GARAGE SALES & AUCTIONS

HOW TO HOST A YARD SALE

Hosting a yard sale doesn't have to be hard. Here are a few tips, tricks, and strategies to help you succeed.
From Neighbor.com

1 SELL THE RIGHT THINGS

Make sure you're selling quality items. No one wants to buy junk. Plus, only have a yard sale if you have enough to sale.

2 PICK THE RIGHT DAY & PLACE

Most yard sales happen on Saturday mornings. If you don't live in a central location, see if a friend or family member will let you use their yard.

3 CREATE THE BEST SIGNS

Your signs should only have the most critical information: yard sale, address, and time. Put signs on the main road and lead people to your house with more signs. Balloons and bright colors will help your sign stand out!

4 ADVERTISE ONLINE

Most yard sale shoppers will look online. Craigslist is still a popular place to post a yard sale, as is Facebook. check your local online classifieds to post your yard sale.

5 PRICE ITEMS CORRECTLY

Clothes: \$1-5. Jewelry: \$0.5-2. Shoes: \$3-7. Books: \$0.25-2. DVDs: \$2-3. Toys: \$2-5. Dishware: \$0.5-2 a piece, \$5-10 for sets. Small Appliances: \$1-2. Big Appliances: \$3-6. Decor: \$3-7. Furniture: \$10-\$100.

6 MAKE A HAGGLE STRATEGY

Shoppers will try to haggle prices with you. Develop a strategy before hand and know its totally acceptable not to lower your prices. Set a low point and consider pricing your items higher.

7 ACCEPT ALL TYPES OF PAYMENT

Go to the bank and grab a handful of \$10s, \$5s, and \$1s and some change. Most young shoppers will expect you to accept Venmo or a credit card. You can grab a free card reader at Square.com.

8 A FEW FINAL TIPS

- Put everything on tables, not sheets on the ground.
- Use stickers to price every item. This will save you from taking questions all morning.
- Put out a free box for the kids. A toy will keep them occupied while their parents shop.

THANK YOU

Dear Barre Residents:

I wish to thank the Republican voters for their overwhelming support that they showed me in the primary on Tuesday June 27th. I am humbled and appreciative of all your trust that you put into me. Words cannot begin to explain how difficult an election can be, but when the growth of Barre is at the forefront, everything gets a little easier. With that being said, our work is not done.

To every single Barre resident, we have a clear choice in November. If you wish to see our community prosper and your town taxes go down, then we need to continue this movement all the way through the finish line. I promise to continue working endlessly to better the future of you and the next generation. While I cannot do it alone, you can be rest assured that we have a great team ready to make Barre full of growth, opportunity, and prosperity.

I look forward to once again knocking on your door or catching up with you in the Town, listening to your concerns, and sharing my vision for this great community. Thank you again for all your support, I'm very blessed to have earned it.

Refill with Randy

By Randy LeBaron

Good morning! Grab your favorite cup. Fill it up. And let's start this week right... TOGETHER!!!

A few weeks ago I wrote about how comforting our pets can be but my love of animals goes way beyond my feline friends. From my first date with my wife at The Seneca Zoo back in 1994 until our anniversary outing to The Cincinnati Zoo last month my family has always loved to spend time looking at, and learning about, animals. When our kids were little and we would take long road trips to see family down south or out west we would always find some sort of animal encounter to stop at to break up the day.

Over the years we have visited Zoos in: Rochester, Buffalo, Cleveland, Columbus, Cincinnati, Indianapolis, St. Louis, Washington D.C. Tampa, Erie, Pittsburg, Syracuse, and Toronto, as well as other animal-centric sites like: Sea World, Marineland, African Lion Safari, Animal Kingdom, Gatorland, Grant's Farm, County Fairs, Reptile Houses, and Sanctuaries. We like to find some unique things to do at each place such as petting sharks and stingrays in Indianapolis, watching the Cheetah Run in Cincinnati, feeding the bears at Marineland, or getting to see Pandas in Washington D.C.

The only thing we enjoy more than simply seeing animals though is being able to engage with them. We have ridden horses, camels, and elephants; hand fed tigers, giraffes, and goats; held snakes, alligators, bats, birds, kangaroos, and tarantulas; and petted dolphins, killer whales, beluga whales, sharks, and sting rays. Sheryl and I have gone on snorkeling expeditions around coral reefs in the ocean and my son even caught a shark by accident two summers ago while fishing off a boat in Tampa Bay.

Sometimes the animals get closer than anticipated. We have had monkeys riding on our car ripping off everything that wasn't bolted down, gone tubing in gator infested water, and one day we got back to our hotel after spending the day at The Tampa Zoo only to turn on the TV and discover that a tiger had escaped it's cage within minutes of us leaving. It's a good reminder that wild animals are just that—wild. That being said, we still prefer to be up close and personal when possible which is why in just a couple weeks our family will be headed down to Orlando, FL where we will have the awesome opportunity to train, and swim with, dolphins for a day.

So what animal encounters have you had? If you are reading this on The Orleans Hub's FB Page please share a story or photo in the comments or feel free to e-mail me at randylebaron@gmail.com

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that, in accordance with Article 2, Section 202 of the New York State Eminent Domain Procedure Law (the "EDPL"), notice is hereby given that a Public Hearing will be held by STAMP Sewer Works, Inc. (the "Corporation") on July 27, 2023, at 10:00 o'clock in the morning (the "Public Hearing") at the Town of Alabama Volunteer Fire Department, located at 2230 Judge Road, Oakfield, New York 14125, also commonly known as 2230 Judge Road, Basom, New York 14013 (the "Hearing Room"), concerning the Project (as defined below).

The Corporation proposes to acquire three temporary construction easements, over certain parcels of real property, together with the improvements thereon and appurtenances thereto, (the "Acquisition") one of which is situated within the Town of Alabama, County of Genesee, New York and two of which are situated within the Town of Shelby, County of Orleans, New York, respectively, and all of which are adjacent to New York State Route 63, and which are more specifically described as SBL Nos. 6.-1-29 (Genesee County) and 90.16-2-26 (Orleans County) and 90.16-2-23.1 (Orleans County) (collectively, the "Properties"), for the purpose of: (a) constructing, installing, laying, maintaining, inspecting, operating, extending, replacing, repairing, servicing, upgrading, modifying, and/or removing a pipe/conduit, commonly called a "force main," and other equipment and appurtenances over, through, across, above, and under the easements, together with the right of unimpeded access to said forced main and equipment, and the right of ingress and egress on, over, and through the Properties, for any and all purposes necessary and incident to the exercise of all rights thereunder, which shall ultimately facilitate the sanitary disposal of treated sanitary wastewater and treated process wastewater in accordance with all local, state, and federal requirements through an established system of pipe lines, treatment plants and other means of disposal, pursuant to Sections 115 and 122 of the Transportation Corporations Act, and which shall service the Western New York Science and Technology Advanced Manufacturing Park ("STAMP") located in the Town of Alabama, County of Genesee, New York; (b) providing critical infrastructure to STAMP, which is a 1,250-acre mega site designed to power advanced manufacturing in upstate New York; and (c) ensuring that STAMP is equipped with an adequate sewage disposal system, thereby facilitating the creation of jobs and economic revenue at STAMP (together, the "Project"). The record owners of the Properties include David F. Schloss and Allison H. Adkison, Donald C. Quackenbush and Dana M. Quackenbush, and Brennen O'Connor and Valerie O'Connor.

The location of the Acquisition by the Corporation is more particularly described within the descriptions appended hereto as "Schedule A."

The purpose of this hearing is to inform the property owner(s) of parcels impacted by the Project, any existing leaseholders occupying any portion of parcels impacted by the Project, and the public about the Project, and to review the public use, benefit, and purpose to be served by the Project, its proposed location, and other pertinent information concerning the Project, including sketches/maps and property descriptions of the property interests to be acquired and the relationship of the Project to the adjacent and impacted parcels.

Attendees may appear in person or by agent and will be given the opportunity to present oral and written statements and to submit other documents concerning the Project at the above time and place. The Corporation has chosen to hold the hearing at the Hearing Room because it finds that it is reasonably proximate to the Properties subject to the Acquisition, and that it provides a convenient location for the property owner(s), the public, and/or interest-holders to be heard.

The Corporation asks those who wish to attend in person and/or comment at the Public Hearing to please provide advance notice of their intent to do so to Counsel for the Corporation, Phillips Lytle LLP, Attention: James R. O'Connor, Esq., by email at joconnor@phillipslytle.com, or by U.S. mail to James R. O'Connor, Esq., Phillips Lytle LLP, One Canalside, 125 Main Street, Buffalo, New York 14203. While advance notice is highly encouraged, in order to confirm the anticipated number of in-person attendees, spoken and written comments will be accepted at the hearing even in the absence of such advance notice.

Although the Corporation is required to notify the public of this Public Hearing, attendance is not required. Please be advised, however, that pursuant to Article 2 of the EDPL, any property owner(s) who may subsequently wish to challenge the condemnation of their property via judicial review may do so only on the basis of issues, facts, and objections raised at the Public Hearing. Please advise the undersigned by no later than July 20, 2023, if a sign language interpreter, assistive listening system, or any other accommodation will be required to facilitate your participation in the Public Hearing.

Rossiter William Sentiff passed away peacefully at his home on Saturday, July 8, 2023. He was born February 9, 1926, the youngest of five children of Martha (Ledertherl) and Joseph Sentiff of Rochester, NY. Ross had an incredible work ethic, loved the land, his country and his family. He was a life-long farmer who settled in Lyndonville on Angling Road in the 1960s. He employed a number of high school students over the years and enjoyed their return visits to the farm where he always felt, and hoped, he had given them a good start in their successful careers. His best fatherly advice: always tell the truth. As a young man, he enjoyed his summers on Manitou Beach, played tennis and began his love affair with boating. In his early years, he enjoyed sailing on Lake Ontario with his family and, in his later years, enjoyed traveling with his wife. A veteran of WWII, one of their most memorable trips was to Normandy and Omaha Beach. Ross had a great sense of humor, enjoyed a gentle prank here and there, as well as a good joke, often crying his way through a punchline he found particularly amusing. He had an incredible sweet tooth, never meeting a dessert he didn't like. Ross led out a long, well-lived life on the farm he established and loved. He was predeceased by his wife, Martha (Dodd) Sentiff in 2006; and three siblings, Harry (Christine) Sentiff, Bill (Shirley) Sentiff and Carol (Robert) Doyle. He is survived by his three children, Patricia (Mark) Calley, Bruce (Margaret) Sentiff and Anita (Daniel) Gildea; sister, Marge Sentiff; sister-in-law, Jane Everhart. He was the proud grandfather of Kyle Sentiff, Renae Sentiff, Molly Gildea and Maggie Gildea; and uncle to many nieces and nephews. Funeral services will be held at a later date. If you wish to honor his memory, the family asks that you plant something beautiful in his name. Arrangements are in the care of Cooper Funeral Home, 215 W. Center St., Medina. TIPS TO ACE THE INTERVIEW AND LAND THE JOB

1

KNOW YOUR SKILLS AND STRENGTHS

Be able to talk about your strengths, most proud accomplishments, areas of interest, personal values, areas for development.

2

RESEARCH, RESEARCH, RESEARCH

Research the company, the position and your interviewer to be able to talk about them in-depth during the interview.

3

MASTER THE PHONE INTERVIEW

Enunciate clearly, talk slowly and go to a quiet place where you can concentrate and listen well.

4

PRESENT YOURSELF WELL

First impressions are formed by 7% of what you say, 38% of your eloquence and confidence, 55% how you dress, act and walk through the door.

5

PREPARE QUESTIONS TO ASK

Interviewing is a two-way street. What is important for you to know about the workplace, role, team? Be sure to ask those important questions.

6

PREPARE YOUR ANSWERS

Your answers need to prove your skills and knowledge, aptitude for success in the role, and personality "fit" in the company.

7

USE THE S.T.A.R METHOD

A good answer to behavioral questions includes stating the situation, task, actions, result.

8

ASK FOR THE JOB

Examples: Do you have any remaining concerns? What are the next steps? How do you see me fitting in with your company?

9

FOLLOW UP

Be sure to get your thank you note out in less than 24 hours. The sooner the better. If things drag out, check in periodically.
