Alton Fire Department reminds you to CHECK YOUR SMOKE DETECTORS!

This message brought to you by the City of Alton

Is your evacuation plan up to date?

Creating an evacuation plan is essential for responding quickly and appropriately when a fire breaks out. Have you made one? If so, take a few moments to consult this checklist. If you haven't, it's high time you did!

• **Emergency exits.** Identifying all emergency exits – doors or windows that lead directly outside – is an essential part of every evacuation plan.

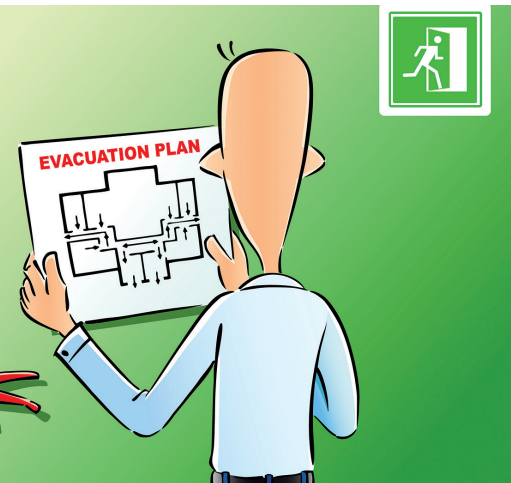

• **Fire extinguishers and alarms.** Ensure your plan includes the location of fire extinguishers, smoke alarms and carbon monoxide detectors.

• **Escape routes.** Establish two different escape routes for each room so you can reach an emergency exit as quickly as possible.

• **Muster point.** Determine a place where everyone should meet after leaving the building. Remember that it must be easily accessible in every season.

Once the plan has been finalized, make sure everyone in your household is familiar with it. Carry out at least two fire drills every year to ensure everyone knows what to do in the event of a fire.

Is your fire protection equipment, such as smoke detectors and extinguishers, up to date and in good condition? If in doubt, buy quality products from your local shops.

FIRE PREVENTION WEEK

OCTOBER 8-14

Don't wait – Check the date. Replace smoke alarms every 10 years

Orange City Fire Department

L-R ROW 1: Lee Roghair, Dan Roghair, Denny Vander Wel, Al Jeltema, Brent Van Leeuwen, Brian DeKock.

ROW 2: Estella Moffitt, Riley Jeltema, Mike Dorr, Paul Brentlinger, Jayden Hiemstra, Noah Minnick, Brandon De Kock, Michael Dykstra. **ROW 3:** Breckin Bomgaars, Chad Hase, John Heller, Seth Bents, Michael Dekker, Andrew Roghair, Dave Dykstra, Kevin Dekker, Austin De Kock.

NOT PRESENT: Josh Dykstra, Aaron Dykstra, Logan Feenstra, Ashton Harding

September 2023

Dear Citizens,

The Orange City Fire Department continues to be grateful for the support of the citizens of Orange City. Your continued support has given us the ability to keep our equipment needs up to date because of the community's support. We remain grateful for your support!

2023 has been a busy year so far as in March we took delivery of the new Tanker 64 from Rosenbauer. This unit was funded from a combination of FEMA grant from the Federal government and gracious donations from the surrounding Townships and residents within our response area. Then in May we began to put together specifications for a new replacement Aerial truck. After numerous truck committee meetings on August 21st, we were given overwhelming support by the City and City council to purchase a new Rosenbauer 101' King Cobra aerial truck which we will take possession of after July 1st, 2026.

Membership in the department currently has 26 firefighters on call. Last year we responded to 110 plus calls and trained over 1600 hours as a department to sharpen our skills and be ready for the next call. We strive to have 30-32 full-time firefighters so if you or someone you know are interested in serving the community contact us or visit our website at orangecityfire.com, click on information tab to download an application.

The focus of our fundraising efforts this year is to fund a battery-operated positive pressure fan along with other needed tools and equipment. A positive pressure fan is used for evacuating smoke or dangerous gases out of a structure.

If you would like to support this project, send a check to:

Orange City Fire Department □ 125 Central Avenue SE □ Orange City IA 51041

This year's Fire Prevention Week theme is "Cooking safety starts with YOU! Pay attention to fire prevention" focusing on one of the biggest causes of fires caused by cooking items.

As always, Fire Prevention Week is a reminder to **test** home smoke detectors and **replace** weak batteries as well as detectors that are more than 10 years old. This year during Fire Prevention Week October 8-14, on Wednesday October 11th, join us for an open house at the station, we will be serving food and drink from 5-7 pm. Come join us and check out your station and equipment.

Thanks again for all your support!

Denny Vander Wel
Chief, OCFD

Orange City Fire Department – Protecting Lives and Property Professionally and Safely

Face BEHIND THE card

With over 30 years of experience, R & R construction's Ryan Pottebaum is a general contractor committed to getting the job done right. R & R have specialized in custom homes, additions, and remodels since 2000 all around the Northwest Iowa area. They apply quality craftsman and attention to

detail on every project. R & R also make the decision-making process for homeowners simple and easy, so you can have peace of mind throughout the entire building process. We want to work with you every step of the way. We know building or remodeling can be a stressful process, so we work to make it enjoyable. But beyond that, we work tirelessly to make sure we aren't just building a home or remodeling a space but rather the dream that you've always imagined!

R & R Construction is proud to call your home our home. No job is too big or too small. Call today to make your dreams come true. 712-441-2848

Diamond Vogel

Business Systems Analyst

Diamond Vogel is seeking a full-time Business Systems Analyst to join our team! Our ideal candidate thrives on challenges and has a knack for process improvement. This analyst will work with our new ERP system and will be a key contributor to business system projects. The ideal candidate will possess the experience, diligence, and desire to deliver governance, cross-functional systems architecture, code, and application capability in a hybrid SaaS/Onsite IT environment. Project Management skills and experience will be important in the success of this role.

Job Responsibilities:

- Work directly with business system stakeholders to define and drive system use
- Facilitate Requirements Development sessions to gather, build consensus, and document business, divisional, and manufacturing requirements
- Interface with all levels of our organization to communicate status, negotiate outcomes, frame opportunities, and improve current business processes
- Solve problems by developing report improvements and new report specifications
- Provide Level III ERP support as a cooperative member of the IT team
- Dive into difficult problems and successfully deliver results on schedule
- Diligently work and be involved with some of the company's highest priority projects

What we need from you:

- 5-8 years of business systems analysis, ERP administration, project management and/or report development
- Bachelor's degree related to Information Technology Systems or Business Administration; or equivalent experience
- Experience with product and manufacturing business systems
- Detail-oriented, well organized, and ability to coordinate or be involved in multiple projects simultaneously
- Experience in modern database and application programming, preferably MRP/ERP systems and Microsoft SQL Server
- Self-motivated, able to work independently or collaboratively with a team
- Ability to think creatively and conceptualize product design
- We offer competitive wages and a complete benefit package, including health care, dental, and vision; 401k; life & disability insurance; HSA (health savings account); PTO (paid time off); and more.

We offer competitive wages and a complete benefit package, including health care, dental, and vision; 401k; life & disability insurance; HSA (health savings account); PTO (paid time off); and more.

hr@dordt.edu

Dordt University is an equal opportunity institution. The commitment of the university to nondiscrimination on the basis of age, color, disability, gender, national or ethnic origin, or race is consistent with federal and state requirements for nondiscrimination in employment.

Quality Control

Diamond Vogel has an opening for a **Quality Control Technician** in our Liquid Paint Production plant in Orange City, IA. Primary duties include routine testing of raw materials and finished goods in direct support of the paint production team. This job is also color related, so a detailed eye for color is important.

On-the-job training will develop the following technical skills:

- Perform routine tests with minimal supervision
- Maintain accurate records of all results and samples
- Communicate observations, test procedures and related data verbally and in written form with team members
- Maintain a clean and hazard free work area

If you are thorough and have a strong work ethic, join our technical team in a professional environment making a top-quality product. We offer competitive wages and a complete benefit package, including health care, dental, and vision; 401k; life & disability insurance; HSA (health savings account); PTO (paid time off); and more.

Applications and company information are available online at DiamondVogel.com
