What is A Town?

A town is a group of people.

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs.

Without their store you have no town.

GIVE THE LOCAL MERCHANT A FAIR SHAKE

Once Upon A Time....

There was an owner of a very successful ice cream shop. This owner built his business by having the creamiest ice cream around and by letting his customers know about them through extensive advertising. His business was so successful that he was able to send his son to a prestigious Ivy League school where his son was studying to receive his M.B.A.

One day the son came home for a break and promptly questioned his father "Dad, don't you know that there is a recession going on out there?" The father replied that his business was going very well, but the son persisted telling his father "Dad, you've got to cut back." So the father, figuring his son knew all about business, followed the son's advice. He promptly cut his advertising budget and then cut his cone & ice cream orders. Before long, business in fact did slow down. So the father replied to the son "You were right, son. Business is terrible. There is a recession going on out there."
