I Don't Get It

I've got 3 TVs, cable, and a satellite dish; I have 3 phone lines in the house, a cell phone and one in the car, plus a pager.

I use 2 computers, 3 ISPs and a fax. I subscribe to two daily papers and one weekly one. I watch both the local and network news every evening.

And my kids have the nerve to tell me I'm out of touch.

We are thrilled to announce another microchip clinic. Through the courtesy of the John B. and Elizabeth Hall Animal Rescue Fund, there will be no cost for owners! Dr. Aceto has recently joined Animal Medical Center of Danville and will insert the chips.

The clinic will be held in conjunction with a Pet Photo with Tropical Santa event at the city animal shelter on Saturday, July 15th from 11 a.m. - 1 p.m. There will be a limit of two chips per household. We expect appointments will be filled quickly, so please call 799-0843 to make your appointment.

Millions of lost dogs and cats enter shelters each year, and relatively few are returned to the owner, unless that owner has been diligent about providing an easy way home for the animal. In Virginia, shelters and rescue groups are required by law to make a reasonable effort to contact owners within 48 hours of an animal's arrival in their facility, if the animal comes in with some form of identification.

State and local dog license laws are supposed to help return lost dogs to their owner, but very few localities require the licensing of cats. In addition, collars and tags can easily get lost.

At the shelter, we keep a lost and found registry of animals, but that system also has weaknesses. What an owner describes to us may not be what we see in an animal.

In short, there are still too many healthy dogs and cats being euthanized because their owners can't find them. If your lost pet is picked up by a citizen, and not taken to the public facility, the chances of being reunited with that animal are significantly decreased.

What, then, can an owner do to increase the odds that their beloved missing pet can be found and returned home?

A tiny transponder, called a microchip, the size of a grain of uncooked rice may solve many of these problems. This is a permanent identification system implanted under the animal's skin and read by a chip scanner. Implantation is done with an injector that places the chip under the loose skin between the shoulder blades.

The advantages are numerous. The process is quick and no more painful than a vaccination. The chip does not get lost, and a simple procedure with a scanner alerts a shelter that a microchip has been inserted. The owner's name and address can be registered on a national or regional database.

A registered microchip can be a way to help your animal come home, and it can also be proof that the animal belongs to you..

OBITUARIES

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's." - Romans 14:8

Anne (Stadler) Bradshaw

November 15, 1933 ~ June 25, 2023 (age 89)

Mrs. Anne Stadler Bradshaw, age 89, of Danville, VA, passed away on Sunday, June 25, 2023 at SOVAH Health—Danville.

She was born on November 15, 1933, in Pelham, NC, to the late Robert Stadler and Della Chilton Stadler.

Before her retirement in 1970, Mrs. Bradshaw worked as an inspector for Dan River Mills and was a member of Stokesland Baptist Church, where she taught Sunday school. She loved to play golf, spending time with her grandchildren and great-grandchildren, and she loved attending church and teaching Sunday school.

She is survived by her daughters, Carolyn Brooks Jones (David); Terry Bradshaw Murphy (Wade); and Pat Bradshaw Harvey (Frank); grandchildren: David Smith (Sunny); Brooks Jones; Frankie Harvey; Trent Harvey; Chase Murphy (Lexi); and Logan Harvey; and great-grandchildren: Josh Reynolds; Taylor Smith; Heidi Reynolds; Brycen Jones; Chance Harvey; and Brady Jones.

In addition to her parents, Mrs. Bradshaw was predeceased by her husband, Jimmie Roger Bradshaw; son, Randy Brooks; sisters, Edna Paschel, Hazel Taylor, and Mildred Fitzgerald; and brothers, Robert Stadler, Bobbie Taylor.

Graveside services will be conducted at 11:00 a.m. on Tuesday, June 27, 2023 at Pelham United Methodist Church Cemetery with Rev. Chuck Vickers officiating.

Swicegood Funeral Service is respectfully serving the Bradshaw family.

Marjorie Marie (Phelps) Booker

June 6, 1941 ~ June 24, 2023 (age 82)

Marjorie Marie was born on June 6, 1941 in Pittsylvania County, Virginia. She was the youngest daughter of Richard and Emma Phelps, who predeceased her. She is survived by children, John Wesley Booker, IV; Ramona Maie Booker; and Anita Murphy and husband, Richard, all of Danville,

Virginia; granddaughter, Taylor Murphy; sister, Rita Smithy; and Brother Richard Jerry Phelps and wife, Brenda; sister-in-law Margaret "Bunny" Gabel and husband Dan Gabel of New York City, NY. In addition to her parents, Marjorie was predeceased by her husband, John Wesley Booker, III; and brothers, Dewey, Fred, Bobby, and Buddy.

Marjorie loved working at Disston for almost 20 years. She was a hard worker who worked with speed and precision assembling grass shears and other lawn equipment. Later, when Taylor Grace was old enough to start school at Park Avenue Elementary, she went to work there in the cafeteria and enjoyed seeing Taylor every day.

Marjorie loved watching the birds at her bird feeders outside of her window, and seeing the wildlife that passed by in her backyard. Her beloved dog, Marley stayed by her side, until his passing. She enjoyed doing word search books and listening to her gospel music CD's. She was a sweet and caring woman and the best Mama anyone could have. She will be missed and loved forever by her children, family, and friends.

Graveside services will be conducted at 11:00 A.M. on Wednesday, June 28, 2023, at the Phelps Family Cemetery, on Honey Road in Danville. The officiating minister will be Reverend Mike Wiles. The family will receive friends one hour prior to the service at the graveside.

In lieu of flowers, the family requests memorial contributions be made to the Danville Area Humane Society.

Swicegood Funeral Service is respectfully serving the Booker family.

Even Exchange by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

1. ABBA won the 1974 Eurovision contest with which song?

2. Name the group that released "Boogie Fever"?

3. Who was "Sloopy" in "Hang On Sloopy"?

4. Which duo released "Lady Godiva"?

5. Name the song that contains these lyrics: "Stayed in bed all morning just to pass the time; There's something wrong here, there can be no denying."

Answers

1. "Waterloo." Then, in 2005 at the 50th anniversary of the contest, the song was picked as the best song in the whole history of the contest, edging out "Nel blu, dipinto di blu" (aka "Volare") by Italian Domenico Modugno.

2. The Sylvers, in 1975. The group, consisting of nine of the 10 kids in the family, originally called themselves the Little Angels.

3. Legend says that Sloopy (born Dorothy Sloop Heflick in 1913) was a singer in Ohio and an Ohio University student. "Sloopy" is the fight song of the Ohio State University Buckeyes and was named the state's official rock song in 1985.

4. Peter & Gordon, in 1966.

5. "It's Too Late," by Carole King in 1971. The song snagged a Grammy for Record of the Year in 1972 and made it onto the Rolling Stone's list of greatest songs of all time.

Now here's a tip! by Jo Ann Derson

* Save the rubber bands from broccoli. You can put them around the body of a drinking glass so that it will be less slippery as it condensates.

* "I save the wrappers from my unsalted butter sticks in a baggie in my refrigerator. I use them to grease a pan when baking." -- M.M. in Wisconsin

* Corn is best cooked within a day or two of being picked, so farm-stand corn is the best. Add a little bit of milk to the cooking water, and it will bring out the natural sweetness.

* Cherries are in season! Much like strawberries, they need to be kept refrigerated but taste best at room temperature. Before eating your cherries, let them sit out for about a half-hour.

* Mmmmm. Dried lentils don't need to be soaked prior to cooking like other dried beans. And they're packed with protein.

* "If you lose a contact lens and can't find it right off, try turning out the lights and shine a flashlight across the ground. The lens might reflect the light and cause a flash. That will make it easier to find." -- T.L. in Texas
