**Higher Level of Stroke Care**

**May is Stroke Awareness Month.**  
When strokes occur, every minute matters. We're here when you need us most, providing 24/7 emergency care close to home, including higher levels of stroke care as a Joint Commission accredited Primary Stroke Center.

There's no better time to learn about the sudden signs of stroke than now. The acronym **B.E. F.A.S.T.** is an easy way to remember:

- B** - Balance loss
- E** - Eyesight changes
- F** - Face drooping
- A** - Arm weakness
- S** - Speech difficulty
- T** - Time to call 9-1-1

If someone shows any of these symptoms, even if the symptoms go away, call **9-1-1** immediately.

To learn more about your risk for stroke, take our online Stroke Health Assessment at **SovahHealth.com**

Talk to your primary care provider about your risk for stroke.

To find a healthcare provider, call **844.GO.SOVAH**

**ARIES** (March 21 to April 19) Aspects indicate a potential for confusion or misunderstanding. Keep those lines of communication open between you and your mate or significant other.

**TAURUS** (April 20 to May 20) Romantic aspects are strong, but confusing. Be alert. Use your good Bovine sense to avoid charging into something that isn't quite what it seems to be.

**GEMINI** (May 21 to June 20) Working out problems with family members or others close to you should be your priority. Travel aspects are strong, especially in job-related situations.

**CANCER** (June 21 to July 22) The Cancerian Crab likes to take charge of things. But be careful you don't pinch off more than you can hold, or you might find it all slipping out of your grasp.

**LEO** (July 23 to August 22) A new opportunity beckons Leos and Leonas who are ready to take on some tough challenges. Family matters continue to improve, but still need close attention.

**VIRGO** (August 23 to September 22) What seems to be a disappointment could be a blessing in disguise. Use that good Virgin mind to analyze the situation and learn some valuable lessons.

**LIBRA** (September 23 to October 22) There are some conflicting considerations that will need careful sorting out. Remember: You do best when you're able to balance sense and sentiment.

**SCORPIO** (October 23 to November 21) Aspects show conflicting signs around friendships. Be careful about taking advice from someone who might have an agenda that is not in your best interests.

**SAGITTARIUS** (November 22 to December 21) Relationships are supposed to be about give-and-take, but you might find that you've been doing all the giving while getting little in return.

**CAPRICORN** (December 22 to January 19) Sometimes indecision can be a positive factor in helping to resolve doubts about a potential commitment. Don't be rushed into acting before you feel ready to do so.

**AQUARIUS** (January 20 to February 18) Take off those rose-colored glasses and see this new situation for what it is -- and for what it isn't. Remember: You haven't been told the whole truth yet.

**PISCES** (February 19 to March 20) Watch that you don't drain your energy reserves as you dive into a new and increasingly demanding project. Take time out for rest and relaxation.

**BORN THIS WEEK:** You live your life on a finely tuned balance between the perception of a Taurus and the curiosity of a Gemini. You excel in the arts.

Many years ago, our cat adoption policy was changed to require cats adopted from us to be kept strictly inside. We received criticism about it, but now most shelters require the same thing.

It is vital to keep cats inside. Outside cats face many dangers, and their life expectancy is 1-5 years. A cat kept strictly inside has an average life expectancy of 12-18 years.

Contact with other cats outside leads to the risk of disease transmission. Feline leukemia and feline immunodeficiency are transmitted from cat to cat and, once contracted, result in the eventual death of the animal.

Dogs and other wild animals pose a threat to cats; the very real danger is one of exposure to rabies. Outdoor cats can suffer torn ears, cut eyes, abscesses, and other injuries requiring veterinary treatment.

Indoor cats are not generally exposed to fleas, ticks, ear mites, or other parasites that can cause anemia, skin irritations, allergic reactions, and even death.

Outdoor cats are at risk to be poisoned. Neighbors may deliberately poison cats they view as nuisances, but accidental poisonings also occur. Chemically treated lawns, bait left out to kill rats or mice, and antifreeze can all be deadly dangers.

It is a myth that cats are "streetwise." Cats are intelligent and alert, but they stand very little chance against traffic. We can tell horror stories, and even have the pictures, of outside cats that have been beheaded, scalped, electrocuted, burned, tortured, or starved.

A dogfighting investigation seminar I attended a couple of years ago showed actual video of cats and kittens being used to train dogs to kill.

Trees also present hazards for the outside cat. Dogs or loud noises can scare a cat to climb so high, they cannot get down. I have heard repeatedly that a cat can climb down a tree. The reality is, cats cannot easily climb down facing the ground, and they usually do not back down out of a tree. We have had to intervene countless times to get them out of trees.

We have also had to rescue countless cats (kittens, mostly) from the engines of cars. Some survive, and some do not. The list of hazards for outside cats goes on and on.

Outside cats are at the mercy of the people they encounter, as well as weather conditions and other animals. We encourage everyone to keep their cats inside. It truly is the best life for a cat.

**Matt Czuchy as Conrad Hawkins in "The Resident"**

**Q.** Is it true that "The Resident" was canceled? If so, will Matt Czuchy be in another show soon? I've loved him ever since "Gilmore Girls." — *A.I.*

**A.** Matt Czuchy, who played Logan Huntzberger opposite Alexis Bledel's Rory in "Gilmore Girls," has actually been fortunate — and talented — enough to have three hit series under his belt. After "Gilmore," he played an attorney on "The Good Wife" and a young physician on "The Resident." Alas, that last series was canceled after ratings were down 27% (according to Variety Magazine) in its final season.

Czuchy hasn't remained unemployed for long, having been snatched up by producer Ryan Murphy to star in the next installment of "American Horror Story." The upcoming season is based on the novel "Delicate Condition" by Danielle Valentine. It's also being billed as a "feminist update of 'Rosemary's Baby,'" which was originally a novel as well — and later a classic film starring Mia Farrow.

Emma Roberts is reportedly playing Czuchy's wife in the 12th season of "AHS," and social media star Kim Kardashian will also play a role, details of which are currently under wraps. The premiere date is likely to be sometime in October or November of 2023, on FX.

**Q.** When is the new season of "Severance" starting? I thought it would have happened by now. Are they still filming it? — *C.T.*

**A.** While a release date hasn't been announced yet by AppleTV+, producer-director Ben Stiller assures fans that the sophomore season of "Severance" is on "the same really slow schedule we've always been on," with the "same target air date we've always had." But there have been changes behind the scenes. Former "House of Cards" creator Beau Willimon came aboard for season two after original showrunners Dan Erickson and Mark Friedman had a falling out.

The core cast, including Adam Scott, Patricia Arquette and John Turturro, are all said to be returning, and new cast members include Alia Shawkat ("Arrested Development"), Merritt Wever ("Nurse Jackie") and Gwendoline Christie ("Game of Thrones").

**Q.** I've loved watching Kristen Bell ever since she starred as "Veronica Mars." Is she going to have her own TV series again anytime soon? — *H.R.*

**A.** It's hard to fathom that it's been 20 years since Kristen Bell starred as teenage sleuth "Veronica Mars" on UPN (which later became the CW Network), but she's had quite an impressive career since then. She went on to play a completely different character in the movie "Forgetting Sarah Marshall," and then earned her biggest paycheck by lending her voice and vocals in the Disney blockbuster hit films "Frozen" and "Frozen II."

She demonstrated the most range as the lead of another television series, NBC's "The Good Place." She also squeezed in a limited Netflix series, "The Woman in the House Across the Street from the Girl in the Window," before recently announcing another project with the streaming service. Next up for Bell on Netflix is a yet-to-be-named comedy series opposite Adam Brody ("The O.C.") with a promising pedigree — it's being produced by "Modern Family" creator Steven Levitan.

## Laidback Golf Tour Results from Tournament Held at Tuscarora Country Club May 4th

From left to right are flight winners: Fran Hensley, Robbie Revis, Linda Leitch, and Ray Martin.

Just as in past seasons; Tuscarora Country Club continued to humble the Laidback Golf Tour members who participate in their annual tournament held there each year. Eighteen players took on the lightning fast breaking greens only to have four able to score in the eighties. There was one eagle and five birdies made by the entire group; with three of the birdies being made by one player; Randy Ely. Meanwhile there were more three and four putts resulting in 141 double bogies than there were pars. Fran Hensley ; aided by her eagle on number 14 turned in the lowest round of the day at 82 for her first win of the season. Robbie Revis picked up his second win of the season with the exact same score of 85 which he won last year's B Flight here with. There were two other first time winners here today as Ray Martin won C Flight with his 93 finish and Linda Lietch topped the D Flight with 96.

The Tours next scheduled event will be their second Major of the season ; Wednesday May 31st at London Downs Golf Club in Forest, VA beginning at 10am. Entry fee for members is \$75 or guest may play along for \$50 without being eligible to win any prizes. Memberships are still available for \$40 per year. Registration is requested as soon as possible but no later than noon Saturday May 27th. Register by emailing [golftripman@yahoo.com](mailto:golftripman@yahoo.com). All payments are due by Cash only prior to play and all prizes won will be cash only also following play. There were no C Flight Skins or D Flights Skins claimed in Tuscarora tournament therefore \$80 will carryover in C Flight and \$30 in D Flight to London Downs tournament. 1. Which group released "If You Leave Me Now"?

2. Name the ABBA song that was chosen as the "Best Studio Recording of 1975."

3. Which duo released "Do That to Me One More Time"?

4. Name the singer who released "Slave to the Rhythm."

5. Name the song that contains these lyrics: "I thumbed my way from LA back to Knoxville, I found out those bright lights ain't where I belong."

### Answers

1. Chicago, in 1976. The song topped the charts in both the U.S. and the U.K., as well as Ireland, the Netherlands, Canada and Australia.

2. "Fernando." The song hit No. 1 in over a dozen countries, but not, astonishingly enough, on the Hot 100 chart in the U.S. It's been used in several films and TV shows.

3. Captain & Tennille (Daryl Dragon and Toni Tennille), in 1979. The song was the second No. 1 hit for the husband and wife duo.

4. Grace Jones, in 1985. It was taken from her album of the same name.

5. "Smokey Mountain Rain," by Ronnie Milsap, in 1980. The song, telling of a man's trip home to find the woman he left behind, became Tennessee's eighth state song in 2010 by order of the state's General Assembly.

## Even Exchange by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

*Now here's a tip!* by Jo Ann Derson

\* My mom was dealing with a rough health patch recently, and my dad was in charge of all her doctor visits. There was a lot of follow-up to keep track of, and many different doctors. He used a wallet-size photo holder to corral all the different appointment cards to put them in order of appointment. He really did a great job, and Mom's all better now. -- Y.R. in Ohio

\* A fast, cheap and effective treatment for leg cramps is drinking a little bit of pickle juice. I'm not sure if it's the vinegar or the combination of vinegar and salt, but it works -- and fast! My grandpa told me about this, and recently I have seen it in magazine articles and on television shows. Nothing fancy, just take a big slug of the juice at the very first sign of a cramp. -- E.E. in Maine

\* Here's a tip for brides: For the couple of weeks before your wedding, wear your wedding shoes around the house several times a week. This breaks them in, and you will be more comfortable with all the standing and dancing on your special day!

\* I think cleaning wipes are so very handy, but they can be quite expensive. To make my own, I add cleaner to baby wipes, right in the container. I don't have babies in the house, but I do mark the container well so that nobody would use it for his or her skin. They work well for me. -- via email

\* To thread a needle, run the tip of your finger and thumb over a stick of lip balm, then roll the end of the thread between your fingers. It keeps the threads together and goes through the eye of the needle much easier.

**Skillet Strawberry cobbler**

**Equipment**  
10-Inch Cast Iron Skillet

**Ingredients**  
Strawberry Filling:  
6 cups fresh strawberries cleaned, hulled, & halved if needed  
½ cup sugar  
1 tbsp cornstarch  
Pinch of cinnamon  
Zest of 1 lemon  
2 tsp fresh lemon juice

Biscuit Topping:  
1 cup flour  
¼ cup + 2 tsp sugar, divided  
2 tbsp stone-ground cornmeal  
2 tsp baking powder  
¼ tsp baking soda  
¼ tsp salt  
4 tbsp butter melted & cooled  
½ cup buttermilk  
½ tsp vanilla  
⅛ tsp cinnamon

**Instructions**  
Preheat the oven to 375 degrees.  
Prepare the strawberries, by washing & removing the hulls then cut any large strawberry in half.  
Combine the sugar, cornstarch, and cinnamon together in a large bowl. Add the prepared strawberries, lemon zest, and lemon juice then gently toss together to coat evenly.  
Pour the mixture into a large cast iron skillet.  
Place into the oven and bake for 25 minutes.  
Prepare the biscuit topping, by whisking together the flour, 1/4 cup of sugar, cornmeal, baking powder, baking soda, and salt together in a large bowl.  
In another bowl, whisk the buttermilk together with the cooled melted butter and vanilla until well combined. Set aside.  
In a small separate dish, combine the remaining 2 teaspoons of sugar with the 1/8th teaspoon of cinnamon; mix very well. Set aside.  
One minute before the berries come out of the oven, add the wet ingredients to the dry ingredients; stir with a rubber spatula until just combined and no dry pockets remain.  
To assemble and bake, remove the berries from the oven; increase the oven temperature to 425 degrees.  
Divide the biscuit dough into eight equal pieces and place them on top of the hot berry filling, spacing them 1/2 inch apart (they should not be touching).  
Sprinkle the top of each biscuit with the sugar/cinnamon mixture.  
Place into the oven and bake for 15-18 minutes.  
Remove from the oven and place on a wire rack to cool for 20 minutes.  
Serve with ice cream or whipped cream. Enjoy.
