# French Onion Soup

with Comté

## preparation

### special equipment:

**Eight 10–12 oz. oven-proof bowls**

## directions

Heat butter in a large heavy pot over medium-high heat. Add onions, shallots, and garlic; season with salt and pepper and cook, stirring occasionally, until softened and dark brown, 60–70 minutes. Add vermouth and vinegar. Bring to a boil, reduce heat, and simmer until slightly reduced, about 3 minutes.

**Tie parsley, thyme, and bay leaf with kitchen twine; add to pot along with broth. Bring to a boil, reduce heat, and simmer, stirring occasionally, until reduced to about 8 cups, 35–40 minutes; discard herb bundle.**

**Preheat oven to 450°. Place ovenproof bowls on a large rimmed baking sheet. Divide soup among bowls and top with toasts (cut to fit if necessary) and cheese. Bake until cheese is bubbling and golden brown, 6–8 minutes.**

**Do Ahead:** Soup can be made 2 days ahead. Let cool; cover and chill.

*Don't rush the browning of the onions — it's essential to the finished soup's flavor.*

### DEFENSIVE DRIVING COURSE

I am co-sponsoring The "Smart Driver" defensive driving course with the AARP on Saturday, October 24th from 9 AM - 4 PM at Bronx House at 990 Pelham Parkway South. The price for the class is \$25 for non-AARP members and \$20 for members. Participants must bring their driver's license and AARP membership card to receive the discount. All payments must be made that day using personal check or money order made out to AARP. No cash will be accepted. Registered participants must be present no later than 8:30 AM. If you are interested, call William at my district office at (718) 931-1721 to register.

### HEATING SEASON

As we move into fall, the weather is getting colder and heating is becoming a necessity. October 1st marks the beginning of heating season, which mandates heating to be provided when certain temperature conditions are met. According to NYC law, heat is required between the hours of 6:00 AM and 10:00 PM, if the outside temperature falls below 55 degrees. When this outside temperature is met, the inside temperature is required to be at least 68 degrees Fahrenheit. Heat is required between the hours of 10:00 PM and 6:00 AM, if the temperature outside falls below 40 degrees. When this outside temperature is met, the inside temperature is required to be at least 55 degrees Fahrenheit. If your landlord is not providing adequate heat, you can call 311 to make a complaint to the Department of Housing Preservation & Development (HPD).

### MATTRESS DISPOSAL: AVOID GOTCHA TICKETS

I want to remind you that the Department of Sanitation now requires all residents to fully cover their mattresses or box springs in a sealed plastic bag when placed on the curb for garbage disposal. This rule is intended to prevent an increase in bed bug activity. Under the rule, failure to place a mattress or box spring in a proper bag will result in a \$100 fine. Visit [nyc.gov/sanitation](http://nyc.gov/sanitation) or call 311 for more information.
