FREE NARCAN TRAINING

The Livingston County Department of Health, in partnership with CASA-Trinity, is providing training and educational materials designed to help mitigate opioid-related overdoses and potentially save lives.

The training, which will take place from 10-11 am on Thursday, September 21 inside the Building One Conference Center at 1 Murray Hill Road, Mount Morris, will educate participants on the proper way to administer Naloxone, or Narcan, which is a federally-approved drug that can quickly reverse the devastating impacts of an opioid-related overdose.

"This training will help save lives in our community," said Jennifer Rodriguez, Livingston County's Public Health Director. "We know that the more widely distributed this medication is, the more fatal overdoses we can prevent. Education is power and, in this case, education has the power to save lives."

According to the Centers for Disease Control and Prevention, more than 80,000 people died in 2021 as a result of an overdose with close to 88 percent of those deaths involving synthetic opioids. In total, more than one million people have died since 1999 from a drug overdose caused by prescription opioids, heroin, fentanyl and other synthetic drugs.

Studies have found that bystanders were present in more than one-in-three overdoses involving opioids. With training on how to properly administer Naloxone, Livingston County is taking a forward-thinking, innovative approach to reducing overdose statistics by empowering residents to potentially save a life.

Learn more about the various programs and services offered within the County by visiting the Livingston County Department of Health's website.

Announcing LCCNR
August Coloring Contest

**Boredom

LCCNR Residents Get Colorful

Activities at the Livingston Country Center for Nursing and Rehabilitation (LCCNR) got colorful last month! On August 20th, the weekly Sunday afternoon Resident Craft Club was canceled due to Post Exposures on the floors. Masking was once again required and residents needed to stay on their Family unit.

With family unit neighborhoods on post exposure, residents were not able to “gather” till the following week. The activities staff, along with Resident Craft Club Coordinator Pam Hill, chose a picture “Back to School”, that residents could color and submit by the following Wednesday. They were then judged Friday, August 25th, by the Genesee Valley Council on the Arts’ Executive Director, Morgan Hellquist, and Assistant Director Katelyn Lane.

“We are so happy to participate in such a fun and exiting event - and grateful for the work you do to support the arts at LCCNR!” stated Morgan Hellquist.

We had to have a boredom buster for the residents and over 40 residents participated. Many thanks go out to the activities staff that encouraged the residents to participate. Each Family unit: Memory, Lilac, Melody, Park and Country/TCU each received a 1st, 2nd and 3rd place prizes.

If you would like to support the Resident Craft Club, we will hold a **Craft Sale** on September 15th and 16th to benefit the Resident activities. Find us on the ground floor, Main Street, under the Clock from 10am-2:30 pm both days.

The Livingston Country Center for Nursing and Rehabilitation is located at 11 Murray Hill Drive, Mount Morris, NY 14510.

DISTINGUISHED ALUMNI

The Mount Morris Central School District is proud to announce the 2023 recipients of the Distinguished Alumni Achievement Award.

The District wishes to recognize our many distinguished alumni as we believe they can serve as role models for today's students. A selection committee, which included representatives from the District and the community, reviewed each of the nominations and selected this year's inductees. The induction ceremony will be held on Friday, September 22nd at 8:15 am in the Auditorium.
