Awards Given at SCCA Annual Banquet

March 8 was an evening of award presentations and officer installments—with guest speaker Adame Payne, secretary of the Wisconsin Department of Natural Resources—at the Sheboygan County Conservation Association’s annual award night held at Laack’s Hall.

Among the honored members was Larry Doebert, who is a member of the Trout Unlimited Lakeshore Chapter. Doebert, after dedicating over 30 years of his life to coldwater conservation, was inducted into the SCCA’s hall of fame. Through his

efforts and fellow workers, the Onion River has become the best trout stream in the southeastern region of Wisconsin.

Also inducted to the SCCA hall of fame was member Dave Nett. Nett has served as a county conservation warden, served on the Sheboygan County Marsh Advisory Board as well as a dedicated promoter of raising funds for the new Sheboygan Marsh dam and works to protect natural resources for younger generations.

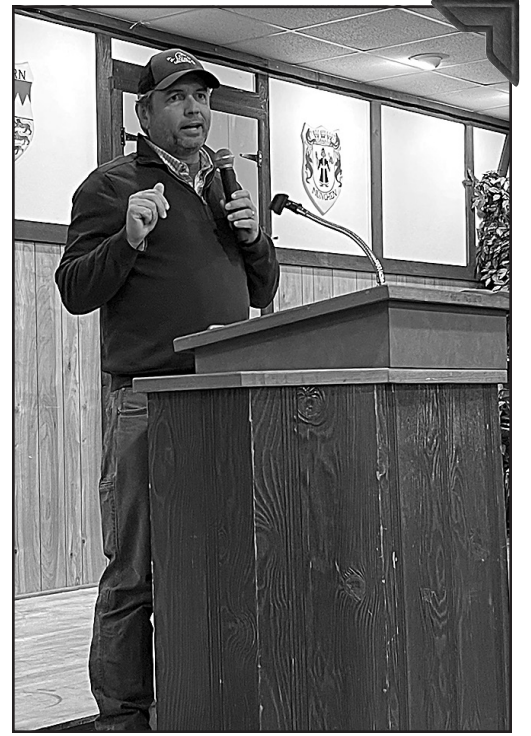

Alongside the SCCA hall of fame inductees were a number of other awards and

recognitions to additional members and chapters within the association. Lakeshore Trout Unlimited was recognized as the Water Conservationist of the Year and Riverside Hunting and Fishing Club was recognized within the SCCA as the Club of the Year. Safety awards were also given by the DNR and presented by Bob Nack, R3 Team Supervisor and April Dombrowski Section Chief.

Individuals that were also recognized during the awards night was Kevin Roertvedt, who was honored the Educator

of the Year, and a special recognition award was given to member Mr. Al Keller.

Formed in 1957, the SCCA is made of 27 clubs—including men, women and children—within the county that work together toward their main goal to educate, observe and protect the environment. Those interested in learning more about the clubs within the organization can check out their website, sheboyganconservation.org, or their facebook page, Sheboygan County Conservation Association.

Wade House Announces 2023 Summer Camp Program

Greenbush, WI. – Wade House, one of the Wisconsin Historical Society’s historic sites, is excited to announce registration is open for its Plank Road Adventure Summer Camp for children entering grades 3-8. From orienteering to candle dipping, woodstove cooking and more, campers will dive into learning the skills needed to start a new life in 19th century-Wisconsin.

“This fun summer camp, presented as a week-long game, leads campers on an exciting historical journey,” said Abby Pfisterer, director of PK-12 education for the Wisconsin Historical Society. “Young campers will explore the entire Wade House site, while being asked to solve a daily challenge faced by those living and traveling on the plank road 150 years ago. The entire fun-filled week offers intriguing challenges, new discoveries and plenty of playtime.”

This NEW summer camp program runs June 19-23 and July 24-28, 2023, from 9:00 a.m. to 4:00 p.m. Campers will have fun visiting the sawmill, blacksmith shop and carriage museum, and will enjoy the great outdoors through interactive nature hikes. All campers receive a complimentary T-shirt and families are invited to join their campers for a special end-of-camp celebration on Friday.

Cost of the five-day camp is \$245 per camper. To register go to wadehouse.wisconsinhistory.org.

CHAMBER SPOTLIGHT Millhome Nursery and Greenhouses

May’s Chamber Member spotlight is Millhome Nursery and Greenhouses located at N9469 Rhine Road, Elkhart Lake. Owned by Art and Candy VanderWaal, Millhome Nursery and Greenhouses officially opened its doors on May 19, 1997 in beautiful rural Elkhart Lake. They are designed to be a full-service garden center and landscape company. The business site originally was a small dairy farm with rolling fields of flowing pasture lands with natural rock fences. In developing the site Millhome Nursery and Greenhouses tried to maintain the

country feel by maintaining the dairy barn as part of our retail experience.

Millhome Nursery and Greenhouses continues to develop as a destination garden center supplying all of your gardening needs. Their many planted beds around the garden center provide a beautiful relaxing setting to inspire your gardening imagination.

ELG Grad Leads Northern Michigan University to NCAA Division II Tourney

By: Missy Koehler

By the end of his senior year in 2008 at Elkhart Lake – Glenbeulah High School, Matt Majkrzak knew he wanted to be a coach. His Mom, Lisa Sadiq, remembers him talking about basketball and either becoming an agent, scout, or coach as early as kindergarten. It's been a long time since kindergarten, but now Majkrzak is fulfilling that dream. Majkrzak is the head coach of

the Northern Michigan University Men's Basketball team and led the Wildcats to a 25-8 record, a conference championship, and for the first time in 23 years to the NCAA tournament. It's been a rewarding experience coaching at NMU for Majkrzak and he loves to see the players experience success and develop on and off the floor. "Seeing those kids who committed to us four years ago get to win a championship and know how far they have come, was the most rewarding feeling I've had," Majkrzak said. Majkrzak began coaching in high school when he coached his younger brother's YMCA team and from there the passion continued to grow. He started his own AAU program (WI Jets) when he was attending UW-Green Bay and then coaching took him to Chadron State, Bemidji State, Bryant & Stratton Junior College and currently to Northern

Michigan. His parents, Ed Majkrzak and Richard and Lisa Sadiq have watched every game since he became a head coach at Bryant and Stratton College. "We think his passion for the game and commitment to his job and his players is obvious when he is coaching and it's fun to watch," his mom said. Majkrzak has had many mentors throughout the years, but the coaches he has worked for in the past have really inspired him.

"Brian Wardle (Bradley University) and Tod Kowalczyk (University of Toledo) were both national coach of the year finalists this season. It's been inspiring to watch their careers and see how high of level they have risen to," Majkrzak said. Majkrzak says he wouldn't be where he is today without Elkhart Lake. "I love Elkhart Lake. It will always be home. I still say I'm from Elkhart Lake whenever people ask where I'm from despite not having lived there full time since 2008," he said. Going to a small high school, he thinks, gave him the opportunity to play at the varsity level from a young age in many different sports. "I also became friends with so many athletes and nonathletes that it made me into a more well-rounded person," Majkrzak said. Congratulations Coach Majkrzak on your success and Resorter Nation is very proud!

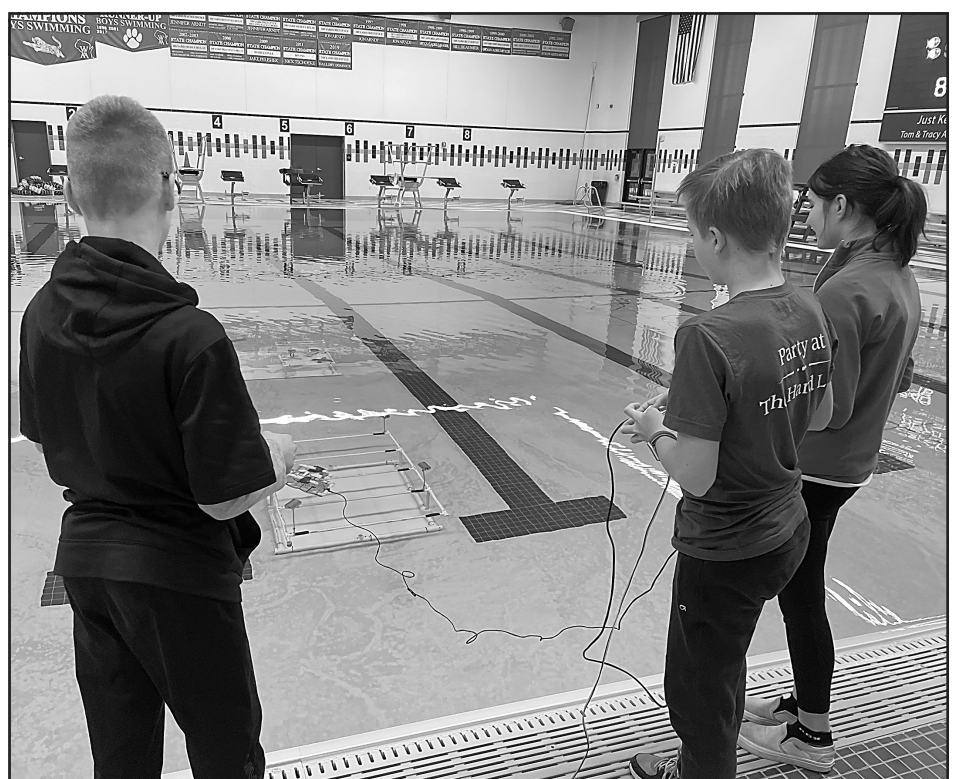

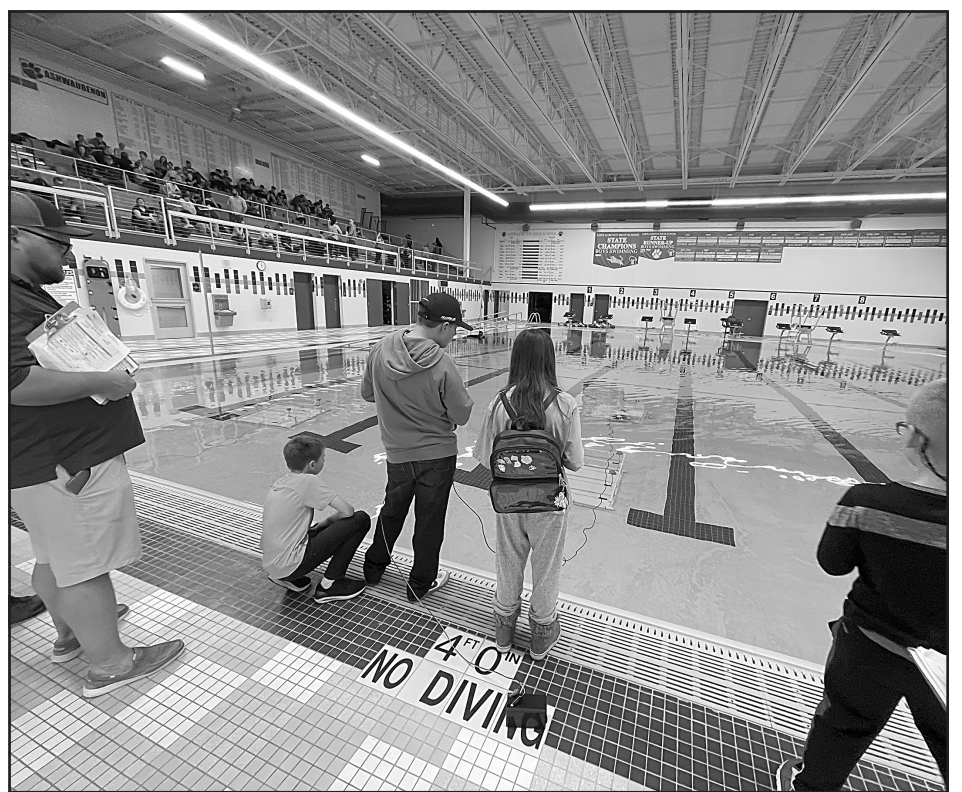

ELG Participates in SeaPerch Competition

Photo of Team: Elkhart Lake Glenbeulah Sixth Grade SeaPerch Team Members (Left to Right) Jack Jensen, Evan Conrad, Conrad Orth, Yogi Wells, Vivian Prahl, Shane Williams, and Annika Graff.

On Saturday, April 1st, seven Elkhart Lake-Glenbeulah sixth grade students attended the regional SeaPerch competition at Ashwaubenon High School. SeaPerch is an underwater robotics program where students design, build, and work together to complete challenges that include going through an obstacle course, and completing missions that require the remotely operated vehicle (ROV) to pick up and move items. Teams also presented in front of a panel of judges their

engineering design process, which include reflecting on the building and testing process, and what steps did the team take to overcome challenges and make their ROV better. Our two sixth grade teams competed against 18 other teams with their Sea Perch ROV. Conrad Orth, Jack Jensen, and Vivian Prahl's team received 4th place overall. A special thank you to the Osthoff Resort for allowing our students to practice at their pool facilities.

National Exchange Bank & Trust Announces Leadership Changes

National Exchange Bank & Trust Chairman of the Board Peter Stone announced today that James Chatterton, president and COO, will retire from the bank after 35 years of service, and Eric Stone, current CEO, will assume the President/CEO combined role.

Chatterton had been the Chief Executive Officer of American Bank for 17 years, before becoming president of National Exchange Bank & Trust when the two banks merged in 2016. Chatterton was instrumental in the successful merger of the two banks, and is known for connecting with people, both customers and employees.

Eric Stone is currently the Chief Executive Officer and Vice Chairman of the Board for National Exchange Bank & Trust and the President of NEB Corp., the holding company for National Exchange Bank & Trust. Stone has been with the bank since 1996. He holds an MBA from Kellogg School of Management and completed the Graduate School of Banking from UW-Madison. He is active in the community as the Director of the National Exchange Bank Foundation; he also sits on the Board of Trustees for Marian University and the board of St. Mary's Spring Academy. He was previously on the Board of Directors for Thelma Sadoff Center for the Arts.

"Jim and Eric have worked side-by-side since the merger which provides for continuity of leadership as Jim transitions into retirement," said Peter Stone. "The bank is financially strong, and we are well-positioned for the future. We thank Jim for the leadership he has provided over the last 35 years which has contributed to our position."

The leadership transition is scheduled to be completed in the second quarter of 2023. With the transition, the following individuals will assume expanded leadership roles within the organization:

Nicole Wiese is promoted to Chief Operating Officer (COO). She will assume oversight responsibilities for Retail Banking and Enterprise Risk Management/Cybersecurity in addition to her current responsibilities which includes Digital Banking, Marketing, Security, Facilities and Deposit Operations. Wiese has played a key leadership role in the bank operations focused on the overall strategy and efficiencies of delivery systems, contributed to the safety of customers and employees while executing continuity of banking services during the Pandemic, and has focused significantly on people alignment and engagement. She rejoined the bank in 2003 after spending time with the Fond du Lac Area Association of Commerce.

Wiese earned her Bachelor of Arts in Journalism with an Advertising/Public Relations emphasis and her Master's Degree in Business Administration from the University of Wisconsin-Oshkosh. She is also a graduate of the Graduate School of Banking in Madison and received her Executive Leadership Certificate from the Center for Professional & Executive Development from the University of Wisconsin-Madison School of Business.

Wiese has served the local community through the board of directors of the Downtown Fond du Lac Partnership, Fond du Lac Family YMCA, and Fond du Lac Area United Way. She is also a past member of the City of Fond du Lac Plan Commission. She currently is on the Board of Directors of Brooke Industries and the National Exchange Bank Foundation. She lives in Fond du Lac with her family.

Steve Holz is promoted to Chief Lending Officer (CLO). Holz joined the bank in March 1992, as a Credit Analyst. In 1994, he transitioned to Commercial Lending Officer and was promoted numerous times before his most recent promotion to Executive Vice President in 2022. Throughout his time in commercial lending, Holz has worked with business owners to explore commercial loan solutions that best align with their business vision. His expanded role will include strategic growth of both the Commercial and Retail Lending portfolio.

Holz grew up in Fond du Lac, where he attended Goodrich High School. He went on to earn his bachelor's degree in Economics from Ripon

College. Holz is also a graduate of the American Bankers' Association (ABA) Commercial Lending Graduate School and the Wisconsin Bankers' Association (WBA) Lending School.

Today, Holz resides in Fond du Lac with his family, where he is active in the community as a part of Envision Greater Fond du Lac's Revolving Loan Fund committee. He is also a past member of the board of directors and treasurer for the Fond du Lac chapter of the American Red Cross, past member of the board of directors and president of the Fond du Lac Economic Development Corporation and board member of Cardinal Athletic Alumni Association.

Tami Christian is named Chief People Officer (CPO) and will continue to lead the human resource function. She will also join the Board of the National Exchange Bank Foundation. Christian joined National Exchange Bank & Trust in January 2015, with more than 25 years of human resources professional experience. She has expanded the HR team and led them through the merger of two financial institutions and several acquisitions, while continuing to set the bank's people strategy. She played a key role in crisis management throughout the recent pandemic, while working with her team to optimize benefit offerings, implement telecommuting, enhance talent management, and improve employee engagement.

Christian received a Bachelor of Business Administration from Marian University as well as a Master of Science in Organizational Leadership and Quality. Christian and her husband, Mike, live in Fond du Lac. Christian serves on the Customer Experience Program Advisory Committee for UW-Parkside, several HR roundtables, and is a member of the Society for Human Resource Management. She is a past Marian Alumni board member and past City of Fond du Lac Police & Fire Commissioner.

National Exchange Bank has been a pillar of stability in the Fond du Lac community since it first opened its doors on December 20, 1933, in downtown Fond du Lac. With its 32 locations throughout Southeastern Wisconsin, National Exchange Bank & Trust has more than \$2.6 billion in assets and approximately 400 employees. 2023 Season of Arts at the Waelderhaus

Arts at the Waelderhaus is a series of free, family-friendly, and fun programs at the Waelderhaus, a house museum filled with Austrian craftsmanship overlooking the Sheboygan River in Kohler. The 2023 series begins April 30 with classical guitarist and Plymouth High School graduate Annika Nelson, who is currently attending the University of Wisconsin-Milwaukee, majoring in Classical Guitar Performance.

the classic barbershop style of four-part, unaccompanied, close-harmony singing. Expect a continuous flow of acapella music from their chorus and quartets interspersed with humor and a variety of songs! The Chordsmen will be coming off their annual spring show and this performance is the beginning of a run of appearances that continue through the summer months into late fall.

Sunday, June 4 at 2 p.m.: Sonora Winds, an all-woman Woodwind Chamber Group, will fill the Waelderhaus with music and share new classical chamber compositions with their skillful and soulful playing.

JUST ADDED: Sunday, June 18 at 2:00 p.m.: Eric Jacobson Trio, a Milwaukee-based Jazz ensemble, will play jazz standards from the greats like Horace Silver, Lee

show uses a clever stage that rises and folds out of a decorated box. This show is appropriate for ages 4 and up.

Each performance begins at 2:00 p.m. on Sunday afternoons and is open to the public and free of charge. Reservations are encouraged and can be made by calling Waelderhaus at 920-453-2851 or by emailing jen.balge@kohler.com. More information can be found at www.kohlerfoundation.org.

The Waelderhaus, an Austrian house museum filled with beautifully carved wood, iron work, and stained glass, is managed by Kohler Foundation, Inc. It is located at 1100 Riverside Dr., Kohler, and is open daily (except holidays) to the public for guided tours, free of charge, at 2:00 p.m., 3:00 p.m., and 4:00 p.m. For the latest news and Waelderhaus events, visit www.kohlerfoundation.org, or follow Kohler Foundation on Facebook, Instagram, and Twitter.

Clipper City Chordsmen

Annika Nelson shared a little bit about her upcoming performance: “The classical guitar holds so much character and emotion that it becomes a new instrument with every piece. I especially look forward to showcasing pieces that helped me grow both technically and musically, like the cuban Sencillos Estudios, as well as a powerful arrangement of Three Pieces from West Side Story, and the jazzy, swinging American Fantasy.”

Then, on May 7, the Clipper City Chordsmen will perform on the lawn of the Waelderhaus (weather permitting, otherwise the performance will be inside) and promises to entertain with

There is also a recently added performance of Arts at the Waelderhaus on June 18. Milwaukee-based Eric Jacobson Trio will perform jazz standards and original music. See the entire 2023 Season below:

Sunday, April 30 at 2 p.m.: Enjoy an afternoon of classical guitar with Annika Nelson, a Ruth DeYoung Kohler 2022 Scholarship Recipient.

Sunday, May 7 at 2 p.m.: The Clipper City Chordsmen will bring their barbershop style to the lawn of the Waelderhaus for an outdoor concert (in the event of inclement weather, the concert will take place inside)

Spreading Happiness: ElkhartCares Helps Middle School Students Visit Patients at Rocky Knoll

ElkhartCares, a local non-profit organization, has provided a grant to support the Middle School "Adopt-A-Buddy Program". The grant covers transporting students to visit patients at the Rocky Knoll Healthcare Center, where they engage in service learning and build stronger community connections.

and visiting their buddies. The Rocky Knoll Healthcare Center benefits from the program by receiving visits from enthusiastic and caring students, which can positively impact the residents' well-being.

For more than twenty years, the ELMS

to the success of the program. Now, the grant funds from ElkhartCares will be used to pay for students' transportation costs from ELGMS to the Rocky Knoll Healthcare Center during the 2022-23 school year. This will enable the continuation of the "Adopt-A-Buddy Program" and help spread joy to the

of how our community can help spread joy and build stronger connections by working together.

ElkhartCares is a community-based nonprofit organization, serving the families and individuals within the Elkhart Lake - Glenbeulah School District.

The Elkhart Lake-Glenbeulah Middle School District's "Adopt-A-Buddy Program" helps 7th graders build communication skills while supporting the social-emotional development of both students and residents at Rocky Knoll Healthcare Center. The program has a proven track record of preparing students to succeed academically while connecting them to their community through service learning opportunities. Middle school students benefit from the program by developing empathy, a positive feeling of giving back to others, and social skills. Buddy visits help them gain a sense of purpose and connection while writing

has partnered with the Rocky Knoll Healthcare Center to provide its seventh-grade students with service learning opportunities that help them succeed academically and connect them to their community. Unfortunately, the ELMS hasn't been able to visit their buddies in recent years due to the pandemic. But that's about to change. The students are excited to reconnect with their buddies and make up for a lost time.

While Rocky Knoll is close to the Elkhart Lake-Glenbeulah Middle School, a bus is needed to transport students. Transportation costs have been a barrier

Thanks to the support of ElkhartCares, the Elkhart Lake-Glenbeulah Middle School District's "Adopt-A-Buddy Program" can continue to positively impact the lives of students and patients at Rocky Knoll Healthcare Center--an inspiring example

ElkhartCares offers such programs and assistances in the areas of:

1. School lunch meals and summer reading programs
2. Internet services for school-aged children for their school work
3. Working with the Elkhart Lake - Glenbeulah School District, offering assistance in earning college credit courses, financial assistance for uniforms and equipment in order for students to participate in athletics, band equipment, before and after school activities, and grants for teachers that help support learning and engagement in the classroom and beyond

Family assistance programs such as:

1. Fuel assistance for parents commuting to and from work, and taking their children to and from school
2. Child care assistance for working families and single parents
3. Holiday meals, Christmas presents for children of struggling families, and aiming to alleviate some of the financial stress the season can bring with Santa's Village--a family-friendly offering, free for the community to come together and enjoy holiday cheer
4. Pet supplies
5. Medical financial support
6. Appropriate clothing for winter and summer needs
7. Food support for families

These are but a few of the services and examples of support that make up the offerings provided by ElkhartCares.

The Elkhart Way

It's easy to see why our little village attracts visitors from all over the globe. The natural beauty is an idyllic backdrop for the simple charm and lake vibes found here. As Elkhart Lake remains a treasured destination, we are aware of the challenges associated with that popularity. We love welcoming visitors to share this gem of the Midwest and want to do everything we can to protect it and respect it for future residents and visitors alike. This is why Elkhart Lake Tourism is introducing a new initiative this year called "The Elkhart Way". The Elkhart Way movement focuses on the idea of responsible tourism in our community and helps us all realize the role we all play in keeping Elkhart Lake the special place it is.

Protect & Respect...it's the Elkhart Way

We know you love Elkhart Lake as much as we do, and we encourage you to LOVE it like you LIVE here. Let's treat Elkhart Lake like your own backyard, because in some respect, it is.

Take it Slow...it's The Elkhart Way

It's time to relax, you're officially on lake time. Experience Elkhart Lake at its pace and remember patience is a virtue when you are on vacation. There may be longer wait times at restaurants because of seasonal hours and staff shortages, so if the leisure pace doesn't work with your timeline, check out another spot nearby. And, if you can, always try to plan ahead.

Put Waste in the Right Place... it's the Elkhart Way

Pack it in, pack it out. Let's all do our part in keeping Elkhart Lake clean. There are garbage receptacles located around the village and in businesses for your use. If you aren't located next to one, hang on to your garbage or waste until you can dispose of it properly. Let's all leave our beaches, streets, sidewalks and parks clean and litter free.

Leave only footprints... it's the Elkhart Way

The lake — It's the gem of our village, and when we all treat it like one then we all reap the benefits. Beach day? Leave it how it was when you arrived, if not, better. Boating? Respect "no wake" zones and hours, inspect your boat before you enter the lake and after you leave the lake. Remove. Drain. Dispose. We can all do our part in keeping Elkhart blue.

Be a good neighbor... It's the Elkhart Way

It may feel like paradise but always remember there are people that call Elkhart Lake home. Whether at your vacation rental, resort or on the beach, let's all try to keep the noise in check and avoid loud music or behaviors that may disturb others.

We are excited for another great year ahead and encourage everyone to continue sharing the love we all have for this community because it's The Elkhart Way.

Lakeshore Technical College Partners with Hmong Mutual Assistance Association

In an effort aiming to provide additional support to underrepresented student groups, Lakeshore Technical College is partnering with the Hmong Mutual Assistance Association of Sheboygan by providing on-site staffing at the association's 2304 Superior Ave. location.

"By placing a program counselor on site, we are able to provide accessible academic planning and connection to student support services that can keep students on track to degree completion," says Lakeshore Executive Director of Program Counseling and Student Resources Foua Hang.

The partnership also helps HMAAS provide educational programming that promotes post-secondary education.

"With having LTC here at the Hmong Mutual Assistance Association of Sheboygan, we are able to provide another service to the community. HMAAS and LTC together are helping students explore, begin, or continue their higher education," says Moua Yang, HMAAS board president.

Lakeshore Program Counselor and Sheboygan resident Choua Lee began holding office hours at HMAAS in January. Lee is fluent in both Hmong and English. She works with individuals enrolled in high-demand health and human services related programs including nursing assistant, early childhood education, dental assistant, and medical coder.

Lee is available at HMAAS by appointment 8 a.m.-3 p.m. on Wednesdays with drop-

ins welcome 3-4:30 p.m. Wednesdays. She can be reached at 920-693-1237 or choua.lee@gotoltc.edu.

Census data for Sheboygan County shows 7,200 Asian American and Pacific Islander residents, with the largest group among them from the Hmong community. According to Lakeshore, the college currently serves 646 Asian American and Pacific Islander students. Almost 300 are undergraduate students living in Sheboygan County.

Amy Moua visits with Choua Lee, program counselor with Lakeshore Technical College, to discuss returning to Lakeshore to complete her health information management degree. Lee is available at the Hmong Mutual Assistance Association of Sheboygan on Wednesdays.

LTC Earns Military Friendly School Designation

For the 14th consecutive year, Lakeshore Technical College earned the Military Friendly School designation. Schools earning the designation were evaluated using public data sources and responses from a proprietary survey. Only 665 of over 1,800 schools participating in the 2023-2024 survey earned special awards for going above the standard. Lakeshore earned a gold award, which indicates leading practices, outcomes, and effective programs for veterans transitioning from military careers to school and satisfying careers as civilians.

"Receiving this honor year after year is a result of our ongoing commitment to welcoming veterans to learn with us and supporting them throughout their education journeys," said Lakeshore President Dr. Paul Carlsen.

Lakeshore works with County Veterans Services, Wisconsin Department of Veterans Affairs, and the Federal Veterans Administration to ensure veterans have access to resources that can support success. Through the Wisconsin GI Bill, veterans and their dependents can apply for tuition and material fee waivers. Lakeshore also processes state level Retraining Grant Applications for veterans who are

dislocated workers, National Guard Tuition Grant Applications, and VetEd Reimbursement Grants. Those eligible for the Federal GI Bill can benefit from tuition assistance, housing allowance, and additional stipends to cover education costs.

Registration for new and returning veterans begins April 3 for Lakeshore's summer and fall terms. Alumni, returning, and new program students can begin registering April 4. Registration will be open to everyone on April 14.

For information about Lakeshore's student veteran benefits, visit gotoltc.edu/veterans.

LAKESHORE TECHNICAL COLLEGE

Court Reporting Program Recertified at LTC

The Council on Approved Student Education has awarded Lakeshore Technical College's court reporting program recertification through January 2028. The organization bases its decision on standards set forth by the National Court Reporters Association.

"Our recertification reflects the high quality program and instruction provided to our students, who are graduating and enjoying fulfilling careers throughout our community," said Lakeshore Interim Vice President of Instruction Tanya Boman.

According to Lakeshore's most recent data, its court reporting graduates report 100% job placement and a \$48,859 median annual income within six months of graduating.

Lakeshore offers one of only two NCRA-approved programs in the state and the only program currently accepting new students. The program can be started in August each year and typically takes four semesters to complete. It is offered 100% online and through the college's iFlex delivery mode, which includes a blend of online and in-person instruction.

Details on the court reporting program at Lakeshore can be found at gotoltc.edu/court-reporting.

Memorial Tribute Program

The Village's annual Veterans Memorial Tribute program, sponsored by the Village of Elkhart Lake and the Elkhart Lake Lions Club, will be held Saturday, May 27, at 11 a.m. in Memorial Park at the corner of Chicago Street and State Hwy 67.

The program will feature members of the Elkhart Lake-Glenbeulah choir under the direction of Holly Green singing the National Anthem, patriotic songs performed by the ELGHS band under the direction of Jodi Voss, a reading, the Sheboygan County squadron of Civil Air Patrol Cadets performing the raising of the flag ceremony, and the American Legion Post 261 performing the ceremonial rifle volley.

The ceremony will be followed by a brat fry and refreshments by the Elkhart Lake Lions Club from 10 a.m. to 1:30 p.m. Proceeds will go toward upkeep of the memorial and park grounds.

The public is invited to attend and should bring lawn chairs or blankets. Parking is permitted along State Hwy 67 and additional parking in both Kees Corp. and Plyco Inc. parking lots.

In case of inclement weather, the ceremony will be held in the Elkhart Lake-Glenbeulah High School.

Elkhart Lake Chamber Welcomes Greg Schoemer of Modern Woodmen of America

Ready to help current and potential members is Financial Representative Greg Schoemer of Modern Woodmen of America at 239 Wahgouly Rd. in Sheboygan.

Modern Woodmen is a member-owned, fraternal financial services organization that helps individuals, families and small businesses meet their financial needs and has done so since 1883. According to Modern Woodmen's 2022 report, there are 700,000 members of the fraternal

financial nationwide with \$43.58 billion of life insurance in force, over \$17.48 billion in assets and paid \$1.29 billion in life insurance and annuity benefits. Schoemer, who has been a member since his childhood, commented that life insurance is not always in the immediate conversation, but is an important conversation to have. "Sometimes younger adults or younger families might think the insurance through work is enough, or they do not think they will need it or that life insurance is super expensive."

Elkhart Lake Chamber
NEW MEMBER
Modern Woodmen
of America

However, Schoemer said during an interview that with an analysis approach to learn a member's goals, income, debts, whether or not they plan to start a family and retirement goals, he can help members decipher a financial plan going forward.

As a financial representative, Schoemer will help make informed

decisions, financial and personal, that will help create a plan for the member's life. To protect the member's future, Schoemer can help plan and decipher options for life insurance and annuities. For retirement, Schoemer can also help decipher what options are available for various IRA or 403 (b) TSA. "Everyone is different, and so are their goals and plans."

Along with their financial services, Modern Woodmen also gives back to those they serve, making an impact in communities nationwide. Some of the fraternal member programs that are offered include the birthday book club, Modern Woodmen travels, national parks pass and youth service clubs among others that can be found on their website, www.modernwoodmen.org. Within their 2022 report, Modern Woodmen also had \$17.8 million in fraternal expenditures and 278,401 volunteer hours to support their family-oriented member programs.

To learn more about Schoemer and how he can help create a plan, those interested can check out his representative page at reps.modernwoodmen.org/gschoemer.

New Members Join National Exchange Bank & Trust Board of Directors

National Exchange Bank & Trust Chairman of the Board, Peter E. Stone, announces the election of Anthony J. Ahern, president and COO of J.F. Ahern Company, and John Buelow, executive vice president and president for Mercury Marine, part of the Brunswick Corporation, to the Board of Directors.

Anthony J. Ahern

Ahern joined J.F. Ahern Company in 1993 and held a variety of roles throughout the organization before including estimator, sales and project management, vice president of the pipe fabrication department, and executive

vice president. Ahern was named president and chief operating officer in November 2018 becoming responsible for the four members of the management committee team that oversee Ahern Fire Protection, the Wisconsin construction and service groups and the director of safety.

Ahern earned his bachelor's degree in History with a concentration in Business Administration from St. Norbert College. He gives his time to the Mechanical Contractors Association of America, the Pipe Fabrication Institute, and the Plumber & Steamfitter's Local 400 Apprenticeship Program. He is also a trustee of the Local 400 Pension Board. Previously, he has served on boards for Marian University, St. Mary's Springs Academy, St. Agnes Hospital Foundation, and Fond du Lac Area United Way while

rising to lead each of these boards.

John Buelow

He has held several leadership positions at Mercury's global headquarters including vice president in business development, Mercury Castings, category management, strategic planning, and most recently in global operations.

Buelow earned his Bachelor of Business

John Buelow joined Mercury Marine in 2004 and has held a variety of positions in finance, including vice president and CFO of Brunswick Marine in EMEA and Asia-Pacific.

Administration from UW-Oshkosh and his MBA from UW-Milwaukee.

National Exchange Bank & Trust, based in Fond du Lac, Wisc., is an independent bank with more than \$2.6 billion in assets. For more information, please visit nebat.com. J. F. Ahern Co. is a mechanical and fire protection contractor specializing in HVAC, Plumbing, Controls, Sprinkler, Extinguisher & Alarm and Fabrication for construction and service projects. Founded in 1880, the company has over 1,400 employees servicing commercial and industrial customers across the United States. Mercury Marine has been making world-class outboards and sterndrives for more than 75 years. They started back in 1939 in a small machine shop in Wisconsin, and have grown into the largest builder of marine propulsion systems in the world.

High School Band Takes Trip to Big Apple

At the end of March some members of the Elkhart Lake – Glenbeulah High School Band visited New York City to take in all the sights and experience the big city life for a few days. The Statue of Liberty and Ellis Island, the 9/11 Museum and Memorial, Rockefeller Center and the Top of the Rock, Little Italy, Chinatown, Times Square, Madam Tussaud’s Wax Museum, Madison Square Garden, Grand Central Station, Museum of Natural History, Central Park, Radio City Music Hall as well as many other stops were all on the to do list. Band members were also able to experience the Broadway performance of Aladdin funded with a grant by The Elkhart Lake – Glenbeulah Education Foundation. When students arrived in Times Square on their first day, they were

surprised by a concert in Times Square from opera singer, Andrea Bocelli. Many memories were made and thanks to all who have supported band members with their many fundraisers throughout the year. Fundraisers include pie sales, pizza sales and concession stands.

MAY 2023 SPRING ELECTION

The spring election took place on Tuesday, April 4th. Elkhart Lake voter turnout was 61%. Last year for the Spring election our turnout was 36%, the Village saw a 25% increase in voter turnout.

The election results for Village President are as follows:

Richard Sadiq 399
Scattering 4

The election results for Village Trustee are as follows:

Geoff Bray 318
Paul Rudnick 378
Mike Wolf 332
Scattering 2

BUILDING PERMIT REQUIRED

If you are planning a construction project on your home or business, you must apply for a building permit. Permits must be issued prior to commencement of work. We have had a few people looking to install patios and doing some work and then finding out they cannot have one. We want to prevent this from happening. It is best if you call the Clerk's Office at 920-876-2122 to find out if your project will require a permit. Failure to do so will result in double the permit fees, potentially tearing out of what has been done, and could even result in a fine of up to \$1,000.

BEACH PASS INFORMATION

The Village is reminding people that the Village beach is for residents of the Elkhart Lake-Glenbeulah Joint School District only, per Village Ordinance. The police will be monitoring beach use more frequently. The prices of the passes is \$5 for residents and \$40 for school district residents, which are good for an even and odd year (this is the first year of the beach pass). These passes will be available by May 16th. The price of replacement passes is \$25 for Village residents and \$50 for school district residents. Rental properties are to have their guests use Fireman's Park. This is the public access to the lake that should be used for guests. Some of the other regulations include:

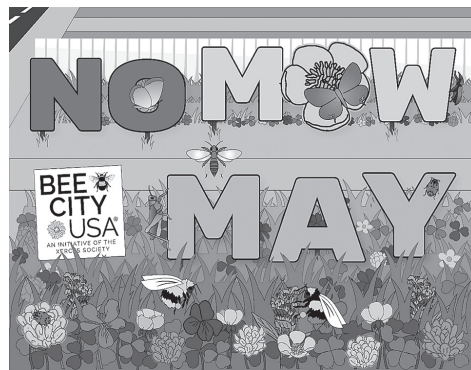

- No person shall allow a dog to be on any public beaches owned or leased by the Village.
- No person shall use or possess beverages containing alcohol on the public beaches owned or leased by the Village.
- No person shall ignite nor maintain fires of any kind on the public beaches owned or leased by the Village.

ARBOR DAY & ROLE OF THE TREE COMMISSION

The Village is holding an Arbor Day celebration on April 28, 2023 at 10:30 am. This year the event will take place at Moioffer Park located on Kettleview Court. There will be a program and the winners of the 5th grader poster contest will be announced. Please watch the Village website for more information.

NO MOW MAY

No Mow May was first popularized in the United Kingdom but is now gaining traction across North America. The goal of No Mow May is to pause mowing during the month of May, allowing flowers to bloom in your lawn to help early season pollinators. Late winter and early spring is a time when floral resources are often limited.

The Village is asking those who wish to participate in No Mow May to register with the Village by emailing us at clerk@elkhartlakewi.gov. We will provide you a sign we would like placed in your yard. The Village's ordinance on grass height is still in effect and if your grass is taller than 9" it will need to be mowed during the month. We also ask that if you choose to participate that you mow your lawn on June 1st or 2nd.

MEMORIAL DAY EVENT MAY 27TH

The annual Memorial Day Tribute Program will begin at 11:00 a.m. on Saturday, May 27th at Memorial Park, which is located on the corner of Highway 67 and Chicago Street. Immediately following the program, the Lions Club will be sponsoring a brat fry, with proceeds to be used for maintenance of the Veteran's Memorial.

PLANNING COMMISSION UPDATE

The Planning Commission continues meeting about the General Capital and Van Horn Development on the apartment and townhouse development on the old County property along Highway 67. The developers have been applying for their conditional use permits and rezonings. The Village is working on drafts of the development agreements. If you are interested in learning more about the projects

the next Planning Commission meeting is scheduled for May 10th.

VICTORY PARK DEVELOPMENT

Homes are being completed in the Victory Park Subdivision. There are lots available, so if you are interested in more information on the subdivision you can contact Werner Homes at 920-458-4104.

DOG LICENSES

Please stop in at the Village Hall to license your dog by March 31st. You need to provide a proof of rabies vaccination and pay the fee (\$7.00 per spayed or neutered dog and \$14.00 per dog if not spayed or neutered). A late charge will be assessed to all dogs not licensed by March 31st.

DOG REFUSE STATIONS

The Village has installed Dog Refuse Stations throughout the Village. We have installed two new ones along Victory Lane. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue
- Lions Park
- E. Rhine St. near Charlene's

1000 BOOKS BEFORE KINDERGARTEN

We have two new Reading Stars! Harrison and Hayden Post have completed the 1000 Books before Kindergarten program at ELPL. The 1000 Books before Kindergarten program encourages parents to read to their preschool children. Reading together develops important pre-reading skills - a key to school and learning success. Each child receives a sheet to record the

books that have been read to them. At each 100 books read the child receives a sticker and places a star on the 1000 Book before Kindergarten display. When completed, the child receives \$50 and a trophy. A large star with the child's name is displayed in the library. Congratulations, Harrison & Hayden!

Jonathan Laun Retires From Road America's Board Of Directors

Following the annual shareholder meeting at Road America on April 18, the Board of Directors presented former Chairman Jonathan Laun with an award in recognition of his official retirement from the company's Board of Directors.

Laun is the longest-serving member of Road America's Board of Directors, with 44 years of service. He was elected to the Board in 1978; during his time there, he held numerous offices, including Treasurer and Vice President. In 1990, he became Chairman of the Board. He held that position until 2018 while serving with distinction on all the Board's standing committees throughout his service to America's National Park of Speed.

"Since joining the Board, Jonathan has helped to grow Road America's legacy and guide management through many chapters; his positive impact on the company will last far beyond his tenure," said Ron Pace, Chairman of the Board of Elkhart Lake's Road America Inc. "On behalf of Road America and my fellow board members, we thank him for his many contributions to the company and wish him and his family the best in his retirement."

Laun, an area businessman, has been involved with Road America for most of his life. He started by working summers for Road America founder Clif Tufte as a college student in the 1960s.

Under his stewardship, the track has seen many strategic changes in staff and massive infrastructure improvements, with many new buildings and features, including several track and safety improvements. The track's profits have consistently been reinvested, and fans can see many visible major enhancements every year. As such, the track continues to prosper as America's National Park of Speed.

"I want to express my sincere gratitude to the shareholders of Elkhart Lake's

Road America Inc. for allowing me to serve," said Laun. "I would also like to thank the members of the Board of Directors for their confidence and the entire Road America team for their tireless commitment towards establishing Road America in the hearts and minds of fans, enthusiasts, and racers alike as America's National Park of Speed. My experience was gratifying and allowed me to see firsthand the numerous and tangible impacts of what this wonderful organization is capable of during my tenure. I wish continued success to the

team, the board members, and Chairman of the Board, Ron Pace."

"On behalf of the entire Road America staff, we want to extend our appreciation to Jonathan for his many years of guidance and direction," said Mike Kertscher, President and General Manager of Road America. "Road America is a family, and we will continue to prosper as a family based on the vision, perspective, and work ethic that Jonathan has instilled in all of us."
