GARBAGE & RECYCLING TIME CHANGE

By now you know that the City of New York changed the times when we can set out our household trash and recycling waste. We can no longer set out our household garbage and recycling waste before 6 P.M. unless it is in a container with a lid. If it is not within a container, then you must wait until 8 P.M. to place it on the curb. While this new policy is in effect right now, we are within a grace period. The grace period ends May 1, 2023. If you or someone needs garbage and recycling labels for your containers, please visit our office between 8 A.M. and 4 P.M. during the week.

DISTRICT NEEDS REQUESTS

Each year the City of New York requires each Community Board to submit a list of capital and expense requests. For example, Bronx Community Board #10 often suggests increasing litter basket collection, allocating more funding toward the sidewalk repair program, and assigning more police officers to our precinct to name a few. If you have an idea or request, feel free to bring it to our attention. We must demand the City of New York continue funding popular and successful municipal services. Requests are prioritized. If your request does not make it to our final list, we will have it on record for future District Needs Statements.

MEETING NOTICE

There are just two months of meetings before Bronx Community Board #10 adjourns for the summer. Our next Full Board will be Thursday, May 18 at 7 P.M. at 2049 Bartow Avenue in Co-op City. If you have a concern or complaint, you are welcome to contact our office by phone and/or e-mail. Our committee meetings meet on the same day each month. Our Economic Development Committee meets on the First Tuesday. Our Health Committee meets on the First Wednesday. Our Housing Committee meets on the Second Tuesday. Our Parks Committee meets on the Second Thursday. Our Youth Committee meets on the Fourth Monday.
