 My dear Brother, I miss you so thru all these years. You were always so sweet and kind to me. Loving music, doing a lot of singing; so artistic, having a passion for the unknown things that go bump in the night. Apple of our mother's eye, it was thought by many. You always gave me such support when I needed someone to talk to. I can still see your handsome face and your beautiful Smile; and hear your Smooth voice.

 Thank you for being my Brother.  
 I love you so; and I'll see you on the Other Side.

*All My Love, Marcia*

*The Family of the late  
Concetta (Connie) Marie Dennison*

wishes to express our deep appreciation to those who have offered such kindness, support and messages of sympathy and comfort in our bereavement. Your prayers and acts of love gave us strength and sustained us during this very difficult time. We never felt alone and words cannot express our gratitude to family and friends who made visits, called, brought food and sent flowers and cards.

Special thank you to Bill D'Angelo at Martin's Funeral Home for his kindness, guidance and support. We would also like to thank the staff at Saint Patrick's Church for the beautiful service and music, and the Genesee River Hotel for the wonderful luncheon.

With love and appreciation,  
**The Family of Connie Dennison**

In last week's thank you ad from the Family of Anthony Torcello, the Mount Morris Shopper inadvertently left out the portion specific to the Mount Morris Fire Department. Thank You all for your care and concern for dad, and also the respect shown at his funeral.

## Building Birdhouses for Spring

The Mount Morris Garden Club asked our Cub Scout Pack to build some bluebird houses for the John Wesley Powell Park and Boat Launch this spring. The Pack 82 Arrow of Light Den decided to undertake the project, which they used to learn more about woodworking and construction. The Scouts met at the park on Wednesday, May 10th to mount their birdhouses on the split rail fence which separates the park from the Genesee River.

Special thanks to John Hall for providing the bird-house kits and to the Mount Morris Garden Club for the suggested conservation project.
