RECENTLY AN AD RANKED ON OUR MAYOR: Mount Morris has laws protecting our environmental, cultural and historic assets. Mount Morris' laws allowing solar and wind power generation were designed to protect the rights of those who wished to use home-farmbased solar and wind taxpayer funded power generation. Foreign (Canadian-French) owned industrial solar power plants simply did not exist. Property rights are a mutual right, both personal and communal, in this state. Thank God we don't live in a "commonwealth" state where one only owns surface rights. The rest belongs to the state "for the common good." An industrial solar plant is not a "farm." On February 20, 1787, the state legislature passed "The Session's Act" (Chapter 36 10th Session, Laws of New York State) which outlawed all land based taxes. The law was never taken off the books. Something really "interesting." Whoever put that ad in gets an "F" grade while the mayor gets a gold star for protecting the property rights and property values of all property owners here, not just individual owners who would personally benefit. Which would you rather have? A wink and a nod pass-the-envelope-please or a mayor who cares about the community as a whole?

Evelyn C. Rolison

March 6, 1932 - August 14, 2023

On the beautiful morning of Monday, August 14, 2023, I was privileged to be at my mother's side as she passed on from this life into heaven.

Her long battle with dementia was over and she could finally be at rest.

The sense of peace at that moment was palpable. She looked so beautiful.

Throughout that morning, four of her grandchildren, who live locally, came to see her once again and spend precious moments by her side.

It was only then that the tears began to fall. As we spent hours reminiscing, laughing and crying together, we noticed the most miraculous thing. Her expression had changed from one of peace to one of joy. Surrounded by her loving family, her face had transformed into a smile.

I would like to thank all the family, friends, neighbors and relatives for the outpouring of love and concern, the food, cards, phone calls, emails, texts, mass cards, memorials and donations made in mom's name.

To Mary Pellicane, head nurse on mom's floor at the Jewish Home, for the years of love, caring and compassion that you not only showed to my mom, but to me and my family as well. We couldn't have asked for a better caregiver (angel) than you.

To June Fraser for the endless food, caring and love. To my brother Jim, sister-in-law Leslie and my nieces and nephews for their help and for being part of mom's funeral mass and service.

To Bill D'Angelo at Martin's Funeral Home for the beautiful service. To Debbie Naples and Michael Donovan for the glorious music provided at mom's funeral mass.

My life is definitely not the same with Mom not in it, but I am blessed with a lifetime of memories and photographs to remember and cherish her by. I will love you and miss you forever Mom!
