HOW TO KNOW WHEN YOU NEED HELP FROM AN ELDER LAW ATTORNEY

This is National Elder Law Month. Although not as well-known as many observances, this month's designation deserves serious attention because elder law attorneys can help families in many valuable ways.

With that in mind, we invite you to take a moment to review these five critical questions. If you can answer "Yes" to any of the items below, that means it may be time to seek the expertise of an elder law attorney. Elder law issues affect the entire family, so it is a good idea to consider these questions both for yourself and for a loved one.

Are you concerned about long-term care needs?

It's no secret that the cost of long-term care has risen at a phenomenal rate and is expected to climb. Care to help with medical needs or daily living activities can quickly deplete savings whether that care is provided in your home or in a facility. If you are contemplating care needs due to advancing age, medical conditions, or for a loved one with special needs, an elder law attorney can develop a plan to provide for needs while conserving assets.

Are you worried about what would happen if you were incapacitated due to an accident or illness?

If you were in a coma due to a car accident or other medical emergency, have you prepared documents to authorize someone to make decisions on your behalf? An elder law attorney can set up power of attorney to enable a loved one to make medical decisions or pay your bills while you are unable to communicate. An attorney can also prepare a living will to specify your care preferences in certain medical situations and HIPAA authorization documents to allow loved ones to discuss your condition and treatment with medical providers and health insurance companies.

Do you need help understanding and obtaining government benefits such as Medicaid?

You may be eligible for benefits through programs such as Social Security, Medicare, Medicaid, and the Veterans Administration. Often these benefits can help pay for nursing home costs and other care needs. However, understanding what you could receive and how to prove that you qualify can pose a serious challenge. An experienced elder law attorney can navigate the confusing regulations and rules to help you receive benefits to meet your needs.

Do you need help evaluating planning options such as long-term care insurance, reverse mortgages, annuities, and Iowa Medicaid Trusts?

There are many choices offered to seniors to "help" meet needs and expenses, but while some of them really work, others are scam programs that can leave seniors in a precarious financial position. Elder law attorneys know how all of these programs operate, so they can explain the pros and cons and help choose the best options for your particular situation.

Are you concerned about a potential problem with a nursing home or conflict over an estate?

Elder law attorneys are trained in dispute resolution, so if you have a conflict over the terms of a nursing home contract or someone disagrees with the provisions in a will or has concerns about the need for guardianship, a skilled elder law attorney can explain the legalities and work to negotiate a solution. If conflict cannot be settled through discussion, an attorney can move forward to resolve issues in court.

GET THE ANSWERS YOU NEED

The dedicated legal team at Huizenga Law specializes in elder law, Medicaid planning, long-term care planning, and estate planning, and we are always ready to answer your questions. Just give us a call.

Public Road Right-of-Way Ordinance
To: Property Owners, Tenants, and Residents of Sioux County.

Sioux County's Public Road Right-of-Way Ordinance prohibits the obstruction and/or tillage of public road right-of-way which includes the road ditch.

Sioux County Engineer's Office is asking for the help and cooperation of each property owner, tenant, or resident in violation of this ordinance to remove the following items considered an obstruction from the right-of-way and road ditch as soon as possible:

1. Fences of any kind placed within the right-of-way and road shoulder
2. Debris, trash, burn piles, garbage, farm implements, vehicles, etc. placed on road right-of-way
3. Crops on the right-of-way which includes the road ditch

The placing of these items along the road right-of-way and in road ditches may cause danger for others and liability for those in violation of the Sioux County's Public Road Right-of-Way Ordinance.

The Ordinance does provide for a penalty which will be enforced against those who remain in violation of this Public Road Right-of-Way Ordinance.

Your time, efforts and cooperation in removing these obstructions from the right-of-way and road ditches will be appreciated plus aid in keeping our road ditches and right-of-way beautiful. Thank you.

Thank you to all the volunteers who helped this past year for Sinterklaas Dag, Mix Day, the Century Home, Poffertjes, the Parade of Flags, and the Heritage Walk.

Over 700 volunteer hours have been dedicated to the various jobs of cleaning, measuring, mixing, packing, grilling, buttering, sugaring, marching, riding, walking, repairing, decorating and preparing.

We want to thank you all for giving of your time, talents, and financial gifts.

If you would like to help with any of the above activities in the future, please complete the volunteer form on our updated website www.dutchheritageboosters.com or contact us at dutchheritageboosters@gmail.com.

The DHB organized in 1986 to promote and maintain the Dutch heritage early settlers of Orange City brought to the town. The group maintains The Little White Store, The Century Home and a library of authentic Dutch costume patterns. They also sponsor Sinterklaas Dag each December, as well as the Dutch Heritage Walk and parade of flags during Tulip Festival. The volunteer group may best be known for the poffertjes they make and serve from The Little White Store each Tulip Festival and on other special occasions.
