## HEATH HYDE WILL FIGHT TO PROTECT OUR LAND.

### PROTECTING TEXAS LAND

If Communist China thinks they can have any more of our land, they're wrong. **Let's elect a conservative representative who will tell China that Texas is not for sale.**

### SECURING THE BORDER

As thousands of illegals flood across Biden's open border, they destroy farm and ranch property. **It is time for Texas to finish what President Trump started and finish the wall.**

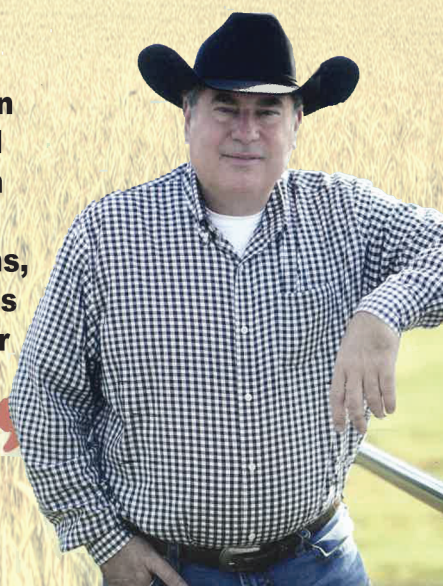

### SUPPORTING PROP. 1

Proposition 1 will ensure that leftist cities and radical marxist politicians cannot deprive us of our right to farm and ranch on our own property. **Together, we can protect our land.**

“As a fourth-generation farmer and rancher, I will never back down against Communists China, leftist politicians, and woke corporations who want to steal our property or threaten our way of life.”

# BUSINESS SERVICES

The business services industry is a very broad industry encompassing many different categories of business operations; all of them provide some sort of non-financial service to other companies. These services include advertising, marketing, consultation, logistics (including travel and facilities services), waste handling, staffing services, shipping, administration, and security services to name a few. Nearly every business in operation has need for at least one of the different kinds of service offered by the industry. Marketing companies are responsible for increasing the sales of a client company by helping the company gain new customers as well as keep current ones. Legal services are needed to deal with business transactions, as well as for litigation purposes. Logistics and shipping companies are responsible for connecting businesses to other businesses or consumers by collecting, storing, transporting, and delivering products. Staffing companies match people in need of jobs, temporary or permanent, with companies in need of qualified employees. Leasing companies fill a client's need for certain items without requiring full purchase. Security companies are responsible for keeping a company's assets secure. Consulting companies are in the business of fulfilling needs for expertise that clients cannot fulfill themselves. These companies may offer professional, scientific, or technical consulting, management or strategy consulting, or human resources consulting.

### **Otto Charles Walling, III**

Otto Charles Walling, III, of Mount Vernon, Texas passed away on Tuesday, October 3, 2023, in Sulphur Springs, Texas at the age of 66.

Visitation was on Sunday, October 8, 2023, at Sam B. Harvey Funeral Home from 2:00-3:00 p.m. and the Funeral Service immediately followed at 3:00 p.m. with Rev. Pepper Puryear officiating. Pallbearers were Mark Walling, Tim Bass, Brad Burten, Neal Cox, Mason Bass, and Chris Burten. Honorary Pallbearers were Matt Walling, Eric Martin, Scott Mahaffey, CJ Jackson, Zach Lerner, Kyle Higgins and Mike McHale. Interment will be at the Mount Vernon City Cemetery.

Charles was born in Mount Vernon, Texas on July 11, 1957, to Dr. Otto Charles Walling, Jr., and Frances Lucille (Isham) Walling. He was a life-long member of the First Baptist Church in Mount Vernon.

In his early adult years, Charles enjoyed competing at Rodeos in Bull Riding events. His interest in cattle and ranching led him to membership in the American International Charolais Association. Working on his family's ranch was very rewarding to him. Working cattle, spending days on a tractor, and building fences never seemed like work to him as he loved being outdoors. Charles also enjoyed the outdoors by spending time fishing or hunting. His hunting and fishing abilities combined well with his excellent cooking skills. Although known for his sweet potatoes, his deer chili and fried catfish were the best. It brought him great joy to share whatever he had prepared with family and friends. More than his love for cattle, the outdoors, and cooking was his deep love for his family. His greatest joy was the fun times spent with his children and grandchildren. His tender and loving heart was very evident whenever he would speak of them.

He was preceded in death by his parents, Otto and Lucy Walling; son, Otto Charles “Charlie” Walling, IV and grandson, Chevy Walling.

Survivors include his daughter, Charlotte Walling; granddaughters, Isabella “Bella” Walling, Jamie Collins, and Caroline Burten; grandson, Jude Collins; 2 great grandchildren, Althea Rose Collins, and Ezra Parsons; siblings and their spouses, sister, Mary and Brad Burten; brother, Mark and Holly Walling; sister, Martha and Tim Bass and brother, Matt and Lisa Walling. Numerous nieces, nephews, and extended family.

Services were entrusted to Sam B. Harvey Funeral Home.
