www.iowastatebank.net FDIC

*APY=Annual Percentage Yield. APYs accurate as of 4/11/2023. Rates may change after account is opened. Minimum to open is \$1.00. If qualifications are met each monthly qualification cycle: (1) Domestic ATM fees incurred during qualification cycle will be reimbursed up to \$20 and credited to account on the last day of monthly statement cycle. ATM refunds are automatically transferred to Kasasa Saver each statement cycle. (2) Balances up to \$25,000 receive APY of 3.30%; and (3) balances over \$25,000 earn 0.50% interest rate on the portion of the balance over \$25,000, resulting in 3.30% APY - 1.05% APY depending on the balance. If qualifications are not met on Kasasa Cash, all balances earn 0.10% APY. Qualifying transactions must post to and settle to your Kasasa Cash account during monthly qualification cycle. Transactions may take one or more banking days from the date transaction was made to post to and settle account. ATM-processed transactions do not count toward qualifying debit card transactions. This account is intended to be the account holder's primary checking account in which automatic deposit/withdrawals and day-to-day spending activities occur. This includes, but is not limited to: grocery, gasoline, apparel, shopping, dining, and entertainment transactions. Commensurate with the spending activities identified above, we expect the accounts debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal day-to-day spending behavior. These type of transactions appear to be conducted with the sole purpose of qualifying for the accounts rewards and thus will be deemed inappropriate and transactions will not count toward earning the account's rewards. Iowa State Bank reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Account holders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their account converted to a different account or closed. "Monthly Qualification Cycle" means a period beginning one day prior to the first day of the current statement cycle through one day prior to the close of the current statement cycle. Transfers between accounts do not count as qualifying transactions. Limit one account per SSN. ATM receipt must be presented for reimbursement of an individual ATM fee of \$5.00 or higher. www.nostreakinginc.com

"No Streaking is based on the belief that our customers' needs are of the utmost importance," says founder Alex Van Voorst. Our entire team is committed to meeting those needs. As a result, a high percentage of our business is from repeat customers and referrals."

No streaking offers power washing, wood deck and fence staining, concrete coating, gutter and window cleaning and holiday lighting.

Alex Van Voorst was born and raised in Sioux Center. He got his start in local business by working for his father Wayne at Sioux Commercial Sweeping in Sioux Center, and also by serving as general manager of the Sioux Center Pizza Ranch for five years.

The combination of wanting to stay in the area and the lure of being a small business owner left him looking to the future. Armed with a scrubbers, squeegee, bucket and pole, he hit main street in search of dirty windows. The rest is history!

For more information, give No Streaking a call at 712-722-3884, stop by the shop at 725 4th Street Northwest in Sioux Center or access nostreakinginc.com.

KLAYTON WIELENGA 712.441.3813

Hello, I'm Klayton Wielenga, and Orange City is where my journey began and thrives. Real estate has always captivated me – the process of shaping living spaces feels like second nature. I've gained knowledge not only from my passion but also from my time at Hiemstra Lawn Care, where I've immersed myself in construction and learned the ropes of practical property work. Apart from that, I'm involved in coaching eSports at Northwestern University, diving into strategy and teamwork with young talents. And when I find a peaceful moment, I relish moments spent with my family – they're the heart and soul of everything. Balancing my passions with cherished connections, that's what life's all about for me. Looking forward to many more future conversations!

NIC WIELENGA 712.203.8622

Hello, for those of you that don't know me, I am Nic Wielenga, a proud co-owner of Hiemstra Lawn Care, located in the beautiful town of Orange City. Over the years, we've had the pleasure of working with countless amazing individuals in our tight-knit community. From transforming lawns during the summer to tackling snow removal and house remodels when winter comes, our team at Hiemstra's is all about making our neighbors' lives better, no matter the season. When I'm not knee-deep in lawns or busy renovating homes, you'll find me enjoying my time up at the lakes, or appreciating quality moments with my large family. Now my journey continues as I've recently taken up the role of a realtor, a natural extension of my passion for turning houses into dream homes. Can't wait to continue serving this wonderful community in more ways than one!

ZACH WIELENGA 712.422.0277

In the outskirts of Orange City, my journey from a power lineman to a realtor has been shaped by my evolving passions and the unwavering support of my beloved family—my wife Ali and our three incredible children: Carter, Hayden, and Asher. With a background in construction and electrical work, my transition to the world of real estate was driven by my innate curiosity for properties and a deep commitment to providing for my family. Our own acreage has been a great canvas for my craftsmanship. As I navigate this path, I spend most of my free time working on houses, or with my family. With each new chapter, I approach my journey with gratitude and a genuine desire to help others achieve their real estate dreams. I look forward to getting to meet and help many more people in my community.

PAM HASKAMP 712.461.0110

Hello! I am Pam Harskamp, and I am an Orange City native, born and raised. I have been working in the real estate industry since 2011 as Office Manager at Realty Associates, and through that have gained a wealth of experience, passion, and knowledge for real estate. I am a mom to 2 busy teen boys, Bryce and Brayden, and am married to Cody. As a Realtor, I hope to provide you with honest and trustworthy service and work diligently and professionally to give you the desired results in today's market. My goal is to make the buying and selling process less stressful for you and make you feel as comfortable as possible through your real estate journey.
