## NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that, in accordance with Article 2, Section 202 of the New York State Eminent Domain Procedure Law (the "EDPL"), notice is hereby given that a Public Hearing will be held by STAMP Sewer Works, Inc. (the "Corporation") on July 27, 2023, at 10:00 o'clock in the morning (the "Public Hearing") at the Town of Alabama Volunteer Fire Department, located at 2230 Judge Road, Oakfield, New York 14125, also commonly known as 2230 Judge Road, Basom, New York 14013 (the "Hearing Room"), concerning the Project (as defined below).

The Corporation proposes to acquire three temporary construction easements, over certain parcels of real property, together with the improvements thereon and appurtenances thereto, (the "Acquisition") one of which is situated within the Town of Alabama, County of Genesee, New York and two of which are situated within the Town of Shelby, County of Orleans, New York, respectively, and all of which are adjacent to New York State Route 63, and which are more specifically described as SBL Nos. 6-1-29 (Genesee County) and 90.16-2-26 (Orleans County) and 90.16-2-23.1 (Orleans County) (collectively, the "Properties"), for the purpose of: (a) constructing, installing, laying, maintaining, inspecting, operating, extending, replacing, repairing, servicing, upgrading, modifying, and/or removing a pipe/conduit, commonly called a "force main," and other equipment and appurtenances over, through, across, above, and under the easements, together with the right of unimpacted access to said forced main and equipment, and the right of ingress and egress on, over, and through the Properties, for any and all purposes necessary and incident to the exercise of all rights thereunder, which shall ultimately facilitate the sanitary disposal of treated sanitary wastewater and treated process wastewater in accordance with all local, state, and federal requirements through an established system of pipe lines, treatment plants and other means of disposal, pursuant to Sections 115 and 122 of the Transportation Corporations Act, and which shall service the Western New York Science and Technology Advanced Manufacturing Park ("STAMP") located in the Town of Alabama, County of Genesee, New York; (b) providing critical infrastructure to STAMP, which is a 1,250-acre mega site designed to power advanced manufacturing in upstate New York; and (c) ensuring that STAMP is equipped with an adequate sewage disposal system, thereby facilitating the creation of jobs and economic revenue at STAMP (together, the "Project"). The record owners of the Properties include David F. Schloss and Allison H. Adkison, Donald C. Quackenbush and Dana M. Quackenbush, and Brennen O'Connor and Valerie O'Connor.

The location of the Acquisition by the Corporation is more particularly described within the descriptions appended hereto as "Schedule A."

The purpose of this hearing is to inform the property owner(s) of parcels impacted by the Project, any existing leaseholders occupying any portion of parcels impacted by the Project, and the public about the Project, and to review the public use, benefit, and purpose to be served by the Project, its proposed location, and other pertinent information concerning the Project, including sketches/maps and property descriptions of the property interests to be acquired and the relationship of the Project to the adjacent and impacted parcels.

Attendees may appear in person or by agent and will be given the opportunity to present oral and written statements and to submit other documents concerning the Project at the above time and place. The Corporation has chosen to hold the hearing at the Hearing Room because it finds that it is reasonably proximate to the Properties subject to the Acquisition, and that it provides a convenient location for the property owner(s), the public, and/or interest-holders to be heard.

The Corporation asks those who wish to attend in person and/or comment at the Public Hearing to please provide advance notice of their intent to do so to Counsel for the Corporation, Phillips Lytle LLP, Attention: James R. O'Connor, Esq., by email at joconnor@phillipslytle.com, or by U.S. mail to James R. O'Connor, Esq., Phillips Lytle LLP, One Canalside, 125 Main Street, Buffalo, New York 14203. While advance notice is highly encouraged, in order to confirm the anticipated number of in-person attendees, spoken and written comments will be accepted at the hearing even in the absence of such advance notice.

Although the Corporation is required to notify the public of this Public Hearing, attendance is not required. Please be advised, however, that pursuant to Article 2 of the EDPL, any property owner(s) who may subsequently wish to challenge the condemnation of their property via judicial review may do so only on the basis of issues, facts, and objections raised at the Public Hearing. Please advise the undersigned by no later than July 20, 2023, if a sign language interpreter, assistive listening system, or any other accommodation will be required to facilitate your participation in the Public Hearing.

## Travel Thoughts By Kim

Let's go on an adventure together....to Rhode Island!

Newport, RI is a coastal harbor town with lots of stunning water views and gilded age mansions.

caught my interest each day. I ended up putting 572 miles on my rental car over the time I was there - flew in on Monday, spent three days exploring, and flew home Friday.

I chose to fly into Boston Logan airport, instead of Providence - mainly because I could get a non-stop flight and it saved me some money. It was a bit of a drive, though, from the airport to Newport and arriving after dark resulted in a stressful drive - Providence airport would have been much closer. The other decision was whether to stay in Providence or Newport - my original plan was to stay in Providence, but I wasn't liking the idea of staying in a big city, so I chose Newport - a smaller, quaint little harbor city and was so very happy I did - I absolutely LOVED Newport!!!

I stayed at a lovely Bed & Breakfast Inn called the Artful Lodger. It's in a perfect location, my room was large and comfortable, and breakfast was amazing - definitely a good choice and one I highly recommend!

Beavertail Lighthouse in Jamestown, RI is America's third oldest lighthouse, established in 1749.

Rhode Island - the smallest of all the United States - is jam-packed with beauty and history. I had been to Rhode Island before, but both times gave me very limited time and experiences. The first time, I spent a few days at a seminar in Providence for work. The second time, I was on a New England States adventure in the motor home with my brother and sister-in-law, but we didn't make any major stops when passing through Rhode Island. So, it was on my list of states I'd like to return to for a closer look, someday. Well - "someday" came in October of 2021. It was a last minute decision to go after another planned trip was canceled - it was perfect, since I already had the time and money planned for a get-away.

This was definitely a "fly by the seat of my pants" trip. I hadn't done a lot of research and just had a rough list of possible things to do. Once I got there, the list pretty much stayed in my purse and I just started exploring and one thing lead to another and I did whatever

A major point of interest in Newport is the Cliff Walk - a 7 mile round trip walk along the cliffs on the coast.

Restaurants I enjoyed were The Lobster Bar and The Mooring in Newport and The Olympia Tea Room in Westerly.

Some key points of interest: Newport is famous for their gilded age mansions - some of America's wealthiest families of the mid-19th century had what they called "summer cottages" on the coast of Newport. I took a city trolley tour that took us by these homes and ended with the opportunity to tour one of them - WOW. The harbor and wharfs are a big part of the Newport experience. I took a sailing cruise on a schooner that was amazing - I used Classic Cruises of Newport. I saw the church where John and Jackie Kennedy were married, I borderline trespassed to see the mansion used to film outdoor scenes in the 1960's TV series Dark Shadows, shopped on Thames Street - a lovely cobblestone street full of shops and restaurants, and crossed the bridge to Jamestown to visit America's third oldest lighthouse. I also walked a ways on the Cliff Walk - a great way to see the beauty of Newport. It is a 7 mile round trip walk, so I only did part of it, but what I saw was amazing. I enjoyed navigating the narrow one-way streets of Newport, walked around downtown, and, of course, I ate lobster! I also visited Providence and took a drive up Cape Cod as far as Chatham and back.

Newport and Providence also played a major role in the establishment of religious freedom in America - I visited the first and second American Baptist Churches and the first synagogue in America. Be sure to click on the link for my blog post about the churches - I give a brief overview of two men who were pioneers in the movement of religious freedom, founded Rhode Island, and formed the American Baptist denomination. Their stories are fascinating.

For a tiny state, Rhode Island has so much to see and do and enjoy and Newport is wonderful! Check out my blog posts to see all the stories and photos from this amazing trip. I hope you enjoy reading them.

When in New England, you eat LOBSTER! This lobster roll was dinner at the Lobster Bar on Bannister's Wharf in Newport, RI.....sooooo good!!!
