BRONX SOLVENTS, AUTOMOTIVE, FLAMMABLES AND ELECTRONICS

DISPOSAL EVENT

The City of New York Department of Sanitation is hosting its "Bronx SAFE Disposal Event" on Saturday, April 29th from 10 A.M. to 4 P.M. at the Orchard Beach parking lot. No registration required. At this event, you can dispose automotive products, unwanted/expired medicines or cosmetics, household products as such paint, pesticides, and electronics. Proof of NYC residency is required. Take advantage of this terrific resource!

GARBAGE AND RECYCLING TIME CHANGE

By now you know that the City of New York changed the times when we can set out our household trash and recycling waste. We can no longer set out our household garbage and recycling waste before 6 P.M. unless it is in a container with a lid. If it is not within a container, then you must wait until 8 P.M. to place it on the curb. While this new policy is in effect right now, we are within a grace period. The grace period ends May 1, 2023. If you or someone needs garbage and recycling labels for your containers, please visit our office between 8 A.M. and 4 P.M. during the week.

DISTRICT NEEDS REQUESTS

Each year the City of New York requires each Community Board to submit a list of capital and expense requests. For example, Bronx Community Board #10 often suggests increasing litter basket collection, allocating more funding toward the sidewalk repair program, and assigning more police officers to our precinct to name a few. If you have an idea or request, feel free to bring it to our attention. We must demand the City of New York continue funding popular and successful municipal services. Requests are prioritized. If your request does not make it to our final list, we will have it on record for future District Needs Statements.
