## Celebrating National Red Ribbon Week

By Linda Cranford

In celebration of National Red Ribbon Week the Jones County Sheriff's Department and Dying to Live Ministries have teamed up to bring drug awareness to the youth of Jones County by visiting with high school and elementary school students across the county in assemblies and pep rallies.

Wednesday afternoon, October 21, they led an assembly for 8th and 9th grade students at South Jones High School.

"This is the beginning of National Red Ribbon Week," said Lt. Robert Little, Narcotics Supervisor with the Jones County Sheriff's Department. "Red Ribbon Week is Drug Awareness Week that started in 1985 as a tribute to DEA agent Kiki (Enrique) Camarena, who was killed in Mexico

by a drug cartel. He was tortured for two days. They had a doctor with him to make sure he didn't die while they tortured him. He was eventually killed."

Major Jamie Tedford, JCSD Chief of Operations, added that Camarena's pilot, Captain Alfredo Zavala-Avelar, was also taken the same day and tortured to death. "They found their bodies a month later," said Tedford.

"It was during the time of the war on drugs when Reagan was President. That cartel was eventually dismantled because of what happened to Camarena," said Little. Tedford added that then First Lady Nancy Reagan was very active in the Red Ribbon Campaign as was President Reagan. In 1988, Red Ribbon Week was recognized nationally with the Reagans serving as the

temptation. They don't understand that the choices they make, right now, are going to affect where they are 18, 20, or even 40 years from now. We give testimony of our own lives, and how we got caught in addiction. With Dying to Live being a very pre-dominant drug and alcohol recovery ministry in our community, we want to make a mark in the community and let people know that there is hope for people caught in addiction, and that no drug addict is hopeless."

The students heard from Kim, who, with her husband, ministers to the youth at Christ's Church, and LA Will, a Christian Rap artist from south Louisiana. Both grew up in very different environments, and found themselves entangled in the world of drug addiction. Each shared their story with the students.

Kim said she was one of those kids who people would say would never do drugs, but she got caught up in the drug addiction world after first trying marijuana at a party

Jade Patrick, Director of Dying To Live's Z.A.C. House, a recovery center for women, said, "We talk to the students about the destructive phases of drug addiction – how it starts and how it ends. We do this because kids at this age are faced with so much

# JCJC's Bobcat Math League's post season play-offs feature familiar faces

By Teresa McCreery, JCJC Media-Public Relations Director

The Warriors of Oak Grove High School are leading the pack of 26 high school math teams to the post season play-offs in Jones County Junior College's Bobcat Math League. The consistent and continual domination in the Fibonacci Division by Oak Grove places the Warriors as division and play-off leaders. In the final week of competition, the Warriors hammered Richton Rebels to a 126 to 24 win, giving the Warriors a total of 595 points for the season. Oak Grove also maintained its 50-plus point lead against its nearest competitors.

In individual scoring accuracy accomplishments, four of the Warriors have been named to the All-League Team: Allen Huang, Ruby Liang, Peter Liang and Marli Bryant. Sacred Heart High School's Matthew Gallardo earned the overall title of Most Outstanding Player for the season. He has been the top player every week except for one, when Huang beat him by three points. Stringer's Key'Shawn Kennedy and Jackson Dale are also All-League Team members. Presbyterian Christian High School's Alicia Brown was the only PCS Bobcat to earn a spot on the All-League Team.

Post-season competition with the final play-offs and regular season team honors and recognitions will be held on Wednesday, November 4, in the Fine Arts Auditorium of JCJC. Division leaders headed to the play-offs are ranked in order: Oak Grove, Presbyterian Christian High School, Stringer Attendance Center, Northeast Jones High School and Sacred Heart. Teams earning a wildcard spot are: Taylorsville, Lawrence County and Columbia Academy.

In its final match-up this week, Heidelberg High School managed to upset the Wayne County War Eagles record and ended any hopes at post season play. The Oilers beat the War Eagles in a close match, 28 to 25. West Jones lost to Sacred Heart, 22 to 85, which also ended any possibility of a wildcard invitation for the Mustangs. Wayne Academy took a tough blow from the Seminary Bulldogs in a squeaker. The Jaguars lost 23 to 26.

In the Euclid Division, Stringer keeps its title as Division Leader blowing out the Laurel Tornadoes, 105 to 14. The Red Devils tallied up 518 points on the season to place them in third place overall. Lawrence County's Cougars pounced on the Bay Springs Bulldogs, ending the season with a 63-14 win and a seventh seed in the play-offs.

Laurel High School's Math League Team Photo/submitted

Newton division leader, Presbyterian Christian gained a total of 542 points on the season. The 95-point-margin thrashing it imposed on the South Jones Braves helped PCS hold on to their second seed ranking. The Bobcats beat the Braves, 120 to 25. The Taylorsville Tartars', 60 to 37 victory over the Enterprise Bulldogs ensured post season play for Taylorsville, while also keeping South Jones and Enterprise out of contention for a wildcard spot. The Raleigh Lions outsmarted the Quitman Panthers with its mauling of Quitman, 42-24.

Northeast Jones maintains the leader position in the Pythagoras division and earns the fourth place seed overall, despite the Tiger's tie with Columbia Academy 52-52. The Cougars will get another chance at the Tigers in post season action since they managed to earn a wildcard berth. Mt. Olive got the victory in its match with Seminary, 22 to 12. Since Collins held on to win against Perry Central, 20 to 19, it forced the Bulldogs to drop from its second place in the Fibonacci division, allowing Greene County to move up. The Wildcats of Greene County celebrated a victory against Heidelberg Academy's Rebels by shutting them out, 23 to 0.

Results will be posted on the JCJC Bobcat Math League web page under "Weekly Results/Standings" at: [www.jcjc.edu/bobcat-mathleague/](http://www.jcjc.edu/bobcat-mathleague/) and on the Bobcat Math League Facebook page. For more information about the Bobcat Math League contact Dr. Jessica Bunch (JCJC Bobcat Math League Commissioner) at 601-477-5422 or email at [jessica.bunch@jcjc.edu](mailto:jessica.bunch@jcjc.edu).

"The great part about living here is that the care you receive from the nursing staff and doctors is genuine." Britt Barefoot

"Laurel has a small town feel but it is great because it has all the attributes of a big city. That is why my family chose to live and work where we grew up" says Britt Barefoot, Supervisor at Sanderson Farms and local father. Britt and his wife, Holli, both grew up in Jones County and attended West Jones High School. After high school, Britt and Holli left Jones County to attend the University of Southern Mississippi.

"When it was time to start our family, we both knew we wanted to move back home so our children would share the same experiences growing up as we did," said Barefoot. "My wife and I were both athletic. We played lots of sports and made lots of friends along the way. We want our boys to enjoy this same experience." Britt is the father to three happy and healthy boys, Parker, Cruz and Ace.

"My wife and all three of our boys were born in Jones County at South Central Regional Medical Center," said Barefoot. "You would think I would get used to the process of having a baby, but each time I am nervous. The great part about living here is that the care you receive from the nursing staff and doctors is genuine. They make you feel comfortable by having a great attitude and caring about what they do. It really makes you feel at home."

## Startup weekend set for Nov. 6-8 at USM's Trent Lott National Center

Submitted

Innovate Mississippi will provide a platform for business ideas to be pitched and evaluated during the next Startup Weekend, set for Nov. 6-8 at the Trent Lott National Center for Excellence in Economic Development and Entrepreneurship at The University of Southern Mississippi's Hattiesburg campus. Powered by Google for Entrepreneurs, Startup Weekends are intense 54-hour events that operate worldwide, bringing together serial entrepreneurs, programmers, developers, graphic artists and business-minded people for weekends of company creation. The mission is to provide a high-energy, collaborative environment that facilitates experiential education and meaningful connections. Participants also build long-lasting relationships and could possibly secure a new job or investment.

"We're so excited to be partnering with The University of Southern Mississippi's Trent Lott National Center for this event," said Tony Jeff, president and CEO of Innovate Mississippi. "We hope to bring the community, college students and regional entrepreneurs together and see real businesses formed over the weekend."

The agenda begins with aspiring entrepreneurs pitching their business proposals to the group, who then vote for the most promising 10 to 15 ideas. The group will divide into small teams based on the ideas they want to work on and spend the rest of the weekend developing a proof of concept, demo or finished product. Mentors are on hand to help fine-tune the idea into a real

company. A panel of seasoned professionals evaluates each team's startup and their chances of real-world success.

"USM is pleased to host Startup Weekend because we recognize that south Mississippi has a large number of entrepreneurs and innovative thinkers who want to pitch an idea for a new business concept," said Dr. Shannon Campbell, Director of the Trent Lott National Center. "Startup Weekend is designed to rally support around these ideas with a team of volunteers who possess business, technical and creative backgrounds."

The event concludes with an awards ceremony where the top two teams receive in-kind prizes from local service providers and sponsors. In addition, each participating team will continue to consult with the entrepreneurial development team at Innovate Mississippi to further develop their business plans.

"Several companies formed from Startup Weekend Mississippi events have gone on to successfully grow their businesses, so I expect we'll see the same from this event," said Jeff.

Event sponsors include: The Area Development Partnership; Innovate Mississippi; The University of Southern Mississippi Office of Technology Development, Mississippi Polymer Institute, College of Business, and The Trent Lott National Center for Excellence in Economic Development and Entrepreneurship; and the Comcast Foundation Entrepreneur Series. For more information about Startup Weekend, contact Tasha May in USM's Trent Lott Center at Tasha.may@usm.edu or 601-266-5507.

# 2015 PDI Reunion

Photos by Linda Cranford

Over 50 antique vehicles surrounded the Phillips Drive-In (PDI) in Laurel, and lined Adams Street and Magnolia Street for the annual PDI Reunion, Saturday, October 24.

Hundreds of people of all ages gathered at the PDI Drive-In restaurant in Laurel to listen to good music, exchange stories of the "good ole days," and enjoy the best burgers in town at the annual PDI Reunion.

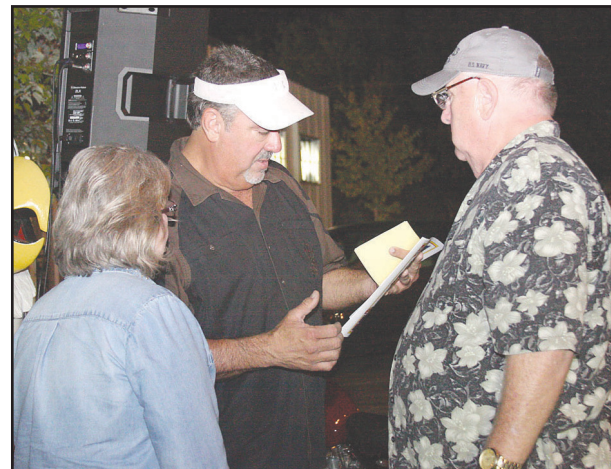

Once a year, former LPD Officer Joe Perrett, center, dons his old uniform, to attend the PDI Reunion and exchange the stories of keeping the young folks of his time safe and in line. "He (Bud Morris, left) got sent home, we always got a citation," exclaimed Dickey Conliff, right. Conliff added, "Of course, we usually deserved it. Most of us had hotrods like the ones you see here, and could out run the law. The only problem, they were sitting in our front yard with our parents when we got home."

Standing in front of "Lizzy," a bright canary yellow 1969 Ford F100, are present owners Troy and Debra Jones.

Johnny Odom, right, tasted his first PDI hamburger in almost 45 years at this year's PDI Reunion. Odom and his wife, Lynn, from New Augusta, are standing in front of Odom's favorite vehicle, a 1957 Chevrolet Bel Air, with owners Lana and Jason Jefcoat of Jones County.

Members of the PDI Reunion Committee discuss things before announcing the winners of the Antique Car Show. L-R, Jackie Lynch Perkinson, Ken Keyes, and Mickey Merrell.

Local musicians, left to right, Bobby Kling – guitar (Hattiesburg), Mike Walley – piano (Laurel), Ronnie Goss – bass (Laurel), Wilson DeWitt – drums (Laurel), and John Helveston – guitar (Laurel), came together to form a new band, "The Classix," just for the 2015 PDI Reunion.

A popular band from the Gulf Coast, "The Myles Sharp Band featuring Rebecca Powers," entertained the crowd.

By Micah Cotten

## Provine (5-6) at Laurel (6-3)

Laurel is the hottest team in the state right now with 37 or more points in each of their last 5 games, while giving up 14 or less during that span. Provine hasn't eclipsed 14 points in a game since they played Wingfield on October 1. Looks like it will be much of the same for Laurel in this one as they win big.

Laurel 42, Provine 7

## South Jones (7-3) at Wayne County (8-2)

The Braves of South Jones fell hard last week as they were defeated 48-11 at the hands of Laurel. Wayne County has continued to be dominant in district play and look for much of the same in this one as South Jones will put up a fight until the 3rd quarter when Wayne County will pull away a bit.

Wayne County 37, South Jones 21

## Natchez (4-4) at West Jones (2-7)

West Jones was edged out by Ole Brook last week in a tough loss. Natchez has been a good team all year and plays better than their record would indicate. They defeat the Mustangs on the road.

Natchez 24, West Jones 17

## Newton County (6-4) at Northeast Jones (6-3)

NEJ Lost a tough one last week in the Battle

of the Tigers, but this week they will host the Cougars of Newton County back in the Jungle. This will be a game great game, and one that NEJ should win. There will be several lead changes as the Tigers will be able to clinch this one late.

NEJ 42 Newton, County 37

## Pearl River Central (8-1) at Hattiesburg (7-3)

PRC has turned out to be the best team in Hattiesburg's district this season while running the flexbone formation to perfection, and it is very hard to stop. Hattiesburg will not be able to shut it down this season as they lose this one late.

PRC 45, Hattiesburg 37

## Petal (5-4) at Forest Hill (6-4)

This will be one of the best games of the week as Petal will be big on confidence after defeating Meridian last week in a great overtime game.

They will pull off another Victory this week as they will win this one.

Petal 34, Forest Hill 28

## RED RIBBON, continued from page 1

while in high school. Before long she was hooked on hard drugs, arrested, and lost custody of her 2-year old son.

"Each one of you has a choice," exclaimed Kim. "If you haven't been tempted with drugs, yet, you will."

Will, on the other hand, grew up in life of gangs, drugs, and crime, where he saw many members of his family murdered and imprisoned because of drugs and crime; some were killed right in front of him.

Both shared how they battled with the addictions, the environment associated with the drug addiction world, and how through the grace of God and a belief in Jesus Christ they were saved from their addictions.

In a language that the kids of today can relate to, Will encouraged the students to pay attention to what's going on around them, the things they are doing, the music

they are listening to, the movies they are watching, and the people they are associating with.

"The Bible says, faith comes from hearing," exclaimed Will. "So, the product of everything we're listening to is coming out of us. Whatever comes in is coming out of us. If you listen to the news, they are talking about all the crackheads, people tripping, shooting each other, and they're trying to convince us that all cops are bad. They're only talking about 10 percent. What about the other 90 percent, who are doing positive things in our world? You don't hear about them. You are going to be a product of the people you hang with. You show me your friends, and I'll show you your future. Hang around people who are smoking dope, you're going to be smoking, too. You hang around people who are broke, you're going to be broke, too."

Will performed a couple of his rap songs and encouraged the students to trust in the Lord, and that they didn't have to make choices to do drugs and crime just to fit in; as he had done in his life.

Christian Rap artist, LA Will, from south Louisiana, shared his story and performed a couple of his songs for the students at South Jones. Photo/Linda Cranford
