ARIES (March 21 to April 19) This week offers new opportunities for adventurous Sheep, both personal and professional. Single Sheep could find romance with a Taurus or Scorpio.

TAURUS (April 20 to May 20) Your big break is about to happen in the workplace. Expect to hear more about it within a few days. Meanwhile, enjoy some much-needed fun time.

GEMINI (May 21 to June 20) Your past tendency for breaking promises could be catching up with you. You need to reassure a certain someone in your life that this time you'll keep your word. Good luck.

CANCER (June 21 to July 22) Watch your tendency to be overcautious in your personal relationships. Give people a chance to show who they are, not who you assume them to be.

LEO (July 23 to August 22) Aspects favor closer attention to family matters, especially where it concerns older relatives who might need special care. A co-worker has information that can help.

VIRGO (August 23 to September 22) A workplace change causes a temporary delay in your plans. Still, continue working on your project so that you'll be ready when it's time to start up again.

LIBRA (September 23 to October 22) Stick with your plans despite some recent disappointments. Persistence will pay off. A family member's health takes a happy turn for the better.

SCORPIO (October 23 to November 21) Your gift for seeing through to the heart of a matter (or the heart of a person) impresses someone who is in a position to make you a very interesting offer.

SAGITTARIUS (November 22 to December 21) Your colleagues believe in your leadership abilities because you believe in yourself. Your strength inspires others to follow your example.

CAPRICORN (December 22 to January 19) A sensitive situation needs sensitive handling. Show more patience than you usually do. This will allow everyone time for some really hard thinking.

AQUARIUS (January 20 to February 18) You are determined to take charge of a difficult situation and turn it around. Good for you. Accept much-needed help and advice from a Libra.

PISCES (February 19 to March 20) You are able to help people by sensing their deepest pain, but be careful not to let your own emotions get injured. Try to maintain a safe balance.

BORN THIS WEEK: Yours is one of the most emotional signs of the zodiac. You are empathetic and have a deep spiritual core that gives you your great strength.
