RATES SUBJECT TO CHANGE

ARIES (March 21 to April 19) Single Lambs looking for love could find Cupid aiming at someone you thought (wrongly) was uninterested. Paired Sheep could soon make plans to move into new pastures.

TAURUS (April 20 to May 20) Level that sharp Bull's eye of yours directly at the target you're after. Don't let yourself get sidetracked by any misleading or deceptive attempts to distract you.

GEMINI (May 21 to June 20) Early enthusiasm gives way to a more reflective attitude, as you assess the potential of a new job. Avoid questionable advice. The ultimate decision should be yours.

CANCER (June 21 to July 22) You might need to reassess the responsibility you've taken on. Consider delegating some of the tasks to people you trust and focus on those things you do best.

LEO (July 23 to August 22) Don't be shy about sharing new ideas with your workplace colleagues. Their warm reception and trusted support will soon have you purring with satisfaction.

VIRGO (August 23 to September 22) That uneasiness over a potential commitment should be confronted and dealt with realistically. Find out why you're delaying an important decision.

LIBRA (September 23 to October 22) Your business venture gets back into high gear after a brief period of sputtering. Don't be discouraged. Stay with it. Your hard work and patience will pay off.

SCORPIO (October 23 to November 21) Watch out for a tendency to let things slide in hopes that a problem will correct itself. You need to be more proactive than reactive if you want to see change.

SAGITTARIUS (November 22 to December 21) A wilting relationship could recover and be coaxed back into full bloom, as long as there is a strong commitment to your partner to make the relationship your priority.

CAPRICORN (December 22 to January 19) Before you accept a new job offer, check on the status of a promotion you were promised in your current workplace. Then, make a decision.

AQUARIUS (January 20 to February 18) Expect to find yourself in a teaching situation on the job, which you will no doubt enjoy. Don't be surprised if you get to learn a few things as well.

PISCES (February 19 to March 20) You'd love to make a big splash with your new project. But you'd be wiser to introduce it to your colleagues in a more restrained way and let it speak for itself.

BORN THIS WEEK: You're a practical person who also has a sense of adventure. You have a capacity for leadership that others often tap in to.

The pastor was known for the clarity and brevity of his sermons. His talks were well organized and always ended promptly in 20 minutes.

One Sunday, he seemed to wander and drift around a bit and was still preaching to the congregation after 35 minutes. His wife managed a small signal, which fortunately he recognized as a sign he should come to a close.

When they got home after the service, the wife asked him why he got so muddled and why he went on speaking so long.

He answered, "Well, I've gotten into the habit of putting a lozenge in my mouth before I stand to speak. When the lozenge has dissolved, I know it is time to stop. This morning, unfortunately I picked up a collar button instead of a lozenge."

May 18, 2023 By Paulette Dean

We are currently seeking to add to our list of approved foster homes.

In late summer of 2005, Annette Nolen-Ferguson found a litter of orphaned, unweaned kittens in this area. She took them into her home and lovingly bottle fed them and provided them 24 hours a day care. When they were about seven weeks old, she found all of them homes. People who knew Annette were not surprised by this, because she had loved animals her whole life.

Annette and her family had no way of knowing that shortly after that, on October 25, 2005, Annette would pass away suddenly, leaving a grief-stricken family.

Her parents, George and Judy Nolen, decided that they wanted their daughter's life to be remembered and memorialized, and they chose to do that by establishing the Annette Nolen Ferguson Foster Fund with the Danville Area Humane Society.

Although we have had a foster program for special-needs cases, we have a desire to expand that program. As many orphaned, unweaned kittens and puppies come into our open-admission shelter every year (sometimes in the hundreds), the need is great for people to be willing to provide the care in their homes. As a natural consequence of this, they become adoption ambassadors for their foster animals and help find homes with friends and family members, using our regular adoption process. That is a winning situation for the animals, the foster homes, and us!

Our biggest need involves litters of kittens and puppies who come to us without their mother need to be in a home where they can be bottle-fed,

996 South Boston Rd., Danville, VA 24540 Phone: (434) 799-0843

taught basic puppy/kitten skills, and then brought back to us for adoption when they are able to eat solid food.

Until now, foster homes were responsible for the cost of the food and veterinary care. This fund allows us to provide the food and to pay for the veterinary treatment.

The process for being approved to be a foster home is the same for being approved for an adoption. It is not a long process and it helps us ensure the future safety and well-being of shelter animals. Just stop by the shelter during our regular business hours (12-5:30 Monday-Friday and 12-3:30 on Saturday) and fill out a questionnaire to begin the process.

Donations, of course, to the Annette Nolen Ferguson Foster Fund are tax-deductible. Visit our Facebook page to donate through PayPal, stop by the shelter, or mail a check to DAHS at P.O. Box 3352, Danville, VA 24543.

We are grateful to George and Judy Nolen for their generosity.

Escale Watch

The Louis Vuitton Escale Time Zone watch features the world's 24 time zones. Escale ("stopover" in French) was created to appeal to the world traveler not only with the time zones, but with the colorful flags of the world represented on the watch's face. The images of the flags also link the contemporary wristwatches to earlier days of Louis Vuitton, when travelers could customize their LV luggage with flags of the countries where they traveled.

This watch was introduced in 2010, and there is still an Escale line. Louis Vuitton's annual designs include a resort collection also called Escale.

• I have a pair of gold-tone costume jewelry earrings that I love even though they are not real gold. A small green spot has appeared on each one where the post attaches. Can the spots be removed?

Are the earrings safe to wear? . The green spots, called verdi-A gris, are a patina that can form on copper, bronze, brass and gold or silver plate. You can clean it off your earrings and continue wearing them. You can try removing small spots with a toothpick, soft-bristled toothbrush, pencil eraser or microfiber cloth. If you need something stronger, mix a small amount of dishwashing detergent with warm water and use this to clean your jewelry. If your earrings don't have pearls or foil-backed rhinestones, you can dilute white vinegar or lemon juice in water, soak a cotton ball in the solution, and hold it to the green spot. Or apply ketchup to the spot; it is acidic, and its thick consistency means it won't run like a liquid. But be careful when you use acids to clean jewelry! They can discolor gold-tone metals, damage pearls (both real and fake) and foilbacked stones, and weaken some glues. To keep verdigris from forming, store your pieces separately, avoid exposing them to moisture, oils and cosmetics, and make sure your skin is clean and dry when you wear them.

This Escale watch in a signed box was estimated at \$3,000 to \$5,000. It sold for \$3,000 at a Rago auction in 2021.

TIP: Use eyeglass-cleaning tissues to clean the glass on small pictures.

DPS CELEBRATES OPENING OF GWHS TRACK

Danville Public Schools (DPS) recently held an opening ceremony for the brand new, state-of-the-art track and field facility at George Washington High School (GW). The ceremony included a presentation, ribbon cutting, and ceremonial "first run" around the track.

The facility, for which construction began in March 2022, holds an eight-

lane, NCAA certified synthetic track, along with field event spaces for long jump, pole vault, steeplechase, javelin, shot put, high jump, and hammer/ discus.

The nearly \$4 million track facility is part of a larger \$81 million renovation currently underway at GW. The opening of the track facility marks the end of a more than 20-year period in which GW and Galileo Magnet High

School could not host track meets due to the lack of adequate facilities. "We're looking forward to this athletic venue not only being the showpiece for this city, but for this region and this state," **GW** Principal

Reyhan Deskins said.

"This is what our athletes and coaches deserve, and I'm so honored and proud to be a part of an amazing group of board members and community members to make this happen for our amazing student athletes," Danville School Board Chair Ty'Quan Graves said.

The new track will be used by GW and Galileo runners, as well as Averett University. DPS has partnered with Averett for use of the track, which has allowed for the addition of collegiate track programs in the city. The Averett University track and field indoor and outdoor programs had their inaugural seasons in the 2022-2023 year.

"Today, we celebrate our dreams becoming a reality not just for Averett, not just for the Danville Public Schools, but for the entire community," Averett University President Dr. Tiffany Franks said. "We're creating another point of destination for our region."

Funding for the track facility was made available in part by Danville City Council, who earmarked funds to go towards the track facility. "One of our priorities [for the city] is education," Vice Mayor Dr. Gary Miller said. "It's not just mental education, it's physical education." The track is just the first in several improvements to the school's athletic campus. Other renovations to follow include the football stadium and fieldhouse, as well as a new press box.

GW is holding its first home track meet today, May 10, at 5 p.m. In addition, GW is hosting the Piedmont District track meet on May 17, and the Region 4D track meet on May 23.

Eva (Oakley) Isom

May 17, 1927 ~ May 15, 2023 (age 95)

Eva Oakley Isom passed away peacefully, May 15, 2023, at her home in Toano, VA, where she had lived for the past two years.

Born May 17, 1927, Eva was the fifth of thirteen children born to Walter K and Ida Terrell Oakley. She and

her siblings grew up on a farm in Caswell County,

As a young woman Eva left the farm for the big city of Danville, VA, and a job in Dan River Mills. Shortly thereafter, she met Cleaters Stanley, recently honorably discharged from the army after serving abroad in WWII. A whirlwind romance ensued and they were married May 18, 1946. Together they had three daughters, Betty, Wilmer and Sandra and made many good memories before his sudden and untimely death in 1963.

With her daughters' grown, Eva married James Frederick Isom in 1974. They enjoyed travel, spending time with family and canning or freezing the multitude of vegetables in their garden or purchased from local farmers. When his health began to fail, Eva became his primary caregiver and retired from her job in Dan River Mills after 45+ years. Spending time with family was a great source of pleasure for them both. After his passing in 2006, Eva continued living alone in their home until a bad fall in September 2020 made it impossible for her to do so. She moved to Toano, VA, to live with her daughter Wilmer Stanley and was lovingly cared for by all three daughters and their families.

We were all blessed to have her part of our lives for so long and will always remember the strength, loyalty, fun and love she gave us along the way.

Some of the many memories we have of her include the things she enjoyed in her everyday life:

Making chicken and dumplings for family who were sick or just in need of comfort food, country music, walking in the mall, tending to her many roses, shrubs and flowering plants. She could be found weeding flower beds well into her 90s. She enjoyed her daily and numerous phone conversations with her sister-in-law and BFF Doris Oakley and Sunday dinners with Doris and Walter and their children. She loved the fuss everyone made over the sour cream coconut cake she made for every Oakley reunion. She was an avid shopper, always searching for bargains and often buying things she couldn't use but thought surely someone else could. Holidays with her daughters and their families were especially fun, arriving with the car trunk full of food and Christmas presents. She loved playing with her grandchildren and their children at every opportunity.

Left to cherish her memory are her daughters, Betty & Harold Johnson, Wilmer Stanley, and Sandra and Frank Dimes as well as 7 grandchildren, 11 great grandchildren, 2 great great grandchildren, 1 sister, 2 brothers and a host of dear nieces, nephews and friends.

Funeral services will be conducted Friday, May 19th, at Swicegood-Barker Funeral Services, 564 West Main Street, at 2pm. Visitation will be held 1 hour

 Is it true that Christina Apple-· gate has quit acting due to her health? Does she have any upcoming shows she's already filmed, or was "Dead to Me" her last? — A.I.

 Christina Applegate was diag-A nosed with multiple sclerosis, an autoimmune neuromuscular disorder, while co-starring in the Netflix series "Dead to Me." It was an enormous physical challenge for her to film the final season. She credited the kind cast, crew and bosses on the set for helping her get through her scenes, allowing her to take naps when needed.

In November of last year, she was honored with a star on the Hollywood Walk of Fame and hinted that she might quit acting. Recently, this month, she made it official, saying that she wouldn't do anymore on-camera acting. Fortunately, she plans to support herself doing voice work, including reprising her role as Kelly Bundy in an upcoming animated series version of "Married with Children."

• Is Arnold Schwarzenegger's new show the first time he's acted in anything since he was the governor of California? Also, did he and Maria ever divorce? — Q.S.

 World-famous bodybuilder-A.turned-movie-star-turnedpolitical-figure ended his two terms as California's governor in 2011. That same year, his wife, Maria Shriver, filed for divorce after it was made public that Schwarzenegger fathered a child with the family's longtime housekeeper. Their divorce was finalized in 2021.

After Schwarzenegger exited the governor's post, he quietly returned to show business in the action film "The Expendables" and its sequel opposite Sylvester Stallone. In 2015, he starred in "Terminator Genisys," and in 2019, he starred in "Terminator: Dark Fate," which also featured Linda Hamilton's return as Sarah Connor. In the past two years, he's exclusively done voice work for animated shows and video games, but this May marked his return to comedy.

In the new Netflix series "FUBAR," he plays a newly returned CIA agent whose lured in for one last job, when he learns someone close to him is also a secret agent. There's plenty of action,

Christina Applegate in the series "Dead to Me"

but it's also a great vehicle to showcase Schwarzenegger's wit, which was a big hit in movies like "Twins" and "Kindergarten Cop" in the late '80s and early

• Why did CBS cancel . "S.W.A.T.?" I thought it was one of those foolproof hit shows that would be around for a long time. — B.M.

. "S.W.A.T." actually lasted six A seasons on CBS, so it was definitely a bonafide hit, but never reached high numbers like "NCIS," "Law & Order" and other network dramas that have spawned spin-off after spin-off.

Star Shemar Moore was outraged by the cancellation of his show, stating in a video he posted on social media that they've been "killing it" in its 8 p.m. Friday night slot for the past two years. He also expressed his disappointment, as they were led to believe there would be "some semblance of a season seven to at least say goodbye, if not continue," but instead, it was announced that this season would be its last.

Moore remains hopeful that the network will have a change of heart, so if you're a fan, keep your fingers crossed.

4. Which group changed their name to Sugar Ray?

5. Name the 1969 song that contains these lyrics: "I love you so, I always will, And in your voice I hear a choir of carousels."

1. Dean Martin, in 1964. Written 20 years before, the song never got much attention until Martin's version. It became his signature song on his television show from 1965 to 1974.

2. Dion, in 1961 after his break with the Belmonts. Dion was inducted into the Grammy Hall of Fame for the song in 2002.

3. Peter Townshend of The Who. At last count, the number of guitars smashed topped 80. Legend says that he always collected the pieces of the guitars and glued them back together.

BEEF TACO SALAD

Ingredients

FOR THE BEEF:

- 1 tablespoon vegetable oil
- 1 pound ground beef
- 1 teaspoon ground cumin
- 1 teaspoon chili powder
- 1/2 teaspoon paprika
- 1/2 teaspoon garlic powder
- 1/2 teaspoon dried coriander (or dried oregano)
- 1/2 teaspoon salt (or to taste)
- 1/4 teaspoon ground black pepper (or to taste)
- 2 tablespoons tomato paste 1/4 cup beef broth or water

FOR THE SALAD:

- 1 head romaine lettuce, chopped (about 6-7 cups)
- 2 cups grape tomatoes, halved
- 1/2 cup red onion, diced
- 1 medium ripe avocado, diced
- 1 cup cooked corn (canned or cooked from frozen)
- 1 cup shredded cheddar cheese (or Tex-Mex blend)
- 1/2 cup fresh cilantro, loosely packed 1 cup tortilla chips, crushed (or tortilla strips)

FOR THE DRESSING:

1/4 cup Greek yogurt (or sour cream) 2-3 tablespoons lime juice

INSTRUCTIONS

Heat oil in a large skillet for 2 minutes over medium-high heat until the hot oil sizzles. Add ground beef and stir well to cook evenly until browned, about 6-8 minutes. Make sure to break up beef into small pieces to help even browning.

Add cumin, chili powder, paprika, garlic powder, oregano, salt, pepper, tomato paste and beef broth. Reduce heat to medium and let the mixture simmer for 3-5 minutes until the sauce thickens a bit, stirring occasionally. Turn off heat and set aside while you assemble the salad.

In a large serving bowl, add all salad ingredients including lettuce, tomatoes, red onion, avocado, corn, cheese, cilantro, and tortilla chips (or tortilla strips).

In a small bowl, whisk to combine the Greek yogurt and lime juice. The dressing will be a little thick. You can add extra lime juice to taste or to thin it out.

Dollop a spoonful of dressing over the salad and toss to combine.
