WHAT ARE FOLKS SAYING ABOUT US ONLINE?

“I always base buying my next car on the service I receive, and the Service Dept. at Spurr has been excellent (especially Mike). I truly appreciate the shuttle service you provide since I have no way to pick my car up and again your driver is very pleasant. I did like my previous car but the service dept. was so bad I decided to go elsewhere and very happy I did. Keep up the good work Spurr”

Tips on how to write CLASSIFIED ADS that sell!

- 1 **USE A KEY WORD.** This immediately tells the reader exactly what you have to sell.
- 2 **Make your description CLEAR AND FACTUAL.** State the year, make, model, color & size and tell what condition the item is in. Also, state the special features.
- 3 **STATE THE PRICE.** Successful classified advertisers have learned that the price in an ad helps increase the chances for results.
- 4 **IF THERE IS A GENUINE SENSE OF URGENCY,** say so. The words "We're moving," or "Must sell fast," suggest that readers respond immediately.
- 5 **INCLUDE YOUR PHONE NUMBER.** Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 9pm" or "before 11am."

Thank You

George Mathes
Memorial Pork Roast

My family and I thank all the people who came to the party on Saturday, September 23. I wish I could have spoken with more of you - 4 hours were not enough to talk to all the people who knew him! Our special thanks go to all who contributed their time. To those who brought dishes to pass, I appreciated your contributions both for the variety for our feast and for the reminder of many similar parties George conducted over the years that we raised pigs.

To those of you who were planning to come after 5 PM, I apologize - the party just dissolved about 4:30.

To those of you who missed the invitation, I'm sorry. The party was open to all who knew George, and I depended mainly on people seeing the posters or the ads in the Pennysaver and on The Hub or word-of-mouth. George knew so many people, and I saw no way to do specific invitations.

Sincerely,
Sally Mathes, Andrew & Jim

Do you have HEEL pain or ARCH pain?

HEEL SPUR SYNDROME/PLANTAR FASCIITIS is a common problem among people who are active. It starts as a dull intermittent pain in the heel and progresses to a sharp persistent pain. Classically, it is worse in the morning with the first few steps, after sitting, after standing or after walking.

- Plantar fasciitis often begins with irritation and tearing of the fibrous band of tissue on the bottom of the foot, which may eventually result in the formation of a heel spur.
- Contributing factors: Flat pronated feet, high arched feet, poor shoe support, increased age, sudden weight increase, increased activity level, family tendency.
- 95% of our patients' symptoms are resolved with conservative treatment, avoiding surgical intervention.
- We also offer surgical procedures with the best post op success rates using Endoscopic Plantar Fasciotomy techniques (minimal incisions and scarring; often back in a shoe in 1 week).

Refill with Randy

By Randy LeBaron

Good morning! Grab your favorite cup. Fill it up. And let's start this week right... TOGETHER!!!

With those words I started filming my first "Refill with Randy" video back in October 2019. Now, 4 years, 80 videos, 100s of blog posts, and over 2,000 cups of coffee later I thought I would look back and share a little about my "Refill with Randy" journey and why I still believe that having a conversation with someone over a cup of coffee is much more conducive to creating a culture of true connection and understanding than debating topics over social media. Trust me, I know from experience.

So, back in July 2019, I took a leap of faith and stepped out of my position as Lead Pastor of the Albion Free Methodist Church to start the non-profit Go Scatter Ministries. The problem was that I wasn't quite sure what that would entail or even how I would make a living. All I knew for sure was that I felt God leading me to expand my territory while at the same time remaining in the community I had grown to live and care about since moving here in 2004. Over the past 4 yrs. I have been blessed with the opportunity to connect with many folks from around Orleans County through my various roles as evangelist, preacher, teacher, Chaplain, Bereavement Coordinator, etc. but also by simply drinking coffee and engaging in conversation with others... often strangers... at least at first.

It was this idea that inspired me to start recording "Refill with Randy" with the premise that I would talk about a topic or interview a person or organization that I found inspirational all while enjoying a cup of coffee along with the viewer. I initially launched the videos in November 2019 with one being posted each weekday morning on Facebook and, for the few non-FB users, YouTube. After a few weeks I realized how much work it was to record, edit, produce, and post the videos and changed the frequency to once a week on Wednesday mornings. Even then I looked at

the views and likes and thought it was a lot of effort with little reward until, that is, I started receiving analytics from Facebook.

The stats showed that in the first month the videos had been shared over 14,000 times in 32 countries. I wondered if this was a mistake until I started receiving calls and messages from pastors in other countries that led the way to me producing ministry training videos that were translated into Swahili and other local dialects to be used in Kenya in addition to being invited to speak at conferences over Zoom in Africa and India. Imagine that, drinking coffee and talking about social and spiritual topics that I thought might appeal to those who already knew me in the vicinity led to reaching thousands in other countries that I did not know. So somehow Refill had a global appeal, but I didn't want to trade that for local connections so I simply started frequenting local coffee shops. I initially found a group of men and women, mostly retired, that frequented Tim Horton's most mornings. The great thing about this group was that they talked a lot about everything from politics to religion, often from opposite sides of the fence, and yet they could still joke with one another and would make it back the next day to continue the conversation over a hot cup of dark roast. In 2020 I was interviewed on The Family Life Network and it was this experience that led me to share that more problems could be worked out in our world if there were more coffee shops and less 24 hr. News Networks.

The real gift for me was that I have made some great friends over the years that I still get together with to this day and that includes a special group of guys and girls from ARC. Jonathon Doherty was someone I got to know a while back when I was part of a Men's Group that met at Dunkin Donuts. I invited him to join my group of friends and he eventually invited me to join his group of friends. Even though Jonathan is no longer with us his memory lives on as the ARC Self-Advocates continue to meet every 2nd Monday & Tuesday from 10:45-11:45am @ Tim Horton's and you are all invited to join us!

So that's my Refill journey in a nutshell. I came. I saw. I coffeed. Let's grab a cup together sometime and chat.

*See you in two weeks!
Pastor Randy*

Caramel Apples
 Serves : 10
 Prep Time : 10 minutes
 Cook Time : 30 minutes

Ingredients :
 10-15 Granny Smith apples
 Caramel for dipping
 1 cup salted butter
 2 cups light brown sugar
 1 cup light corn syrup
 14 ounces sweetened condensed milk
 1 teaspoon vanilla extract

Toppings:
 Cinnamon-sugar mixture
 Crushed pretzels
 Chopped pecans
 Chopped peanuts
 Mini M&M's
 Crushed Oreos
 Melted dark or milk chocolate
 Chopped Butterfingers
 Graham cracker crumbs
 Marshmallows

Instructions:
 Line a baking sheet with parchment paper. Prepare the apples by washing them well. Dry completely and stick a tongue depressor right into the apple from the top, jamming it in deep enough to hold firmly. Place the apples on the prepared baking sheet and stick them in the freezer for 20 minutes.
 Melt the butter in a medium saucepan over medium-high heat. Stir in the brown sugar, corn syrup and sweetened condensed milk with a wooden spoon. Continue cooking and stirring over medium-high heat until the temperature of the caramel reaches 235-240 on a candy thermometer (about 12-15 minutes but you definitely want to use a candy thermometer for this step!). You will want to stir almost constantly to avoid burning the caramel on the bottom of the pan.
 Remove the pan from the heat and immediately stir in the vanilla. Don't worry about the caramel bubbling a bit when the vanilla gets stirred in. Just keep stirring and it will all come together.
 Pull the (now-chilled) apples out of the freezer and dip them into the caramel, one at a time, letting excess caramel drip off the apple. Give the apple a quick flip upside down and hold it like that for 20 seconds or so to give the hot caramel a chance to set up on the cold apple before turning it right side up and setting the dipped apple down on the parchment paper. Repeat with remaining apples, then transfer to the fridge for 15 minutes to set completely.
 Once your apples have set completely, they can be loosely wrapped in cellophane and tied with a ribbon for a sweet gift!
