Holy Spirit, you who make me see everything and show me the way to reach my ideal. You who give me the divine gift to forgive and to forget the wrong that is done to me and you who are in all instances of my life with me, I in this short dialogue want to thank you for everything and confirm once more that I never want to be separated from you no matter how great material desires may be. I want to be with you and my loved ones. Persons must say this prayer for 3 consecutive days without asking your wish. After third day your wish will be granted no matter how difficult it may be. Promise to publish this dialogue as soon as your favor has been granted.

Bronx, NY 10461

### DISTRICT NEEDS REQUESTS

Each year the City of New York requires each Community Board to submit a list of capital and expense requests. For example, Bronx Community Board #10 often suggests increasing litter basket collection, allocating more funding toward the sidewalk repair program, and assigning more police officers to our precinct to name a few. If you have an idea or request, feel free to bring it to our attention. We must demand the City of New York continue funding popular and successful municipal services. Requests are prioritized. If your request does not make it to our final list, we will have it on record for future District Needs Statements.

### ILLEGAL COMMERCIAL VEHICLES

Commercial vehicles and tractor trailers plague our service roads and residential streets daily. We need your help! You must call 311 whenever you see a commercial vehicle between the hours of 9 P.M. and 7 A.M. parked on a residential street or service road. When you retrieve the 311-confirmation number, please consider e-mailing the 45th Precinct at [caopct45@gmail.com](mailto:caopct45@gmail.com) with the location of the vehicle and its license plate number if you can obtain it. Our 45th Precinct Community Affairs will ensure that these vehicles receive summonses. If all else fails, please contact our office by phone or e-mail so that we can bring the issue to the precinct's attention.

### GARBAGE AND RECYCLING TIME CHANGE

By now you know that the City of New York changed the times when we can set out our household and recycling waste. We can no longer set out our household and recycling waste before 6 P.M. unless it is in a container with a lid. If it is not within a container with a lid, then you must wait until 8 P.M. to place it on the curb. If you or someone needs garbage and recycling labels for your containers, please come to our office between 8 A.M. and 4 P.M. during the week.
