MOUNT MORRIS VOTERS

I served this community for nearly 25 years in the Town Clerk's office prior to retiring 12/31/2021.

I personally know that current Town Clerk Chelsey Woodworth is most capable in this position, and I wholeheartedly endorse her in this election.

TOWN Clerks have several responsibilities that no other municipal clerks have. Some of these include the issuing of NYS required licenses for dogs, fishing, hunting, and marriage. Chelsey is well versed in ALL the policies, procedures, and specialized software for this position.

I strongly urge you to VOTE FOR CHELSEY WOODWORTH, the ONLY candidate with true experience in ALL aspects of the Town Clerk's position.

As incumbent she has proven herself qualified for the job.

Sincerely,
Christie Murphy

SOVEREIGN GRACE Q & A

Sovereign Grace = God's Love - our need -

**We are made complete through his provision his son Jesus Christ
his perfect gift to mankind.**

Dear K,

Thank you for your question, which has been asked by many people:
“Why do people go to church but continue to do or say wrong things in their life?”

It has been said that living in a garage doesn't make you a car. And the same holds true of people who attend church. Being a church attender does not make you a true follower of Jesus Christ, which accounts for the problem you mention in your question.

There are many so-called religions, but basically there are only two paths. One follows what man dreams up as a plan to appease God, and the other is God's plan that He has laid out for us in His message to us, the Bible. The man-made plans change with the whims of the one who devises them. God's plan never changes.

Those who are following God's plan know that to be a true Christ-follower, one must be born again spiritually. They have confessed that they are sinners and need their sins forgiven, and they believe that when Jesus died on the cross, He took upon Himself all the penalty for sin for those who put their faith in Him. They are free from the guilt of their past sin. But more than that, they now have the presence of the Holy Spirit living in them to help them live as God wants them to. They attend church because that is the place to hear more about God, His truth and His love, and to encourage others to live as God wants. It's like a spiritual 'hospital' where those who believe in Jesus can continue to learn healthy spiritual living, based on the teachings found in the Bible. They learn God's truth which sets them free from the bondage of this world's falsehoods, and gives a fuller understanding of what it means to be redeemed and set free. True believers learn to forgive, to love others as Jesus has loved them, and to live sacrificially for the good of others, as Jesus did.

So you see, K, that you may see people attending church for various reasons – out of habit, to look good to others, or even just to feel good about themselves. So, once they walk out the doors, there really has been no change in them. They are exactly who they were when they entered. But those who are truly born again exhibit different behavior in their lives outside the church. Yes, they are not perfect and will not be perfect until heaven, because we live in a fallen world. But their desires and motives for behavior are drastically different from mere 'attendeers.' They want to please God and are growing toward that goal, with the Holy Spirit helping them as they grow.

The wonderful old hymn says it like this: “I once was lost, but now am found, was blind but now I see.”

Jesus said this: “Truly I say to you, he who hears My word, and believes Him who sent Me, has eternal life, and does not come into judgment, but has passed out of death into life.” John 5:24

And finally, this promise: “.....He who began a good work in you will perfect it until the day of Christ Jesus.” Philippians 1:6. True believers are continuing to grow and develop the wonderful character God wants, through knowing the Bible and by the power of God's Holy Spirit who lives in every true believer.

TOWN CLERK
Chelsey Woodworth

Qualified
I proudly serve as the current Town Clerk. I have spent several years serving as a member of the Town Board including a position as the Deputy Supervisor. During my time on the board I learned the intricacies of Town, State and County law, policy and procedure which makes me qualified to do the job of Town Clerk with the proper knowledge to handle all tasks appropriately and proficiently.

Dedicated
I have spent much of my life as a public servant, serving in the Navy, the Livingston County Sherriff's Office, Commander of the VFW, Cub Master, Boy Scout Committee Member, A member of the Kiwanis Club, A Town Board member and now in my role as the Town Clerk. Since taking over the office of the Clerk I have dedicated myself to learning all of the pertinent skills necessary to run the office. Further, I have utilized Government grants to make several updates to the office space including technological advances to improve the safety, security and proficiency of the office space.

Honor, Courage & Commitment
These are the three core values of the Navy. These traits were embedded into my character upon joining the Navy at the age of 17. I have carried these values into every facet of my life and find them especially important in my public service roles, and to maintain integrity in my political career.

I appreciate your support!
