We're honored to serve our community.

The caring and experienced professionals at Fuqua Bankston are here to support you through a difficult time. We offer a range of personalized services to suit your family's wishes and requirements. You can count on us to help you plan a personal, lasting tribute to your loved one. And we'll carefully guide you through the many decisions that must be made during a challenging time.

The cowboy got on the bucking bull in the gate holding a hot dog & a coke AND wearing flipflops. This **DEFINITELY WAS** his 1st rodeo.

A Pre-Arranged Funeral is truly an act of Love!

We invite you to sit down with Bill and Ted and explore the option that best fits your family's needs. Let us guide you in making the decision between a prefunded funeral or a pre-planned funeral. Prearranging a funeral gives you the peace of mind knowing that everything is taken care of, and it helps you not emotionally overspend. We will be glad to explain the different options for traditional burial or cremation, and we will also help you with cemetery property, monument design and placement. It is a special honor to help our veterans arrange their final wishes by working with national cemeteries and local agencies giving them the respect they deserve. Your prearranged funeral or cremation is **guaranteed price locked** at Holman Funeral Home through pre-need insurance. We are family owned and operated and all decisions are made locally. It is good to have a friend in your time of need, but it's imperative to have a trusted trained professional that will undertake well over fifty things to be done when arranging your funeral. *Holman Funeral Home where families have come for comfort and closure since 1929.*

Don't be too impressed by college degrees anymore. Graduates are no longer the most educated. They're just the most indoctrinated.

I have no problem with vigorous background checks on firearm purchases. We should do the same for immigrants and the same for voter ID.

My Mom texted me and asked, "What does IDK, LY & TTYL mean?"

I told her I don't know, love you, talk to you later.

"OK", she said, I will ask your sister.

ME: I really wish I'd listened to what my mother told me when I was young.

MY WIFE: Why? What did she say?

Me: I don't know, I didn't listen!

Old Chinese proverb. One legged man take life one step at a time.

Old Hollywood Star...

Texas Traffic

I was on vacation in Texas, and was appalled by Dallas' chaotic traffic.

I asked the bellhop at the hotel why it was so disorderly.

"In some countries, they drive on the right, in others on the left. Here, we drive in the shade."

A wife started doing her make up as soon as she woke up. Her husband asked the reason.

She replied, "I have locked my phone with facial recognition.

And it's not recognizing me without makeup."

How come we don't call kidney stones, pee gravel?

Be thankful it's not snowing.
Imagine shoveling snow in this heat.

One day you realize that it wasn't the game,
it was who you watched it with.
It wasn't about the house you owned. It
was the people in it.
It wasn't about the best coffee ever, but
who you made it for.
It wasn't all the work you put in, but who
was in the trenches with you.
It wasn't a great dinner prepared for you. It
was who brought you your plate.
You must learn how to value the time that
someone gives you
because that's something they will never
get back. It's priceless.
When you're at the end of your years,
what's really going to matter??

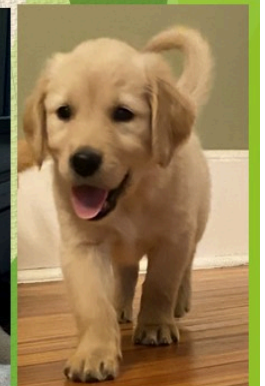

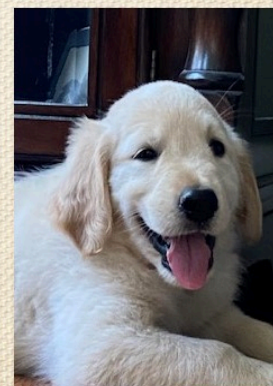

I love it when my wife says. "Correct me if I'm wrong, like I would ever pass up that opportunity."

While watching Game of Thrones, my wife asked when dragons went extinct. I sighed and had a long pause.

ANTISTALKING (V) Learning a person's routine in order to avoid them.

(The Secret Formula For Success)

1. Hard Work

Don't believe in luck, believe in hard work. Stop searching for a shortcut. Ain't one.

2. Patience

If you are losing the patience, you are losing the battle.

First nothing happens, then it happens slowly and suddenly all at once.

Most people give up at stage one.

3. Sacrifice

If you don't sacrifice for what you want, then what you want becomes the sacrifice.

Everything has its price. The question is: Are you ready to pay it for the life you desire?

4. Consistency

Consistency is what transforms average into excellence. Without consistency, you will never achieve greater success.

5. Discipline

Motivation gets you going, but discipline keeps you growing. There will be days when you don't "feel" like doing it. You have to push through those days regardless of how you feel.

6. Self Confidence

Confidence is, I'll be fine if they don't like me.

Dollars For College

My college son texted me a request for additional funds. He ended his text with "PLZ".

I asked him why he used the abbreviation. He said it was shorter than writing please. I replied with, "No." He asked why. I said it was shorter than writing yes.

New Law

The mayor in my city just passed a law that male best friends have to have lunch together at least once a week. Well, it's not a law, it's more of a mandate.

Tough Dog

He tells the clerk that he wants a dog.

The clerk asks, "What kind of demeanor do you want the dog to have?"

The man says, "I'm looking for a guard dog, demeanor the better!"

My daughter thought prima donna was music that was everything before the singer Madonna.

BUTTER GARLIC HERB STEAK

Yield 4 servings

INGREDIENTS

- 1 pound small red potatoes cut into fourths
- 2 medium carrots sliced
- 1 red bell pepper cubed
- 1 green bell pepper cubed
- 1/2 red onion cut into cubes
- salt and pepper
- 1 Tablespoon olive oil
- 1 1/2 pound top sirloin steak cut into one inch cubes

Garlic Herb Butter:

- 1/2 cup butter room temperature
- 1/4 cup freshly chopped parsley
- 4 garlic cloves minced
- 1 teaspoon fresh rosemary chopped
- 1 teaspoon fresh thyme chopped
- 1/2 teaspoon salt
- 1/4 teaspoon pepper

INSTRUCTIONS

1. In a medium sized bowl add the red potatoes, carrots, bell peppers, and red onion. Add salt and pepper and toss with olive oil.
2. Place four 18x12-inch pieces of heavy aluminum foil on the counter. Evenly place the vegetable mixture on each piece of foil. Top vegetables with steak.
3. To make the garlic herb butter: In a small bowl add the butter, parsley, garlic, rosemary, thyme, salt, and pepper. Divide evenly and place on top of the steak. Double fold the top and ends of each piece of foil, leaving space for steam to gather.

To Grill:

Place packets on the grill and cover. Grill 15 minutes or until steak is cooked through and veggies are tender. Carefully open packets and serve.

To Bake:

Preheat oven to 400 degrees. Bake for 25-30 minutes. Unwrap and broil right at the end to give the steak a slight char.

HONEY GARLIC CHICKEN

Yield 4 servings

INGREDIENTS

- 1 cup minute rice
- 1 and 1/2 cups water
- 4 (4 ounce chicken breast, 1 piece per packet)
- Salt and pepper, to taste
- 2 tablespoons white flour
- 3/4 cup baby carrots, halved
- 1 large red pepper, cut into small strips
- 1 stalk broccoli, cut into small florets
- Sauce
- 1/4 cup reduced sodium soy sauce
- 1/4 cup honey
- 1 teaspoon minced garlic
- 3 tablespoons fresh lime juice
- 1 teaspoons sriracha
- 1/4 teaspoon ground ginger
- 1 tablespoon cornstarch (+1 tablespoon water)

Optional garnish: finely chopped cilantro

INSTRUCTIONS

1. Set out 4 large sheets of foil. Fold up sides to create sides. In a bowl mix the minute rice and water. Stir and let sit for 5 minutes.
2. Preheat the grill to high or the oven to 425 degrees F. You'll want 16 ounces TOTAL for this recipe which is about 2 large breasts. Try to get 2 large breasts that are each 8 ounces and then slice the 2 breasts horizontally into two even pieces that are each 4 ounces. Pound the chicken and ensure that the 4 pieces of chicken you have are each an even 4 ounces.
3. Prep the veggies: Thinly slice the red bell pepper, halve or quarter baby carrots (small and thin pieces), cut the broccoli into small florets.
4. Season the chicken with salt and pepper on both sides and then dredge in flour (helps keep it from drying out). Add a pinch more of salt and pepper on top.
5. Divide the rice evenly between the packets. Place the chicken breasts on top of the rice. Add the veggies equally to both sides.
6. In a small bowl, whisk together all of the sauce ingredients except for the cornstarch and water. In another bowl, whisk together the cornstarch and water until smooth. Add to the sauce and whisk until smooth. Drizzle evenly over the chicken pieces in the foil packets. Fold up and seal completely.
7. Grill on high heat for 15-25 minutes (large variance based on different grills/heat; my grill had these finished at 20 minutes) or in the oven for 30-45 minutes (again; large variance based on your oven temperature and how ingredients are prepared) or until the chicken is completely cooked through (registers 165 degrees F).
8. Remove the foil packets from grill or oven and open carefully allowing for the steam to escape. Season additionally with salt and pepper if desired and enjoy immediately. If desired garnish with cilantro.

The art book I bought did not include a final chapter. You draw your own conclusion.

What Are Paper Towns?

Paper towns are fake towns created by cartographers, or map makers, meant to trap or catch anyone who is violating copyright protection and stealing someone else's map work. In addition to creating these paper towns, mapmakers might throw in some fake rivers and roads as well.

**One good thing about
the Alabama heat:
I guarantee nobody is
waiting in your back
seat to kill you.**

Women always have more questions than men have answers to.

Here's what I mean. About two weeks ago I get a text that says, "Please pray for Tommy he was in a bad wreck." I walk into the kitchen and tell my wife I just got a text that says please pray for Tommy. He was in a bad wreck.

She says, "Was he driving?"

I said I don't know; I just got a text that says, "Please pray for Tommy he was in a bad wreck."

Were Carol and the kids in the car with him?

I said I don't know; I just got a text that says, "Please pray for Tommy he was in a bad wreck."

Were the people in the other car hurt?

I said I don't know; I just got a text that says, "Please pray for Tommy he was in a bad wreck."

What hospital did they take him to?

I said I don't know; I just got a text that says, "Please pray for Tommy he was in a bad wreck." She said, "Well you don't know anything." "What do you know?"

I know you need to pray for Tommy.

I just got a text that says, "Please pray for Tommy he was in a bad wreck."

So what if I can't spell Armageddon, it's not the end of the world.

What Is A Chortle?

A 'chortle' is a type of laugh that is a mixture of a chuckle and a snort. The word was first used in the poem *Jabberwocky* by Lewis Carroll. Carroll, author of *Alice In Wonderland*, is also credited with introducing the words 'galumph' and 'slithy'.

FORGIVENESS

By Wallace Kennedy, Jr.

FORGIVENESS

Often times people see or hear the word forgive and the first thought that comes to mind is, "you don't know what they did to me, it is too hard, or I will when they ask me to forgive them".

What does forgiveness mean? To let go, give up a debt, to remit or being willing to look over what happened.

Jesus said: **If you forgive others for the wrongs they do to you, then your Father in heaven will also forgive your wrongs. 15 But if you don't forgive others, then your Father in heaven will not forgive the wrongs you do. Matthew 6:14-15 (ERV)**

After reading what Jesus says, it is too much to forfeit not to forgive others.

Paul goes on to say: **Be kind and loving to each other. Forgive each other the same as God forgave you through Christ. Ephesians 4:32 (ERV)**

Many years ago the wisest man ever lived (King Solomon) said: **Forgive someone, and you will strengthen your friendship. Keep reminding them, and you will destroy it. Proverbs 17:9 (ERV)**

Forgiveness is the way the Lord releases us from guilt and sets us free to continue loving God and others. When we forgive others it frees us to love them. Forgiveness also sets you free to pursue God's call of peace on your life.

We have this promise: **If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. 1 John 1:9 (KJV)**

Now, let unforgiveness go, release the other person and yourself. You can do it, the Spirit of our Lord Jesus Christ will help you do it, just ask.

May the Lord keep you in His care, be gracious to you and give you a peace that surpasses our human understanding.

My age doesn't bother me, it's the side effects.

“Wise Words”

By: Hayes Wise

One-On-One

I worked until I was sixty-nine. My last twelve years I worked as a senior IT engineer. In a group of about 200, I was the oldest. All of my team were young enough to be my kids, including my boss. Over my 50+ years of working I have been rated on how well I did my job. This was the first time I was exposed to the term “one-on-one”.

The process started out with you doing a self-evaluation and then the boss did his assessment. He then set a time for you and him to sit down and discuss the results, “one-on-one”. The end result of the “one-on-one” saw you rated as ; below expectations, meets expectations, exceeds expectations. These ratings resulted in whether you were let go or got to stay. For those that got to stay, depending on your performance, you were rewarded with extra pay and promotions. I'm more concerned about my future and last, “one-on-one”.

There is a “one-on-one” coming for us all that will have far more consequences. The Bible tells us every person will be judged (Heb 9:27). Those that accepted the free gift of salvation (John 14:6) and those that refused to believe (1 John 5:10) will be judged. The judgment in the next life will be based on what is done today, in this life.

Therefore our eternal destiny is determined here on earth, not after we die. There will be two ratings. Jesus will say, “... Well done, good and faithful servant; ...Enter into the joy of your lord (Mat 25:23). Or, Jesus will say, “...I never knew you; depart from Me, ...” (Mat 7:23). Are you ready for your “one-on-one”?

CLAYBANK MASTER GARDENERS

Greetings Gardener Friends,

You may have seen in downtown Ozark someone faithfully watering, trimming, and weeding the corner gardens around the downtown area in this intense summer heat and humidity. Victoria Hamm deserves all our thanks for keeping Ozark looking beautiful!

Some goings on you might reach out to volunteer for:

- The Boys & Girls Club Garden in Daleville will be starting in fall. Contact Ariel Hooks at (334) 709-0403. She would appreciate any volunteers willing to help in any capacity!
- If you haven't seen the Wings of Wonder Butterfly Garden at DABG, be sure to stop and visit. Now in its second year, it is well worth the visit.
- The kids have been helping at the Autrey Center in Ozark with the container gardens. Growing peas, thyme, onions, tomatoes, peppers, and potatoes. Weeding volunteers needed! Ariel Hooks, the 4-H Coordinator at the Extension Office, will gladly sign you up. (334) 709-0403

The Master Gardener Class will begin in August, online and in-person. Call the Dale County Extension Office for more information at (334) 774-2329.

According to the Alabama Extension website at [aces.edu](#), it's not too late to plant bicolor sweet corn, okra, watermelon, pumpkins, Irish potatoes, turnips, and snap beans.

Those unwelcome green beasts, the tomato hornworms, can devour your entire tomato plant and tomatoes overnight, so be vigilant to check your plants daily. This is the sad voice of experience speaking. I did not check for two days, and they got an entire tomato plant. Sigh. According to the Farmers Almanac, this sultry weather is expected to continue into September. A wise friend reminded me about using a cool wet cloth or long sponge around the neck rotated occasionally which can provide some relief for your necessary trips to the garden.

Claybank Master Gardeners meet the second Wednesday each month at Hoppergrass Restaurant in Ozark (across from Milky Moos) at 129 S East Ave. Our August 9th meeting will feature a presentation on Growing Herbs by Linda Isley. The meeting starts at 11 AM, and if you want to buy your lunch first get ahead of the line at 10:30 AM. Please call the Extension Office at (334) 774-2329 to verify the time and date in case of an unexpected change.

I just got a pet termite. His name is Clint. Clint Eats Wood.

I went for a Chinese meal last night and got to chatting with the waiter. He told me he lived in Japan during the war and was a kamikaze pilot and his code name was 'Chow Mein'. I said, "Correct me if I am wrong but didn't kamikaze pilots sacrifice their own lives?". To which he replied, "Yes, but I was Chicken Chow Mein".

I just sat next to a man in the airport and he takes out his wallet and pulls a photo of his wife from it. He showed it to me and said, "Isn't she stunning."

I replied, "If you think she's stunning you should see my wife"

"Why? Is she a model?"

"No," I replied, "She's an optician."
