## ~ THANK YOU ~

The Mount Morris Kiwanis Club, together with the Kiwanis Recreation Committee, Mount Morris Fire Department and Rotary Club, wish to thank the School, Village, Jackie Scaccia, Dave Provo's Sugar Waffles and whole community for their tremendous support of all of our Summer 2023 events: Sausage Dinner, Clam Dinner, Craft and Vendors Shows, Bounce Houses, Good Old Boys Car Show, Fireworks Display, and especially the Music In The Park Series. Each event offered many opportunities for everyone to enjoy our beautiful buildings and park, take part in supporting our volunteer organizations and enjoy community activities.

Plans are already underway for a HUGE event in early 2024, another Craft and Vendor Show as well as our 3rd Annual Music In The Park Series.

We would like to thank all our performers: Kelly's Old Timers, Broad Band, John Wray Band, Trolls 2.0, Haywire, Rick Lee for the great sound and lighting effects and especially D.J. Steve Hoffman for wonderful musical entertainment all summer.

THANK YOU to McDonald's of Mount Morris and Geneseo for the fireworks display again this year. Amazing, as always!

Finally, thank you to all our sponsors: The Long Agency, John Martin Funeral Home, Regal Associates and Regal Hots, Community Bank of Mount Morris, Twisted Stitches, Harding's Furniture Stores, C & R Foods, Kircher Construction Co, and American Rock Salt. Without you, these events would not be possible.

We look forward to seeing you all next year...

## The Role of Our Local Library and the Need for Your Continued Support

Modern public libraries, local or municipal, offering free library services to the public and supported by tax money date back at least to the mid-1800s. Since their inception, they were conceived as part of the nation's broader educational movement, and it was precisely their educational function that provided the main justification for public support. Initially, libraries contributed to improving the general well-being of their communities by aiding in literacy development, making reading materials available not only to school children, but also to adults in the community.

Today, libraries offer much more than books. The resources offered include newspapers, magazines, movies, games, electronic and audio materials, puzzles, parks and museums passes, etc. Spanish language materials are available as well. In addition, libraries also provide children and adult programming, lectures, a place to gather, assistance with tax preparation, technology tutoring, social assistance information, English as a Second Language resources, assistance, and interpretation, and many other services.

In short, we are a community center committed to building strong ties by sharing resources and efforts in a sustainable way to promote a collaborative, healthy, and informed citizenry. Please support us to to carry on this important work.

Thank You!

# TAI CHI IN NUNDA

For the

**60+ COMMUNITY**

Offered by the  
Livingston County  
**Office for the Aging**

## WHAT IS TAI CHI?

Tai Chi is an ancient Chinese tradition that, today, is practiced as a graceful, gentle form of exercise that can be performed by anyone regardless of fitness level. It involves a series of movements performed in a slow, focused manner linked with the breath.

Our program is evidence based and recommended for people with arthritis and for fall prevention.

**September 11 - November 16**

**EVERY Monday AND Thursday from 2-2:45 PM**

**at Nunda Fire Hall, 4 State Street, Nunda**

In this Tai Chi 1 series, students will learn a sequence of the Basic 6 and Advanced 6 movements developed by Dr Lam. This program is evidence based and recommended by the CDC and other health institutions and arthritis foundations around the world.

Completers of this Tai Chi 1 series will be students that attend at least 16 sessions.

**You MUST call the OFA at 585-243-7520 to register for a class series.**

*When registering please give your phone number as you will be put into our system to receive automatic class reminders/cancelations, announcements about other programs and occasional surveys to improve our services.*

***We strongly encourage students to attend all classes and practice at home for max: benefit. If you are aware of conflicts, please consider signing up for our next round of classes as space is limited.***

**There is no charge for County Residents age 60 + but voluntary contributions are appreciated and assist in providing materials and expanding our services.**
