Letchworth State Park's 40th annual Civilian Conservation Corps Legacy Day is Sat. Aug. 5 at 10 AM at the Lower Falls CCC statue. During the Great Depression as World War II was starting to build, the CCC boys built many park roads, bridges, safety walls, picnic shelters, and cabins that we use every summer day. Ceremony at the statue at 10am, then interactive program by accomplished CCC researcher Tom Cook at 11 AM at the Humphrey Nature Center down the road. Free tours of well-mapped CCC camp areas to follow. Call 585-493-3680 for more information.

MOUNT MORRIS RESIDENTS: Around the early 1980s New York State came up with a plan to control local county courts by paying judges' salaries. County Court and State Supreme Courts basically became the same, with the same judges, different in name only. Judges could be shifted around to get the "right" political decisions. In the early 20th century, Mount Morris had its own municipal natural gas system and municipal electric power company (the river alternator). Profits were used to provide services and keep taxes low (like Fairport Electric). The town prospered. Then the town board voted to divest the town of those assets. In the 19th Century, the Mills Family built then donated the water system from Silver Lake to Mount Morris. Recently "somehow" a semi-autonomous "County Water Authority" got control of the system and expanded it throughout the county. Did water really cost less in Leicester than Mount Morris? The Town Council is presently comprised of only two members. Until recently, many towns in our area had elected chiefs of police. They are now appointed. The Town Council is presently reviewing a plan to make the Town Clerk position an appointed position not subject to citizen vote. These have been obviously bad local decisions historically. Another example being removing Murray Hill from the village and other taxable areas from the town. A right ignored is always a freedom lost. Please make your views known to the Town Council. Thank you.

SEEKING INTERESTED PROPERTY OWNERS FOR PARTICIPATION IN A LIVINGSTON COUNTY MANUFACTURED HOME REPLACEMENT PROGRAM

Livingston County, in partnership with Cattaraugus Community Action, Inc. (CCA) has been awarded a New York State Community Development Block Grant (CDBG) for a Manufactured Home Replacement Program.

The program will facilitate the removal and replacement of up to 4 dilapidated or hazardous mobile homes in Livingston County with new Energy Star rated homes, at no expense to the homeowner.

Only dilapidated mobile homes meeting CDBG property condition standards are eligible to be replaced. Mobile homes must also be owner-occupied, with the owner being of low- to moderate-income and owning the home and the land where the home is sited.

The County and CCA have established a wait list of potentially eligible and interested program recipients and are looking to further add to the list. Final selection of properties for removal and replacement will be decided via a random draw lottery. Inclusion on the wait list does not guarantee final program selection.

If interested in having your property added to the wait list or to learn more about the program, please contact Joe Gunther, Community Development Specialist, at (585) 243-7550 or JGunther@co.livingston.ny.us.

For adequate time to complete the wait list and conduct the random draw lottery, all interested are asked to respond to this ad by August 18, 2023.
