New election laws took effect July 1

Part of Minnesota's historic voting legislation went into effect on July 1, 2023. The measures expand access to voting and clarify existing language around campaigning near polling places.

The new laws taking effect include, but are not limited to:

- Expanding the right to be absent from work to vote any time during the 46-day absentee voting period, in addition to on election day;
- Extending the deadline for all absentee and mail ballots to be returned to 8 p.m. on election day; and,
- Allowing voters to sign in electronically when e-poll books are used.

In addition, language clarifying the existing prohibition on campaigning near polling places will take effect. The law will prohibit wearing, exhibiting, or distributing any

item that displays:

- the name, likeness, logo, or slogan of a candidate who appears on the ballot;
- the number, title, subject, slogan, or logo of a ballot question that appears on the ballot; or,
- the name, logo, or slogan of a political party represented by a candidate on the ballot.

The updated law clarifies that these prohibitions apply only during voting hours. They also apply during the absentee/early voting periods, to include the polling place and "within 100 feet of the room in which a polling place is situated, to the extent practicable."

Several significant election laws that were passed in the 2023 legislative session have already gone into effect in Minnesota. These include the restoration of the right to vote

www.pequotlakessupervalu.com

for those with felony convictions who are not currently incarcerated; pre-registration for 16-and-17-year-olds; and, protections for election workers from threats and harassment.

Other election laws passed in the 2023 legislative session will go into effect in 2024 and beyond including automatic voter registration; legislative district map modifications impact in boundaries in senate districts 9, 12, 17, and 44; the creation of a permanent absentee voter list; expanded hours for voting before election day; and, the creation of an 18-day early voting period.

Details on these laws and more are available on the Minnesota Secretary of State website https://www.sos. state.mn.us/elections-voting/ how-elections-work/strengthening-our-democracy/

CONSERVATION TIP OF THE WEEK

JULY 10-16, 2023

WASH YOUR CLOTHES IN COLD WATER

Wash clothes in cold water to save on the cost of heating water. Except for heavily soiled or all-white loads, there is little benefit to washing in hot water.

NATURE NOTES

- Look for Common grackles and red-winged blackbirds to begin to form large flocks. They are done nesting.
- Ruby-throated hummingbirds, barn swallows and mourning doves are still on the nest.
- Start looking for wild blueberries. You might find a few.

STARGAZING NOTES, provided by the Minnesota Astronomical Society What's happening in the starry sky this week?

- July 10 (dusk): a close pairing of Mars and Regulus (brightest star in Leo the Lion) is visible in the low west between 9:30 and 10:15 pm. Nearby Venus shines brightly at dusk, but skies need to darken before Mars and Regulus appear to the upper left of
- July 11 & 12 (early morning): crescent moon near Jupiter. Look east between 2:00 and 4:00 am.
- July 13 (early morning): crescent moon near the Pleiades star cluster-- a beautiful photograph! Look east between 2:30 and 4 am.

As part of its ongoing mission to educate the public about wise use of natural resources, Long Lake's team of Environmental Educators will share simple, everyday Conservation Tips that everyone, including kids, can do. If everyone makes the effort to consume resources more wisely, we can help ensure a brighter future for the planet and make life better TODAY!

Brainerd Public Library
