## Joe Rawleigh for Mount Morris Town Council

As a tax payer in the Town and someone who wants to see our community thrive, I am not afraid to do the work to...

- ◆ Create affordable taxes.
- ◆ Develop a reasonable solution to get water into the township without picking your pocket.
- ◆ Give back to the taxpayers from solar revenues.
- ◆ Help create opportunities for new residential construction that will help grow our community and spread the tax burden.

With my local government experience I know how to make progress, work with opposing views and get results.

### Vote Tuesday, November 7th Joe Rawleigh for Town Council

Thank you for your consistent support!

# Chelsey Woodworth

## Mount Morris Town Clerk

I'm Chelsey Woodworth, I'm the current Town Clerk for the Town of Mount Morris. I'd like to thank the people of the Town for all of your support and kindness throughout my time serving on the Town Board and as the Town Clerk. A special THANKS for all of the support that's been shown to me during my campaign. Being the Town Clerk is not just my livelihood, its a job I genuinely love to do - it allows me to utilize my experience, training, education, knowledge and passion for public service to serve the Townspeople productively, responsibly and efficiently.

**I WOULD APPRECIATE YOUR VOTE ON NOVEMBER 7TH**

 +1 585-519-6300

“ Chelsey is a capable and dedicated public servant to her community. Through her work as a Town Board member and now as Town Clerk! She seamlessly walked into the position of Town Clerk upon my departure and immediately mastered all tasks. Our community is lucky to have her!

Nicole Davis, previous Mount Morris Town Clerk ”

“ I personally know that current Town Clerk Chelsey Woodworth is most capable in this position and I wholeheartedly endorse her in this election. I strongly urge you to VOTE FOR CHELSEY WOODWORTH... the ONLY candidate with true experience in ALL aspects of the Town Clerk's position. As incumbent she has proven herself qualified for the job.

Christie Murphy, previous Town Clerk 25 years ”

“ She has a strong personality, yet is humble, she goes above and beyond for the community while still devoted to her family and friends, she's willing to stand for what's right, NOT what's popular or "has been", she listens to people whom otherwise don't have a voice as she does not discriminate their worth, she's willing to sacrifice her time both in and out of the office and she is always striving to achieve and do better at all things she involves herself with... These qualities can only benefit the town!!

Nicholas Shea, Community Member ”

“ One of the things I respect about Chelsey is that she and I have been able to communicate even when we disagree, loudly. Being able to recognize one another as neighbors and focus on what we have in common rather than what divides us is something I really value, especially in a position that serves the whole community.

Lauren Berger, ZBA Member ”

## MOUNT MORRIS VOTERS

I have worked in the Mount Morris Town Clerk's Office for the past 5 years serving as Deputy Town Clerk. I've worked for Christie Murphy, then Nicole Davis, and now our current Town Clerk Chelsey Woodworth since her appointment in November 2022.

I have seen first hand the skill set needed for this job. The responsibilities are many, as are the separate software programs used to carry out this job. This is not like any other clerical position. I am confident Chelsey Woodworth can do this job because I've seen her do it every day! Since taking the position she has continually made improvements to the services provided by her office and I know she will continue to do so.

Please join me in voting for **CHELSEY WOODWORTH** for **TOWN CLERK** on November 7, 2023. She has already proven she has the expertise needed to do the job!

Sincerely,  
Trish Hill

## Fellow Mount Morris Residents

*Please allow me to take this opportunity to share why I am running for Mount Morris Town Clerk. I have always been interested in running for a position where I would have the opportunity to work within the community where I was raised and have raised my own children. I worked in the village office as a Part Time Clerk. I gained a lot of experience in this position, and enjoyed what I was doing. When the town clerk came up for election, I decided that this would be the best time for me to run.*

*With my children being grown, and the last one graduating this year, I can now dedicate my time to this position. I will have more availability and will be able to provide the residents with flexible hours that will better meet your needs.*

*While I haven't been in this current position, I want to ensure all residents that I am more than qualified to be your town clerk. I have the skills and work ethic that it takes to run an office. I managed and ran an office for 15 years, and currently I am employed as a Principal Clerk for the Livingston County Highway Department. I am excited for the opportunity to bring my work experience into this position with the hopes of being able to better serve you the residents of Mount Morris. When I made the decision to run for town clerk, I immediately took the test and received my commission for New York State Notary Public. I will continue to take the necessary steps to be able to better accommodate the needs of all residents of our community.*

*Although this election started off with some road bumps, let me assure the residents that my only interest is to better serve our community. I am confident that I have the qualifications and ability to do so. I have always looked out for the best interest of our community and will continue to do so once elected as Town Clerk.*

*Let me end by thanking all the residents who came out to support me at both caucuses, and who have continued to support me on this journey. The positive feedback has been overwhelming and much appreciated.*

**★ I would appreciate your vote on November 7th ★**

**Vote for the Experience and Knowledge you can trust.
