Don't let unsightly hair keep you from being and feeling your feminine best!

Other methods are temporary, painful and expensive too! Accept the only recognized permanent method of hair removal. With 17 years experience and the latest equipment you can expect better, faster results with far less discomfort than seen with older machines.

I am accepting new clients and all Nita Rhoads former clients are cordially invited to continue your treatment plans here. CDC guidelines for infection control and equipment sterilization are strictly observed.
