- 4 large eggs
- 1/4 tsp. nutmeg
- 1/4 tsp. salt
- 1/4 tsp. black pepper

Cut half the asparagus into 1/2-inch pieces; leave remaining spears whole. Set pieces and whole spears in a steamer over 1 inch of boiling water. Cover and cook until crisp tender, about 4 minutes. Drain and cool.

Meanwhile, cook bacon in a large skillet over medium heat until evenly browned and crisp. Drain and crumble. Position oven rack in lower third of oven and preheat to 400°F.

Transfer pie crust to a 9-inch pie plate. Trim edges and flute or crimp as desired. Brush with beaten egg whites. Sprinkle bacon and chopped asparagus into pie crust; top with shredded cheese. Whisk together half-and-half, eggs, nutmeg, salt, and pepper in a bowl. Pour over cheese in crust. Arrange asparagus spears on top.

Bake until a knife inserted in center comes out clean, about 40 minutes. Transfer to a wire rack. Cool to room temperature before cutting into 8 wedges and serving.

Once Upon A Time....

There was an owner of a very successful hot dog stand. This owner built his business by having the best hot dogs around and by letting his customers know about them through extensive advertising. His business was so successful that he was able to send his son to a prestigious Ivy League school where his son was studying to receive his M.B.A.

One day the son came home for a break and promptly questioned his father "Dad, don't you know that there is a recession going on out there?" The father replied that his business was going very well, but the son persisted telling his father "Dad, you've got to cut back." So the father, figuring his son knew all about business, followed the son's advice. He promptly cut his advertising budget and then cut his hot dog & bun orders. Before long, business in fact did slow down. So the father replied to the son "You were right, son. Business is terrible. There is a recession going on out there."
