Where There are Greens – There is Gold!

One Hundred Years of Hard Work and Hitting Golf Balls at Quit Qui Oc Golf Course

By Kate Vollrath

After scorching summer days, September signals a major shift in the seasons for the Elkhart Lake calendar. For some this brings relief and the anticipation of fall foliage. For others it brings the sad notice of the imminent colder temperatures. Day to day seasonal markers are what locals pay close attention to. The amount of rainfall, daytime and evening temperatures, and the vibrancy of the green leaves and grass are all essential topics during the short-lived summer at this latitude.

After taking in the view of the greens that grace Quit Qui Oc Golf Course, I give a wave to Todd in the pro shop and then find his wife Rachel, the third-generation owner of the establishment, standing beside the horseshoe bar in the clubhouse tavern. She lets me know that the greens got off to a stressed start from the lack of rain earlier in the summer. “In the fall we don’t have to worry about moisture as much. The good news is, when the grass is dry it gives you a little extra roll. Hey, I’ll take it!” She smiles as she quickly expresses the silver thread of summer dry spells.

Finding this silver thread is a skill that everyone who runs a business in this little village learns along the way. With a short summer tourist season and a long winter reliant upon a town of around 1,000 local residents, Elkhart Lake is a beautiful, yet at times challenging place to run a business. Quit Qui Oc is currently celebrating its 100th year, and Rachel’s family has operated it for 68 of those years, making it one of the longest standing family-owned businesses in the village.

She then goes on to tell me that the summer buzzed along with its usual upbeat energy. They hosted a junior golf program attended by an impressive number of 90 children ages 7-12 years old. The very same week they also hosted a women’s senior golf tournament for ages 70 and up. “There are eighty-year-old women here who still insist on walking eighteen holes!” I can feel Rachel’s pride in providing a place for people to age healthily both in body and mind as she tells me this. In addition to running leagues and teaching private lessons, Rachel has been working shifts in the golf course’s restaurant. “I knew at some point I would need to learn what went on in the kitchen, so I learned,” she tells me in her humble, hardworking Wisconsin tone.

I ask her if her father is still around helping out and she tells me he still has an office upstairs so he can continue to be close to all the action. Rachel’s father, Tom Weise, was a household name I knew as a child given his leadership of the local golf course. His wife, Lynn, also played a major role in managing the office for nearly 20 years. I still remember being greeted by Tom when my family would dine for lunch on quiet winter afternoons much colder than the bustling summer ones.

Within five minutes of walking into the clubhouse and meeting Rachel I’m flooded with childhood nostalgia. This nostalgia is connected to precisely what

makes this place tick. Establishments become establishments in Elkhart Lake because of families like Rachel’s. The backbone of these greens are years of a family torch being passed down. In this case, a sound sense of balancing long hours and a love for the game.

Anyone who calls it their home course or their home tavern for Friday night fish fry will tell you it’s an impressive operation. It feels more like many operations happening all at once given the leagues, lessons, and libations served up to golfers and non-golfers no matter the season. The art of wearing many different visors within one day is baked into this place like the sun bakes down on the course each summer. There is golden family wisdom living in the property’s green hills.

Unlike many of my relatives, I am not a skilled golfer, but I’ve always felt Quit Qui Oc was a place I could call my home course when I do get the itch to join a family golf scramble or meet for a Rachel Reuben sandwich in the dining room. It’s not exclusive, it’s a place where everyone can come to play, and if you visit the course, you’ll feel that welcoming energy instantly. The people who run the show are working and recreating in their own backyard, and it’s a backyard they cherish deeply.

What began in 1922 as a dream of the Elkhart Lake Men’s Association to transform picturesque farmland into a nine-hole golf course grew into what would become the life’s work of the local Wiese family. Rachel’s grandfather, Carl J Wiese took over the glacial-carved golfer’s paradise in 1955 and then eventually Rachel’s parents, Tom and Lynn Weise, became next in line to run the establishment. Rachel is now at the helm of this family legacy along with her husband Todd and the help of their daughter Elizabeth. They also employ around 100 people in the summer and about half that in the winter. Today you can join the Weise’s in their commitment to generational recreation on the front nine holes, the back nine holes, and the driving range. And for those who don’t golf, I assure you the restaurant will greet you with open arms and is definitely worth visiting.

Like many who grew up in Elkhart Lake, Rachel was steeped in the seasonal hospitality industry from a young age. Her family’s line of work allowed for a lot of play too, and play she did, with both her parents as well as her Grandmother Edna and Edna’s friends. Eventually she went on to compete on the boys’ golf team at Elkhart Lake-Glenbeulah High School where she was a member of the 1990 state championship team. “Playing during the boys’ season allowed me to

also play volleyball which I really liked too.” She reminds me of the beauty in being from a small place and being able to try everything. Maybe this is one of the reasons she is able to juggle so many facets of the business with grace. She eventually went on to compete at UW Madison.

These days she lives the dream of being a mother who plays rounds of golf with her daughter. Elizabeth spent the summer helping out wherever she was needed at Quit Qui Oc. “She does it all. Kitchen, beverage cart, pro shop, you name it,” Rachel tells me. This fall Elizabeth is returning to Concordia University where she will take a page from her mother’s book and compete on the men’s golf team. “She still likes golf and she still likes us,” Rachel shares with me, clearly filled with gratitude. “The magic of golf is its generational aspect. It’s a lifelong game and you don’t have to be at the same level as everyone else. You can truly play with anybody. Sometimes Elizabeth and I will go out and play only as many holes as we feel like that day.”

As I leave the building that has welcomed me and so many others all our lives, Rachel’s words about her family’s history in this village beside the lake continue to replay in my mind. Their mission statement is one of multigenerational work, but not without multigenerational play. Their heritage is a story of Wisconsin business ownership. It is also one of family leisure in a landscape that only a lucky few call home. This delicate balance is what allows her family’s heritage to continue on through hot summers, and it’s what will keep them warm through the colder months to come. “We do work a lot. It’s true. But we do it because we love it. We love this place. We love the game.”

Annually we recognize National Travel & Tourism Week in early May. It’s an important initiative shining the spotlight on the contributions the travel industry has on our economy. Travel and Tourism play a significant roll in stimulating economic growth and innovations nationally, regionally, and right here at home in the Village of Elkhart Lake.

Elkhart Lake has been welcoming visitors since the late 1800’s, its roots are deep and impactful. Many of our businesses rely on the visitor economy to thrive and survive. However, the economic engine of tourism also strengthens our Village’s culture and identity.

Delicious dining, live music, community events all cultivate a vibrant Village life where people want to live, work, and play. Tourism also supports hundreds of quality jobs from entry level service positions for students to family sustaining careers in Sales, Marketing, Culinary, HR, Events, Customer Service, Grounds, Maintenance, etc.

Couldn’t be more fitting as we approach Memorial Day weekend, the un-official kick-off of Elkhart Lake’s summer leisure travel season.

Mystery Photo Contest

Can You Identify Our October Mystery Photo?

Take a look at the October mystery photo. Do you know anything about it? Where is/was the location? What year was this photo taken?

The person with the best submission will receive a finely matted, quality enlarged print of the original, courtesy of Schamberger Gallery in Elkhart Lake.

If you know, let us know! To enter the October contest, send an email to depotdispatch@elkhartlake.com or a letter with as many details as you can to the Elkhart Lake Chamber, P.O. Box 425, Elkhart Lake, WI 53020, or drop off at the Chamber Office, 41 E. Rhine Street.

Please share your guesses and help us keep the contest up to date.

WISCONSIN'S Elkhart Lake Chamber of Commerce

Our Mission

The Elkhart Lake Area Chamber of Commerce supports its member businesses and promotes the opportunity for sustainable economic growth and development.

Your Membership Working for You

Elkhart Lake Chamber members get a great return on their investment in a Chamber membership:

- ★ Featured articles and press releases on DepotDispatch.com and in the Depot Dispatch monthly printed paper.
- ★ Ad rate discount to members who advertise in The Depot Dispatch and on DepotDispatch.com
- ★ Website Listing-Your business will be listed on elkhartlakechamber.com with a link to your web site.
- ★ Social Media Promotion on Chamber Social Media sites: Facebook, Instagram, Twitter and LinkedIn.
- ★ Lake Effect Weekly Event Calendar-List your events that are emailed to membership and community every Monday morning.
- ★ Categorical listing in the back of the annual Elkhart Lake Visitors Guide.
- ★ Business Events may be listed in the Depot Dispatch calendar and in the Chamber Events on our website.
- ★ Sponsorship Opportunities-Sponsor our many chamber membership events, chamber community events and chamber webpage to promote your business.
- ★ Seminars/Workshops -Business related programs offered throughout the year.
- ★ Membership Directory Listing-All Chamber

- members are listed in the Elkhart Lake Chamber of Commerce Membership Directory and Visitor Guide, designed to promote Chamber members.
- ★ Chamber Cash-Gift certificates people can purchase from the Chamber and are accepted at participating Chamber member businesses.
- ★ Chamber Window Advertising-Promote and advertise your business in our chamber windows in downtown Elkhart Lake.
- ★ E-blasts to Elkhart Lake Chamber members at \$25 per e-blast.
- ★ Business Referrals-We refer inquiries to Chamber member businesses as a priority.

Sundance Farm to Host Horse Trial in Plymouth, WI!

the competitor will garner 4 penalties per jump. Horses are also penalized for refusing jumps or for doing the course too slowly. Equipment for this phase includes protection for the horse's legs and helmets for the riders. The saddles are also different as they help place the rider more forward for staying over the horse's center of gravity for jumping. Some horses and riders have difficulties with bright fences, while others have problems with the wider oxer jumps, or the combinations that require the horse to jump, take two strides and immediately take a second jump. The morning starts with the more advanced levels where the jumps are higher and wider. The upper divisions also require more jumping efforts, and the optimum time is shorter. Stadium jumping begins at 11:00am on Friday and Sunday at 8:30am.

A unique opportunity for horse-interested spectators is coming soon. Riders from IL, WI, IA, MN, KS, ND, MO, and NE will be competing for top honors in the Midwest.

This is a special year as Sundance Farm has been selected to also host the Area IV Championships, in conjunction with our regular horse trial. Riders from throughout the Midwest have qualified to compete in these divisions. Winners will receive championship checks and various additional prizes.

The Sundance Farm Horse Trials will be taking place September 29-October 1, 2023. This is a nationally recognized competition approved by the United States Eventing Association. Riders will begin the competition on Friday, with dressage rides in three rings. This test requires riders to do specific maneuvers on horseback showing the communication of horse and rider throughout the ride. Riders wear black coats, light colored breeches and tall black boots. Dressage begins at 8:00am

On Friday afternoon and Sunday, riders must switch equipment and apparel to compete in the next phase of the competition. This would be the stadium jumping which is held on the grass. The colorful course of jumps is situated on reasonably flat terrain, however there are some hilly rolls and dips to the course that add challenge to conquering the jumps. All the poles sit on shallow metal cups. If the horse happens to lightly rub any of the jumps the poles will fall down, and

Saturday morning's competition is phase two, starting at 8:30. Known by competitors as the 'Cross Country' Phase, it is the main reason most riders are in this sport. This course is made up of solid obstacles that do NOT fall down. Horse and rider must jump a course of cabins, logs, roll tops, coops, ditches, banks and water. Many are located on rolling terrain, through the woods, and across fields or around fields. An optimum time is required, so again, riders must keep up the pace and cut corners where they can.

While riders are permitted to walk the course as many times as they want, beforehand, the horses are not allowed to see the course ahead of time. Trust between horse and rider is a big part of this day's competition. Horses wear protective leg gear. Riders are required to wear protective helmets and vests.

It is traditional for competitors to outfit themselves and horses in a specific color theme. All the equipment and rider attire will be the same color, so leg wraps match saddle pads and protective vests making for ease of spectators to identify their favorite rider.

This particular horse trial, while in its 10th year, is known for the bright triangular Sargento cheese wedges that the horses must jump over, along with the Bank First National Picture Frame jump that the upper level horses must jump through. Various stone wall fence lines have been cut through to offer better gallops on course and a path through the hollow is now available for easy viewing

by spectators. The Sundance Farm Horse Trial has been featured in the National Eventing magazine as an 'Up and Coming' attraction in the Midwest. The course has a reputation, with competitors, as being the most beautiful course in the Midwest.

Depending upon the number of competitors, Sunday's competition will go until approximately 11:30a.m.

The property will be transformed from alfalfa fields and wooded lanes to obstacles and gallop areas with beautifully decorated jumps. A tent city of horse stabling and a vendor area of all kinds of horse products will be featured for visitors.

Admission is free. Food will be available on the grounds. Consider coming early to see horses and riders preparing and warming up. The first horse goes on course at 8:30am each day.

The competition entrance address is W6224 Woodland Road, Plymouth. Located near Sargento, off of County Road C.

For more information, check out our website: www.Sundancefarm.net or Facebook at "Sundance Farm Horse Trial"

If you have questions, you can reach us at Sundancefarm1@Frontier.com or contact Kelly Mahloch (920) 918-1166 or Ali Kuhn (920)889-9223.

End-of-the-Season Autumn Celebration at Wade House

Revel in the traditions of the fall season during Wade House's "Autumn Celebration" on Saturday, October 14 and Sunday, October 15 from 10 a.m. to 4 p.m. Guests will learn about the traditional harvest season in Wisconsin as well as early traditions of Halloween. The event includes a variety of family friendly activities including turnip and pumpkin carving, snap apple, storytelling, apple cider tasting, open-air horse-drawn wagon rides and more.

The experience will begin on the first floor of the 1850 Wade House stagecoach hotel. Costumed staff will greet visitors inside the historic tap room and share the history of how Americans adapted Irish customs to celebrate Halloween in a new and unique way.

In the hotel's 19th-century kitchens, visitors will discover how apple peels and hazelnuts were used to tell fortunes as well as enjoy a taste of warm apple cider. Outside on the Wade House lawn, visitors will get to carve a turnip into traditional Irish jack-o-lantern, or a pumpkin into the better-known North American lantern.

In the blacksmith shop, guests will have the opportunity to play snap apple, a traditional Halloween game. Snap apple participants will try to take a bite of an apple as it dangles in front of them.

TODD SMITH
REALTOR®
920.838.1770
Todd@PleasantViewRealty.com

Hello Elkhart Lake!

I wanted to reach out to each of you to personally offer my expertise (at no charge) in the Elkhart Lake area to help you determine the value of your property. My goal is to assist you in deciding "Is this the right time for me to sell my property?" There are many variables that need to be considered, so please let me help you truly understand this local market.

I look forward to hearing from you soon,

Todd

WWW.PLEASANTVIEWREALTY.COM

The celebration continues in the candlelit Herrling sawmill where visitors will not only hear the rumble of an up-and-down water-powered saw but also spooky, family-friendly accounts of tales from the past.

"Autumn Celebration" will take place at the Wade House Historic Site in Greenbush, WI. Visitors will begin the special experience at the Wade House

Visitor Center and Wesley W. Jung Carriage Museum located at W7965 State Highway 23. Admission is as follows: adults - \$15; students/seniors - \$13; children (5-17) - \$8; children under 5, free.

The Wade House historic site is one of 12 Wisconsin Historical Society historic sites and museums. For more information, please call (920)526-3271 or visit www.wadehouse.org

1000 BOOKS BEFORE KINDERGARTEN

We have three new Reading Stars!
Rosalie and Eileen Freis and Trey Crowns completed the 1000 Books before Kindergarten program at ELPL. The 1000 Books before Kindergarten program encourages parents to read to their preschool children. Reading together develops important pre-reading skills - a key to school and learning success. Each child receives a sheet to record the books that have been read to them. At each 100 books read the child receives a sticker and places a star on the 1000 Books before Kindergarten display. When completed, the child receives \$50 and a trophy. A large star with the child's name is displayed in the library.

Congratulations to Rosalie, Eileen & Trey!

Plymouth Arts Center to Host Public Reception for Paint the Towns in Fall Color

The public is invited to a festive reception and silent auction on Friday, October 20, 2023 from 6pm to 9pm to view the paintings created at this year's Paint the Towns in Fall Color event. This free admission reception features live music by Lori Brown, Louise Mann, Dr. George Schroeder, and Zach Holden, and complimentary appetizers and desserts. It is a great opportunity to meet the participating Paint the Towns Artists and to bid on your favorite piece of local art at the Silent Auction until 9:00pm. Awards will be presented at 6:45 pm. After the reception and silent auction, the unsold works will remain in Gallery 110 North through November 17 and be for sale at a "Buy it Now" retail price.

Paint the Towns is generously sponsored by Sargento, the Sartori Company, Plymouth Furniture, and Van Horn Auto.

Midwest artists who are interested in participating in this annual en Plein Air (outdoor painting) competition and exhibition, coordinated by artist Dan Rizzi, may visit or call the Plymouth Arts Center, 920.892.8409. Pre-registration is encouraged. Registration materials and a full schedule of events may be found on the PAC website: www.PlymouthArts.Org and Facebook page. Plymouth Arts Center is located at 520 E. Mill Street, in beautiful downtown Plymouth, Wisconsin.

The Plymouth Arts Center is a 501(c)3 charitable non-profit organization solely supported through memberships, fundraisers, business and individual donations, grants and sponsorships. The mission of the PAC is...to enliven the spirit of our community and to enrich the lives of all, by providing diverse experiences in the arts.

Wisconsin Fear Fest is Gearing Up for an Epic Event at Road America

Fear Meets Fun: Wisconsin Fear Fest Returns for 13 Nights of Thrills at Road America!

Get ready to scream, laugh, and test your courage because Wisconsin Fear Fest is back, and it's bigger and scarier

than ever! From October 6 to October 29, prepare yourself for 13 nights of spine-tingling terror and non-stop entertainment. If you're looking for the ultimate haunted thrill park experience, look no further.

Three Terrifying Haunted Houses: Wisconsin Fear Fest promises to push your fear threshold to the limit with not one, not two, but three bone-chilling haunted houses. Each one is meticulously designed to leave you trembling in fear.

Unleash Your Inner Warrior: But it's not all about fear; we've got fun too! Take a break from the screams with a Haunted Hayride, challenge your wits in Mini Escape Rooms, release your inner rage with our unique Rage Experience, and test your precision with Axe Throwing & Paintball Shooting Galleries.

Live Entertainment: We're not stopping there. Every Friday night, we've got Live

DJs spinning tracks to keep the adrenaline pumping. On Saturdays, catch Live Bands that will rock your world while you catch your breath.

Food, Drinks, and More: Fear makes you hungry, right? Don't worry; we've got you covered with various delicious food options and beverages, including ice-cold beer to quench your thirst.

With 13 nights of unforgettable thrills and a line-up that promises to keep you entertained, Wisconsin Fear Fest is the place to be this October. But hurry, tickets are selling fast, and you won't want to miss the most spine-tingling event of the year!

So, whether you're a horror fanatic or just looking for a good time, come join us at The Wisconsin Fear Fest. It's not just an event; it's an experience that will leave you screaming for more. Get your tickets now and prepare to face your fears in the most thrilling way possible!

Get ready for a scream-tastic time during Wisconsin Fear Fest at Road America – where Fear meets Fun!

28th Annual Holiday Membership Exhibit

The Plymouth Arts Center is accepting applications for its 28th Annual Holiday Membership Fine Art Exhibit in Gallery 110 North. The exhibit is open to all current Plymouth Arts Center members and to those who wish to become a member. A variety of annual membership levels are available beginning with a student level. Entry/prospectus for the exhibition must be postmarked or delivered to the PAC no later than October 20, 2023. Each member may submit one piece of original fine art which is their own concept and design not previously displayed in Gallery 110 North. The Fine Arts Committee will have the final word on appropriateness of the work. The exhibit is open to all two and three-dimensional fine art media including, but not limited to, pastel, painting, sculpture, graphite, drawing, photography, fiber, ceramics, metal, glass, wood, paper, jewelry, leather, printmaking, and mixed media.

To request a prospectus, which describes the entry process, and a membership form, please call (920) 892-8409 or email info@plymoutharts.org; it can also be downloaded and printed from the PAC website: www.plymoutharts.org. Visit the Plymouth Arts Center office at 520

East Mill Street, downtown Plymouth, Tuesday-Friday, 10am-4pm.

ROBERT HOOPMAN is the judge for this year's annual Holiday Membership Show.

Robert is a watercolor artist working in the Plymouth area since 2002. He studied art and architecture at Iowa State University, specializing in architectural design and oil painting, and spent the majority of his career practicing as an architect in Boston, Massachusetts. A member of the Wisconsin Watercolor Society, he has exhibited widely in Wisconsin and has his work in private and corporate collections in Wisconsin, Arizona, California, and Massachusetts.

The exhibition opens on Friday, November 24th, however, the festive reception will be held one week later on Friday, December 1st from 5pm to 7:30pm. The reception is free and open to the public. Complimentary appetizers will be served. There will be a cash bar, live music, and a brief awards ceremony. The show runs through Friday, January 12th, 2024.

Presenting sponsors for the Holiday Membership Show are: Sargento, Paul and

Kathy Sartori, and Franz Backus, Gallery 110 North is located in the Plymouth Arts Center, 520 E. Mill Street. Regular gallery hours are Tuesday-Friday 10AM to 4PM and Saturday and Sunday, 1-3PM. Closed

on Mondays and Holidays. Admission to the gallery is always free. Guests are also invited to visit the Gift Shop featuring the artwork of PAC Members.

Badger's Den joins Elkhart Chamber

New Elkhart Lake Chamber members Josh and Dawn of Dawn and Josh's Badger's Den are doing well in Kiel, stating "business is good."

Josh and Dawn focus on community at Dawn and Josh's Badger's Den.

largest Irish whiskey selection within the Tri-County.

Dawn stated they are a community-focused business and try to do two fundraisers a year. They also try to not only sponsor local sporting events but also try to donate to benefits in the area and are also members of the Kiel Area Association of Commerce and the Kiel Lions Club.

During an interview, Dawn stated that they offer free meals for major holidays, and

Elkhart Lake Chamber

NEW MEMBER

Badger's Den

sponsor families during Christmas, supplying gifts and meals during the holiday. Dawn said when it comes time to deliver the meals, they have received great assistance from their neighbor, Ss. Peter & Paul Catholic Church. They also offer weekly Packer specials during the football season.

Josh and Kurt first opened as Badger's Den owners in 2018, starting as a fun sidekick at 401 Fremont St. They remodeled

their space during COVID and then became Dawn and Josh's Badger's Den in 2021. Dawn and Josh currently have 10 employees, including Barb, who has been working at the location for 30 years. Dawn joked about Barb, "we tell everyone she came with the building!"

Badger's Den is open every day, opening their doors at 5 a.m. Dawn pointed out they have a large breakfast menu, serving their breakfast items from 5 until 11 a.m. every day. They also offer fish fry options every day as well so those that enjoy fish fries but wish to avoid the fish fry Friday crowds. Take out is also available. If interested, call 920-894-2139.

What a deal...in downtown Kiel!

Badger's Den, as stated by Dawn, is a small space, but those that come have lots of fun, stating that they have hosted wedding rehearsal dinners, weddings and gender reveals at their establishment. According to Dawn, they also have the

Celtic Folk to Perform "Musical Memories" Variety Concert

The Plymouth Arts Center proudly presents "Musical Memories" a live musical concert featuring the group Celtic Folk October 6 - 8 & 13 - 15, 2023. Join us for an evening of country, Irish, 50's & 60's songs and show tunes. Celtic Folk consists of musicians and vocalists: Tom Armstrong, Tom Clegg, Julie Henze, Kerrylynn Kraemer, Mykael Lengling, Roy Schwab, Rachel Stoyke, Ramona Tritz, and Steve Vogt.

Evening show dates are Friday - Saturday, October 6-7 & 13-14, 2023 at 7:30pm. Matinee performances will be presented on Sunday, October 8 & 15, 2023 at 2:30pm. Tickets are \$15 PAC Member and \$17 Non-Member tax included. To purchase tickets please visit the Plymouth Arts Center, 520 East Mill Street, Downtown Plymouth, WI. Tuesday-Friday, 10am to 4pm, or call: 920-892-8409; email: info@plymoutharts.org. Tickets may also be conveniently ordered online at: www.plymoutharts.org. Visa and Mastercard are accepted.

The show is sponsored by Sargento and Paul & Kathy Sartori.

The group Celtic Folk originated in 2013 at the Plymouth Arts Center under the direction of co-creators/directors, Kraemer and Clegg. Their first production was "Celtic Christmas" in 2013. The success of this show encouraged the directors to design additional shows: Celtic Christmas in 2014, 2017, 2019, 2020, 2021, and 2022; "Memories" in 2017; "History" in 2019; "A Wee Bit Irish" 2021 & 2022; and "Sentimental Journey in Song" in 2021. Future concert performances for Celtic Folk at the Plymouth Arts Center are "Celtic Christmas" December 8-10 & 15-17, 2023 and "A Wee Bit Irish" March 15-17 & 22-24, 2024.

The Plymouth Arts Center is a 501(c)3 charitable non-profit organization solely supported through memberships, fundraisers, business and individual donations, grants and sponsorships. The mission of the PAC is...to enliven the spirit of our community and to enrich the lives of all, by providing diverse experiences in the arts. For more information or a full schedule of events, please visit the PAC at 520 E. Mill Street, downtown Plymouth, WI or the website: www.plymoutharts.org

OCTOBER 27TH

Leathers & Lace - A tribute to historic rock icons, Fleetwood Mac, will take place in the Grand Libelle Ballroom and will feature famous songs from the famous band that spanned multiple decades providing memorable and chart topping hits that have and still are enjoyed by millions world wide.

OCTOBER 28TH

Under the Ikons of Rock banner, Snake Oil is known for an impeccable ability to impersonate 70's, 80's, 90's & beyond! Snake Oil has an outstanding cast of world-class accomplished musicians (two of whom are in the Canadian Music Hall of Fame), singers, both male and female to ensure an authentic & energetic arena rock show.

Sneak Peek Event to Showcase North Town Development

On Thursday, September 28, 4:00-7:00 PM, Van Horn Real Estate & Development will host an event to unveil progress of the North Town development. This will be an exclusive opportunity for the entire community to get a personal look at in-progress projects and hear from key players about next steps.

The central hub for the Sneak Peek event will be a courtyard at 4305 N. 40th Street, Sheboygan. Attendees will have the option to take guided tours of the overall development project. From 4:00 through 7:00 PM food trucks will be on-site for food and beverage purchases and there will be complimentary entertainment from musical group Past Curfew. Attendees will also be able to get a close-up view of the Town of Sheboygan's new fire engine and EMS truck. From 5:30 to 6:00 PM speakers will share concise updates on each of the key projects including the Hilton Home2 Suites extended stay hotel, mixed use 170-unit apartment buildings, senior housing, townhouses and single family homes in the new pocket neighborhood concept, retail and commercial spaces, and public town square.

North Town, a collaboration between Van Horn Development and the Town of Sheboygan, will ultimately combine residential, retail and commercial space on over 99 acres which lies just northeast of the roundabout interchange of highways I-43 and WI-42 in the town.

One of the most noticeable projects nearing completion is the Hilton Home2 Suites. This four-story, 93-room extended stay hotel is 35% complete with an expectation to be ready for guests starting

summer 2024. Representatives from Kinseth Hospitality will be at the hotel location to share updates and provide handouts about the Hilton hotel.

Local and regional business owners can take the opportunity at the Sneak Peek event to select from the initial 16,000 square feet of commercial space under construction in two mixed-use buildings. Retail and commercial space will comprise the first floors with 170 total one-, two-, and three-bedroom apartments on the second through fourth floors of the complexes.

Those looking for a future new home will want to attend the September 28 event to learn more about the planned 600 total residential units comprised of six mixed-use buildings with apartments, and 80 each townhouses and single family homes. An innovative pocket neighborhood concept is being utilized for the homes whereby all back entrances and garages are placed on the outside of a circle and front doors face a central courtyard. This encourages community interaction in a dedicated shared space.

Underground infrastructure is already completed for the North Town Development. Work on the remaining

infrastructure and extensive grass planting in the town square is ongoing as is customary for an active construction site. Upon completion of this high-end development, landscaping will feature natural materials to preserve the semi-rural setting.

Town of Sheboygan officials began work on this project in 2017 with drawings to attract potential developers. Van Horn Real Estate & Development has been the driving force since 2020.

Van Horn Real Estate & Development began as a department within Van Horn Automotive Group, with the primary function of managing various auto dealership properties. As the business grew, and opportunities presented themselves, Van Horn Development started to pursue other real estate projects outside the dealership group. Chris Merklein joined in 2017, bringing with him a proven record of experience and many

local relationships. In September 2021, Van Horn Development, LLC separated from Van Horn Automotive Group, Inc. with a focus on growing the portfolio of real estate and development projects to include single and multi-family residential, retail, commercial, industrial and storage. For more information, visit www.vanhorndevelopment.com

The goal of the Town of Sheboygan's Board is to offer town residents a "small town" atmosphere and quality of life while balancing the desires of their community through high-quality programs and services in a fiscally responsible manner. They pride themselves on working together with residents and local businesses. For more information, visit www.townofsheboygan.org

Village of Elkhart Lake Updates

DEPOT DISPATCH OCTOBER 2023

GENERAL CAPITAL/VAN HORN DEVELOPMENT

The Planning Commission and Village Board worked tirelessly to finish the development agreements for the apartment and townhouse development at 604 S. Lincoln Street (the old County property along Highway 67). Earthwork has begun on the property. There will be a 50-unit apartment building which is being built by General Capital. There were also 11 townhouse buildings which will total 70 units which are being developed by Van Horn. The plan is for the foundations to go in this fall and work start on the buildings this fall and winter. If you have questions or comments on the project, please contact Jessica Reilly at 920-876-2122 or clerk@elkhartlakewi.gov or reach out to a Village Board member.

ROAD PROJECT UPDATE

During the week of September 25th, Chicago Street and Osthoff Avenue (between Chicago and Washington Streets) will be ground and prepared for new blacktop to be laid in early October. The plan is for Sheboygan County to lay new blacktop the week of October 9th. There will be no parking on these streets from 6:00 am until 6:00 pm Monday-Friday from September 25th through October 13th. Please know this could change due to weather conditions. We are aware that it is an inconvenience and appreciate your patience. This is part of an ongoing plan to keep Elkhart Lake looking and operating in top form.

WATER & SEWER RATES INCREASING

Water rates will be increasing on October 1, 2023. The rates have not changed since 2015. The water rates will be higher for the 4th quarter billing. Below are the new water rates as approved by the Public Service Commission.

Quarterly Service Charges:

: 5/8 - inch meter:	\$20.23
3 - inch meter:	\$117.07
3/4 - inch meter:	\$20.23
4 - inch meter:	\$177.36
1 - inch meter:	\$24.83

6 - inch meter:	\$248.31
1 1/4 - inch meter:	\$31.92
8 - inch meter:	\$319.26
1 1/2 - inch meter:	\$39.02
10 - inch meter:	\$390.20
2 - inch meter:	\$63.85
12 - inch meter:	\$461.15

Plus Volume Charges:

First 3,000 cubic feet used each quarter:	\$2.18 per 100 cubic feet
Next 17,000 cubic feet used each quarter:	\$1.88 per 100 cubic feet
Next 30,000 cubic feet used each quarter:	\$1.52 per 100 cubic feet
Over 50,000 cubic feet used each quarter:	\$1.17 per 100 cubic feet

Sewer rates will also be increasing. The increase is due to Northern Moraine increasing rates, so in turn we need to increase our rates. These rates will not increase until January 1, 2024. The sewer consumption rates will increase from \$7.15 per 100 cubic feet to \$7.55 per 100 cubic feet. If you have any questions on these rate increases, please contact 920-876-2122.

DOGS NEED TO BE LEASHED AND ARE PROHIBITED FROM VILLAGE PARKS & THE BEACH

Lately there has been an increase in the number of complaints the Village has been receiving relating to dogs. This is a reminder that dogs need to be leashed when they are off your property. The dog must be under the control of an attendant holding a leash a maximum of 8 feet when off the owner's premise.

No person shall allow a dog to be on any public beach owned by the Village of Elkhart Lake. Also, no pets of any kind are permitted in Village Parks, except dogs for handicapped individuals, or in certain areas of June Vollrath Park, as the signage allows.

VILLAGE ORDINANCE - 8.32 ANIMAL FECES

Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!! If you see this happening, you can report it to the police. If you know

the owner of the dog, you are able to make a statement to the police and the owner will be cited. Also, if you catch someone on video (doorbell cameras) not picking up animal waste you can turn the video to the police, who can then cite the owner of the animal. Please keep Elkhart Lake clean.

DOG REFUSE STATIONS

The Village has installed Dog Refuse Stations throughout the Village. We have installed two new ones along Victory Lane. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue
- Lions Park
- E. Rhine St. near Charlene's
- E. Rhine St. near Two Fish Gallery
- Victory Lane near Cedar Landing
- Victory Lane near Moraine Drive

HELP US REDUCE CHLORIDE LEVELS - SOFTENERS, SALT, AND YOU

Background:

It is estimated that most of the groundwater in the United States has some degree of hardness. Basic hardness is produced by the presence of calcium and magnesium dissolved in water. These minerals, if not removed from your water, may build up as scale on pipes and porcelain or metal fixtures. They coat water-heater elements. They may cause increased laundry detergent usage. This is way most people have water softeners.

The Problem:

The chlorides discharged from the home water softeners end up at the wastewater treatment plant. The Wisconsin Department of Natural Resources (WDNR) is asking the Wastewater Treatment Plant (WWTP) to reduce these chloride levels.

What can our customers do about our chloride problem?

They can have their water softening equipment inspected and adjusted to make them more efficient reducing the chlorides going to the wastewater treatment plant. When replacing or upgrading old water softeners use a high efficiency softener that is metered demand. Our goal is to reduce the chlorides entering the environment by reducing the rate of salt used by our water softener, while still delivering

Email: mwolf@elkhartlakewi.gov

continued quality water. This in turn, will simply help keep long-term sewer rates down. You may also see some reduction in your water and salt usage, thus saving you money!

BUILDING PERMIT REQUIRED

If you are planning a construction project on your home or business, you must apply for a building permit. Permits must be obtained prior to commencement of work. We have had a few people looking to install patios and doing some work and then finding out they cannot have one. We want to prevent this from happening. It is best if you call the Clerk's Office at 920-876-2122 to find out if your project will require a permit. Failure to do so will result in double the permit fees, potentially tearing out of what has been done, and could even result in a fine of up to \$1,000.

YARD WASTE DUMPSTER

The yard waste dumpster is unattended. Please follow the signs about using the dumpster, you are on camera. If you require assistance, we ask that you set up an appointment with the public works department (920-876-2231), so someone can help you. The dumpster is provided at the Village garage from the end of May through October. This dumpster is for yard waste only, not lake waste. A truck for large brush or trees can be obtained by calling the Village garage at 920-876-2231.

EMAIL NOTIFICATION LIST

The Village would like to keep you informed of news and changes that may occur on occasion. We would like your email address. These will be kept confidential. We will remind you of changes in the garbage collection schedule and any other things that come up periodically.

Email Jessica Reilly at jreilly@elkhartlakewi.gov to be added to the list.

LTC Ranked No. 1 Community College in Wisconsin – No. 9 in the Nation

Lakeshore Technical College is the best community college in Wisconsin and ninth best in the nation, according to the newest Niche rankings.

Lakeshore Technical College is the best community college in Wisconsin and ninth best in the nation, according to the newest Niche rankings.

Lakeshore Technical College is a nationally recognized two-year college. The college was ranked #2 in the nation by Washington Monthly, #17 in the nation by Forbes, #20 in the nation by WalletHub.com, a top-150 two-year college by the Aspen Institute, a top 10 Bellwether Award finalist four out of the last five years, and named the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

“While this recent ranking is phenomenal news, what strikes me as most impressive is how our college consistently ranks among the best in the nation across a variety of organizations including Aspen Institute, Bellwether, WalletHub, Vitory, and others,” said Lakeshore President Dr. Paul Carlsen. “This consistency is further validation we are one of the best community colleges in the country.”

Niche compares data from sources including the U.S. Department of Education and its own survey of current college students and recent alumni. The organization connects colleges and schools with students and families by providing in-depth profiles based on data, reviews, and ratings. According to its website, over 50 million people used Niche in the last year.

Approximately 800 students graduate from Lakeshore each year, and associate degree graduates report earning a median salary of \$59,899 within six months of graduating. In addition to the Cleveland campus, Lakeshore educates students at learning campuses in downtown Manitowoc and downtown Sheboygan. Classes are also offered at additional sites throughout the district. Visit Lakeshore at gotltc.edu.

For information about Lakeshore Technical College, visit gotltc.edu.

About Lakeshore Technical College

Lakeshore Technical College is a comprehensive community and technical college educating more than 9,000 students annually. Students enroll at Lakeshore to master real-world, employable career skills and start their pursuit of a bachelor’s degree. Lakeshore faculty and staff are focused on providing each student an individualized learning experience.

ELGSD Receives 2 Outstanding Recognitions

Submitted by Dr. Adam Englebretson, District Administrator

Elkhart Lake-Glenbeulah High School is excited to announce the exceptional achievement of receiving the Level 2 Advanced Placement (AP) Pacesetter Award from the Wisconsin Advanced Placement Advisory Council (WAPAC) and the Wisconsin Department of Public Instruction (DPI). Out of the more than 500 public high schools in Wisconsin, ELGHS is one of only 21 schools with the distinguished Level 2 AP Pacesetter Award.

The Advanced Placement program allows students to experience college-level work while still in high school. Students can earn college credit and placement by taking AP exams and courses. There is also a financial advantage to earning AP credits while in high school, which helps students and families lessen the costs of higher education.

The Pacesetter Awards are unique to Wisconsin and are earned based on

the percentage of students participating in college courses combined with each student's AP Exam scores. To be recognized as a Pacesetter Level 2 School, more than 20% of students at the school must take AP exams and more than 65% of those test-takers must receive a score of 3 or higher (students must receive a three or above to receive Advanced Placement credit).

In addition, Elkhart Lake-Glenbeulah Middle School was recognized by U.S. News and World Report as being the 10th best middle school in Wisconsin! For each state, schools were assessed on their pupils' proficiencies in mathematics and reading, as measured by state assessment tests. Half of the ranking formula was the results themselves; the other half was the results in the context of socioeconomic demographics. In other words, the top-ranked schools are high achieving ones that succeeded in educating all of their students. All data for the rankings are from third-party sources, including the U.S. Department of Education.

In Loving Memory

Deborah Blain founded ElkhartCares, a local 501(c)3 charity. As the President of ElkhartCares, she dedicated herself to serving the families and individuals within the Elkhart Lake - Glenbeulah School District. Collaborating with the Elkhart Lake Library and Elkhart Lake - Glenbeulah School District, ElkhartCares offers programs and assistance in various areas. These include school lunch meals, summer reading programs, internet services for school-aged children, scholarships for high school students, financial assistance for athletics, summer reading programs with the local library, and grants for teachers to support learning and engagement in the classroom and beyond. Deborah's charity also provides essential support to the community, including fuel assistance for transportation, appropriate clothing for winter and back-to-school needs, food support, child care assistance for working families and single parents, and holiday meals and presents for children of struggling families. Each year, ElkhartCares aims to alleviate the financial stress of the holiday season with Santa's Village, a free, family-friendly event that brings the community together to enjoy holiday cheer. Deb Blain, as the President and Founder of ElkhartCares, recognized the need for these services in the community. She believed that these needs, including the bare necessities, were far greater and more pervasive than people often realized. To honor Deborah Blain's life and legacy, ElkhartCares will carry out its mission with your (tax-deductible) donation, which you can make online at www.elkhartcares.org/donate or by check via mail to P.O. Box 537, Elkhart Lake, WI 53020.

Deborah Blain, a caring and loving person, passed away peacefully on August 31, 2023, surrounded by loved ones. Deborah had a zest for life and believed in having a good time while being generous with others. She believed that life was meant to be enjoyed, and that being good to others was essential.

Deborah was the owner of "Throwback" restaurant--previously "Elkhart Inn". The restaurant is loved by the community for her beautiful gardens, her delicious menu of old flavors with a new look, and the stylish interior she designed. The restaurant is staying open, allowing visitors and residents of Elkhart Lake to continue enjoying her legacy.

Throughout her life, Deborah took pride in helping and caring for others. Together with her husband Robert, she was a true humanitarian and philanthropist, positively affecting thousands of lives through their charitable giving. The Blains generously supported food pantries, homeless shelters, museums, learning centers, summer camps, and various other causes.

Deborah spent her last days at the beautiful, peaceful Sharon S. Richardson Community Hospice, where she had a view of blooming flowers, hummingbirds, and the gentle light filtering through the leaves. Her family is eternally grateful for the kindness, dignity, and gentle care provided by the hospice staff there. Deborah Blain will be deeply missed, but her legacy of love, kindness, and generosity will continue to inspire and impact the lives of many.

Remembering our Founder, Deborah Blain

Offering hope and assistance...

"Deborah Blain was my friend. Her kind spirit and big heart connected us right away. It's because of that, that I joined her in her efforts in ElkhartCares. She was the founder. She felt passionate about Elkhart Lake, and about the people in it, especially those that have less. Deb's soft spot for children deeply touched me. She created Santa's Village from the vision of a child's eyes. She would light up when she talked about it. We talked in the last six months about her visions for the organization to carry it on to keep doing her work here on earth. She left her handprint and footprints in this village. Oh, that we could all do our part and be a little bit like Deb! What a difference we could all make."

-Mary Jo Vollrath, ElkhartCares Board Member

Deborah Blain made our community a more beautiful place. Join ElkhartCares in carrying on that legacy. You can visit www.ElkhartCares.org to donate and/or to get involved as a volunteer.

Your tax-deductible donation ensures that ElkhartCares can continue to carry out Deborah Blain's vision of helping others.
