hattiesburg 52, Long Beach 14

Southern Miss football report

From Staff Reports

Record 2-2, 0-0 C-USA

Last Week:

L, 36-28, at Nebraska (Memorial Stadium/Lincoln, Neb./89,899)

This Week:

Saturday, Oct. 3, North Texas, 6 p.m. CT (Carlisle-Faulkner Field at M.M. Roberts Stadium/Hattiesburg, Miss./36,000, TV – Fox College Sports, Mike Morgan, play-by-play; JC Pearson, analysis; Steffi Sorensen, sidelines)

Offensive Player of the Week Nomination:

Junior QB Nick Mullens (6-1, 196, Hoover, Ala.):

Quarterback Nick Mullens threw for a career-best 447 yards and added a pair of touchdown throws on 26-of-41 passing against Nebraska. It was just the fourth 400-yard passing day ever for a Golden Eagle quarterback and Mullens is the only Southern Miss player to have done it twice, after throwing for 426 at Middle Tennessee last season. He hit senior Casey Martin on touchdowns of 21 and 19, the first on a 3rd-and-20 and the second score on a 4th-and-4. Mullens led a 21-point fourth-quarter scoring outburst that enabled Southern Miss a chance to tie the contest on the game's last possession. He also tallied 10 passing plays of 20 or more yards, including one of 50 and another of 53 yards. Mullens has now thrown for over 200-yards in 18-of-20 career starts, which ranks third on the Golden Eagle chart, while his seven 300-plus passing yards ranks second on the Golden Eagle career chart.

Defensive Player of the Week Nomination:

Junior DB D'Nerius Antoine (6-0, 215, New Iberia, La.):

Led the Golden Eagles with eight tackles (three solo) at Nebraska of which one was for loss. He tallied his first career interception that was returned 30 yards deep inside Nebraska territory, which was turned into the first touchdown of the day for Southern Miss. He added a forced fumble of which he recovered in the

third quarter. He leads the team in tackles this season with 25 and has two forced fumbles to his credit during the year.

Notes

• After producing 10 passing plays of 20-or-more yards against Nebraska, the Golden Eagles now have accumulated 28 offensive plays of 20-plus yards in 2015 (5 rushing, 23 passing), seven of which have gone for touchdowns.

• The Golden Eagles have enjoyed quick-strike scoring this season, producing 13 touchdowns that have taken less than two minutes off the game clock.

• Southern Miss registered its first game in which two receivers had at least 100 yards receiving – Mike Thomas five catches for 121 yards and Casey Martin with eight catches for 102 yards – since Thomas (7-104) and Markese Triplett (6-114) last year against Louisiana Tech.

• Senior WR Casey Martin tied a career-best with eight catches at Nebraska, posting his second-straight 100-yard receiving game and third of his career.

• Fellow senior Mike Thomas enjoyed the first 100-yard receiving contest this season at Nebraska and third of his career.

• Redshirt sophomore Xavier Thigpen registered the team's lone sack at Nebraska for 12 yards and added three tackles as well as recovering an onside kick in the fourth quarter.

• Sophomore Picasso Nelson, Jr., in his first start of the year, tallied seven tackles against the Huskers.

• The Golden Eagles blocked a Nebraska field goal in the final minute of the contest and Southern Miss now has a pair of blocks this season.

• Southern Miss opens its 20th Conference USA season this week when they entertain North Texas at The Rock. The Golden Eagles are 85-56 all-time in C-USA contests and 43-27 at home. The Golden Eagles lead the series with the Mean Green 5-4, dating back to the 1954 season.

Sideline View: Mississippians in New York for Heisman?

By Dale McKee

Mississippi could have three players receive Heisman Trophy consideration this December. Ole Miss quarterback Chad Kelly and defensive lineman Robert Nikemdiche along with MSU quarterback Dak Prescott are all having great seasons, and if their teams keep winning, one may be heading to New York for the prize possession as being the best player in college football in 2015. The SEC is loaded with talent as always, and Georgia's Nick Chubb, LSU's Leonard Fournette and Alabama's Derrick Henry will also receive consideration come voting time.

RIP Yogi

The sports world lost a great one last week. We lost the beloved "little man" of the New York Yankees in Yogi Berra. I was able to see Yogi play in person several times in my very young days as a lad in Baltimore and Kansas City. Yogi played for several of the greatest New York Yankee baseball teams of the 1950s. The Yankees were like a rock band with every visit a sell out. Everyone wanted to see the great Yankees of that era in Yogi, Mickey, Whitey, Bobby Richardson, Roger Maris, Ellie, Moose and the rest of the boys. Berra was a three-time MVP, but he might have become more famous after his playing days. His popularity spanned decades. His many Yogism's are legendary. "It ain't over 'til it's over" may be his most quoted saying of all.

Mississippi's Best Coach Ever?

If he is not the best high school basketball coach ever, he is definitely on the short list. Former Gulfport coach Bert Jenkins passed away last week. The Rich-ton native wrecked havoc on the high school basketball scene for 28 years. His Gulfport teams won 866 games and lost only 180, a winning percentage of 82.8 percent. His teams enjoyed three 40-win seasons, eighteen 30-win seasons, and twenty-five 20-win seasons. His successes came before integration and after. It was my pleasure to see several of his teams play over the years, and his teams always won. I never saw his teams lose. One of the best teams ever in Mississippi high school circles was his 1975 team. He led that team to a 40-0 perfect season.. The 1975 team was an exceptionally talented team that scored over 100 points 14 times that year and ended the season by averaging over 91 points per game. His best coaching effort might have been in the 1983 state championship season. He had to suspend several starters that year and was coming off a losing season the year before. Jenkins coached one of the best high school players ever in Chris Jackson. He was a tough taskmaster on Jackson. Chris reached his full potential because of Jenkins and his coaching methods. Coach played his high school football and

Laurel Native to have DSU stadium honor

DSU is unveiling a statue of Coach Boo Ferriss and naming the new base-

ball stadium in honor of Laurel native Tim Harvey and his wife, Nancy. The Tim and Nancy Harvey Stadium at Ferriss Field will be named on October 3. This date will also be the bi-annual baseball alumni weekend for all former Statesmen. Tim played for Coach Ferriss in the late 1970s. "I wanted to give back to the sport that I love and to a university that gave me a chance to keep playing that sport. God has blessed me to be able to help others," said Harvey. *Contact Dale at ddmckee@18yahoo.com*
